Acting - Terry Schreiber
2012-03-07

Honed by the author's 35 years of teaching, this advanced book offers different warm-up exercises concentrating on the actor's sense of smell, sound, sight, and touch; sensory tools for conveying the climate and environment of the text; tips for suggesting a character's physical conditions; and much more. Individual exercises will

help actors to free the voice and body, create a character, find the action and condition of scenes, and explore the subconscious for effective emotional recall. Readers will also find meticulous guidelines for best using rehearsal time and preparing for in-class scene work. The foreword is written by two-time Academy Award nominee Edward Norton. Those who act, direct,

or teach will not want to miss the acting lessons that have made T. Schreiber Studio a premier actor training program.

Orthography as Social Action -
Alexandra Jaffe 2012-07-04

The chapters in this edited volume explore the sociolinguistic implications of orthographic and scriptural practices in a diverse range of communicative contexts, ranging from schoolrooms to internet discussion boards. The focus is on the way that scriptural practices both index and constitute social hierarchies, identities and relationships and in some cases, become the focus for public language ideological debates. Capitalizing on the now robust body of literature on orthographic choice and debate in sociolinguistics and anthropological linguistics, the

volume addresses a number of cross-cutting themes that connect orthographic practices to areas of contemporary interest in sociolinguistics and linguistic anthropology. These themes include: the different social implications of self vs. other representation and the permeability of the personal/social and the public/private; how scriptural practices ("inscription") serve as sites for social discipline; the historical and intertextual frameworks for the meaning potentials of orthographic choice (relating to issues of genre and style); and writing as a broader semiotic field: the visual and esthetic dimensions of texts and metalinguistic "play" in spelling and its ambiguous implications for writer stance.

Buried Child - Sam Shepard
2009-06-10

A newly revised edition of an American classic, Sam Shepard's Pulitzer Prize-winning *Buried Child* is as fierce and unforgettable as it was when it was first produced in 1978. A scene of madness greets Vince and his girlfriend as they arrive at the squalid farmhouse of Vince's hard-drinking grandparents, who seem to have no idea who he is. Nor does his father, Tilden, a hulking former All-American footballer, or his uncle, who has lost one of his legs to a chain saw. Only the memory of an unwanted child, buried in an undisclosed location, can hope to deliver this family from its sin.

Since then, the "Nights" have occupied the minds of scholars world-wide, in particular the questions of origin, composition, language and literary form. In this book, Muhsin Mahdi, whose critical edition of the text brought so much praise, explores the complex literary history of the "Nights," bringing to fruition the search for the archetype that constituted the core of the surviving editions, and treating the fascinating story of the growth of the collection of stories that we now know as "The Thousand and One Nights,"

Shashi Kapoor - Aseem Chabra 2016

India's first biography of Shashi Kapoor sheds light on one of the country's most enigmatic personalities-an actor who straddles the worlds of commercial Hindi cinema, theatre and small-budget art movies; who is, at once, an earnest householder and a committed star. In this rare

book, we are offered glimpses of Shashi Kapoor, the family man-son of Prithviraj Kapoor, husband of Jennifer Kendal, and father to Kunal, Karan and Sanjna. We are led through Shashi Kapoor's film career-his debut as a bright-eyed child-actor in Awara; his emergence, in the hectic 1970s, as India's busiest performer-with a slew of hits including Deewaar and Trishul; and his rise to international prominence with Merchant-Ivory's The Householder and a 'trilogy' of films on older men with fading pasts. Equally, we are provided with an astute analysis of Shashi Kapoor, the businessman-the proprietor of Film-Valas; the producer of Shyam Benegal films; and the distributor of Bobby. With luminous and thus-far undisclosed stories by the actor's family (Neetu Singh, Rishi, Sanjna and Kunal Kapoor), co-stars (Shabana Azmi, Simi Garewal, Sharmila Tagore), colleagues (Shyam Benegal, Govind Nihalani, James Ivory, Hanif Kureishi, Aparna Sen), and friends; a

