[Time is a Flower](#) - Julie Morstad 2021-09-21

A playful and poignant exploration of the nature of time through the eyes of a child from acclaimed author/illustrator Julie Morstad. What is time? Is it the tick tick tock of a clock, numbers and words on a calendar? It's that, but so much more. Time is a seed waiting to grow, a flower blooming, a sunbeam moving across a room. Time is slow like a spider spinning her web or fast like a wave at the beach. Time is a wiggly tooth, or waiting for the school bell to ring, or reading a story . . . or three! But time is also morning for some and night for others, a fading sunset and a memory captured in a photo taken long ago. In this magical meditation on the nature of time, Julie Morstad shines a joyful light on a difficult-to-grasp concept for young readers and reminds older readers to see the wonders of our world, including children themselves, through the lens of time.

[Anya's Secret Society](#) - Yevgenia Nayberg 2019-03-12

Left-handed Anya draws with great passion . . . but only when she's alone. In Russia, right-handedness is demanded--it is the right way. This

cultural expectation stifles young Anya's creativity and artistic spirit as she draws the world around her in secret. Hiding away from family, teachers, and neighbors, Anya imagines a secret society of famous left-handed artists drawing alongside her. But once her family emigrates from Russia to America, her life becomes less clandestine, and she no longer feels she needs to conceal a piece of her identity.

[The Not-So Secret Society](#) - Matthew Daley 2017-07-26

Writing team Matthew Daley (Lantern City) and Arlene Daley call on their combined 25 years of education experience to create this thrilling coming-of-age adventure. Co-created by Trevor Crafts (Lantern City) and Ellen Crafts, and illustrated by Wook Jin Clark (Adventure Time: The Flipside), The Not-So Secret Society is an all-ages adventure that celebrates the value of teamwork and lifelong friendships. Madison, Dylan, Emma, Aidan, and Ava have pretty normal lives for a group of 12-year-olds: They go to school, participate in extracurricular activities, and oh yeah, they also have AWESOME ADVENTURES. Together they form The Not-So Secret Society. But when they invent a candy-making machine for their school's annual science fair, things don't go according to plan . . . and their candy creation comes to life and escapes, threatening to destroy the entire city!

The Secret Society of Moses - Flavio Barbiero 2010-01-19

A radical reexamination of Western history that suggests the descendants of Moses were the architects of the rise of the Roman Church and the ancestors of European aristocracy • Answers the inexplicable disappearance of all mention of Moses's descendants from the Bible • Reveals the key role played by Josephus Flavius in shaping early Christianity • Explains the connection of this secret priesthood to modern secret societies like the Freemasons After the book of Exodus, Moses's two sons and numerous descendants all vanish from the Bible. Flavio Barbiero's investigation of this strange absence and his study of the centuries-long power struggle between the priestly families fighting for control of the Temple of Jerusalem starts with the rebellion against Rome--and the emergence of Josephus Flavius, one of Moses's descendants, on the world stage. In AD 70 when the Temple in Jerusalem was destroyed by Titus Flavius and thousands of Jewish priests were exterminated, Josephus, now bearing his sponsor's last name, followed Titus Flavius to Rome with at least 250 relatives and friends. Here they were made Roman citizens but then subsequently disappeared from recorded history. Barbiero's careful study of early Christianity shows, however, that these surviving members of Moses's high-priest lineage succeeded in taking control of the nascent Roman Church and masterminded its extraordinary success. Using a wide range of evidence drawn from fields as disparate as archaeology, heraldry, and genetics, Barbiero shows how these descendants of Moses used the cult of Mithras to eventually seize control of the secular Roman authority as well. He then follows, step by step, the spread of the members of this secret priestly elite into what was to become the aristocracy of medieval Europe and how their influence continues to be felt in modern secret societies like Freemasonry.

Secret Society Girl - Diana Peterfreund 2007-05-01

Fans of Beautiful Disaster will devour Diana Peterfreund's Ivy League novels—Secret Society Girl, Under the Rose, Rites of Spring (Break), and Tap & Gown. At an elite university, Amy Haskel has been initiated into the country's most notorious secret society. But in this power-hungry world where new blood is at the mercy of old money, hooking up with the

wrong people could be fatal. Eli University junior Amy Haskel never expected to be tapped into Rose & Grave. She isn't rich, politically connected, or . . . well, male. So when Amy is one of the first female students to receive the distinctive black-lined invitation with the Rose & Grave seal, she's blown away. Could they really mean her? Whisked off into an elaborate initiation rite, Amy awakens the next day to a new reality and a whole new set of "friends"—from the gorgeous son of a conservative governor to an Afrocentric lesbian activist whose society name is Thorndike. And that's when Amy starts to discover the truth about getting what you wish for. Because Rose & Grave is quickly taking her away from her familiar world of classes and keggers, fueling a feud and undermining a very promising friendship with benefits. And that's before Amy finds out that her first duty as a member of Rose & Grave is to take on a conspiracy of money and power that could, quite possibly, ruin her whole life.

