CONSTELIS VOSS vol.1 – COLOUR THEORY - K. Leigh 2021-04-27

The series opens on a dystopic planet-sized ship in the far future, where a very advanced android receives a personality file from the 90s. He is the only one of his kind. His name is Alex, and in his quest for understanding just how he got to be an android-and on the planet-sized ship known as CONSTELIS VOSS- he finds curiously familiar faces who help him color in the blanks. As the coincidences pile up-friends, objects, scenes, motifs, and tropes-they start to form a pattern. A pattern that's set against the backdrop of a dystopian, corrupt civilization, with a conveniently very-evil villain. A pattern that seems, in all its madness, to be directly linked to him. Something is pulling the strings, and figuring out the mystery is the only way to save himself, his friends, and the future of the very human race itself. But will he be able solve the mystery without losing himself-and his friends-in the process? The road to hell is paved with good intentions, after all. Welcome to Constelis Voss, the anime-inspired, psychological sci-fi trilogy nobody asked for, but everyone (probably) deserves.

The Dracula Vampire Trilogy - Colleen Gleason 2015-12-10

Voss - Patrick White 2012-10-02

The Everyman's Library edition of this classic account of an epic physical and spiritual journey across the outback—by the only Australian writer to win the Nobel Prize—has a full-cloth, quality hardcover binding with a silk ribbon marker, and includes a chronology and an introduction by Nicholas Shakespeare. The character of Johann Voss is based on an actual nineteenth-century explorer, Ludwig Leichhardt, who attempted to cross the entire continent of Australia from east to west in 1848 but disappeared in the attempt. With visionary intensity, Patrick White imagines Voss's last journey across the desert and the waterlogged plains of central Australia. But this magisterial novel is also a love story, for the explorer is inextricably bound up with an orphaned young woman whose inner life, like his own, is at odds with the world. In language poetic and passionate yet grounded in shrewd, often comic, social observations and naturalistic portrayals of farmers, convicts, employers, servants, and aborigines, White creates both a spellbinding adventure and a myth for our time.

Reign of Ash - Gail Z. Martin 2014-04-01

Survival is just the beginning. Blaine McFadden endured six long years in the brutal Velant prison colony, exiled for murder. War devastated his homeland of Donderath and destroyed the magic on which the Ascendant Kingdoms relied. Now Blaine and a small group of fellow exiles have returned to a lawless wasteland, where unrestrained magic storms wreak havoc and monsters roam free. Yet, amidst the chaos, rumors persist of a new magic that could restore the kingdoms. But the key lies with a dangerous, ancient ritual and a group of vanished survivors. Now McFadden's only hope is a small, desperate, quickly rallied army. Together they must make one last stand knowing that if they fail, the civilization of the Ascendant Kingdoms dies with them.

Hard Merchandise: Star Wars Legends (The Bounty Hunter Wars) - K. W. Jeter 2011-06-28

Boba Fett fears only one enemy--the one he cannot see.... Feared and admired, respected and despised, Boba Fett enjoys a dubious reputation as the galaxy's most successful bounty hunter. Yet even a man like Boba Fett can have one too many enemies.... When Boba Fett stumbles across evidence implicating Prince Xizor in the murder of Luke Skywalker's aunt and uncle, Fett makes himself an enemy even he fears: the unknown mastermind behind a monstrous deception, who will kill to hide his tracks. Fett also finds himself

in possession of an amnesiac young woman named Neelah, who may be the key to the mystery--or a decoy leading Fett into a murderous ambush. Fett's last hope is to run through the list of Xizor's hidden enemies. And since Xizor's hidden enemies are almost as legion as Fett's, the chance of survival is slim--even for someone as skilled and relentless as Boba Fett. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! © 1999 Lucasfilm Ltd. and TM. Dead of Night (Inspector Ikmen Mystery 14) - Barbara Nadel 2012-01-05

Inner city murder crosses two continents. Inspectors Cetin Ikmen and Mehmet Suleyman from Istanbul are sent to a policing conference in Detroit, but little can prepare them for the corruption that lies at its heart. When Ezekial Goins, an elderly man of Turkish descent approaches them to crack the long-unsolved murder of his son, a quiet trip takes a far more sinister turn. As they delve deeper into the case, the pair find themselves immersed in a terrifying world of inter-gang drug war and racial prejudice that puts them in mortal danger, and forces Ikmen to confront some demons of his own...

