Oxford Modern English Grammar - Bas Aarts 2011-02-10

New Oxford English Grammar is Oxford's brand new and definitive guide to grammar usage. This book has been written by a leading expert in the field, covers both British and American English, and makes use of the unrivalled language monitoring of Oxford's English Dictionaries programme. Arranged in three clear parts for ease of use, its comprehensive coverage ranges from the very basic to the most complex aspects of grammar, all of which are explained clearly and engagingly. This descriptive source of reference is invaluable for those with an interest in the English language, undergraduate students of all disciplines, and for anyone who would like a clear guide to English grammar and how to use it.

UPDATING HINDU MYTHOLOGICALS - V.K. SINHA 2020-02-18

The story written in the Ramayana seems to be very simple and straightforward, but it hides many secrets in its bosom. For the layman it is a story of good versus evil with evil getting a beating and good, being victorious, getting a rousing welcome. But there are many details that, if read carefully, reveal many secrets that have been hidden from the general society. The present author has tried to reveal those secrets but because of lack of space has limited himself to the revelation of just a few of those secrets. After a proper study, it seems that Ravana was not as bad as has been made out to be. It seems he had many grand ideas, but

because the war was lost, the ideas also died. One of them, not mentioned in the book because of the lack of full details is that he had a medical system similar to the Red Cross that we have today. Similarly, there are many other details of Ravana that have been described. It turns out that Ravana was not that bad a person nor was it that Rama that did not have any fault in him. Ramayana emphasises that the victor is always a good and revered person and the loser is cursed by society.

E- English Grammar - Durga Prasad 2016-07-20

The book titled E-English Grammar is a unique explanation of all important chapters of English grammar with suitable examples wherever necessary in a very simple language, in a very logical order, and so methodically one after another. The subject in question is about all the important chapters, beginning with orthography and followed by etymology, particularly for kids in nursery classes. This can be a scientific tool or a guideline to teach them at home as well as in school by their parents and teachers respectively and, after that, in their upper or higher classes on promotion one after another till tenth, eleventh, and twelfth levels and even beyond that. There is no exaggeration in saying that such an English grammar book with superb thought, unique explanation, and moreover, the most logical and appropriate examples that the learners can follow with ease has never been written so far.

Swachh Bharat - Mridula Sinha, Dr. R.K. Sinha 2021-01-19

In an Indian household; the cleaning up of the house is the first step towards the celebration of an approaching festival. Not only it is hygienic but the symbolic significance of the festival is enhanced many times by this act of cleaning. It symbolizes purity of mind and clarity of thoughts before one goes to pray and celebrate an event of importance. These acts lead us to the attainment of the ultimate elation; where the body is in the pink of health and the mind is in the depths of joy. Such insight and farsightedness in thought and actions have been the hallmark of the Indian history. These actions are nothing but the manifestations of our rich cultural heritage. A festival is a symbol of a prosperous society and a rich culture; it signifies growth and development. Therefore; any development; any growth is no less than a festival and the primary step to a celebration; which starts with cleanliness. For India; 'Swachh Bharat Abhiyan' is nothing but the first step towards celebrating development and prosperity. Certainly this book will facilitate the fulfillment of Swachh Bharat Abhiyan.

Basic English Usage - Michael Swan 1988

In Era of Modi - Ravindra Kishore Sinha 2019-01-02

This book is a collection of well researched 66 articles of R.K. Sinha. The writer has taken special care to see to it that there is no deviation from the theme of the subject written about. This is not the only introduction of the book. I would like to narrate a short story to unfold R.K. Sinha's background as a journalist. I was in Patna some time back. I rang up my old friend and colleague Surendra Kishore and visited his new house. Rather calling him to meet me at some central place in Patna, I preferred to visit him at his new house. The reason was, Surendra Kishore is one of few journalists who has his 'reference library' built over decades with great care and interest. I wanted to see it. When we were in conversation, it was difficult to miss reference of 'Yathavat', a fortnightly magazine in Hindi published from Delhi which I edit and R.K. Sinha is its Chairman. When Sinha's name cropped up in discussion, Surendra Kishore recalled an incident, some 50 years ago which proved a turning point in the life of Surendraji. In 1960s, R.K. Sinha, who wrote with his

full name in credit line as 'Ravindra Kishore Sinha' was an icon for journalists then. There was flow and consistency in R.K. Sinha's writings. Impressed by Sinha's style of journalism, Surendraji added Kishore in his surname and from 'Surendra Akela' he became Surendra Kishore. - Rambahadur Rai