Very Secret Society - Rebecca Scott 2015-10-08

The largest tool used by the bloodlines to implement the New World Order agenda is the global secret society network. Politicians, bankers, businessmen, and media personalities - the biggest names in history and world affairs form a huge secret society matrix. This hierarchical pyramid-structured network is constantly recruiting and placing members in key influential positions. In order to orchestrate global events and policy decisions from behind the scenes, many niche secret societies groom and position politicians, media personalities, and other "yes-men" so they may best aid the Great Work.

Francis Bacon and His Secret Society - Constance Pott 2011-10

"It is certain that, although much is known about Francis Bacon in some parts or phases of his chequered life, yet there is a great deal more which is obscure, or very inadequately treated by his biographers." "For instance, what was he doing or where was he travelling during certain unchronicled years? Why do we hear so little in modern books of that beloved brother Anthony, who was his 'comfort,' and his 'second self'? And where was Anthony when he died? Where was he buried? And why are no particulars of his eventful life, his last illness, death, or burial

recorded in ordinary books?" Francis Bacon (1561-1626): philosopher, playwright, poet, and conceiver of the scientific method for empirical inquiry. The staggering amount of publications in which he was involved and his demand for a worldwide reformation of learning, science, and religion have made him one of the most important minds of the Elizabethan era. As much as Bacon's public life influenced the world of science, there is an equal part of his life obscured by his secrecy. This book sets out to delve into these secrets in order to uncover the full extent of Bacon's work. His self-devised secret cipher, his apparent connections to the Rosicrucians and Freemasons, and the frequent gaps in his biography are thoroughly examined, making this a valuable addition to any Baconian collection.

The Illuminati - Jim Marrs 2017-05-22

A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamses, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today's international corporate logos, Knights Templar, assassins, Skull and Bones, whistle blowers, the revolutions in France, Russia, and America, and much, much more. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to powerful

people, and their place in modern America.

The Secret, Book & Scone Society - Ellery Adams 2017-10-31

First in the mystery series from the New York Times-bestselling author: “Anyone who loves novels that revolve around books will savor this tasty treat.”—Library Journal (starred review) A quirky club in small-town North Carolina holds the keys to health, happiness, friendship—and even solving a murder—all to be found within the pages of the right book... Strangers flock to Miracle Springs hoping the natural hot springs, five-star cuisine, and renowned spa can cure their ills. If none of that works, they often find their way to Miracle Books, where, over a fresh-baked “comfort” scone, they exchange their stories with owner Nora Pennington in return for a carefully chosen book. That’s Nora’s special talent—prescribing the perfect novel to ease a person’s deepest pain. So when a visiting businessman reaches out for guidance, Nora knows exactly how to help. But before he can keep their appointment, he’s found dead on the train tracks. Stunned, Nora forms the Secret, Book, and Scone Society, a group of damaged souls yearning to earn redemption by helping others. To join, members must divulge their darkest secret—the terrible truth that brought each of them to Miracle Springs in the first place. Now, determined to uncover the truth behind the businessman’s demise, the women meet in Nora’s cozy bookstore. And as they untangle a web of corruption, they also discover their own courage, purpose, and a sisterhood that will carry them through every challenge—proving it’s never too late to turn the page and start over... “Adams kicks off a new series featuring strong women, a touch of romance and mysticism, and both the cunning present-day mystery and the slowly revealed secrets of the intriguing heroines’ pasts.”—Kirkus Reviews

The Secret Society (Poptropica Book 3) - Mitch Krpata 2017-04-11

In this exciting third installment of the Poptropica series, we find Mya, Oliver, and Jorge in the custody of a secret society whose mission is to protect and preserve Poptropica—a mysterious, uncharted island world. These Protectors, as they call themselves, believe that any outside interference with the islands of Poptropica could have catastrophic

results on the course of history in the real world. As if things aren't bad enough, Octavian has finally claimed possession of the confounding map, thwarted the society's attempts to capture him, and is determined to alter the time line. The trio must join forces with the Protectors and find Octavian before he can go through with his evil plot, or all of human history might be changed—or worse—destroyed!

