kids 7-10 will love. I admit it. I'm not much of a muscle mouse. So when I accidentally got signed up for the Mouse Island Marathon, I was so shocked that I lost my squeak! Me, run a marathon? But my friends and family were determined to help me cross that finish line. Holy cheese, I was never going to make it!

In Battle for Peace - William Edward Burghardt Du Bois
2014-02-20

W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable

editorials and journalistic pieces, and several works of history. One of the most neglected and obscure books by W. E. B. Du Bois, *In Battle for Peace* frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, *In Battle for Peace* remains today a powerful analysis of race in America. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by Manning Marable, this edition is essential for anyone interested in African American history.

variety of applications. This collection of 20 foolproof recipes gives beans their due, putting them center stage in recipes such as Ultracreamy Hummus (you've never had homemade hummus this velvety-smooth) and White Bean and Tuna Salad (two pantry-friendly ingredients come together for a dish that's greater than the sum of its parts). We share the secrets to making light and crispy Falafel as well as irresistible soups and sides. Whether you're looking for breakfast inspiration (our recipe for Scrambled Eggs with Pinto Beans and Cotija Cheese delivers tender eggs with a mildly spicy kick), internationally inspired mains such as Palak Dal (Spinach Dal with Cumin and Mustard Seeds) and Tuscan Shrimp and Beans, or hearty vegetarian dishes such as Black Bean Burgers and Meatless "Meat" Sauce with Chickpeas and Mushrooms, this collection gives you 20 great reasons to put beans on the menu.

In the Wet - Nevil Shute
2010-12-07

It is the wet season in the Australian outback. Drunk and delirious, an old ex-pilot known as "Pisspot Stevie" lies dying in a remote cabin in the Queensland bush. When a priest named Roger Hargreaves comes upon him, Stevie is smoking opium to relieve the pain of his last moments. The priest listens as Stevie, in an opium-fueled haze, begins to describe a very different life he once lived—not in the past, but decades in the future, as a mixed-race aviator who finds love and glory in service to the Queen. After Stevie's death, as Hargreaves tries to sort dream from reality, he makes discoveries that cause him to wonder if he has been granted a glimpse beyond the veil.

E le proteine dove le prendi?

- Elisabetta Pennacchioni

2022-04-14T00:00:00+02:00

Il titolo di questo nuovo libro delle sorelle Pennacchioni non è stato scelto a caso: si tratta infatti della domanda posta più di frequente a chi sceglie di mangiare vegetale. Ecco dunque, in aiuto dei tanti curiosi e appassionati, un libro fresco e colorato, incentrato sui legumi (ma non solo: tofu, tempeh e seitan sono i modi "alternativi" per portare in tavola ancora più varietà) e destinato a sfatare alcune credenze radicate, una fra tutte quella che vorrebbe che i legumi si possano consumare solo durante le stagioni fredde e nelle zuppe. In realtà ceci, lenticchie, fagioli di ogni tipo, soia, cicerchie e molto altro non conoscono stagioni, e grazie all'incredibile versatilità si pongono come ingredienti perfetti per ogni piatto e ogni temperatura. A prescindere dalla stagione, chi saprebbe dire di no a una torta salata

con farina di ceci o a una bruschetta con fagioli cannellini e cavolo nero? E per finire: oltre ai consigli nutrizionali e di utilizzo, naturalmente tante ricette, molte delle quali illustrate. Piatti e sapori pensati non solo per un pubblico già vegano o vegetariano, ma per chiunque voglia introdurre nella propria dieta più proteine vegetali e meno animali, con un indubbio (e comprovato) vantaggio per il proprio benessere e... per il portafoglio.

Racconti africani - Maurizio Barenghi

2022-03-03T00:00:00+01:00

Il libro racconta, in modo molto intimo, i due anni durante i quali l'autore offre aiuto e sostegno a un gruppo di ragazzi africani immigrati, ospitati, finché possibile, al Centro di Accoglienza di Tradate gestito dalla Croce Rossa Italiana. Queste pagine esprimono compiutamente l'“imprinting” pedagogico che ha sempre guidato Barenghi, prima nel percorso educativo dei figli, ora nelle relazioni con i nuovi “figli aggiunti”.

L'insieme di queste storie prende avvio dall'incontro col primo di questi, già espulso dal Centro di Accoglienza quando

la Croce Rossa è costretta a dimezzare i posti disponibili. Il ragazzo viene allora ospitato dal figlio maggiore dell'autore per alcuni mesi, durante i quali si stabilisce un legame forte e duraturo con tutti i membri della famiglia. "Capo carismatico" della comunità di immigrati, è proprio lui a suggerire il nome di Barenghi quando i suoi compagni gli chiedono indicazioni per sostenere le loro rivendicazioni all'interno del Centro di Accoglienza. "In un certo senso è merito suo se la mia vita ha avuto questi sviluppi e se l'anno di lockdown è divenuto, paradossalmente, uno dei più ricchi della mia esistenza."

