Which Way? - Lidia Stanton 2017-07-07

For page samples, follow the link:

<https://books.lidiastanton.com/whichway> This colourful and highly engaging resource is written for children as young as 4-5 years old but also those in Key Stage 2 of primary school (up to 9 years old) who continue to feel confused by letter and digit shapes. The latter group might become so discouraged that they avoid writing, or write very little, despite having great imaginations. They start doubting their ability to simply 'know' the correct way when writing b/d, p/q, p/g, 9/g, 6/9, s/z, 5/S, S/3, etc. Most teachers and parents are very good at playing down the reversals and encouraging the child to have another go. They say, "It's fine, it's still good writing. I love what you've written here." Yet, after so many attempts and after so many teacher corrections on the page, the child begins to think, "This writing game might not be for me after all". Those with dyslexia will have additional phonological difficulties to manage alongside poor memory for graphic shapes. This workbook is for children who can trace well at speed, thus appear to have developed adequate motor memory in their fingers, yet struggle to remember 'which way' to write the letter or digit. It is very likely that they will be ready to integrate this type of linear visual-spatial information at a later time. For now, they have no real-life representation, or model, of a handful of graphic shapes in their brains, and this, in turn, can affect their confidence in writing independently. This resource offers practical and long-term 'tricks' that will trigger the child's memory at the right moment. It adopts a complementary approach to traditional letter formation teaching to bridge the gap between children who are proficient graphic writers and those whose brains make different sense of graphic information. Many children with dyslexia and dysgraphia will particularly benefit from completing the workbook. How to use the resource The child doesn't need to work through the entire book. Choose sections that are relevant to their needs. Younger children

(aged 4-6) will almost certainly need assistance when working with the resource, although older ones will no doubt choose to work independently, showing their practised strategies and completed activities to teachers and parents. It is recommended that section 7 (Use your whole body) is attempted with the help of an older helper or adult. There are more than one method to help distinguish between b/d/p and s/z in this workbook. Introduce the child to only one method at a time, evaluate the child's progress, and decide whether there is a need to move on to the next one. Some children are more practical than visual - the 'Use your hands' strategy might be sufficient for them. Other children might enjoy more visual strategies in sections 4, 5 and 6. In my experience, section 7 (Use your whole body) works well with children who need to 'experience' concepts in a multi-sensory manner. Pay attention to the child's initial response to a particular method. It will guide you along. You can mix and match strategies. Some children don't confuse b/d as much but struggle with p/9. Some activities can be completed independently of the section the child is currently working through. For example, Activity 7 can be attempted after completing the 'Use your hands' section. Flick through the book to decide which activities appear to be suitable to the child's current progress.

Love Letters of Great Men - Ursula Doyle
2008-11-25

Remember the wonderfully romantic book of love letters that Carrie reads aloud to Big in the recent blockbuster film, *Sex and the City*? Fans raced to buy copies of their own, only to find out that the beautiful book didn't actually exist. However, since all of the letters referenced in the film did exist, we decided to publish this gorgeous keepsake ourselves. *Love Letters of Great Men* follows hot on the heels of the film and collects together some of history's most romantic letters from the private papers of Beethoven, Mark Twain, Mozart, and Lord Byron. For some of these great men, love is "a delicious poison" (William Congreve); for others, "a nice soft wife on a sofa with good fire, & books & music" (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these letters show that perhaps men haven't changed all that much over the last 2,000 years--passion, jealousy, hope and longing still rule their hearts and minds. In an age of e-mail and texted "i luv u"s, this timeless and unique collection reminds us that nothing can compare to the simple joy of sitting down to read a letter from the one you love.