Freemasonry - Mark Stavish 2007

An exploration of Freemasonry and its history, philosophy, symbols and practices.

Secret Societies - Milton William Cooper 2013-09-20

"History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. The oldest is the Brotherhood of the Snake, also called the Brotherhood of the Dragon, and it still exists under many different names. It is clear that religion has always played a significant role in the course of these organizations. Communication with a higher source, often divine, is a familiar claim in all but a few. The secrets of these groups are thought to be so profound that only a chosen, well-educated few are able to understand and use them. These men use their special knowledge for the benefit of all mankind. At least that is what they claim. How are we to know, since their knowledge and actions have been secret? Fortunately, some of it has become public knowledge. I found it intriguing that in most, if not all, primitive tribal societies all of the adults are members. They are usually separated into male and female groups. The male usually dominates the culture. Surprisingly, this exactly resembles many civilized secret societies. This can only mean that the society is working not against established authority, but for it. In fact, could be said to actually be the established authority. This would tend to remove the validity of any argument that all secret associations are dedicated to the "destruction of properly constituted authority." This can only apply, of course, where the secret society makes up the majority or entirety of any people which it affects. Only a very few fall into this category. Secret societies in fact mirror many facets of ordinary life.

There is always an exclusivity of membership, with the resultant importance attached to being or becoming a member. This is found in all human endeavors, even those which are not secret, such as football teams or country clubs. This exclusivity of membership is actually one of the secret societies' most powerful weapons. There is the use of signs, passwords and other tools. These have always performed valuable functions in man's organizations everywhere. The stated reason, almost always different from the real reason, for the societies' existence is important...".

Secret Societies - Una Birch 2007-01-01

This book is an invitation to the secret world behind the veil of daily events. In its pages you will meet the legendary Cagliostro and the Comte de Saint-Germain as they travel through the royal courts and Masonic lodges of eighteenth-century Europe, fomenting Revolution and working to overturn the social order of their day. Alchemists, magicians, Illuminati adepts, mystics, and Freemasons joined forces with politicians, journalists, scientists, writers, philosophers and libertines in a movement that forever altered the cultural landscape of Western civilization. Inaugurating two centuries of revolution and upheaval, the French Revolution of 1789 put an end to the concept of the divine right of kings, led to the formal separation of church and state, destroyed the remnants of medieval feudalism, and heralded the values of the Enlightenment as the triumphant banner under which the modern world would be born. Yet it was accompanied by a level of violence whose ferocity spoke more of an exorcism than a political restructuring. What lessons does the Revolution hold for us today? Do the forces of secret societies and silent conspiracies continue to influence the world? Historian Una Birch's classic account was originally published in 1911. Her proximity to and sympathy with the events offer a unique perspective. Secret society expert James Wasserman has made this work accessible to the modern reader with extensive annotations, a history of the Revolution, an introduction that places the Illuminati in context, and biographical sketches of the main participants. Book jacket.

Cults, Conspiracies, and Secret Societies - Arthur Goldwag
2009-08-11

Did you know? • Freemasonry's first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished warrior monks then evolved into bankers. • Groom Lake, Dreamland, Homey Airport, Paradise Ranch, The Farm, Watertown Strip, Red Square, "The Box," are all names for Area 51. An indispensable guide, *Cults, Conspiracies, and Secret Societies* connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs, crepuscular cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassinations, the Bilderberg Group, the

Illuminati, the People's Temple and Heaven's Gate—and some surprising, like Oulipo, a select group of intellectuals who created wild formulas for creating literary masterpieces, and the Chauffeurs, an eighteenth-century society of French home invaders, who set fire to their victims' feet.

Secret Society of Saint Mystic - Hiram Ed Taylor 2009-04-06

Secret Societies Reconsidered: Perspectives on the Social History of Early Modern South China and Southeast Asia - David Ownby
2016-09-16

