WOLFPACK - Abby Wambach 2019-04-09
Based on her inspiring, viral 2018 commencement speech to Barnard College's graduates in New York City, New York Times bestselling author, two-time Olympic gold medalist and FIFA World Cup champion Abby

Wambach delivers her empowering rally cry for women to unleash their individual power, unite with their pack, and emerge victorious together. Abby Wambach became a champion because of her incredible talent as a soccer player. She became an icon because of her remarkable

wisdom as a leader. As the co-captain of the 2015 Women's World Cup Champion Team, she created a culture not just of excellence, but of honor, commitment, resilience, and sisterhood. She helped transform a group of individual women into one of the most successful, powerful and united Wolfpacks of all time. In her retirement, Abby's ready to do the same for her new team: All Women Everywhere. In Wolfpack, Abby's message to women is: We have never been Little Red Riding Hood. We Are the Wolves. We must wander off the path and blaze a new one: together. She insists that women must let go of old rules of leadership that neither include or serve them. She's created a new set of Wolfpack rules to help women unleash their individual power, unite with their Wolfpack, and change the landscape of their lives and world: from the family room to the board room to the White House. · Make failure your fuel: Transform failure to wisdom and power. · Lead from the bench: Lead from wherever you are. · Champion

each other: Claim each woman's victory as your own. · Demand the effing ball: Don't ask permission: take what you've earned. In Abby's vision, we are not Little Red Riding Hoods, staying on the path because we're told to. We are the wolves, fighting for a better tomorrow for ourselves, our pack, and all the future wolves who will come after us.

Pengurusan Kualiti dan Perpustakaan: Ke Arah Transformasi Pengajian Tinggi Negara (UUM Press) - Che Azlan Taib 2015-04-01
Sejak sekian lama diperdebatkan berkenaan kualiti perkhidmatan. Namun sukar ditemui buku-buku berkenaan pengurusan kualiti yang membincangkan model dan peranan perpustakaan akademik dalam menyokong institusi pendidikan. Oleh itu buku ini ditulis

hasil penelitian dan kajian penulis yang agak lama berkenaan pengurusan perpustakaan akademik. Buku ini dimasukkan beberapa model pengurusan kualiti yang berguna kepada sesebuah perpustakaan, khususnya kepada perpustakaan akademik. Seperti model Pengurusan Kualiti ISO 9001, Malcolm Baldrige National Quality Award (MBNQA) dan The European Quality Award (EFQA). Dari segi aplikasi, buku ini amat baik dijadikan sumber rujukan kepada pegawai perpustakaan kerana ianya turut menghuraikan bagaimana pengurusan kualiti dalam senario perpustakaan sebagai sumber maklumat. Buku ini turut mengenengahkan falsafah-falsafah kualiti. Malahan bagi melengkapkan falsafah-falsafah kualiti tersebut, buku ini juga menghuraikan berkenaan anugerah-anugerah kualiti, termasuklah anugerah perpustakaan cemerlang. Buku ini juga boleh digunakan bagi memastikan perpustakaan akademik berjaya menyokong dalam pencapaian transformasi pengajian tinggi

negara. Bagi merealisasikan kualiti perkhidmatan yang baik dapat ditawarkan oleh sesebuah perpustakaan, buku ini boleh dijadikan rujukan. Buku ini disusun dengan mudah supaya pembaca dapat memahami keseluruhan topik yang dibincangkan dengan senang.

Infinitely More - Amy Conway-Hatcher 2021-12-20

"What's it going to be, Mom? Money or happiness?" This is the blunt question Amy Conway-Hatcher's fourteen-year-old daughter challenged her with as she was deciding whether to leave her Big Law equity partner job. Amy knew the climb was harder and longer for women. Tough, determined, and focused on her career, she persevered. Yet she didn't anticipate how gender barriers in male dominated systems could wear women down -- even her. Conway-Hatcher was among women making bold career changes in 2021. *Infinitely More* is her journey to understand why. Amy's story is an intriguing,

thought-provoking, and heart-opening discovery of how a warrior career mom was lured into believing she could win over the system and beat the odds. Her strategy works for years, but she learns even the toughest of warriors face reckonings. Using her gift for advocacy, Amy sets the record straight on why highly-talented women leave big jobs and how leaders lose them. Through her own compelling story, she shares stark reflections and lessons learned about the messy realities and trade-offs career women must make when playing uneven games. With eyes wide-open, Amy reclaims her purpose and offers strategies and hopes for the future.

The Influence of Islamic Values on Management Practice - Gillian Forster

2014-11-17

The Influence of Islamic Values on Management Practice is a cultural study which examines how Islamic values influence management practice. In contrast with current academic thinking on the role of Islam in management, this book

reveals that in this part of the Arab World, where there is a pull away from tradition towards modernity, there is a shared perspective from those 'doing management' that Islamic values do not, and should not, have any greater institutional influence on management practice than, for example, Christianity might have in a (secular) Christian country. But what emerges with equal clarity is that Islamic values influence management practice through each individual's own religiosity. The influence can therefore be conscious and deliberate, or unconscious and osmotic, formative or marginal, depending on the individual's own beliefs. Using Morocco as a case study, and through academic research and actual business managers working in this context, this text explores and explains how national characteristics, including Islam, shape management practice.

