We know you are here, our brothers and sisters .

. . Pressia barely remembers the Detonations or much about life during the Before. In her sleeping cabinet behind the rubble of an old barbershop where she lives with her grandfather, she thinks about what is lost-how the world went from amusement parks, movie theaters, birthday parties, fathers and mothers . . . to ash and dust, scars, permanent burns, and fused, damaged bodies. And now, at an age when everyone is required to turn themselves over to the militia to either be trained as a soldier or, if they are too damaged and weak, to be used as live targets, Pressia can no longer pretend to be small. Pressia is on the run. Burn a Pure and Breathe the Ash . . . There are those who escaped the apocalypse unmarked. Pures. They are tucked safely inside the Dome that protects their healthy, superior bodies. Yet Partridge, whose father is one of the most influential men in the Dome, feels isolated and lonely. Different. He thinks about loss-maybe just because his family is broken; his father is

emotionally distant; his brother killed himself; and his mother never made it inside their shelter. Or maybe it's his claustrophobia: his feeling that this Dome has become a swaddling of intensely rigid order. So when a slipped phrase suggests his mother might still be alive, Partridge risks his life to leave the Dome to find her. When Pressia meets Partridge, their worlds shatter all over again.

*Rethinking the Environment for the Anthropocene* - Manuel Arias-Maldonado  
2019-01-03

This book brings together the most current thinking about the Anthropocene in the field of Environmental Political Theory ('EPT'). It

displays the distinctive contribution EPT makes to the task of thinking through what 'the environment' means in this time of pervasive human influence over natural systems. Across its chapters the book helps develop the idea of 'socio-natural relations'—an idea that frames the environment in the Anthropocene in terms of the interconnected relationship between human beings and their surroundings. Coming from both well-established and newer voices in the field, the chapters in the book show the diversity of points of view theorists take toward the Anthropocene idea, and socio-natural relations more generally. However, all the chapters exemplify a characteristic of work in EPT: the self-conscious effort to provide normative interpretations that are responsive to scientific accounts. The Introduction explains the complicated interaction between science and EPT, showing how it positions EPT to consider the Anthropocene. And the Afterword, by a pioneer in the field, relates all the chapters to a

perspective that has been deeply influential in EPT. This book will be of interest to scholars already engaged in EPT. But it will also serve as an introduction to the field for students of Political Theory, Philosophy, Environmental Studies, and related disciplines, who will learn about the EPT approach from the Introduction, and then see it applied to the pressing question of the Anthropocene in the ensuing chapters. The book will also help readers interested in the Anthropocene from any disciplinary perspective develop a critical understanding of its political meanings.

Architecture of Being - Alan Faena 2022-05-31  
Authored during the height of the pandemic amidst a period of self-reflection, culture and style impresario Alan Faena conceives a deeply personal framework of attributes to liberate the self in this highly personal manifesto exploring the constructs of human potential. To build my dreams, I first had to build myself. In this book I share the secrets of that Architecture. — Alan Faena As a creative with a highly personal vision

of design, Alan Faena has produced some of the most extraordinary spaces in the recent past — from his ingenious reconstruction of an abandoned neighborhood in Buenos Aires to the heights of luxury in Miami Beach. Faena now presents the guiding principles that have helped him produce these urban marvels. Authored during the height of the pandemic, Faena conceived a deeply personal framework of tenets that guided his journey of self-discovery and creativity. Composed of eight thematic pillars — Creation, Vision, Weakness, Silence, Path, Present, Love and Architecture — these chapters explore the inspired source from which all creativity emanates, from the personal battles to the deliberate decisions that ultimately define Faena’s vision and infuse his imaginative vision.

