I Could Do Anything If I Only Knew what it was - Barbara Sher 1999

This is a perfect book for new college graduates or anyone sick and tired of languishing in a dead-end job or relationship - yet reluctant to make drastic life changes due to uncertainty about what would actually inspire them. Barbara helps peel away the layers to reveal hopes and aspirations and overcome the barriers to success and happiness. Whether you're looking to make improvements in your job or personal life, Sher will teach you how to determine what your goals are and how to successfully reach them.

Refuse to Choose! - Barbara Sher 2006-03-07

Identifies seven personality types that share a common quality of having numerous unrelated interests, explaining how readers can prioritize and pursue multiple goals simultaneously in order to enjoy successful and varied lives. By the author of *Wishcraft*. 75,000 first printing.

It's Not Fair - Melanie Dale 2016-08-16

Hey, you. Are you debating whether to destroy something with your bare hands or curl up on the couch for a decade or two? This book will solve all of your problems. (Sheesh, that's aiming a bit high.) This book is a cup of hot coffee, a ginormous bar of chocolate, or the magical fairy that

comes over and does your dishes while you lie in the fetal position clutching a fluffy pillow. Sometimes when life falls apart the only acceptable response is hysterical laughter. When things get so far gone, so spectacularly a world away from any plans you made or dreams you dreamed, you feel it bubbling up inside of you and you scream, "It's not fair!" And it isn't. Fair is an illusion, and life is weird. This book will help you laugh at life's absurd backhands. This book is an empathetic groan of our collective unfairnesses. You might want to throw it across the room, and you might want to hug it like your new best friend. This book is about us sitting down together in our shared mess, taking a deep breath, gripping hands, looking the hard stuff in its beady little eyeballs, and bahahahahaing at it. Life's not fair, but we can learn to love this life we didn't choose.

[Eat That Frog!](#) - Brian Tracy 2008-11-13

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in

one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to Eat That Frog!

The Four Winds - Kristin Hannah 2021-02-02

"The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle

between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Choose to Win, Refuse to Fail - Reginald Clarke 2018-06-27

This book was written to share Reginald R. Clarke, Jr. journey. It is an alternative to some of the self-help books in the market today. Reginald has over come a lot throughout his ride, yet he is just like you. Holding titles such as student, engineer, boss, business owner, and serviceman, other titles held by him included unemployment and criminal. Each chapter provides stories of accomplishments and failures.

Looking for Alaska Deluxe Edition - John Green 2015-01-13

Printz Award □ A Los Angeles Times Book Prize Finalist □ A New York Times Bestseller • A USA Today Bestseller □ NPR's Top Ten Best-Ever Teen Novels □ TIME magazine's 100 Best Young Adult Novels of All Time □ A PBS Great American Read Selection NOW A HULU ORIGINAL SERIES! Miles Halter is fascinated by famous last words—and tired of his safe life at home. He leaves for boarding school to seek what the dying poet Francois Rabelais called the "Great Perhaps." Much awaits Miles at Culver Creek, including Alaska Young, who will pull Miles into her labyrinth and catapult him into the Great Perhaps. *Looking for Alaska* brilliantly chronicles the indelible impact one life can have on another. A modern classic, this stunning debut marked #1 bestselling author John Green's arrival as a groundbreaking new voice in contemporary fiction.

*The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

We Refuse to Forget - Caleb Gayle 2022-06-07

"An important part of American history told with a clear-eyed and forceful brilliance." —National Book Award winner Jacqueline Woodson "We Refuse to Forget reminds readers, on damn near every page, that we are collectively experiencing a brilliance we've seldom seen or imagined...We Refuse to Forget is a new standard in book-making."

—Kiese Laymon, author of the bestselling *Heavy: An American Memoir* A landmark work of untold American history that reshapes our understanding of identity, race, and belonging In *We Refuse to Forget*, award-winning journalist Caleb Gayle tells the extraordinary story of the Creek Nation, a Native tribe that two centuries ago both owned slaves and accepted Black people as full citizens. Thanks to the efforts of Creek leaders like Cow Tom, a Black Creek citizen who rose to become chief, the U.S. government recognized Creek citizenship in 1866 for its Black members. Yet this equality was shredded in the 1970s when tribal leaders revoked the citizenship of Black Creeks, even those who could trace their history back generations—even to Cow Tom himself. Why did this happen? How was the U.S. government involved? And what are Cow Tom's descendants and other Black Creeks doing to regain their citizenship? These are some of the questions that Gayle explores in this provocative examination of racial and ethnic identity. By delving into the history and interviewing Black Creeks who are fighting to have their citizenship reinstated, he lays bare the racism and greed at the heart of this story. *We Refuse to Forget* is an eye-opening account that challenges our preconceptions of identity as it shines new light on the long shadows of white supremacy and marginalization that continue to hamper progress for Black Americans.