The Very Secret Society of Irregular Witches - Sangu Mandanna
2022-08-23

A warm and uplifting novel about an isolated witch whose opportunity to embrace a quirky new family—and a new love—changes the course of her life. As one of the few witches in Britain, Mika Moon knows she has to hide her magic, keep her head down, and stay away from other witches so their powers don't mingle and draw attention. And as an orphan who lost her parents at a young age and was raised by strangers, she's used to being alone and she follows the rules...with one exception: an online account, where she posts videos "pretending" to be a witch. She thinks no one will take it seriously. But someone does. An unexpected message arrives, begging her to travel to the remote and mysterious Nowhere House to teach three young witches how to control their magic. It breaks all of the rules, but Mika goes anyway, and is immediately tangled up in the lives and secrets of not only her three charges, but also an absent archaeologist, a retired actor, two long-suffering caretakers, and...Jamie. The handsome and prickly librarian of Nowhere House would do anything to protect the children, and as far as he's concerned, a stranger like Mika is a threat. An irritatingly appealing threat. As Mika begins to find her place at Nowhere House, the thought of belonging somewhere begins to feel like a real possibility. But magic isn't the only danger in

the world, and when peril comes knocking at their door, Mika will need to decide whether to risk everything to protect a found family she didn't know she was looking for....

The Secret Society of Salzburg - Renee Ryan 2022-12-27

From the author of *The Widows of Champagne*, and inspired by true events, comes a gripping and heartwrenching story of two very different women united to bring light to the darkest days of World War II. London, 1933 At first glance, Austrian opera singer Elsa Mayer-Braun has little in common with the young English typist she encounters on tour. Yet she and Hattie Featherstone forge an instant connection—and strike a dangerous alliance. Using their friendship as a cover, they form a secret society with a daring goal: to rescue as many Jews as possible from Nazi persecution. Though the war's outbreak threatens Elsa and Hattie's network, their efforts attract the covert attention of the British government, offering more opportunities to thwart the Germans. But Elsa's growing fame as Hitler's favorite opera singer, coupled with her secret Jewish ancestry, make her both a weapon and a target—until her future, too, hangs in the balance. From the glamorous stages of Covent Garden and Salzburg to the horrors of Bergen-Belsen, two ordinary women swept up by the tide of war discover an extraordinary friendship—and the courage to save countless lives.

Secret Societies in Detroit - Bill Loomis 2021-01-25

Secret societies have operated in Detroit for most of the city's history. Many started for fun and companionship. Others had more serious ends in mind. *The African American Mysteries: The Order of the Men of Oppression* helped enslaved people escape the South for freedom in Canada. During the Civil War, so-called black lantern societies like the Knights of the Golden Circle and the Union League waged a covert war in Detroit and across the northern Midwest. In the last century, it wasn't uncommon for a sober suburbanite to catch the train to Detroit and don yellow silk pantaloons, a purple fez and embroidered vest to drink Tarantula juice. Join Bill Loomis in this fascinating look into the secret world of these groups.

Secret Societies - Sylvia Browne 2007-09-11

Fresh from the success of her book *Secrets & Mysteries of the World*, Sylvia Browne now writes about the clandestine world of secret societies. Sylvia's research, combined with her amazing communication with her spirit guide Francine, has uncovered the fact that many secret societies affect the lives of each of us every day...whether it be in the areas of religion, politics, economy, government, crime, or other worldwide influences. She shares her knowledge of the conspiracies, coverups, long-held secrets, misinformation, and power manipulations of secret societies in both the past and present and how they can affect us today and in the future. From the mysterious secrets of the Knights Templar to the powerful secret societies of the modern age, Sylvia takes us on an amazing journey to explore and unearth the truth. She discusses the amazing influence of the Freemasons on our Founding Fathers, the influence of religion on earth-shaking secrets and terrorism, the agenda of powerful secret societies for a "New World Order," and much more. Sylvia explores it all, and even gives us information on a powerful secret society that no one has even heard about. So lock your windows and doors and read about these societies and their secrets...some will really raise the hair on your neck!

The Ladies' Secret Society - Manda Zand Ervin 2020-01-27

Manda Zand Ervin fearlessly records the long history of struggle against clerical domination in which the women of Iran have been engaged for centuries. Rooted in the proud history of ancient Persia, the Ladies' Secret Society is the progenitor of the women of today who are enduring 25-year prison sentences for removing their hijabs in public.

The Secret Societies Handbook - Michael Bradley 2005

Elite secret clubs have always influenced society. In *The Secret Societies Handbook*, Michael Bradley examines the hidden story behind our economic and political hierarchy. He traces the roots of 21 secret groups that have shaped the history of the last two thousand years and reveals shocking new evidence concerning the true extent of their global power today. When the word cult is used, the response is usually the same: dangerous, subversive, anti-family, anti-social. And while this is certainly true, the most daunting discovery in this book is that the most powerful

secret societies are actually running the world, seeking to destroy morality and the family unit while publicly appearing to be their biggest champions. Their ultimate weapons are power and time. They have the power; only time will bring their obscure scheme to its inevitable conclusion. Bold, uncompromising, and totally absorbing, *The Secret Societies Handbook* offers a challenging re-examination of world events and the hidden power structures that conspire to engineer them and determine our future.