The Hadley Academy for the Improbably Gifted - Conor Grennan 2019-10-08

Young readers will find action, suspense, and a perilous battle between good and evil in *The Hadley Academy for the Improbably Gifted* from New York Times bestselling author Conor Grennan. For ages 10 and up, this dystopian fantasy novel follows a boy's unlikely journey to save humanity as he unravels his true identity and the responsibility it comes with. Jack Carlson is dreading a class presentation when he suddenly finds himself transported to the Hadley Academy, a secret institution that tracks teens with unlikely gifts and trains them to protect the world from an unseen squad of killers. But Jack isn't the only

one who doesn't know what he's doing at Hadley. Despite indications that he is the one prophesied to end the ancient Reaper War, Jack appears to have no extraordinary abilities. So when dark, mysterious forces grow, Hadley is in a confused panic. Much to everyone's dismay, humanity seems to depend on Jack and his new teammates. Can Hadley's rawest recruits push past personal struggles and enormous doubts, develop their dormant powers, and stop the spreading evil? And are they willing to commit to Hadley's motto, "One Life for Many," and make the ultimate sacrifice? The Hadley Academy for the Improbably Gifted might be just the place for Jack after all. This action-packed novel will captivate readers with its riveting plot, relatable characters, humorous dialogue, and dynamic illustrations. Fans of the Hunger Games, the Chronicles of Narnia, Divergent, Maze Runner, and Rick Riordan's books will find themselves at home in the battle for good at the Hadley Academy.

Voss - Patrick White 1980

Set in nineteenth-century Australia, Voss is White's best-known book, a sweeping novel about a secret passion between the explorer Voss and the young orphan Laura. As Voss is tested by hardship, mutiny, and betrayal during his crossing of the brutal Australian desert, Laura awaits his return in Sydney, where she endures their months of separation as if her life were a dream and Voss the only reality. Marrying a sensitive rendering of hidden love with a stark adventure narrative, Voss is a novel of extraordinary power and virtuosity from a twentieth-century master.

The Collective - Jack Rogan 2011-06-28

The Collective is a gripping thriller from Christopher Golden, author of Tin Men, written under the pseudonym Jack Rogan. In a quiet community outside Fort Myers, Florida, a home invasion and murder draw a crowd of Feds. No one is aware that this killing is part of a vast, chilling conspiracy. After all, the victims were just an ordinary family. Former FBI agents Josh Hart and Rachael Voss spearhead the investigation, following a trail of seemingly accidental deaths. Then, in a tranquil Boston suburb, someone comes after the seven-month-old daughter of Gulf War vet Caitlin McCandless. Cait has combat training and knowledge of a shocking secret—and she'll need both to save her daughter's life. Voss and Hart, searching for answers only McCandless can provide, soon find themselves up against far-reaching forces, but what truly startles them is finding enemies inside their own chain of command. In a race against time, power, and secrecy, Voss, Hart, and McCandless are about to come together around an explosive truth: In America, someone is waging war against children—for the most horrifying reason of all. From the Paperback edition.

Voss, also known as Viscount Dewhurst, relishes the sensual pleasures immortality affords. A member of the Dracule—a cabal of powerful, secretive noblemen—Voss has remained carefully neutral...until Angelica. Angelica Woodmore possesses the Sight, an ability invaluable to both sides of a looming war among the Dracule. Her very scent envelops Voss in a fog of hunger—for her body and her blood. But he is unprepared for the new desire that overcomes him—to protect her. Now Voss must battle his very nature to be with Angelica...but this vampire never backs down from a fight.

Pin Action - Gianmarc Manzione 2014-11-04

Most of us think of bowling as a "sport" in quotation marks, and bowling alleys are places with disco balls, matching shirts, and funny shoes. But in the 1960s, New York City was the center of "action bowling", a form of high-stakes gambling in which bowlers—often teenagers—faced off for thousands of dollars every night. When money like that is changing hands, you can bet the pressure is on (and the balls are rigged), and losses come with dire consequences. But for a few kids, the world of action bowling would turn out to be a ticket off the mean streets and onto the Professional Bowlers Association Tour. For Ernie Schlegel, it would be a chance to shed his hustler ways and become a bonafide champion. For the more than 100 million bowlers worldwide and for fans of timeless sports histories, Pin Action captures the underbelly of 1960s and '70s New York and tells the true story of how the most notorious action bowler of all time became a

Hall of Famer. Set in the gritty, flashy, lost world of action bowling, Gianmarc Manzione tells an epic tale filled with seedy characters, uproarious eccentricities, improbable twists of fate, and a rags-to-riches narrative so crazy it has to be true.

