Hatchet - Gary Paulsen 2009-08-25
Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary

Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his

father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

[Bud, Not Buddy](#) - Christopher Paul Curtis
2015-01-31

The Newbery Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul Curtis, author of *The Watsons Go To Birmingham*—1963, a Newbery and Coretta Scott King Honoree. It's 1936, in Flint

Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. AN ALA BEST BOOK FOR YOUNG ADULTS AN ALA NOTABLE CHILDREN'S BOOK AN IRA CHILDREN'S BOOK AWARD WINNER NAMED TO 14 STATE AWARD LISTS "The book is a gem, of value to all ages, not just the young people to whom it is aimed." —The Christian Science Monitor "Will keep readers engrossed from first

Diversity, Equity and Inclusion in Honors Education - Graeme Harper 2019-01-15

In education, sorting students according to attainment is common. Such sorting clearly sets up the potential for exclusion, based on the attainment ideals and on the modes of selection. Ideals of inclusion suggest diversity, and those of equity, by reference to impartiality, suggest freedom from bias. Honors education, which celebrates excellence, and references "honor" and all that word and concept infers, heightens and promotes the principled recognition of attainment, giving rise to questions of diversity, equity and inclusion. The Organization for Economic Co-Operation and Development

(OECD), in its Ten Steps to Equity in Education, notes that inclusion is intertwined with fairness. How can honors education—and in the case of the discussions in this book, largely honors in US higher education—promote fairness, be diverse, and support equity? If it does not do so, how can it at all claim to be offering a principled version of what the National Collegiate Honors Council (USA) says are “opportunities for measurably broader, deeper, and more complex learning-centered and learner-directed experiences for its students”? In 2015, the National Society for Minorities in Honors (www.nsfmih.org) was launched in the USA to specifically explore, support and promote diversity, equity and inclusion in and across honors colleges and programs. The first annual NSFMIH conference was held at Oakland University, Michigan. This book began at that inaugural conference, and has been enhanced by enthusiastic contributions beyond that event as well.

Zhou Xuelin 2007-09-01

In the 1980s, a new type of central character emerged in contemporary Chinese films - angry and alienated youth. Filmmakers treated youth as a separate category and showed them in urban situations behaving in unconventional and socially rebellious ways. *Young Rebels in Contemporary Chinese Cinema* looks for evidence in films that exemplify this trend.

The Tools - Phil Stutz 2012-05-29

A groundbreaking book about personal growth that presents a uniquely effective set of four tools that bring about dynamic change in the present and impart a greater understanding of the depth and complexity of the human condition over the longterm. The Tools addresses the most common complaint patients have about

psychotherapy: the interminable wait for change to begin. Barry Michels, an LA-based therapist, was frustrated by his inability to bring his patients faster relief from the issues that plagued them. He found a mentor in Phil Stutz, a psychiatrist who years before devised a methodology that arose from a similar disenchantment. The traditional therapeutic model sets its sights on the past, but Stutz and Michels employ an arsenal of tools--exercises that access the power of the unconscious and effectively meet the most persistent problems people face--and the results are electrifying. Stutz and Michels are much sought-after--a recent profile in The New Yorker touted them as an "open secret" in Hollywood--and treat a high-powered and creative clientele. Their first work, The Tools transcends the typical self-help genre because of its paradigm-changing material, the credibility of its authors, and the instant appeal and empowerment of its message.

The Most Dangerous Game - Richard Connell

2020-04-21

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion

The Secret Lives of Somerset Maugham -
Selina Hastings 2012-07-01

He was a brilliant teller of tales, one of the most widely read authors of the twentieth century, and at one time the most famous writer in the world, yet W. Somerset Maugham's own true story has never been fully told. At last, the truth is revealed in a landmark biography by the award-winning writer Selina Hastings. Granted unprecedented access to Maugham's personal correspondence and to newly uncovered interviews with his only child, Hastings portrays the secret loves, betrayals, integrity, and passion that inspired Maugham to create such classics as *The Razor's Edge* and *Of Human Bondage*. Portrayed in full for the first time is Maugham's disastrous marriage to Syrie Wellcome, a manipulative society woman who trapped Maugham with a pregnancy and an attempted suicide. Hastings also explores Maugham's many

affairs with men, including his great love, Gerald Haxton, an alcoholic charmer. Maugham's work in secret intelligence during two world wars is described in fascinating detail—experiences that provided the inspiration for the groundbreaking Ashenden stories. From the West End to Broadway, from China to the South Pacific, Maugham's remarkably productive life is thrillingly recounted as Hastings uncovers the real stories behind such classics as *Rain*, *The Painted Veil*, *Cakes & Ale*, and other well-known tales.