Archives of the Heathens Vol. I - Dr. B. S. Jones 2016-04-06

We existed, only not to you, until now. Journey to the first quarter of the previous century when majestic steamships sheared the Atlantic waves before the Great War. Famous men Irving Berlin, Jerome Kern, George Arliss, and Leo Carrillo were members of a secret society on the RMS Mauretania. Actresses Constance Collier, Lena Ashwell, Pauline Chase, Alice Lloyd, Irene Fenwick, and Princess Paola of Saxe-Weimar were initiated. Ethelwyn Leveaux, author Somerset Maugham's lover and Sir Gerald Kelly's muse, signed the sacred tome. Leonard Peskett, architect of the Mauretania & Alexander Carlisle, architect of the Titanic, joined the illustrious ranks. Our affirmation dwells in the true accounts of the 169 persons who were honor bound to this tribe of Atlantic travelers. Become privy to the never before published secret rituals of the Select and Ancient Order of the Heathens. The HIGH PRIESTESS anticipated your arrival.

The Power of Ritual in Prehistory - Brian Hayden 2020-11-05

The Power of Ritual in Prehistory is the first book in nearly a century to deal with traditional secret societies from a comparative perspective and the first from an archaeological viewpoint. Providing a clear definition, as well as the material signatures, of ethnographic secret societies, Brian Hayden demonstrates how they worked, what motivated their organizers, and what tactics they used to obtain what they wanted. He shows that far from working for the welfare of their communities, traditional secret societies emerged as predatory organizations operated for the benefit of their own members. Moreover, and contrary to the prevailing ideas that prehistoric rituals were used to integrate communities, Hayden

demonstrates how traditional secret societies created divisiveness and inequalities. They were one of the key tools for increasing political control leading to chiefdoms, states, and world religions. Hayden's conclusions will be eye-opening, not only for archaeologists, but also for anthropologists, political scientists, and scholars of religion.

Frost. Secret Society Band 1 - Melanie Thorn 2019-12-30

»Nimm sie, nicht mich!« Es braucht nicht mehr als vier kleine Worte von ihrem verhassten Onkel, damit Lilly alles verliert, wofür sie seit dem Tod ihrer Eltern so hart gearbeitet hat. Statt sich gemeinsam mit ihrer jüngeren Schwester in ihrer alten Heimat New York ein neues Leben aufzubauen, steckt sie weiter in Syracuse fest. Nur ist es jetzt nicht mehr ihr nichtsnutziger Onkel Gabriel, der ihr das Leben zur Hölle macht, sondern Ethan Frost — ein zwielichtiger Geschäftsmann, dem die halbe Stadt gehört und der keinen Zweifel daran lässt, dass er ab sofort auch sie als sein Eigentum betrachtet. Ein Blick auf Lilly genügt und Ethan weiß, ihm bleibt keine andere Wahl. Er lässt sich auf den schmutzigen Deal mit Gabriel ein. Denn um sie zu besitzen, dafür ist Ethan jedes Mittel recht. Auch wenn das bedeutet, dass er Lilly in eine Welt hineinziehen muss, die ihr gefährlich werden könnte.

Members Only - Julie Tibbott 2019-08-01

Throughout human history, people have banded together to pass on traditions, climb the social ladder, and often just have a good time. And sometimes, keeping other people out is part of the fun. (Every hot club needs a velvet rope, after all.) But some of these groups have proved so exclusive and secretive that we on the outside can't resist some speculation. Wouldn't you like to know what they're really up to? No need for secret handshakes or passwords—*Members Only* is your all-access guide to the secret societies, clandestine cults, and exclusive associations that you've always wondered about.

Lifers - A Secret Society - Victor A. Cordova 2011-12

Allow yourself to awaken from the slumber of monotony you exist in and there is where you may find the answers which your heart most desires. Under the cloak of control and power you wait anxiously for signs of salvation which you are not capable of seeing. Pull away the layers of theory, religion and politics and face what is real. And although I am only 11 years old, I tell you with full confidence, your beginning is near and soon you too will realize that there is more to what you might have believed about life, death, failure and success. Look around you and open your mind to the possibility that all is not black and white or even right or wrong. We live among you and although you may never sense us, we are here and we are real. Consider me your guide in a world very few are fortunate enough to see. I am like you and I struggle to understand what I am to do with this life I have been given. Yet what is truly important is that you understand that your existence is complex and I shall venture to say that your definition of "The Circle of Life" will change forever.