Proceedings of the 3rd International Halal Conference (INHAC 2016) - Nurhidayah Muhammad Hashim 2018-02-23

This book contains selected papers which were presented at the 3rd International Halal Conference (INHAC 2016), organized by the Academy of Contemporary Islamic Studies (ACIS), Universiti Teknologi MARA (UiTM) Shah Alam, Malaysia. It addresses halal-related issues that are applicable to various industries and explores a variety of contemporary and emerging issues. Highlighting findings from both scientific and social research studies, it enhances the discussion on the halal industry (both in Malaysia and at the international level), and serves as an invitation to engage in more advanced research on the global halal industry. Surviving the Future - Gail Munde 2009-02-28 Every academic library strives to make improvements - in its services, its effectiveness, and its contributions to overall university success. Every librarian wants to improve library quality, but few are knowledgeable or enthusiastic about the means and mechanisms of quality improvement. This book assists librarians

to make sense of data collection, assessment, and comparative evaluation as stepping stones to transformative quality improvement. Creating value lies in a library's ability to understand, communicate and measure what matters to users, and what can be measured can be managed to successful outcomes. Complex and fragmented subject matter is synthesized into clear and logical presentation Focuses on current research and best practices

Approaches to Social Research - Royce A. Singleton 1993

Thoroughly revised and updated to incorporate new research, the second edition of this remarkably popular work instills readers with the sense and skills they need to become intelligent consumers of research evidence, providing a lucid, accessible introduction to the various methods employed in a variety of fields, as well as an appreciation of social research as part of the larger context of social science.

Offering over two dozen new research examples and over 100 new references, user-friendly diagrams of essential concepts and processes, and expanded coverage of current key topics and recent developments, it strikes a balance between specific techniques and the underlying logic of social inquiry--the how-to and wherefore of research. Opening chapters draw readers into the subject by illustrating the practicality of the study of research methods and the vital relationship between theory and research. The ensuing sequence of topics follows that of an ideal-typical research project--beginning with research design, measurement, and sampling, proceeding to data collection, and then to data processing and analysis. The authors focus on four major approaches to research-- experimentation, survey research, field research, and the use of available data--and bring the material to life with numerous examples drawn from classic and current research. Advocating a multiple-methods strategy that treats these

approaches as complementary, rather than mutually exclusive, the authors provide a full account of the benefits and drawbacks of using each, and describe the actual processes involved in research with each.

Total Quality in the Construction Supply Chain -
John S. Oakland 2006

Construction organisations worldwide are struggling with three issues: total quality management, supply chain management and knowledge management. Pressures from clients and recognition of the relatively slow growth in productivity in the sector are causing managers to focus on structural and strategic management issues. This book tackles each of these three themes, demonstrating their significance as strategic concepts for the construction sector and illustrating how development goals in each of these critical areas can be met. The book combines a theoretical basis with practical tools for management. Written by some of the world's leading experts, and illustrated with

international case studies, Total Quality in the Construction Supply Chain offers students a clearly structured introduction to the concept of quality in the construction industry, while posing challenging questions for the most experienced professionals. ·Key management techniques applied specifically to the needs of the construction industry. ·International case studies discussed. ·Demonstrates how to achieve real and lasting improvements in quality across the industry.

ISO 9001, ISO 14001, and New Management Standards - Iñaki Heras-Saizarbitoria
2017-10-10

This book is a comprehensive reference on ISO management system standards and their implementation. The impacts that ISO 9001 and ISO 14001 have had on business performance are analyzed in depth, and up-to-date perspectives are offered on the integration of these and other management standards (e.g. SA8000, ISO/TS 16949). Detailed information is

provided on the signaling value of different management standards and on the new ISO standards for management systems, such as ISO 50001 and ISO 45001, relating to energy management and occupational health and safety. The role of audits in ensuring compliance with the standards and achievement of objectives is also carefully considered. The volume examines avenues for further research and emerging challenges. In offering an integrated, holistic perspective on ISO management system standards, this book will have wide appeal for academics, public decision-makers, and practitioners in the field of quality and environmental management.

Change Management - Robert A. Paton 2000-05-02

'Change Management is a well-structured and well-written book which has wide appeal for undergraduates, postgraduates and practitioners. It provides a comprehensive coverage of the issues related to organizational change and its management. It has a good, coherent structure which starts with a definition of change and a general examination of the antecedent factors, as well as the skills and competencies required of managers in facilitating the change process.... The style and content of the book are of an extremely high quality, indicating the book's deserved reputation as a core textbook in this area' - Leadership and Organization Development Journal This new and updated edition of the highly successful MBA and undergraduate text

on change management uses current examples with a strategic focus to guide students through the issues and processes associated with managing change. The new edition: - provides a framework for applying different models to different scenarios; - offers proactive approaches to change that relate to business performance; - gives practical, step-by-step means of handling change; - illustrates with up-to-date real-life case studies. Students using Change Management will gain a greater understanding that effective solutions to change problems need to combine technological, organizational and people-oriented strategies. In this sense the book adopts a process-based approach to management. It will also encourage students to familiarize themselves with the different contingencies that affect management and the most effective measures for dealing with them.