What Women Want--What Men Want - John Marshall Townsend 1998-04-23

Following the work of E. O. Wilson, Desmond Morris, and David Buss, *What Women Want--What Men Want* offers compelling new evidence about the real reasons behind men's and women's differing sexual psychologies and sheds new light on what men and women look for in a mate, the predicament of marriage in the modern world, the relation between sex and emotion, and many other hotly debated questions. Drawing upon 2000 questionnaires and 200 intimate interviews that show how our sexual psychologies affect everyday decisions, John Townsend argues against the prevailing ideologically correct belief that differences in sexual behavior are "culturally constructed." Townsend shows there are deep-seated desires inherited from our evolutionary past that guide our actions. In a fascinating series of experiments, men and women were asked to

indicate preferences for potential mates based on their attractiveness and apparent economic status. Women overwhelmingly preferred expensively dressed men to more attractive but apparently less successful men, and men were clearly inclined to choose more attractive women regardless of their professional status. Townsend's studies also indicate that men are predisposed to value casual sex, whereas women cannot easily separate sexual relations from the need for emotional attachment and economic security. Indeed, wherever men possess sexual alternatives to marriage, and women possess economic alternatives, divorce rates will be high. In the concluding chapter, Townsend draws upon the advice of couples who have maintained their marriages over the years to suggest ways to survive our evolutionary predicament. Lucidly and accessibly written, *What Women Want--What Men Want* shows us why we are the way we are and brings new clarity to one of the most intractable debates of our time.

The Gospel Messenger, #1 - Galen Shotts
2015-12-16

Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an

argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

The Love Letters of Great Men - The Most Comprehensive Collection Available - Prince Albert 2011-03

"Letters are among the most significant memorial a person can leave behind them" said Johann Wolfgang von Goethe. This English Rose book is the most comprehensive collection of love letters available, containing a huge selection of some of the all time greatest love letters ever written. You will find in here all of the classics - Napoleon Bonaparte, Lord Byron, John Keats, Henry VIII, Ludwig van Beethoven etc. - but you will also find some treasures, little known and rarely published love letters, such as those of Prince Albert, D. H. Lawrence, Sigmund Freud, Horatio Lord Nelson and Abraham Lincoln. Whatever the tone, the context or style of the writing here displayed, what is true is that these letters are genuinely captivating.

Throughout history, great men have written noble tomes. Their love letters are no exception. We can find in these correspondences some of the most delectable personal effusions ever written, the most incredible demonstrations of devotion and affection - not fictional, but real, impassioned, painful and heart-wrenching. Our interest in reading these letters, is partly in their magnificent language, their eloquent expressions of love, their romantic effluence, but also, it is in their demonstrations of the universal human vulnerability in love. Love letters infectiously render past lives into our modern reality, immersing the reader in the author's home, habits, enjoyments and romances. These men come to life through their personal letters, more so than anywhere else. They show us the human side of men who stand as giants in history, whose actions and legacies have helped to shape the world as we know it. In their moment of separation, without the crowd, without the nobility or the just cause, here, in their most vulnerable, exposed state, we see the person behind the celebrity. With these letters we have the unique ability to spy on the personal lives of men considered 'great'. Their humanity, so lacking in the history books, is all we are privy to here. There is no great action, no battle won, no literary accomplishment, only deep personal feeling and romantic expression. This

English Rose book is a high quality, well formatted, stunning hardback edition. English Rose love books and think that every one is special, so our editions will always be distinctive, professional and unique. If a picture speaks a thousand words, a love letter speaks a thousand more . . . Even in this age of e-mail, faxes, and instant messaging, nothing has ever replaced the power of a love letter. Much the way light displays every color when passed through a prism, love letters express the spectrum of our emotions, offering a colorful glimpse into the soul of the writer, and of the writer's beloved. For passionate readers and lovers of words, a letter is irresistible. Internationally renowned collector David Lowenherz sifted through hundreds and hundreds of historical and contemporary epistles and selected the most ardent, witty, whimsical, sexy, clever, and touching letters for this inspiring collection. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Inn Between Worlds - Thomas Farmer
2017-10-21

Sitting outside of time and space is the Inn Between Worlds. Residents might say it's a place for travelers, or a place to rest, a place to find excitement. Or they might say it's dangerous and to be avoided at all costs because Reality Does Not Work Right inside its infinite walls.

Contained in these pages are three stories that all share one important point: Their events would not have been possible without The Inn. "Gideon Wallace and the Sapphire Woman" is

the first story in a new series by Thomas A Farmer, and shows what happens when a mortal man finds himself drawn into a fight between gods. In "Chaos Candy," by Amie Gibbons, supernatural bounty hunter Zee tries to uncover a dark secret and learns much more than she ever wanted to know. Finally, Michael David Anderson's "Flux" continues the adventures of Teddy Dormer, taking him once again to strange new places and showing him new nightmares.