**The Oxford Encyclopedia of the Bible and Gender Studies** - Julia M. O'Brien 2014

As the first major encyclopedia of its kind, The Oxford Encyclopedia of the Bible and Gender Studies (OEBGS) is the go-to source for scholars and students undertaking original research in the field. Extending the work of nineteenth and twentieth century feminist scholarship and more recent queer studies, the Encyclopedia seeks to advance the scholarly conversation by systematically exploring the ways in which gender is constructed in the diverse texts, cultures, and readers that constitute the world of the Bible. With contributions from leading scholars in gender and biblical studies as well as

contemporary gender theorists, classicists, archaeologists, and ancient historians, this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible. The two-volume Encyclopedia contains more than 160 entries ranging in length from 1,000 to 10,000 words. Each entry includes bibliographic references and suggestions for further reading, as well as a topical outline and index to aid in research. The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible. *Preacher's Outline & Sermon Bible-KJV-Luke* - Leadership Ministries Worldwide 2003-09 What if you could study Luke with your favorite Bible scholars from across the ages? The Duke of Ravenstock is the most attractive and elusive bachelor in London - and the most notorious. His exploits and romantic escapades keep the salons of the Social world buzzing - but never more so than when he announces that he will marry. His friends soon realise that what has captured the Duke's heart is the purity and innocence of his intended bride. The wedding date has been fixed when the Duke discovers by accident that his fiancée has taken a lover, a close friend of his. Shattered and disillusioned, the Duke plots a cruel revenge. When he reveals to his sister, the Mother Superior of a Convent in Paris, that he seeks the most innocent girl he can find for his bride, she introduces him to Anoushka, a novice in her care at the Convent. Anoushka has a mysterious background, having been brought secretly and anonymously to the Convent as a child. Somewhat reluctantly Anoushka agrees to marry the Duke, but, to his amazement, her beauty and innocence prove

more of a challenge than he could possibly have imagined.

The Oxford Handbook of Applied

Ethnomusicology - Svanibor Pettan 2015-07-01

Applied studies scholarship has triggered a not-so-quiet revolution in the discipline of ethnomusicology. The current generation of applied ethnomusicologists has moved toward participatory action research, involving themselves in musical communities and working directly on their behalf. The essays in *The Oxford Handbook of Applied Ethnomusicology*, edited by Svanibor Pettan and Jeff Todd Titon, theorize applied ethnomusicology, offer histories, and detail practical examples with the goal of stimulating further development in the field. The essays in the book, all newly commissioned for the volume, reflect scholarship and data gleaned from eleven countries by over twenty contributors. Themes and locations of the research discussed encompass all world continents. The authors present case studies

encompassing multiple places; other that discuss circumstances within a geopolitical unit, either near or far. Many of the authors consider marginalized peoples and communities; others argue for participatory action research. All are united in their interest in overarching themes such as conflict, education, archives, and the status of indigenous peoples and immigrants. A volume that at once defines its field, advances it, and even acts as a large-scale applied ethnomusicology project in the way it connects ideas and methodology, *The Oxford Handbook of Applied Ethnomusicology* is a seminal contribution to the study of ethnomusicology, theoretical and applied.

They say a soulmate only comes along once. I believe it, too. I had my chance, but it slipped away. Each day a little more of myself dies, but I pretend I'm fine. That is until I see him--the man who makes me feel alive--Garrick Shaw. Something within me changes. It's unavoidable and unlike anything I've ever known. And it scares me, terrifies me. But there's another danger lurking around the corner. Someone is conspiring to take it all away. Who are they? What do they want? Why are they after me? Only time will reveal what's really going on.

Hopefully, Garrick and I survive the fallout.

2012-10-14

Eighteen-year-old Mistral is an innocent abroad in the sophisticated Côte D'Azur, where princes

and millionaires mingle in the casinos and sumptuous hotels while others plot to relieve them of their riches. Accompanied only by her embittered and domineering Aunt Emilie and kindly servant Jeanne, Mistral appears dressed all in grey like a ghost in the salons and ballrooms of Monte Carlo and sets Society's tongues wagging. It's not long before her waif-like beauty has men falling at the feet of Mademoiselle Fântôme - gentlemen such as Sir Robert Stanford. But on her sister's bewildering but strict instructions, she must not converse with any but the Russian Prince Nikolai, who's also keen to woo her, as is an opulent Indian Rajah... Something about Mistral touches Sir Robert's heart - and he cannot understand why Mistral appears afraid to be with him. Yet both of them crave love. Only if Mistral's innocent eyes are finally opened to the truth - that Aunt Emilie's motives are borne not of concern for her niece but of pure evil and greed - will she find her heart's desire...