Victorian San Francisco Mysteries: Books 1-4 (Maids of Misfortune, Uneasy Spirits, Bloody Lessons, Deadly Proof) - M. Louisa Locke 2017-10-16

This USA Today bestselling boxed set brings together the first four books in the romantic and suspenseful Victorian San Francisco Mystery series: *Maids of Misfortune*, *Uneasy Spirits*, *Bloody Lessons*, and *Deadly Proof*. *Maids of Misfortune* introduces Annie Fuller, a young widow who runs the O'Farrell Street boardinghouse and supplements her income by giving financial and domestic advice as Madam Sibyl. When one of Madam Sibyl's clients dies in mysterious circumstances, Annie goes undercover as a domestic servant to find out the truth about his death. Against his better judgment, Nate Dawson, the Voss family lawyer, finds himself drawn into helping in her investigations, alternatively fascinated and frustrated by Annie's independent nature. *Uneasy Spirits* finds Annie Fuller and Nate Dawson, assisted by the boardinghouse maid, Kathleen, delving into the world of 19th century Spiritualism in order to expose a fraudulent trance medium. They will soon find there are as many secrets as there are spirits swirling around the séance table and some of those secrets will threaten the foundation of Annie's career as Madam Sibyl and the future of her relationship with Nate Dawson, and, in time, they will threaten her very life itself. In *Bloody Lessons*, Annie Fuller has been asked by her beau, Nate Dawson, to find out who has been sending poison pen letters to tarnish the reputations of San Francisco public school teachers. The case becomes personal when they discover that Nate's sister Laura may be one of the teachers being targeted. In *Deadly Proof*, first place winner of Chanticleer's 2018 Mystery and Mayhem historical mystery award, Annie helps her fiancé, Nate Dawson, with a troubling case—defending a female typesetter who is accused of killing her employer. Complicating matters, Nate's sister Laura decides to take the investigation into her own hands. This collection of four cozy, historical mysteries, set in late nineteenth-century San Francisco, are appropriate for teens to adults, and it is a welcome companion to the fifth book in the series, *Pilfered Promises*, and Locke's Victorian San Francisco Stories and Victorian San Francisco Novellas, which feature beloved minor characters.

My House Was Not a Home - Fred Voss 2022-08-01

In Frederic Voss's wonderful memoir, *My House Was Not a Home*, the author describes life on the farm with an abusive grandmother. His priority was finding other places to be than at "home," a place never referred to as such in the book. Voss's book is, however, not about abuse, but rather the friends that helped him avoid it. There were many characters, good and not so good. In chapter 4, we meet Reg Keetering, the king of the tall-tale spinners, as he conjures "The Man Who Invented Dinosaurs." In chapter 5, Darrell (pronounced Duryl) Campbell regales the boys in the barbershop with the origins of the "Greatest Camel and Goat Herd Dog Y'all Ever Saw." Readers meet the author's best friend, Jimmy, Tehama County's answer to Will Rogers. They'll begin to hate the school bully, Stanley Bater, who picks on only kids smaller than him. Once referred to as "Master Bater," he couldn't figure out why they were all laughing. Among the author's many friends were abandoned dogs that came to the house from the highway. They were taken in and fed and loved. Many were reclaimed by the highway or wandered off or killed in mysterious ways. There is room for their stories too.

Instant Daddy - Carol Voss 2014-05-01

The toddler in Jessica Chandler's arms is Dr. Peter Sheridan's spitting image. Down to the auburn hair, dark brown eyes, cleft chin—and small birthmark on his jaw. Peter had no idea he had a child. Or that the baby's mother passed on, and his son was being raised by her twin sister, Jessie. A workaholic with few personal ties, Peter has no clue how to be a father. Though Jessie fears he'll take the boy away, she's willing to show Peter how to be there for his son. But can she open her heart to this instant daddy, as well?

The Water Keepers 3-Book Collection: Deep Blue Secret, Rogue Wave, Ambrosia Shore - Christie Anderson 2015-11-03

"If this series goes as hot as we think it is, it will be better than *Twilight*! Stephenie Meyer, look out!"

