The Oxford Book of Caribbean Short Stories - Stewart Brown 2001

The Caribbean is the source of one of the richest, most accessible, and yet technically adventurous traditions of contemporary world literature. This collection extends beyond the realm of English-speaking writers, to include stories published in Spanish, French, and Dutch. It brings together contributions from major figures such as V. S. Naipaul, and Gabriel Garcia Marquez, and work from the exciting new generation of Caribbean writers represented by Edwidge Danticat, and Jamaica Kincaid.

To Kill a Mockingbird - Harper Lee 2014-07-08

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

With Caribbean examples, statistics, and photographs, it is the perfect text for students who need a thorough foundation in food and nutrition.

Organised Fun - Josie Curran 2015-09-10

Organised Fun is a big, fizzing sherbert bomb of games invented and perfected by generations of friends and families. The suggestion of playing a game will divide any room in two quicker than the Marmite debate. There are those who leap gleefully from their seats with suggestions and pointy elbows, and others who hide behind cushions quaking at the potential humiliation. When it comes to games, Josie Curran probably falls into the 'pointy elbow' category... Organised Fun is a big, beautifully illustrated reminder of a time before television when we made our own entertainment. Old favourites are here - from Blind Man's Buff to Sardines, Consequences and Splat the Rat - as well as ideas for

new fun things to do that won't cost a penny, from Human Crufts to Ellie's Brilliant Hat Game and Frolf - golf played with frisbees... Whether on a long car-journey, at a party or stuck indoors on a rainy day, a copy of Organised Fun will give you all the inspiration and information you need to ensure that the days of 'how does that game go again?' are a thing of the past.

CAPE Accounting 2 - Sylvan James 2020-03-28

This textbook is to help students taking the Caribbean Advance Proficiency Examination (CAPE) in Accounting Unit 2 Cost and Management Accounting. Students can enhance their problem solving, computational and accounting skill by using the model answers to past examination questions. The book presents a preview of the type of response you will have to give to the questions in the actual examinations. The book provides suggested solutions to students for past examination papers. The author has served as a CAPE Examining Assistant for the past 15 years and is very acquainted with the style of questions and the solutions required. My approach to preparing the

answers has been both of an examiner and teacher. I am fully aware of the frustrations many candidates face in formatting and presenting their responses of this particular unit and have sought to address this problem. You can use the layouts suggested. The book provides suggested responses to question papers for the years 2012 - 2019. These are the years covered by the present syllabus. The solutions are clearly laid out according to each year and each module. Students can obtain the relevant examination papers from the Caribbean Examinations Council and work them through by modules and compare their response with the one given here. The book will also be useful to teachers in preparing their students for taking this exam.

Animal Farm - George Orwell 2021-02-02

All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

Beka Lamb - Zee Edgell 2015-07-20

Subtle yet rich descriptions of culture, society, and family life in Belize adorn Zee Edgell's beautifully narrated story of a short time in the life of 14-year-old Beka Lamb. Through flashbacks, points on politics and independence are animated, since the political struggles for independence in Belize reflect Beka's own developing maturity and need to assert herself. Two main features of this heartwarming story are Beka's penchant for lying and her relationship with her older friend Troycie, whose troubling choices lead her down a self-destructive path. The pride of winning an essay contest at her convent school releases Beka's grief over Troycie and empowers her to embrace the next phase of her life.

And Still I Rise - Maya Angelou 2011-08-17

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."