Believe it or not? I dare you...double dare you to turn to the next page.

The Secret Society of Success - Tim Schurrer 2022-05-17

It's time to redefine success. "The book you're about to read is an absolute game changer, life changer, and outlook changer. . . . You will never view success the same way again. And that's a very good thing." — ERNIE JOHNSON JR., Emmy Award winner and host of TNT's Inside the NBA There's a message getting a lot of airtime these days. It says to be successful, you have to step into the spotlight, climb the ladder, become the boss, or chase whatever version of success that's been dangled in front of you. But what if there's another way? What if fame, money, and power aren't all that we should be chasing? In *The Secret Society of Success*, Tim Schurrer invites you to reevaluate your definition of success and learn a new, freer way to go about achieving it. How do you learn this approach? With the Secret Society as your guide—a community of people who know how to make an impact, whether they have the spotlight or not. The Secret Society will teach you to define success for yourself; contribute to your team without minding who gets the credit; make an impact that spans far beyond yourself, regardless of the size of your platform; navigate living in the tension between contentment and striving; go from feeling anxious, overwhelmed, and restless in your job to being confident in the value you bring to the team; and discover meaning and fulfillment in the work that you do. Through powerful stories of people like the CEO of Apple Tim Cook, NBA all-star LeBron James, Fred Rogers of Mister Rogers' Neighborhood, and people whose

names you've never heard of, you will discover that the success you're looking for is within your reach, wherever you are and whatever your role. "The Secret Society of Success is an important book that everyone should read. It is not only insightful; it's inspirational. This book captures what it really means to be successful. I am for one ready to up my game! Thank you, Tim, for giving me this gift!" — DAVID NOVAK, cofounder and former chairman and CEO of Yum! Brands (KFC, Taco Bell, Pizza Hut)

Secret Societies - John Lawrence Reynolds 2011-09-01

They generate fear, suspicion, and—above all—fascination. Secret societies thrive among us, yet they remain shrouded in mystery. Their secrecy suggests, to many, sacrilege or crime, and their loyalties are often accused of undermining governments and tipping the scales of justice. The Freemasons, for example, hold more seats of power in the U.S. government than any other organization. No fewer than sixteen presidents have declared their Masonic affiliation, and there may have been more. Secret societies have infiltrated pop culture as well. Celebrity members of Kabbalah include Madonna, Demi Moore, and Elizabeth Taylor, among others. From the Mafia and the Yakuza to the Priory of Sion, Skull and Bones and the Templars, Reynolds offers an illuminating and entertaining exploration of the stories—confirmed and fabricated—that surround these societies, as well as provides detailed information on their origins, initiations, rituals, and secret signs. Dispelling myths and providing gripping revelations—such as a direct historical link between the Assassins of the Middle Ages and today's Al Qaeda—*Secret Societies* gives us a smart, surprising look at the best known and often least understood covert organizations.

The Secret Society - Robin Brown 2015-11-01

Cecil John Rhodes made a fortune from diamonds and gold, became prime minister of the Cape, and had a country named after him, but his ambitions were far greater than that. When he was still in his twenties, after a meeting with General Gordon of Khartoum, Rhodes set up a Secret Society with the aim of establishing a new world order. The society, disciplined on Jesuit-style rules, became Rhodes's lifelong

obsession, and after his death it lived on and grew under the leadership of his executor, Lord Alfred Milner. The society played a key role in the governance of Britain during the Great War and the peace terms to end it, and it was linked to appeasement initiatives involving Hitler, the Duke of Windsor and Mrs Simpson before World War II. Echoes of the Secret Society survive in different guises to this day, including the Royal Institute of International Affairs (Chatham House) and the Rhodes Scholarships. In *The Secret Society*, Robin Brown unpacks this

astonishing and largely unknown history. He brings Rhodes, his companions and his successors to life by drawing from diaries and letters, and sheds new light on Rhodes's homosexuality. Ranging from the diamond mines of Kimberley to the halls of power in Westminster, and peopled with characters such as General Gordon, Leander Starr Jameson, W.T. Stead, Olive Schreiner, the Princess Radziwill, Joseph Chamberlain and David Lloyd George, this book is a page-turner that will make you see the world, both past and present, in a different light.