~Young Readers Group of Maine Grab the first three novels in this bestselling teen series as a digital set! Over 1200 pages of love, friendship, mystery, and suspense, all with a unique fantasy twist! "A quick read filled with action and romance that will hook you right in." ~My Cozie Corner Book Reviews Sadie doesn't know she's special—or that she could die at any moment. Only one green-eyed boy knows the truth, and he would do anything to keep her safe, even if it means betraying everything he holds dear. SADIE: I've dreamt of the mysterious faceless boy with shimmering eyes since I was little. But that's all he ever was... a dream. Then I almost died. When I woke up, there he was. Rayne is definitely real... and gorgeous. I feel like I've known him forever, but I have no idea why. Who is he? All he will tell me is that he's a Water Keeper, tasked with using Healing Water to help the sick and hurt. But he's been assigned to me. Only me. My own irresistible bodyguard. But, why? What is he protecting me from? I'm just a normal high school girl and that's all I want to be. RAYNE: I have a duty—to protect Sadie from a secret world she knows nothing about, or her place in it. I can't get emotionally involved. The risk is too great. I'm not even supposed to speak to her. But then there was the accident. I thought I was going to lose her, and I can't lose her. But I can't have her either. I have to be strong. But, the way she looks at me... the way she makes me feel... No. I have to resist. I've sworn an oath I can't ever break. *Deep Blue Secret* (Book 1) California teen Sadie James thinks her life couldn't get any better. She has great friends, an energetic mother she adores, and the beach practically in her own backyard. But her carefree life is turned upside down when she's rescued by a mysterious and strangely familiar boy who won't even tell her his name. Each time the boy appears, Sadie's unexplainable attraction to him deepens along with her need to unravel his secrets. The boy is there to protect her, but as wonderful and exciting as it might be to have an irresistible boy with crystal green eyes protecting her every move, every minute of the day...why does Sadie need one? As Sadie finds answers, she realizes her life isn't as perfect as she thought. Not only is she caught in a world of dangerous secret agents she never knew existed, but it turns out her true identity may be the greatest secret of all. *Rogue Wave* (Book 2) After five months of blissful pretending, Sadie and Rayne are practically the couple of the year. At

least, according to Sadie's friends at school they are. But she knows the truth. Their feelings are just an illusion. Now, with graduation and college right around the corner, Sadie realizes she can't put off the inevitable any longer. She has to make a choice. Take the easy way out and run away from her problems, as usual, or move forward with courage and discover her own destiny. But when Ash Hastings, the son of the black-eyed man who almost drove Sadie to her death last November and Rayne's supposed best friend, makes an unnerving appearance in Sadie's life again, the path to her future takes an unexpected turn. And this time, Sadie's life isn't the only one in danger. *Ambrosia Shore* (Book 3) Sadie never dreamed she would see the world of Ambrosia with her own two eyes, just like Rayne never believed he would have the chance to share it with her. Finally, they can be together without any lies, without hiding who they are, in a world that shines brighter than Sadie could ever imagine. There's only one problem. Rayne had to break grievous laws in order to bring her there, and he is expected to pay the price. Sadie believes her father has the power to free Rayne, but he has been missing for days. Now, Sadie is alone in an unfamiliar world and desperate to help Rayne before it's too late.

The Paris Architect - Charles Belfoure 2015-08-20

1942, Paris. Architect Lucien Bernard accepts a commission that will bring him huge wealth - and maybe a death sentence. He has to design a secret hiding place for a wealthy Jewish man, a space so invisible that even the most determined of Nazi soldiers won't discover it. When one of Lucien's designs fails horribly, the problem of hiding a Jew becomes personal, and he can no longer deny the enormity of his project. What does he owe his fellow man, and how far will he go to make things right?