An Introduction to

Language and Linguistics -

Ralph Fasold 2006-03-06

This accessible textbook is the only introduction to linguistics in which each chapter is written by an expert who teaches courses on that topic, ensuring balanced and uniformly excellent coverage of the full range of modern linguistics. Assuming no prior knowledge the text offers a clear introduction to the traditional topics of structural linguistics (theories of sound, form, meaning, and language change), and in addition provides full coverage of contextual linguistics, including separate chapters on discourse, dialect variation, language and culture, and the politics of language. There are also up-to-date separate chapters on language and the brain, computational linguistics, writing, child language acquisition, and second-language learning. The breadth of the textbook makes it ideal for introductory courses on language and linguistics offered by departments of English, sociology,

anthropology, and communications, as well as by linguistics departments. **AKASHVANI** - All India Radio (AIR), New Delhi 1975-10-19 "Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. Bollywood Sounds - Jayson Beaster-Jones 2014-10-09
Bollywood Sounds focuses on the songs of Indian films in their historical, social, commercial, and cinematic contexts. Author Jayson Beaster-Jones takes readers through the highly collaborative compositional process, highlighting the contributions of film directors, music directors (composers), lyricists, musicians, and singers in song production. Through close musical and multimedia analysis of more than twenty landmark compositions, Bollywood Sounds illustrates how the producers of Indian film songs have long mediated a variety of musical styles, instruments, and performance practices to create a uniquely cosmopolitan music genre. As an exploration of the music of seventy years of Hindi films, Bollywood Sounds provides long-term historical insights into film songs and their musical and cinematic conventions in ways that will appeal both to scholars and to

newcomers to Indian cinema.

Soil pollution: a hidden reality - Food and Agriculture Organization of the United Nations 2018-04-30
This document presents key messages and the state-of-the-art of soil pollution, its implications on food safety and human health. It aims to set the basis for further discussion during the forthcoming Global Symposium on Soil Pollution (GSOP18), to be held at FAO HQ from May 2nd to 4th 2018. The publication has been reviewed by the Intergovernmental Technical Panel on Soil (ITPS) and contributing authors. It addresses scientific evidences on soil pollution and highlights the need to assess the extent of soil pollution globally in order to achieve food safety and sustainable development. This is linked to FAO's strategic objectives, especially SO1, SO2, SO4 and SO5 because of the crucial role of soils to ensure effective nutrient cycling to produce nutritious and safe food, reduce atmospheric CO₂ and N₂O

Historical Painting Techniques, Materials, and Studio Practice - Arie Wallert
1995-08-24

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and

museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the

One Day in the Season of Rain - Mohan Rakesh

2015-04-24

In a remote village in the foothills of the Himalayas, a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse, Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. // A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimagining of the

life of India's greatest classical poet. It comes alive again in Aparna and Vinay

Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage, and it is enriched by extensive commentary on the play's contexts, legacy, themes and dramaturgy.

Contemporary Theatre of India
- Chaman Ahuja 2012

"The present book seeks to provide a generic introduction to the contemporary theatre scenario in different parts of India. Researched and written over a period of nearly a decade, it adopts an approach that may be best termed as quasi-academic and quasi-journalistic. Primarily, it affords understanding as well as interpretation of the trends, experiments and major works; but, in the process, it takes up serious issues for closer scrutiny. Nevertheless, the overall tone and tenor continue

to be rather informal throughout. the book was born of interaction with both established and uprising exponents of the theatre arts -- playwrights, directors, performers, designers, critics, etc.; but it purposefully eschews critical or technical jargon. Ultimately, what we get is a phenomenal attempt to build a comprehensive as well as a perceptive overview of the complex and ever-growing dynamics of the contemporary theatres of India as practised in various regions, languages, cultures." -- Back cover.