The Art of Creative Thinking - Rod Judkins 2016-03-15

Get ready to get inspired In short and engaging entries, this deceptively simple volume presents examples of creative thinkers from the worlds of writing, music, architecture, painting, technology, and more, shedding light on their process, and showing how each of us can learn from them to improve our lives and our work. Subjects range from the grueling practice schedule of the Beatles and the relentless revisions of Tolkien, Sondheim, and Picasso to the surprisingly slapdash creation of *The Simpsons*. You'll learn about the most successful class in history (in which every student won a Nobel Prize), how frozen peas were invented, why J.K. Rowling likes to write in cafes, and how 95 percent of *Apocalypse Now* ended up on the cutting-room floor. Takeaways include: - Doubt everything all the time. - Plan to have more accidents. - Be

mature enough to be childish. - Contradict yourself more often. - Be practically useless. - If it ain't broke, break it. - Surprise yourself. - Look forward to disappointment. - Be as incompetent as possible.

Refuse To Choose! - Barbara Sher 2007-03-20

Don't know what to do with your life? Drawn to so many things that you can't choose just one? New York Times best-selling author Barbara Sher has the answer--do EVERYTHING! With her popular career counseling sessions, motivational speeches, workshops, and television specials, Barbara Sher has become famous for her extraordinary ability to help people define and achieve their goals. What Sher has discovered is that some individuals simply cannot, and should not, decide on a single path; they are genetically wired to pursue many areas. Sher calls them "Scanners"--people whose unique type of mind does not zero in on a single interest but rather scans the horizon, eager to explore everything they see. In this groundbreaking book, you will learn: What's behind your "hit and run" obsessions When (and how) to finish what you start How to do everything you love What type of Scanner you are (and which tools you need to do your very best work)

[I Read Books Not Because I Don't Have A Life But Because I Choose To Have Many](#) - Jackrabbit Rituals 2019-06-13

Makes a great gift for the bookish nerd who will never have too many books in their library. Anyone who loves literature--teachers, students, librarians, writers--will understand the message in this design. Size 8.5x11 Inches, White Paper 100 Pages (50 sheets front/back) Glossy Finish Soft Cover Design Blank College Ruled Lines

Between the World and Me - Ta-Nehisi Coates 2015-07-14

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT

HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

The Scribe Method - Tucker Max 2021-04-15

Ready to write your book? So why haven't you done it yet? If you're like

most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

The Great Mental Models: General Thinking Concepts - Farnam Street 2019-12-16

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This

volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada
[The Paradox of Choice](#) - Barry Schwartz 2009-10-13

Whether we're buying a pair of jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions—both big and small—have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In *The Paradox of Choice*, Barry Schwartz explains at what point choice—the hallmark of individual freedom and self-determination that we so cherish—becomes detrimental to our psychological and emotional well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice—from the mundane to the profound challenges of balancing

career, family, and individual needs—has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.

The Book Thief - Markus Zusak 2007-12-18

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Choosing Not to Choose - Cass R. Sunstein 2015

Cass R. Sunstein is at the forefront of developing public policy to encourage people to make better decisions. In *Choosing Not to Choose* he presents his most complete argument for how we should understand the value of choice, and when and how we should enable people to choose not to choose.

It's Not Summer Without You - Jenny Han 2011-04-05

In Jenny Han's follow-up to *The Summer I Turned Pretty*, Belly finds out what comes after falling in love. Now available in paperback!