Maids of Misfortune - M. Louisa Locke 2009-11-28

First book in the USA Today bestselling Victorian San Francisco Mystery series. It's the summer of 1879, and Annie Fuller, a young San Francisco widow, is in trouble. Annie's husband squandered her fortune before committing suicide five years earlier, and one of his creditors is now threatening to take the boardinghouse she owns to pay off a debt. Annie Fuller also possesses a secret. She supplements her income by giving domestic and business advice as Madam Sibyl, one of San Francisco's most exclusive clairvoyants, and one of Madam Sibyl's clients, Matthew Voss, has died. The police believe his death was suicide brought upon by bankruptcy, but Annie believes Voss has been murdered and that his assets have been stolen. Nate Dawson wrestles with a difficult decision. As the Voss family lawyer, he would love to prove that Matthew Voss didn't leave his grieving family destitute. But that would mean working with Annie Fuller, a woman who alternatively attracts and infuriates him as she shatters every notion he ever had of proper ladylike behavior. Sparks fly as Anne and Nate pursue the truth about the murder of Matthew Voss in this light-hearted, cozy historical mystery set in the foggy, gas-lit world of Victorian San Francisco. *Maids of Misfortune* is the first book in M. Louisa Locke's USA Today bestselling Victorian San Francisco mystery series, followed by *Uneasy Spirits*, *Bloody Lessons*, *Deadly Proof*, *Pilfered Promises*, *Scholarly Pursuits*, and *Lethal Remedies*. Locke's shorter works, collected in *Victorian San Francisco Stories: Vols 1 and 2*, and *Victorian San Francisco Novellas*, feature beloved minor characters from the series. There are also two boxed sets of the novels, *Victorian San Francisco Mysteries: Books 1-4* and *Victorian San Francisco Mysteries: Books 5-7*.

The Titanic Secret - Jack Steel 2012-03-27

Published to coincide with the 100th anniversary of the sinking of the Titanic A covert operation with catastrophic global consequences collides with fate in this ingeniously inventive novel of conspiracy, subterfuge, and murder unfurling against a factual, tragic, and heart-stopping moment in history. THE TITANIC SECRET April 1912: Shortly after midnight on Wilhelmstrasse in Berlin, mere yards from the British Embassy, an English spy is shot after a clandestine meeting with a German government official. He utters three cryptic words to a sentry, then dies. It's an ambush as calculated and cold-blooded as the scheme it helps set in motion. For Gunther Voss, a tyrannical German financier who has amassed a fortune in mining, it's the biggest gamble he has ever undertaken: commit America to joining forces with Germany against Great Britain, destroy an empire, and secure for himself the invaluable South African mining concessions currently controlled by the British. It would make the formidable Voss, already a figure of both fear and admiration in America, one of the wealthiest and most powerful men in the world. Even as devious, self-seeking, and unthinkable as the plan is, with an alliance as strong as America and Germany, it's more

than possible—it's inevitable. It has fallen on the unique talents of Alex Tremayne of Britain's Secret Service Bureau and beautiful Maria Weston, a pioneering, fearless, and experienced American agent currently working in Britain, to stop Voss dead in his tracks. Traveling undercover as man and wife, their mission is to neutralize Voss's plan before he reaches the States. And they'll be tracking Voss's every move on the eventful transatlantic journey in unparalleled luxury, occupying a first class suite on board the Titanic, on her heralded maiden voyage from Southampton to the Port of New York. But Tremayne and Weston are unprepared for the explosive plays of fate that await them, as well as their prey, over the next few nights of their doomed journey. For the ever-shifting dedication to duty and the choices between life and death will become more immediate, more intimate, more demanding, and far more treacherous than they could ever have imagined.

In the Company of Angels - Thomas E. Kennedy 2010-06-15

In the Company of Angels is the powerful story of two damaged souls trying to find their way from darkness toward light. Imprisoned and tortured for months by Pinochet's henchmen for teaching political poetry to his students, Bernardo Greene is visited by two angels, who promise him that he will survive to experience beauty and love once again. Months later, at the Torture Rehabilitation Center in Copenhagen, the Chilean exile befriends Michela Ibsen, herself a survivor of domestic abuse. In the long nights of summer, the two of them struggle to heal, to forgive those who have left them damaged, and to trust themselves to love. Dense with wisdom and humanity, possessed of a timeless, fable-like quality, *In the Company of Angels* is a riveting read and a testament to the resilience and complexity of the human heart. The novel marks the first large-scale US publication of a major American author, known internationally but only within literary circles in his homeland.

Tastes of the Divine - Michelle Voss Roberts 2014-06-16

The intensity and meaningfulness of aesthetic experience have often been described in theological terms. By designating basic human emotions as *rasa*, a word that connotes taste, flavor, or essence, Indian aesthetic theory conceptualizes emotional states as something to be savored. At their core, emotions can be tastes of the divine. In this book, the methods of the emerging discipline of comparative theology enable the author's appreciation of Hindu texts and practices to illuminate her Christian reflections on aesthetics and emotion. Three emotions vie for prominence in the religious sphere: peace, love, and fury. Whereas Indian theorists following Abhinavagupta claim that the aesthetic emotion of peace best approximates the goal of religious experience, devotees of Krishna and medieval Christian readings of the Song of Songs argue that love communicates most powerfully with divinity. In response to the transcendence emphasized in both approaches, the book turns to fury at injustice to attend to emotion's foundations in the material realm. The implications of this constructive theology of emotion for Christian liturgy, pastoral care, and social engagement are manifold.

