**The Essential Rumi - reissue** - Coleman Barks 1995-06-09

From the premier interpreter of Rumi comes the first definitive one-volume collection of the enduringly popular spiritual poetry by the extraordinary thirteenth-century Sufi mystic.

**The Forbidden Rumi** - 2006-02-14

The first collection of poems translated into English from the forbidden volume of the Divan of Rumi • Presents Rumi's most heretical and free-form poems • Includes introductions and commentary that provide both 13th-century context and modern interpretation After his overwhelming and life-altering encounters with Shams of Tabriz, Rumi, the great thirteenth-century mystic, poet, and originator of the whirling dervishes, let go of many of the precepts of formal religion, insisting that only a complete personal dissolving into the larger energies of God could provide the satisfaction that the heart so desperately seeks. He began to speak spontaneously in the language of poetry, and his followers compiled his 44,000 verses into 23 volumes, collectively called the Divan. When Nevit Ergin decided to translate the Divan of Rumi into English, he enlisted the help of the Turkish government, which was happy to participate. The first 22 volumes were published without difficulty, but the government withdrew its support and refused to participate in the publication of the final volume due to its openly heretical nature. Now, in

The Forbidden Rumi, Will Johnson and Nevit Ergin present for the first time in English Rumi's poems from this forbidden volume. The collection is grouped into three sections: songs to Shams and God, songs of heresy, and songs of advice and admonition. In them Rumi explains that in order to transform our consciousness, we must let go of ingrained habits and embrace new ones. In short, we must become heretics.

**The Love Poems Of Rumi** - Deepak Chopra 2008-09-04

Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and

feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

**The Illuminated Rumi** - Jalal Al-Din Rumi 1997-10-13

Rise up nimbly and go on your strange journey to the ocean of meanings... In the mid-thirteenth century, in a dusty marketplace in Konya, Turkey, a city where Muslim, Christian, Hindu, and Buddhist travelers mingled, Jelaluddin Rumi, a popular philosopher and scholar, met Shams of Tabriz, a wandering dervish. Their meeting forever altered the course of Rumi's life and influenced the mystical evolution of the planet. The bond they formed was everlasting--a powerful transcendent friendship that would flow through Rumi as some of the world's best-loved ecstatic poetry. Rumi's passionate, playful poems find and celebrate sacred life in everyday existence. They speak across all traditions, to all peoples, and today his relevance and popularity continue to grow. In *The Illuminated Rumi*, Coleman Barks, widely regarded as the world's premier translator of Rumi's writings, presents some of his most brilliant work, including many new translations. To complement Rumi's universal vision, Michael Green has worked the ancient art of illumination into a new, visually stunning form that joins typography, original art, old masters, photographs, and prints with sacred images from around the world. *The Illuminated Rumi* is a truly groundbreaking collaboration that interweaves word and image: a magnificent meeting of ancient tradition and modern interpretation that uniquely captures the spiritual wealth of Rumi's teachings. Coleman Barks's wise and witty commentary, together with Michael Green's art, makes this a classic guide to the life of the soul for a whole new generation of seekers.

*Teachings of Rumi* - Andrew Harvey 1999-07-06

Jelalludin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that

would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

**Hush, Don't Say Anything to God** - Jalāl al-Dīn Rūmī (Maulana) 2000  
A new book of verses of Rumi by an award-winning translator and poet. This selection captures Rumi in a rare mood and these are some of Rumi's most passionate and heartfelt expressions, each poem resonating with the intensity and fire rarely seen in English language before. Shiva says, "Rumi -- I am constantly reminded -- is a miracle. Everything about him is absolute magic. Poetry in perfect rhyme and meter poured out of him as he whirled for hours on end, or as he fell into various states of ecstasy and rapture. There is movement in every verse of Rumi. There is music, rhythm and breath in most of his poems in Persian."

**Common Spirit, Common Ground** - Michael Strange 2002

This book celebrates the diverse and unique perspectives of spirituality, as expressed by the world's major religions. At the same time, it explores the similarities between the major religions with respect to the transcendental experience itself. There are many paths that lead up to the mountain, and from its summit one can appreciate them all.