High School English Grammar and Composition Key - Wren & Martin

Fundamentals of English Grammar - Nc Sinha 2021-01-19

English enjoys the status of the World Language. No other language has ever scaled this height. It is the language that encompasses everything in the world. It is used and cherished by millions whose mother tongue is not English. Spoken English, as a natural corollary to that, has become

an important tool in our hands today. Without mastery over it, the gateway to success will remain a distant dream in today's globalised market. Command on any language depends primarily on command on its grammar. Grammar is a repository of rules, governing how words are put together into sentences. These rules govern most constructions in a given language. Grammar is the science of correct use of language. It is concerned only with correct speaking and writing. Fundamentals of Grammar need to be fully comprehended to to acquire skills of quality English. Aim of this book is a practical one: an aid to good English, to take you places on the wings of English. The book is designed to meet the requirements of students completing their schooling and entering colleges or job market, or preparing for various competitions.

Oxford A-Z of Grammar and Punctuation - John Seely 2013-08-15

This work provides the basic information about grammar and punctuation that people need on a day-to-day basis. Arranged A to Z, it contains entries for standard grammatical terms as well as dealing with specific questions of usage.

Art of Effective English Writing

A Thesaurus of English Word Roots - Horace Gerald Danner 2014-03-27

Horace G. Danner's A Thesaurus of English Word Roots is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In A Thesaurus of English Word Roots, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual

root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odynacusis.. In this manner, A Thesaurus of English Word Roots places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

Objective General English - SP Bakshi 2021-07-17

1. 'Objective General English' help in revising & preparing the concepts of English of many competitive exams 2. It is divided into four parts; 3. Biodiversity - R. K. Sinha 1996

Good Economics for Hard Times - Abhijit V. Banerjee 2019-11-12

The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, Good Economics for Hard Times makes a persuasive case for an

intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Concise English Grammar - V. K. Moothathu 2013-01-26

Grasp of essential concepts of grammar and their modern usage in day-to-day personal and professional life is a major challenge faced by young learners at all levels and streams of higher education in India. Concise English Grammar has been designed and created to suit the needs of first-year undergraduate students of the arts as well as professional courses, and to equip them for advanced usage of English in their higher studies. This book brings together the core concepts of theoretical and descriptive grammar, both modern and conventional; elements of remedial English; vocabulary; and academic writing, in a single compilation, and provides numerous examples and exercises which call for the application of the student's knowledge of grammar enabling them to assess their own progress. Each chapter is thoroughly cross-referenced, and written in an accessible, user-friendly manner, making it possible for students to derive maximum benefit from the book. Though created keeping the students of Kerala in mind, its wide-ranging coverage should be of value to all students and teachers of English as second language elsewhere as well.

Major Trends in the Post-independence Indian English Fiction - B. R. Agrawal 2003

This Book Presents A Reasonably Comprehensive Account Of The Development Of The Indian English Novel Since Independence. The

Novel During The Colonial Period Has A Different Outlook And Was More Concerned With The Problems Of The Indian People Suffering Under The British Yoke. After Independence The Indian Writers Looked At The Indian Scene From The Postcolonial Point Of View. There Were New Hopes, No Doubt, But The Problems Social, Economic, Religious, Political And Familial That Were Submerged In The Flood Of The National Movement Emerged And Drew Attention Of The Creative Writers. The Partition, The Communal Riots After Partition, The Problem Of Casteism, The Subjugation Of Women, The Poverty Of The Illiterate Masses Became The Focal Points. Mulk Raj Anand, Raja Rao, R.K. Narayan, Nayantara Sahgal And Kamala Markandaya In The Beginning Wrote Novels Of Social Realism In The Fifties. But After The Sixties, New Trends Emerged. Writers Like Anita Desai, Ruth Praver Jhabvala, Bhabani Bhattacharya, G.V. Desani, Chaman Nahal, Manohar Malgonkar

And B. Rajan Portrayed The Picture Of The Post-Independence Indian Society. The Stream Of The Early Fifties Now Turned Into A Broad River With New Currents And Cross Currents. The Old Traditional Method Of Novel Writing Gave Way To Modern Techniques. The Indian English Novel Took Further Strides In The Eighties And The Decades That Followed It. Salman Rushdie Can Be Said To Be The Leader Of The New Trend. Shashi Deshpande And Arundhati Roy Followed Suit. This Book Divided Into Six Chapters Surveys And Discusses The Major Trends In The Post- Independence Indian English Novel. The Major Writers Discussed Apart From The Trio, R.K. Narayan, Raja Rao And Mulk Raj Anand Are Bhabani Bhattacharya, Nayantara Sahgal, Ruth Praver Jhabvala, Anita Desai, Arundhati Roy And Kamala Markandaya. This Book Will Be Of Immense Help To The Students Of Indian English Fiction And The General Reader.