Buku ini mengupas tentang perundangan berkaitan sumber manusia dan tadbir urus organisasi sektor awam dan swasta di Malaysia. Penulisan dalam buku ini dibincangkan mengikut tema yang khusus bermula dengan perspektif hubungan majikan dan pekerja, isu-isu perundangan dalam perhubungan pekerjaan dan tadbir urus pekerja di sektor awam. Buku ini mampu menyediakan pembaca dengan maklumat dan panduan berkaitan isu-isu kontemporari tadbir urus dan sumber manusia secara ilmiah. Kebelakangan ini, pelbagai bentuk cabaran timbul dalam menguruskan sumber manusia di sesebuah organisasi, sama ada organisasi awam ataupun swasta. Segala isu dan permasalahan berkaitan dengan sumber manusia perlu ditangani dan diuruskan dengan

sebaiknya. Paling penting, ia hendaklah berpandukan kepada perundangan sedia ada memandangkan perhubungan majikan dan pekerja adalah berbentuk perhubungan yang terkawal serta berada di bawah pemantauan undang-undang. Justeru, undang-undang adalah satu aspek yang tidak boleh dielakkan dalam menguruskan sumber manusia. Buku ini bukan sahaja menasaskan golongan pekerja, malah meliputi majikan, pengurus, pelajar dan mereka yang bakal menempuh alam pekerjaan untuk memahami isu-isu yang berkaitan. Walaupun berkonsepkan perundangan, maklumat dan kupasan isu-isu dikemukakan menerusi pendekatan umum dan bersifat santai bagi memudahkan kefahaman pembaca. Hal ini sekali gus dapat mendekatkan pembaca dengan bidang undang-undang.

Creativity in the Primary Classroom - Juliet

Desailly 2012-03-22

Creativity is an integral element of any primary classroom. It has been never more important for teachers to involve children in their own learning and provide a curriculum that motivates and engages. Being a creative teacher involves generating new ideas, reflecting upon and evaluating different teaching approaches, and establishing an environment that supports creativity in your pupils. Creativity in the Primary Classroom explores how to develop as a creative teacher and how to foster creativity in your classes. Drawing from key literature and detailed real-life examples, Juliet Desailly puts into practice her extensive experience planning, advising and developing creative approaches to teaching and curriculum planning. This book examines what creativity in a primary classroom can look like, and is supported throughout by practical activities for use across curriculum subjects and reflective tasks encouraging critical engagement with key conceptual issues. This is

essential reading for students on primary initial teacher education courses including undergraduate (BEd, BA with QTS), postgraduate (PGCE, SCITT), and employment-based routes into teaching, and also for practicing teachers wishing to enhance their own teaching. Juliet Desailly, formerly PGCE Tutor in Primary Education at the Institute of Education, London, is a freelance Educational Consultant. 'This book deepens and broadens our understandings of creativity as applied to primary education. It provides a balance of practical frameworks and approaches with wise guidance. Many schools and individual teachers will find Juliet Desailly's work invaluable as they embrace the greater pedagogical and curricular freedoms promised by government.' - Jonathan Barnes, Senior lecturer in Primary Education at Canterbury Christ Church University.

Servant Leader - Ken Blanchard 2003-03-11
Best-selling author of The One-Minute Manager, Ken Blanchard, along with Phil Hodges, reveals the meaning of servant leadership modeled after

Jesus Christ. Based on Blanchard's and Hodges' Faith Walk seminars, business leaders come to realize that teams are more powerful than the sum of the individuals and to recognize their people as appreciating assets. Servant Leader summarizes the Four Dimensions of Leadership: the head (leadership assumptions and methods) the hands (application and leadership behavior) the heart (edging God out) the habits (solitude, prayer, study of scripture, unconditional love, etc.) The thousands who have attended his seminars witnessed the transforming power of this unconventional approach. Readers seeking to grow as leaders and business executives will find Servant Leader nothing short of life-changing.

Strategic Management from an Islamic Perspective - Rodrigue Fontaine 2013-07-16

Fascinating insights into modern strategic management from an Islamic perspective While strategic management is a cornerstone of any MBA program, it's almost always taught from conventional theories and typically American case studies. This book takes those traditional theories and interprets them from an Islamic perspective using more international case studies. Though primarily intended as a textbook for business students, the book is also extremely useful for any Muslim business leaders who want to transform their businesses while complying with Shariah, with a particular focus on developing corporate cultures and structures in sync with Islamic values. Offers a critical review of conventional strategic management theory, suggesting more effective alternatives based on a combination of conventional and Islamic theories Includes international case studies, each with a particularly Islamic angle Written by a successful author team that has written extensively on the subject of business