Whatever your current spiritual practice may be, the intention of this book is to help you deepen it. It was written to support mutual respect and tolerance between different cultures and their spiritual ideologies. We can even find ways to appreciate one another. For those of us who follow the spiritual journey, there is more that unites us than separates us. And the diversity between us can open us to new inspiration and to closer union with Spirit, as we listen to one another with an open heart.

**The Forty Rules of Love** - Elif Shafak 2010-02-18

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of The Island of Missing Trees (a Reese's Book Club Pick), incarnates Rumi's timeless message of love The Forty Rules of Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together

explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

*Unseen Rain* - Jalāl al-Dīn Rūmī (Maulana) 1986

In some languages of the Middle East the word for "rain" and the word for "grace" are the same. These quatrains are evidence of the invisible grace falling on our earth, a grace received by the mature spirit of master poet Jelaluddin Rumi.

*Beloved* - A. M. A. Hafez 2018-09-27

Hafez is one of the best known medieval Persian mystic poets, as celebrated and popular as his near contemporary Rumi. As with Rumi, modern translations have a strong appeal to today's readers. Both ardent mystic and lover, Hafez fuses earthly and divine love.

*Like this* - Jalāl-Dīn Rūmī 1990

As Barks writes in his introduction to this collection, "Silence is a deeper way that lovers have found." Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence.

**Rumi's Four Essential Practices** - Will Johnson 2010-01-19

Poems and commentary that open the door for a new generation to experience the ecstatic and embodied spiritual truths contained in Rumi's poetry • Reveals how the four practices of eating lightly, breathing deeply, moving freely, and gazing intently can invoke the divinity within us all • Explains how these practices dissolve the self's

need for identity so that we may experience a state of transcendent ecstasy and union with the divine • Takes Rumi's path to finding God from theoretical to embodied practices The great thirteenth-century Sufi mystic and poet Jalaluddin Rumi began his life as an orthodox Islamic believer but felt that to fully experience complete union with the divine he must abandon institutionalized religion and its prescribed forms of worship. Surrendering his will to his overriding urge for a much more immediate, intuitive, and compelling union with the divine, he found that by manipulating certain behavioral aspects of his physiology--eating lightly, breathing deeply, moving freely, and gazing raptly--he was capable of loosening the rigid confines of the self, thereby overriding its limitations and achieving a transcendent merging with his own divinity. His message is simple: if you wish to affect the spirit, you must first make changes in the way your body responds to the world. Through clearly written commentary interspersed with Rumi's beautiful poems, this book details these four practices in a very precise way. As such, it is a sweet and open invitation to follow the examples set forth in order to embark upon one's own path of inner illumination. The freshness of Rumi's poetry dissolves the 700 years that separate his life from our own time, making his message as pertinent today as when he walked the streets of Konya, Anatolia (present-day Turkey), reciting his inspiring verse. This book allows us, through Rumi's gentle guidance, to touch the face of God that resides deep within us all.

**The Essential Marcus Aurelius** - Jacob Needleman 2008-01-10

His private meditations on what constitutes a good life have withstood the centuries and reach us today with the same penetrating clarity and shining light as the words of Shakespeare, Emerson, or Thoreau. In this remarkable new translation, bestselling religious

philosopher Jacob Needleman and classics scholar John P. Piazza have retained the depth of Marcus's perspective on life. They have carefully selected and faithfully rendered those passages that clarify Marcus's role as someone who stood within the great religious and ethical traditions that extend throughout every culture in human history. The voice that emerges from their translation is a universal one, equally recognizable to students of Christ, Buddha, the Vedas, the Talmud, and to anyone who sincerely searches for a way of meaning in contemporary life.

