Security and Loss Prevention - Philip Purpura 2013-01-18

The sixth edition of Security and Loss Prevention continues the tradition of providing introductory and advanced coverage of the body of knowledge of the security profession. To bridge theory to practice is the book's backbone, and Philip Purpura continues this strong effort with new sidebars and text boxes presenting actual security challenges from real-life situations. Globally recognized and on the ASIS International Certified Protection Professional reading list, the sixth edition of Security and Loss Prevention enhances its position in the market as a comprehensive, interdisciplinary, and up-to-date treatment of the area, connecting the public and private sector and the worlds of physical security and technological security. Purpura once again demonstrates why students and professionals alike rely on this best-selling text as a timely, reliable resource encompassing the breadth and depth of considerations involved when implementing general loss prevention concepts and security programs within an organization. New focus on recent technologies like social networks, digital evidence warrants, and advances in CCTV, and how those apply to security and loss prevention. Incorporates changes in laws, presents various strategies of asset protection, and covers the ever-evolving technology of security and loss prevention. Utilizes end-of-chapter case problems that take the chapters' content and relate it to real security situations and issues, offering various perspectives on contemporary security challenges. Includes student study questions and an accompanying Instructor's manual with lecture slides, lesson plans, and an instructor test bank for each chapter. *Smith and Roberson's Business Law* - Richard A. Secured Transactions - Lynn M. LoPucki 2019-10-31

The premier authority on secured transactions, Secured Transactions: A Systems Approach is known for its cutting-edge coverage, dynamic pedagogy, and ease of use for instructors. The Systems Approach gives students the big picture. Straightforward explanations and cases prepare the students to solve real-life problems in the context of actual transactions. A modular structure allows for tremendous flexibility in course design. The materials are divided into bite-sized assignments, making it easier for instructors to make and adjust assignments for class. This problem-based casebook supports the teaching of Article 9 alone or expansion of the course to include Article 9 in the full context of bankruptcy, mortgages, judicial liens, and statutory liens. New to the 9th Edition: Updated throughout, while retaining the same structure. Highly adaptable modular text broken into assignments. Main sections can be taught in any order. New cases throughout (including the Second Circuit's landmark decision in *In re Motors Liquidation*). Problem-based approach with ethics integrated. Problems progress from easy to difficult. Professors and students will benefit from: Comprehensive Teacher's Manual with suggestions for teaching coverage, changes from the prior edition, lists of key concepts for each assignment, and the answers to every question asked in the book. The main sections can be taught in any order. Bite-sized assignments organized for 50-minute or 75-minute classes. Can support ABA-qualified experiential courses. Casebook authors who are happy to engage with adopters and include them as characters in the book. Coverage of non-Article 9 aspects of secured transactions that students will need as lawyers Default problem sets for ease of assignment; extra problems for variety from year to year. Engaging problems with interesting characters and real-world issues, providing all of the information necessary to solve the problems. A real-life approach that prepares students for the practice of law. Clear explanations of every subject - no hiding of the ball. Basic financial literacy information included throughout the book. Focus on how lien systems actually work in practice.

Law Books, 1876-1981 - R.R. Bowker Company 1981

Dynamic Business Law: The Essentials - Lucien Dhooge 2012-01-05

Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. *Dynamic Business Law: The Essentials* emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. *Dynamic Business Law: The Essentials* contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in *Dynamic Business Law: The Essentials* as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

Study Guide for Miller/Jentz's Business Law Today, Standard Edition - Miller/Jentz 2004-12

International Business Law and Its Environment - Richard Schaffer 2011-03-21

INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

Business Law - James Marson 2020-04-23

Do your students struggle to engage with legal topics? Look no further than Marson & Ferris' Business Law to help them actively engage with the law, understand it, and approach it with confidence. Written with business, management, and finance and accounting students in mind, the authors put the law into a context that they can easily understand by introducing case studies in every chapter. 'Business Scenarios' help the students contextualize the law by presenting the reader with an example of an everyday problem which demonstrates how the law can affect a company, employer, employee, or other individual. Throughout each chapter the students are asked to pause and consider how the content applies to these routine business problems, enabling them to become active readers and think independently about how the law operates. The first chapter provides a helpful guide to studying the law and advice on how to excel in assessments so that students can fulfil their potential. This chapter includes a sample problem question and model answer. Further sample problem and essay questions can be found at the end of chapters, giving readers an opportunity to test their understanding and practise for assessments. Students will be able to find indicative answers to these questions hosted with the online resources for this book. At the end of each chapter the authors provide further reading suggestions to guide students that want to deepen their knowledge, including well-maintained and trusted websites, Twitter feeds, and YouTube channels in addition to suitable books and articles. Online resources This book is accompanied by a suite of online resources to support students' learning, including flashcard cases, self-test questions and answers with feedback, and additional material on legislation.

What are you waiting for? ****Testimonial****I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S. ****I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.****