The Most Dangerous Game - Richard Connell 2020-04-21

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (The Telegraph). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." —Criterion

Fahrenheit 451 - Ray Bradbury 2003-09-23

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

The 48 Laws Of Power - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from

still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

[Live the Life You Love](#) - Barbara Sher 2013-10-23

No matter how long it's been since you've dreamed it... No matter how "unrealistic" it seems... Your impossible dream may not be impossible anymore. If you've been waiting for a job that rewards you with more than a paycheck...or for the perfect moment to take that "long-lost" dream off hold...it's time to stop waiting and start creating a life you can truly love! In this life altering follow-up to the sensational New York Times Bestseller *I Could Do Anything If I Only Knew What It Was*, Barbara Sher shows you how to break free from a career that doesn't cut it...tailor-make a meaningful, rewarding life to your personal specifications...and create a foundation for a success that's strong enough to support your heart's desire. With wisdom and warm reassurance, this step-by-step guide to personal and professional fulfillment teaches you the practical strategies you need to make your "impossible" dreams possible, reachable, and real. Discover: How to use "outcome thinking" to plot a positive path to your lifelong goal What your favorite childhood pastimes tell you about what it takes to be a happy adult How to use your natural curiosity, talents, and resources to turn your thinking--and your luck--around Why one-size careers do NOT fit all Foolproof techniques for leaping over the hurdles between you and your dream How to do what you love and love what you do for the rest of your life!1997).

Not for Me, Please! I Choose to Act Green - Maria Godsey 2019-05

Luke is a wise, confident, and caring young boy. After seeing first-hand the damage caused to the environment and animals due to trash and waste, he's changed his ways and now thinks and acts green. He believes he can have a big impact on the world around him and protecting the

planet has become his new passion. Using his helpful phrase, "Not for me, please!", he shares examples of how he chooses differently than others to act green. Luke hopes he can teach you why plastic, not recycling, and overconsumption are harmful to our planet and what you can do to impact this with the choices you make.

How to Be Everything - Emilie Wapnick 2017-05-02

What do you want to be when you grow up? It's a familiar question we're all asked as kids. While seemingly harmless, the question has unintended consequences. It can make you feel like you need to choose one job, one passion, one thing to be about. Guess what? You don't. Having a lot of different interests, projects and curiosities doesn't make you a "jack-of-all-trades, master of none." Your endless curiosity doesn't mean you are broken or flaky. What you are is a multipotentialite: someone with many interests and creative pursuits. And that is actually your biggest strength. *How to Be Everything* helps you channel your diverse passions and skills to work for you. Based on her popular TED talk, "Why some of us don't have one true calling", Emilie Wapnick flips the script on conventional career advice. Instead of suggesting that you specialize, choose a niche or accumulate 10,000 hours of practice in a single area, Wapnick provides a practical framework for building a sustainable life around ALL of your passions. You'll discover:

- Why your multipotentiality is your biggest strength, especially in today's uncertain job market.
- How to make a living and structure your work if you have many skills and interests.
- How to focus on multiple projects and make progress on all of them.
- How to handle common insecurities such as the fear of not being the best, the guilt associated with losing interest in something you used to love and the challenge of explaining "what you do" to others. Not fitting neatly into a box can be a beautiful thing.

How to Be Everything teaches you how to design a life, at any age and stage of your career, that allows you to be fully you, and find the kind of work you'll love.

He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them. 'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible' - HEAT 'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat' -THE GUARDIAN 'A fantastic murder mystery, packed with cryptic clues and countless plot twists. I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

Simple Steps to Impossible Dreams - Steven K. Scott 1999-04-28

America's premier producer of infomercials presents a motivational guide to making dreams come true, with specific suggestions on

overcoming barriers, such as fear of failure, lack of vision, and limited financial resources

You Can Not Choose Your Parents - Helen Woo 2011-07-15

You cannot choose your parents, but you can choose your future. For author Helen Woo, this phrase aptly explains the course of her life. In this memoir, Woo unveils her story, concentrating on her childhood and young adulthood as she describes being a victim of the "tiger mother" phenomenon. You Can Not Choose Your Parents chronicles Woo's rearing by controlling, traditional Chinese parents who held extremely high expectations for their oldest daughter. Though culturally acceptable, Woo reveals the emotional destructiveness of this form of upbringing. From her birth in Shanghai, to her school years, she narrates the story from a child's perspective and describes how the emotional and physical punishment affected her life. Part memoir, part cultural study, You Can Not Choose Your Parents shows how Woo was able to emerge from her parents' harsh reign and break free from the "tiger mother" phenomenon to live a new life in the United States.

