Don't think don't question just do. The anonymous note wasn't for me. Don't get me wrong, I'm not in the habit of reading other people's mail, but it was just a piece of paper with a few lines scrawled on it, clearly meant for the apartment upstairs. It looked so innocent,

but decidedly—deliciously—it was not. Before replacing the note—and the ones that followed—in its rightful slot, I devoured its contents: suggestions, instructions, commands. Each was more daring, more intricate and more arousing than the last...and I followed them all to the letter. Before the notes, if a man had told me what to do, I'd have told him where to go. But submission is an art, and there's something oddly freeing about doing someone's bidding...especially when it feels so very, very good. But I find that the more I surrender, the more powerful I feel—so it's time to switch up roles. We play by my rules now. Originally published in 2009

*Crossfire Novels* - Sylvia Day 2015-01-27

There's nothing more romantic than Valentine's Day...except Sylvia Day. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. Bared to You He was beautiful and brilliant, jagged and white-hot.

I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion

would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the

shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

*Afterburn / Aftershock* - Sylvia Day 2014-03-11

Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away.

I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...