Into the Second Springtime - June Marie W. Saxton 2010-10-18

Viet Nam, the hippie movement, Roe v. Wade, inflation, OPEC crisis, Watergate...the perceived loss of America's innocence provides the national stage for *Into the Second Springtime*. Meet Wesley Gallagher, a precocious young man who is prone to making mischief and scheming shenanigans. You'll laugh at Wesley's perceptions of the world and fall in love with the strong and steady influences in his life. With stormy issues facing the nation, you'll cheer at the bright beacons of light guiding Wesley, quietly instilling values that create a healthy and substantial anchor in this tender coming-of-age novel. Written with unpretentious messages of charity, forgiveness, hope, humor, love and respect, you will cheer Hurrah! for America again.

Into the Gates of Hell: Stug Command '41 - Bob Carruthers 2013-11-06

03:15, 22nd June 1941 - Barbarossa is unleashed and Kampfgruppe von Schroif are right there at the cutting edge of the battle for Russia. Thrown into action against the fortress of Brest-Litovsk, von Schroif and his crew drive a new weapon into battle - the legendary Sturmgeschütz. However, even with this latest armoured marvel there is hard fighting as the Reds dig in and doggedly defend the island fortress to the last man. Penetrating, authentic and stunning in its detail, the long awaited prequel to the highly acclaimed 'Tiger Command!' is a powerful addition to the series. Based on a true story of combat on the

Eastern Front, this atmospheric new novel puts the reader right into the action and unveils the story of how a legend was forged in the heat of the first great battle of the campaign. Written by Emmy Award-winning writer Bob Carruthers and newcomer Sinclair McLay and edited by Mark Farr, this much anticipated Eastern Front novel also explores the dark underside of war as von Schroif is faced with the malevolent presence of Oskar Dirlwanger.

Shadow and Flame - Gail Z. Martin 2016-03-22

From Gail Z. Martin, one of the most exciting writers of fantasy adventure, comes the fourth and final novel in the epic Ascendant Kingdoms Saga. Blaine McFadden and his allies have brought magic back under mortal command and begun to restore order to the beleaguered kingdom of Donderath. Now, new perils and old enemies gather for a final reckoning. Foreign invaders, a legendary dark mage and vengeful immortals fight Blaine's battered forces for control of the continent, and Blaine's weary army is the only thing standing between a kingdom struggling to rise from the ashes and a descent into fury and darkness.

CONSTELIS VOSS vol. 2 — PATTERN RECOGNITION - K. Leigh 2021-07-13

In the second volume of CONSTELIS VOSS' anime-inspired sci-fi experience, Alex and his friends find themselves caught between a rock and a hard place. As Tyr—the planet-sized ship's conveniently very evil villain—starts in on the hunt for these wayward rebels, the cast finds a new ally in the last person Alex ever wanted to remember. As forgotten pasts reveal themselves, coincidences batter them, the mystery takes shape, and the cast discovers their fantastical powers, they begin to understand just how special they truly are. Will they be able to piece together the puzzle at the center of the ship, escape Tyr's clutches, and discover why all this is happening? Or will Tyr win, dashing their poorly planned rebellion to smithereens? What do all the coincidences, anachronisms, and patterns even mean, anyways? Find out in this installment of the CONSTELIS VOSS trilogy. It's going to be a bumpy f*cking ride, princess.

Never Split the Difference - Chris Voss 2016-05-17

A former international hostage negotiator for the FBI offers a new, field-tested approach to high-stakes negotiations—whether in the boardroom or at home. After a stint policing the rough streets of Kansas City, Missouri, Chris Voss joined the FBI, where his career as a hostage negotiator brought him face-to-face with a range of criminals, including bank robbers and terrorists. Reaching the pinnacle of his profession, he became the FBI's lead international kidnapping negotiator. *Never Split the Difference* takes you inside the world of high-stakes negotiations and into Voss's head, revealing the skills that helped him and his colleagues succeed where it mattered most: saving lives. In this practical guide, he shares the nine effective principles—counterintuitive tactics and strategies—you too can use to become more persuasive in both your professional and personal life. Life is a series of negotiations you should be prepared for: buying a car, negotiating a salary, buying a home, renegotiating rent, deliberating with your partner. Taking emotional intelligence and intuition to the next level, *Never Split the Difference* gives you the competitive edge in any discussion.

