I loved every single word." —John Gwynne The Pariah begins a new epic fantasy series of action, intrigue and magic from Anthony Ryan, a master storyteller who has taken the fantasy world by storm. Born into the troubled kingdom of Albermaine, Alwyn Scribe is raised as an outlaw. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Heritage for development in South-East Europe - 2015-05-22

The essays in this book present, for the first time in published form, a systematic comparative overview of cultural heritage policy and its impact - specifically in the field of immovable heritage such as archaeological and historic sites - in Albania, Bosnia and Herzegovina, Bulgaria, Croatia, "The former Yugoslav Republic of Macedonia", Montenegro, Romania and Serbia. The studies focus on the decade from 2003 to 2013 that followed the traumatic and often violent upheavals associated with the breakdown of communism. That same period also saw a shift in the policy of the European Union and the Council of Europe in support of cultural heritage policies in the region, which led to the launching of the "Ljubljana Process: rehabilitating our common heritage". The challenges gradually moved from encouraging professionals to adopt European standards and realising the potential of heritage to build bridges between peoples and to foster reconciliation, towards highlighting its wider benefits as a catalyst of economic development for the local economy and the quality of life of citizens. Theorists and practitioners will gain a better insight into the value of cultural heritage and the specificity of cultural heritage policies in South-East Europe, as well as the underlying facts, vision, context and impact of the Ljubljana Process. This will encourage questioning of existing public policies, as well as the promotion and affirmation of cultural

heritage within a new “culture of development”.

Profiles in Rock - Val McDowell 2004-02-02

This is a book about dreams, determination and passion. Everybody has a dream when growing up. When I was a child, many young boys wanted to be firemen or policemen, and girls teachers or nurses. *Profiles in Rock* is the story of several groups and individuals who dreamed of musical success at a very young age, and against the odds went on to achieve it. Bruce Springsteen fought his father's disapproval and a reputation as the "new Bob Dylan" as well as an overly enthusiastic manager who took him to court to fight over the rights of Bruce's music. Still, Springsteen went on to become one of the greatest rock icons of his time. Fleetwood Mac overcame several personnel changes, bad contracts, and romantic struggles within its own ranks to create one of the bestselling albums of all time. It is hoped that whatever your own hopes and dreams, whatever your own status in life, you can learn by their example of determination and passion for doing what they love the most. If these individuals can achieve their dreams, then so can we all.

The Widow Waltz - Sally Koslow 2013-06-13

“This heartfelt, witty addition to women’s fiction will appeal to fans of

Elizabeth Berg and Anna Quindlen.” (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow’s fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, “What is family, really?”

Hammered - Lili Valente

I didn't mean to kidnap the groom. It was an accident. Mostly... At least I didn't take much time to plan it. It was more of a spur of the moment kidnapping. Does that count? One minute, the town's bad boy is standing at the altar about to marry the world's most evil kindergarten teacher. The next, he's passed out in my Vespa sidecar with his bride hot on our tail. But I didn't have a choice! I couldn't stand by and watch Jace O'Dell be blackmailed into a loveless marriage. And besides, what's a little kidnapping between friends? Okay, so maybe we're not just friends... And maybe I can't quit thinking about that night at his bar when he closed up early and had me on the rocks. And maybe this crazy stunt is going to blow up in both of our faces. If it does, I'm blaming the moonshine. Even though the only thing I'm hammered on when it comes to Jace is love—straight up, no chaser.

Scent Of Obsession - Shanen Ricci 2022-01-05

I was the woman who believed in fairy tales; he was the monster of them. The Devil of Ravencliff Manor. The Phantom. Radcliff. Escorted by a prince, my obsession led me to the villain's lair, with no hope for rescue. Trapped inside his greenhouse, our once upon a time began with a flower. More accurately, with a scent that captivated me. I signed my

soul over to the man who represented my sinister nightmares. The one known to belong to the cruel shadows, who offered me my perfumer's dream. He demanded the impossible: the missing piece of his kingdom of sins. I stalked the impossible: his humanity. This is our dark tale. When beauty met ugliness. When light met darkness. When heaven met hell. A tale of obsession.