*The Untouched Part* - Eunice-Pauline Olatunji 2020-12-15

What are some important lessons you learned from the 2020 lockdown? Here are some lessons I learned: We are not what we see when we stand in front of a mirror. The real person inside is much more valuable and precious than

temporary externalities. I can and will survive without using cosmetic make-up for seven months. Who knew! I owned too many clothes, shoes, and other accessories. I did not need most of them while working from home. Many are the plans in a person's heart but only The Lord's counsel will stand. Personal Branding, self-love and other self-related psychobabbles can only go so far. Covid-19 pandemic and resulting lockdown demonstrated the limits of our human capacity. Social distancing between us and our devices, earthly possessions and worldly plans may not be such a bad idea after all. Death is inevitable. How prepared are we to meet our Creator? The Untouched Part touches all the parts in and about us that we can neither see nor handle, and will direct you to the course of knowing your true self beyond pretty pictures and earthly possessions using the only Instrument that can: The Holy Bible.

**Pure** - Linda Kay Klein 2019-07-02  
In Pure, Linda Kay Klein uses a potent

combination of journalism, cultural commentary, and memoir to take us “inside religious purity culture as only one who grew up in it can” (Gloria Steinem) and reveals the devastating effects evangelical Christianity’s views on female sexuality has had on a generation of young women. In the 1990s, a “purity industry” emerged out of the white evangelical Christian culture. Purity rings, purity pledges, and purity balls came with a dangerous message: girls are potential sexual “stumbling blocks” for boys and men, and any expression of a girl’s sexuality could reflect the corruption of her character. This message traumatized many girls—resulting in anxiety, fear, and experiences that mimicked the symptoms of Post-Traumatic Stress Disorder—and trapped them in a cycle of shame. This is the sex education Linda Kay Klein grew up with. Fearing being marked a Jezebel, Klein broke up with her high school boyfriend because she thought God told her to and took pregnancy tests despite being a virgin, terrified that any

sexual activity would be punished with an out-of-wedlock pregnancy. When the youth pastor of her church was convicted of sexual enticement of a twelve-year-old girl, Klein began to question purity-based sexual ethics. She contacted young women she knew, asking if they were coping with the same shame-induced issues she was. These intimate conversations developed into a twelve-year quest that took her across the country and into the lives of women raised in similar religious communities—a journey that facilitated her own healing and led her to churches that are seeking a new way to reconcile sexuality and spirituality. Pure is “a revelation... Part memoir and part journalism, Pure is a horrendous, granular, relentless, emotionally true account” (The Cut) of society’s larger subjugation of women and the role the purity industry played in maintaining it. Offering a prevailing message of resounding hope and encouragement, “Pure emboldens us to escape toxic misogyny and experience a fresh breath of

freedom” (Glennon Doyle, #1 New York Times bestselling author of Love Warrior and founder of Together Rising).

*De-Colonization, Heritage, and Advocacy* - Svanibor Pettan 2019-02-20

The nine ethnomusicologists who contributed to this volume present a diverse range of views, approaches, and methodologies that address indigenous peoples, immigrants, and marginalized communities. Discussing participatory action research, social justice, empowerment, and critical race theory in relation to ethnomusicology, *De-Colonization, Heritage, and Advocacy* is the second of three paperback volumes derived from the original Oxford Handbook of Applied Ethnomusicology. The Handbook can be understood as an applied ethnomusicology project: as a medium of getting to know the thoughts and experiences of global ethnomusicologists, of enriching general

knowledge and understanding about ethnomusicologies and applied ethnomusicologies in various parts of the world, and of inspiring readers to put the accumulated knowledge, understanding, and skills into good use for the betterment of our world.