My Son Emmanuel - DAL LARRY 2013-11-05

As a boy, being reared in a highly religious atmosphere, the idea of a man living on earth two thousand years ago “going about doing good,” “giving sight to the blind,” “healing the sick,” and, eventually, “dying for our sins” was indeed perplexing in light of the fact that there was no living being to whom I could relate to Jesus Christ. This confusing phenomenon became more chaotic in my mind as I grew older and realized that individuals who claimed to be Jesus's “prophets” were seemingly His opposite—driving luxury cars, preaching against welfare handouts, condemning rather than forgiving those who found themselves “taking the wrong path.” “If Jesus lived today,” I meagerly reasoned, “would He drive luxury cars? Would He own

several Rolls Royces? Would He condemn those who did not contribute money to the ‘cause of the kingdom?’ Would He go on television and radio condemning abortion? What would a present-day Jesus really be like?” Over a period of many years, I jotted down thoughts, taped ideas, took notes of sermons, and studied the Gospels hoping to someday coordinate all of these into a novel depicting a present-day Jesus Christ. The present book is the result of that.

Yours for Christmas - Susan Mallery 2014-10-28

Step out of the winter chill and into the warmth of Fool's Gold, California, the charming small-town setting for a new holiday novella from New York Times bestselling author Susan Mallery. Famous former NFL stars don't date single working moms like Bailey Voss. She'll allow herself to daydream about Kenny Scott's muscles and killer smile, but wanting more would lead to post-holiday regret. Then Kenny volunteers to run a toy drive with Bailey, and she learns that he's not just hot...he's also generous, funny, nice. The whole package—tantalizingly out of reach. The ache of past loss reminds Kenny why he needs to avoid getting too close to anyone. Especially to a gorgeous redhead and her adorable little girl. Mess it up, and he'd lose them both. Yet Kenny can only resist Bailey for so long. And as festive spirit spreads throughout the town, he's all wrapped up in Bailey's sweet, sexy kisses and determined to make this the first of many Christmases together...

Sims - F. Paul Wilson 2010-04-27

F. Paul Wilson, a practicing physician as well as the bestselling author of the Repairman Jack series, turns his attention to the day after tomorrow and shows us how genetic engineering might change the world. Just a few hundred genes separate humans from chimpanzees. Imagine someone altering the chimp genome, splicing in human genes to increase the size of the cranium, reduce the amount of body hair, enable speech. What sort of creature would result? *Sims* takes place in the very near future, when the science of genetics is fulfilling its vaunted potential. It's a world where genetically transmitted diseases are being eliminated. A world where dangerous or boring manual labor is gradually being transferred to "sims," genetically altered chimps who occupy a gray zone between simian and human. The chief innovator in this world is SimGen, which owns the patent on the sim genome and has begun leasing the creatures worldwide. But SimGen is not quite what it seems. It has secrets . . . secrets beyond patents and proprietary processes . . . secrets it will go to any lengths to protect. *Sims* explores this brave new world as it is turned upside down and torn apart when lawyer Patrick Sullivan decides to try to unionize the sims. Right now, as you read these words, some company somewhere in the world is toying with the chimp genome. That is not fiction, it is fact. *Sims* is a science thriller that will come true. One way or another. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Spiralchain: Fatewaker - Jeremiah L. Schwennen 2016-05-05

If the future has already been written, is there any room left for choice? Jara Abison is fourteen summers old. She is the last of her kind—a Wyr, a member of an ancient order from the world of Onus gifted with the power to see into the future and charged with carrying out the grand, cosmic Purpose that drives the universe forward. She has carried this burden for two years now. Her visions have filled her with secrets and forced her to lie to her friends and family, and she has had enough. As an incredible war that now consumes two worlds grows ever more savage, Jara discovers that her visions lead to an end she cannot abide. With her friends at her side, she will seek out the truth of the Purpose on a new world and find—with any luck—a way to end the dangers that have haunted her dreams. If Jara can not find the courage and wisdom to defy the Purpose, the Spiral of Worlds will be undone. But if she can... what happens then? What is the cost of fate denied?