"Sprint offers a transformative formula for testing ideas that works whether you're at a startup or a large organization. Within five days, you'll move from idea to prototype to decision, saving you and your team countless hours and countless dollars. A must read for entrepreneurs of all

stripes." --Eric Ries, author of The Lean Startup From three partners at Google Ventures, a unique five-day process for solving tough problems, proven at more than a hundred companies. Entrepreneurs and leaders face big questions every day: What's the most important place to focus your effort, and how do you start? What will your idea look like in real life? How many meetings and discussions does it take before you can be sure you have the right solution? Now there's a surefire way to answer these important questions: the sprint. Designer Jake Knapp created the five-day process at Google, where sprints were used on everything from Google Search to Google X. He joined Braden Kowitz and John Zeratsky at Google Ventures, and together they have completed more than a hundred sprints with companies in mobile, e-commerce, healthcare, finance, and more. Global Innovation Index 2020 - Cornell University 2020-08-13
The Global Innovation Index 2020 provides detailed metrics about the innovation performance of 131 countries and economies around the world. Its 80 indicators explore a broad vision of innovation, including political environment, education, infrastructure and business sophistication. The 2020 edition sheds light on the state of innovation financing by investigating the evolution of financing mechanisms for entrepreneurs and other innovators, and by pointing to progress and remaining challenges - including in the context of the economic slowdown induced by the coronavirus disease (COVID-19) crisis.

The Hidden Stream -

Stephanie Sugioka 2020-07-17
The prelude to *The Hidden Stream* conveys Stephanie Sugioka's intent with forceful grace: "I mean the prose that surrounds these poems to tell of the earth from which the flowers grow. For without this humble stuff of everyday life, there would be no poems." She then invites us "to see how these flowers have come to grow from the raw earth of my being." The interplay of light and shadow, poem and story, of Sugioka's exquisite memoir give access to the inner currents of a life enriched by cultural, spiritual, and intellectual influences, but even more, of a soul attuned to "streams and trees for nurturance and modeling." As she writes in her poem "After Reading *The Tale of Genji*," - "a woman's soul is like wind." - Suzanne Underwood Rhodes, author of *Flying Yellow* In her new memoir, Stephanie Sugioka says that hers has been a life that's mostly been "unremarkable." Readers, however, should not let that modest appraisal deter them

from following *The Hidden Stream: A Life in Prose and Verse* from its source to where it meets us in the present moment. As graceful as it is honest and heartfelt, her narrative takes readers from her childhood, growing up in "the only Japanese-American (or any sort of Asian) family in the small southern town of Chapel Hill, North Carolina...in the fifties before the civil rights movement;" and then through various relocations and life changes while she reflects on being a daughter, wife, mother, teacher, poet, and writer. The writer asks, "what about the dirt from which these flowers grow . . . roots, worms, and decaying leaves?" The poems included in this memoir fold and uncover, uncover and fold, with origami-like precision, various moments that reward with their insight, ache, and quiet beauty. -Luisa A. Igloria, author of *The Buddha Wonders if She is Having a Mid-Life Crisis* and *Ode to the Heart Smaller than a Pencil Eraser* In this lovely, thoughtful memoir of poems and prose—a hybrid

form whose ancestry is the Japanese haibun—the inner world flowers through the poems, while the prose gives them a chronological and autobiographical frame. The work has an eloquent clarity, purity and a genuine modesty; the reader is respected, invited in, drawn into a world where life and art are one, and union becomes communion as we recognize ourselves in the clear and moving mirror of *The Hidden Stream*. -Eleanor Wilner, 2019 Frost Medalist and author of *Before Our Eyes: New and Selected Poems 1975-2017*

The Method Acting Exercises Handbook - Lola Cohen
2016-12-08

The Method Acting Exercises Handbook is a concise and practical guide to the acting exercises originally devised by Lee Strasberg, one of the Method's foremost practitioners. The Method trains the imagination, concentration, senses and emotions to 're-create' - not 'imitate' - logical, believable and truthful behavior on stage and in film. Building on nearly 30 years of teaching internationally and at the Lee Strasberg Theatre and Film

Institute in New York and Los Angeles, Lola Cohen details a series of specific exercises in order to provide clear instruction and guidance to this preeminent form of actor training. By integrating Strasberg's voice with her own tried and tested style of teaching, Cohen demonstrates what can be gained from the exercises, how they can inform and inspire your learning, and how they might be applied to your acting and directing practice. As a companion to The Lee Strasberg Notes (Routledge 2010), a transcription of Strasberg's own teaching, The Method Acting Exercises Handbook offers an unparalleled and updated guide to this world renowned technique.