**Essence of Mind** - Jes Bertelsen 2013-06-04  
This handbook to spirituality gathers together Danish meditation teacher Jes Bertelsen's advice on training the mind through wordless prayer and meditation to realize the essence of consciousness. Bertelsen has been teaching philosophy and meditation since the early 1970s; in 1989, he met the Tibetan lama Tulku Urgyen Rinpoche, who authorized Jes Bertelsen to teach Dzogchen, and to do so using his own judgment as to the most appropriate way to assimilate these teachings into Western culture. Bertelsen's teachings are based on an experiential investigation of the nature of consciousness, using comparative analysis of Eastern and Western spiritual teachings and

consciousness practices on a foundation of modern psychological, philosophical, and scientific approaches. *Essence of Mind* outlines the author's experience and approach to Dzogchen, the natural primordial state of human consciousness that is timeless, pure, and untouched by suffering. The book is divided into three parts. The first part describes different methods for pointing out the essence of consciousness and the techniques related to them. The second part seeks to outline the key principles of a training system suited to Western students that can lead to realization. The final section outlines the significance of continuous exercises, and describes the way spiritual practice slowly permeates daily life, dreams, sleep, and eventually death. Through the mind-training process, the practitioner approaches an almost ecstatic state of completion, a luminous, blissful wakefulness in which the consciousness is also fully relaxed, not clinging to bliss or desiring ecstasy, but transparent and open.

Bertelsen emphasizes that while more advanced forms of spiritual training can only take place in a face-to-face, deeply engaged mutual process between teacher and student, books are useful as sources of inspiration, in particular to help review one's insights and refresh one's practice. *Essence of Mind* systematizes the experiences that occur along the spiritual path and helps students to refine, correct, and clarify their efforts; it is the author's hope that many students in the West will be able to benefit from his comparative approach to Dzogchen.

[Environment and Tourism](#) - Andrew Holden  
2016-04-25

The global demand for tourism continues to increase as economic growth creates opportunities for its consumption as a lifestyle option across cultures. The spatial reach of recreational tourism into remoter environments reflects a desire to reconnect to nature that is partially created by the global trend toward urbanisation. At the same time, anthropogenic

created environmental problems have led us to re-evaluate our relationship to nature and the values that are held by the environment. This third edition of *Environment and Tourism* incorporates additional material on environmental philosophies and ontologies of nature and how these influence our understanding of tourism's relationship with the natural environment. In an epoch representing a critical juncture for the future well-being of the planet based on our relationship to nature, the text has been updated to reflect the growth in significance of the interaction between tourism and the natural environment as a part of this discourse. It communicates a range of key conceptual debates on the ethics and economics of the consuming nature for tourism and relates these to real world examples whilst evaluating environmental planning, and management responses. The book seeks to highlight the relevance of the significance of tourism for nature within the framework of society, as a

system of inter-connected places across space and time, exploring the relationship of the environments of where tourists come from with the ones that they travel to. The updated features include: new chapters on philosophies and constructs of the environment, environmental ethics, and tourist consumption an extensive range of international case studies used to illustrate the theoretical ideas presented boxes offering bite sized insights, and think points designed to encourage students to further engage with the topics discussed *Environment and Tourism* emphasises a holistic view of the tourism system and how it interacts with nature, illustrating the positive and negative effects of this relationship. It emphasises how ontologies of the environment influence the planning and management of tourism for natural resource conservation and human development. It is an invaluable tool for anyone studying Human Geography, Tourism and Environmental Studies, as well as for policy makers and consultants

working in the field of tourism development.

**Through Strangers' Eyes** - Sylvie Romanowski 2005

"Considering the "stranger" as a figure of ambiguity, Sylvie Romanowski explains why the genre was so useful to the Enlightenment. The question of why showing ambiguous strangers is important in that period is addressed in the book's introduction by setting the Enlightenment in the historical context of the seventeenth century. Romanowski then examines

Montaigne's "Des Cannibales," showing how these first "outsiders" relate to their eighteenth-century successors. She next considers Montesquieu's *Lettres persanes* in its entirety, studying the voices of the men, the women, and the eunuchs. She also studies other examples of the genre."--Jacket.