Freud's Mistress - Karen Mack

"A thrilling story of seduction, betrayal, and loss, Freud's Mistress will titillate fans of *Memoirs of a Geisha* and *The Other Boleyn Girl*."—Booklist
In fin-de-siècle Vienna, it was not easy for a woman to find fulfillment both intellectually and sexually. But many believe that Minna Bernays was able to find both with one man—her

brother-in-law, Sigmund Freud. At once a portrait of two sisters—the rebellious, independent Minna and her inhibited sister, Martha—and of the compelling and controversial doctor who would be revered as one of the twentieth century's greatest thinkers, Freud's Mistress is a novel rich with passion and historical detail and "a portrait of forbidden desire [with] a thought-provoking central question: How far are you willing to go to be happy?""*

health gains and respond to public expectations, how should they be configured, managed, and sustained? * What lessons emerge from experiences of changing hospital systems across Europe? Hospitals of the future will confront difficult challenges: new patterns of disease, rapidly evolving medical technologies, ageing populations, and continuing budget constraints. This book explores the competing pressures facing policymakers across Europe as they struggle to respond to these complex challenges. It argues that hospitals, as part of a larger health system, should focus on enhancing health outcomes while also responding to public expectations. Adopting a cross-national, cross-disciplinary perspective, the study assesses recent evidence on the factors driving hospital reform and the strategies used to improve organizational performance. It reviews the evidence from eastern as well as western Europe and combines academic research with real-world policy

experience. It looks at the role of hospitals in enhancing health rather than simply processing patients. The book concludes that hospitals cannot be managed in isolation from society and the wider health system, and that policymakers have a responsibility to define the broader health care goals that hospitals should strive to meet. Hospitals in a Changing Europe synthesizes current evidence in a readable and accessible form for all practitioners, policy-makers, academics and graduate level students concerned with health reform.

Liquid Life - Zygmunt Bauman
2013-04-18

'Liquid life' is the kind of life commonly lived in our contemporary, liquid-modern society. Liquid life cannot stay on course, as liquid-modern society cannot keep its shape for long. Liquid life is a precarious life, lived under conditions of constant uncertainty. The most acute and stubborn worries that haunt this liquid life are the fears of being caught napping, of failing to catch up with fast moving events, of overlooking

the 'use by' dates and being saddled with worthless possessions, of missing the moment calling for a change of tack and being left behind. Liquid life is also shot through by a contradiction: it ought to be a (possibly unending) series of new beginnings, yet precisely for that reason it is full of worries about swift and painless endings, without which new beginnings would be unthinkable. Among the arts of liquid-modern living and the skills needed to practice them, getting rid of things takes precedence over their acquisition. This and other challenges of life in a liquid-modern society are traced and unravelled in the successive chapters of this new book by one of the most brilliant and original social thinkers of our time.

Roberto Pilu 2017-06-16

More Food: Road to Survival is a comprehensive analysis of agricultural improvements which can be achieved through scientific methods. This

reference book gives information about strategies for increasing plant productivity, comparisons of agricultural models, the role of epigenetic events on crop production, yield enhancing physiological events (photosynthesis, germination, seedling emergence, seed properties, etc.), tools enabling efficient exploration of genetic variability, domestication of new species, the detection or induction of drought resistance and apomixes and plant breeding enhancement (through molecularly assisted breeding, genetic engineering, genome editing and next generation sequencing). The book concludes with a case study for the improvement of small grain cereals. Readers will gain an understanding of the biotechnological tools and concepts central to sustainable agriculture More Food: Road to Survival is, therefore, an ideal reference for agriculture students and researchers as well as professionals involved sustainability studies.

The Holy Land - Alda Merini

2002

Merini, like Dante, represents the story of the Exodus of the Israelites from Egypt, in its literal and allegorical senses. The forty poems of The Holy Land recall Moses at Mount Sinai, the Israelites' forty years in the desert, and Jesus' fast in the wilderness. For Merini, it seems, the Holy Land is not the Promised Land of Canaan, but the forty years spent getting there, coming to terms with the terrifying atrocities of hell, the mystical ecstasies of paradise, and the "intense pain...of plunging back into the banality of daily living." Merini's wandering may be understood as the poet's search for the obscure laws which govern her visions, metamorphoses, and creations.

Schiscetta perfetta (De Agostini) - Alessandro

Vannicelli 2014-04-07

Schiscetta è un tipico termine milanese, nato negli anni '60-'70 quando tute blu e travet mangiavano sul posto di lavoro portandosi "qualcosa" da casa. Mettevano tutto in un contenitore di metallo, spesso "schiacciando" in strati - da qui

viene il nome - il risotto e la classica cotoletta oppure il pollo e la pasta. Oggi il pratico contenitore diviene Lunch-Box o Schi-Chic, e torna in auge tra studenti e lavoratori attenti al portafoglio e ai buoni sapori.

Sì, perché oggi portare il pranzo da casa è una tendenza seguita non solo da chi vuole risparmiare, ma soprattutto da chi preferisce consumare piatti sani ed equilibrati. In un libro originale e nuovo, dedicato al pranzo portato da casa, tante ricette facili e gustose.