The Masnavi, Book One - Jalal al-Din Rumi 2004-11-11

'The pen would smoothly write the things it knew But when it came to love it split in two, A donkey stuck in mud is logic's fate - Love's nature only love can demonstrate.' Rumi's Masnavi is widely recognized as the greatest Sufi poem ever written, and has been called 'the Koran in Persian'. The thirteenth-century Muslim mystic Rumi composed his work for the benefit of his disciples in the Sufi order named after him, better known as the whirling dervishes. In order to convey his message of divine love and unity he threaded together entertaining stories and penetrating homilies. Drawing from folk tales as well as sacred history, Rumi's poem is often funny as well as spiritually profound. Jawid Mojaddedi's sparkling new verse translation of Book One is consistent with the aims of the original work in presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets. Originally written by Ahmad Aflaki, a devoted follower of the grandson of Rumi, this translation relates anecdotes of the life of Mevlana Jalaluddin Rumi, his father, wife, sons, and daughter and his relationship with Shams of Tabriz and other close companions and disciples. These stories are all based on the oral traditions of the early days of the founding of the Mevlevi Order and double as teaching stories that illuminate the way of the dervish. Spiritual seekers can benefit from this glimpse into the community surrounding Rumi and the wisdom conveyed through interactions with him. Many selections include beautiful passages from

his poetry, and each selection is titled to assist in orienting the reader and enhancing comprehension of meaning.

**The Soul of Rumi** - Coleman Barks 2010-12-14

Inside A Lover's Heart There's Another World, And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights.

*Susceptible to Light* - Chelan Harkin 2020-12

*Susceptible to Light*, by Chelan Harkin, is a collection of inspired poetry that is mystical and ecstatic in nature--mystical defined as anything

having to do with opening the heart to light and ecstatic having to do with anything expressed from this place. *Susceptible to Light* is here to remind you of your joy, to assist you in reconsidering ways of relating to your life that better serve to open your heart, to deconstruct anything about God that doesn't feel close, intimate, authentic, and warm, and to remind your soul to break the surface and take a breath. Rumi says, "What was said to the rose that made it open was said to me here in my chest." May this collection help you feel a taste of that sweet openness. Hafiz says, "God and I have become like two giant fat people living in a tiny boat. We keep bumping into each other and laughing." May this collection help you feel the possibility of that kind of laughter. Eric Weiner, NY Times Bestselling Author of "The Geography of Bliss" says of Chelan's work: "These pages bear witness to a beautifully reckless and vulnerable love. *Susceptible to Light* shares the ineffable, all-consuming love of a Rumi or Hafiz, but situated in the here-and-now, amidst our dirty dishes and carpools. Do yourself a favor and savor these poems. Make yourself susceptible to their light." Alfred K. LaMotte, author of 'Wounded Bud' says of Chelan's work: "So much of today's 'spiritual poetry' is not poetry at all, but pedagogy, full of do's and don'ts. Chelan is a true spiritual poet because hers is not the voice of instruction but the voice of holy bewilderment. If she teaches us, she teaches us to dance. She teaches us the taste of what comes out of the grape when it gets crushed. All your tears will find sisters in her poems, and all your laughter will find a home in her belly. Her poems take us to the deepest, darkest loam, where lightning goes."

Pause Now - Lyla Yastion 2009-03-16

This handbook in practical spirituality proposes that the level of stress, violence, fear and disconnect from Nature in the global society has risen in direct proportion to a fall in the collective level of conscious awareness. In order to reverse this trend a conscious impulse is

required. Human beings need to rediscover the mystical underpinning of all religions and the engine of spiritual transformation: the art of presence. Only by learning to be present and stay present is it possible to dissolve harmful energy - in the form of false opinions and negative feelings - and create positive energy that imbues actions with intelligence, compassion and respect for the sacredness of all life. To this end, a practice in sensory awareness is offered. It is called 'the Pause'. Pausing affirms the body-mind continuum by empowering the senses as conduits of conscious awareness. When pausing is then applied to ordinary activities such as speaking, working, thinking and relating to others, spiritual evolution accelerates. The fruit of a re-awakened life is healing — for ourselves, for society, and for the entire Earth community.

*Rumi's Secret* - Brad Gooch 2017-01-17

The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch

traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, Rumi's *Secret* reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

[Mystical Poems of Rumi](#) - Jalal al-Din Rumi 2010-04-15

My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207-73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi's love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one

of the most comprehensive and adept English translations of this enigmatic genius. *Mystical Poems* is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world's greatest poets. "Rumi is one of the world's greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students."—James W. Morris, Oberlin College