Live the Life You Love and Stop Just Getting by - Barbara Sher 1999

If you've been waiting for a job that rewards you with more than a paycheck...or for the perfect moment to take that long-lost dream off hold...it's time to stop waiting and start creating a life you can truly love! In this life altering follow-up to the sensational New York Times bestseller I COULD DO ANYTHING IF I ONLY KNEW WHAT IT WAS, Barbara Sher shows you how to break free from a career that doesn't cut it. Tailor-make a meaningful, rewarding life to your personal specifications...and create a foundation for a success that's strong enough to support your heart's desire. With wisdom and warm reassurance, this step-by-step guide to personal and professional fulfillment teaches you the practical strategies you need to make your dreams possible, reachable and real.

Wishcraft - Barbara Sher 1983

12 Rules for Life - Jordan B. Peterson 2018-01-23

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What

does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

The Trouble with Passion - Erin Cech 2021-11-09

Probing the ominous side of career advice to "follow your passion," this data-driven study explains how the passion principle fails us and perpetuates inequality by class, gender, and race; and it suggests how we can reconfigure our relationships to paid work. "Follow your passion" is a popular mantra for career decision-making in the United States. Passion-seeking seems like a promising path for avoiding the potential drudgery of a life of paid work, but this "passion principle"—seductive as it is—does not universally translate. *The Trouble with Passion* reveals the significant downside of the passion principle: the concept helps culturally legitimize and reproduce an exploited, overworked white-collar labor force and broadly serves to reinforce class, race, and gender segregation and inequality. Grounding her investigation in the paradoxical tensions between capitalism's demand for ideal workers and our cultural expectations for self-expression, sociologist Erin A. Cech draws on interviews that follow students from college into the workforce, surveys of US workers, and experimental data to explain why the passion

principle is such an attractive, if deceptive, career decision-making mantra, particularly for the college educated. Passion-seeking presumes middle-class safety nets and springboards and penalizes first-generation and working-class young adults who seek passion without them. The ripple effects of this mantra undermine the promise of college as a tool for social and economic mobility. The passion principle also feeds into a culture of overwork, encouraging white-collar workers to tolerate precarious employment and gladly sacrifice time, money, and leisure for work they are passionate about. And potential employers covet, but won't compensate, passion among job applicants. This book asks, What does it take to center passion in career decisions? Who gets ahead and who gets left behind by passion-seeking? *The Trouble with Passion* calls for citizens, educators, college administrators, and industry leaders to reconsider how we think about good jobs and, by extension, good lives.

The World Book Encyclopedia - 2002

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Oh, the Places You'll Go! - Dr. Seuss 2013-09-24

Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* is the perfect gift to celebrate all of our special milestones—from graduations to birthdays and beyond! From soaring to high heights and seeing great sights to being left in a lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite and a perfect gift for anyone starting a new phase in their life!

Long Way Down - Jason Reynolds 2017-10-24

"An intense snapshot of the chain reaction caused by pulling a trigger." —Booklist (starred review) "Astonishing." —Kirkus Reviews (starred review) "A tour de force." —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book

Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

It's Only Too Late If You Don't Start Now - Barbara Sher 2013-10-23

It's never too late—to reclaim your creativity, recapture long-lost dreams, and embark on an exciting new life! New York Times bestselling author Barbara Sher has transformed the lives of millions with her phenomenally successful books, workshops, and television appearances. Now, in a provocative new book, she offers a bold new strategy for creating a “second life”—no matter what your age! Combining step-by-step exercise with motivational techniques, she reminds you of the dreams you abandoned along the path to adulthood, providing all the tools you need to weave those aspirations into a richly textured, rewarding new life. According to Sher, it's never too late to start over. In fact, life's “second half” is the perfect time to do so, when dreams for the future and experiences of the past finally come together. So don't wait. Discover: • How to make life's built-in “time limit” work for you • How to identify—and overcome—the illusions that stand between you and your dreams • Which of your “regrets” can point the way to a more rewarding life • How to rediscover the inspired, enthusiastic adventurer you wanted to be before you became the responsible adult you had to be • Dozens of ways to recapture your freedom, reclaim a sense of wonder, and embark on an amazing new beginning

Refuse to Choose! - Barbara Sher 2007-03-06

Identifies seven personality types that share a common quality of having numerous unrelated interests, explaining how to prioritize and pursue multiple goals simultaneously in order to enjoy a successful and varied life.

Grit - Angela Duckworth 2016-05-03

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-genius everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique

combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among *Grit*'s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is "a fascinating tour of the psychological research on success" (The Wall Street Journal). *Think Again* - Adam Grant 2021-02-02

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can

position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval—and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds—and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.