[Tracking Pythons](#) - Kate Messner 2020-03-03
Burmese pythons are native to Southeast Asia, so when one showed up dead along the side of a Florida highway in 1979, scientists wondered where it came from. No one knew the snakes had launched a full-scale invasion. Pet pythons that escaped or were released by their owners started breeding in the wild, and these enormous predators began eating every animal in their path. Today a group of scientists at the Conservancy of Southwest Florida is tracking Burmese pythons to find ways to stop their spread. Page Plus links lead to video clips and

photos of the scientists working in the field.

The Negro Motorist Green Book - Victor H. Green
The idea of "The Green Book" is to give the

Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Marvin Redpost: Class President - Louis Sachar 2010-08-02

Today is Thursday. Today is 'hole' day. So, naturally, everyone is wearing their 'holiest' clothes. Even the class teacher, Mrs North . . .

But she is soon to find out from Principal McCabe that a surprise visitor is coming to the school. In fact, the President of the United States is on his way. And there's no time to change! What questions will Marvin get to ask the President? And, with all the television cameras pointed, will he solve his biggest maths problem to date? This book is full of surprises but, yet again, Louis Sachar delivers a thoughtful and vibrantly funny story in this, the fifth of the series.

Does It Matter? - Alan W. Watts 2010-09-07
This classic series of essays represents Alan Watts's thinking on the astonishing problems caused by our dysfunctional relationship with the material environment. Here, with characteristic wit, a philosopher best known for his writings and teachings about mysticism and Eastern philosophy gets down to the nitty-gritty problems of economics, technology, clothing, cooking, and housing. Watts argues that we confuse symbol with reality, our ways of describing and measuring the world with the world itself, and thus put ourselves into the absurd situation of preferring money to wealth and eating the menu instead of the dinner. With our attention locked on numbers and concepts, we are increasingly unconscious of nature and of our total dependence on air, water, plants, animals, insects, and bacteria. We have

hallucinated the notion that the so-called external world is a cluster of objects separate from ourselves, that we encounter it, that we come into it instead of out of it. Originally published in 1972, *Does It Matter?* foretells the environmental problems that arise from this mistaken mind-set. Not all of Watts's predictions have come to pass, but his unique insights will change the way you look at the world.

The Astronaut Wives Club - Lily Koppel
2013-06-11

!-[if gte mso 9] ![endif]-- Read the bestselling book that inspired the ABC television series. As America's Mercury Seven astronauts were launched on death-defying missions, television cameras focused on the brave smiles of their young wives. Overnight, these women were transformed from military spouses into American royalty. They had tea with Jackie Kennedy, appeared on the cover of *Life* magazine, and quickly grew into fashion icons. Annie Glenn, with her picture-perfect marriage, was the envy

of the other wives; JFK made it clear that platinum-blond Rene Carpenter was his favorite; and licensed pilot Trudy Cooper arrived with a secret that needed to stay hidden from NASA. Together with the other wives they formed the Astronaut Wives Club, providing one another with support and friendship, coffee and cocktails. As their celebrity rose-and as divorce and tragedy began to touch their lives-the wives continued to rally together, forming bonds that would withstand the test of time, and they have stayed friends for over half a century. THE ASTRONAUT WIVES CLUB tells the story of the women who stood beside some of the biggest heroes in American history.

Sideways Stories From Wayside School - Louis Sachar 2021-08-05

There has been a terrible mistake. Instead of having thirty classrooms side by side, Wayside School is thirty storeys high! (The builder said he was sorry.) Perhaps that's why all sorts of strange and unusual things keep happening - especially in Mrs Jewls's classroom on the very top floor. There's the terrifying Mrs Gorf, who gets an unusually fruity comeuppance; Terrible Todd, who always gets sent home early; and Mauricia, who has a strange ice-cream addiction. Meanwhile, John can only read upside down, and Leslie is determined to sell her own toes. From top to bottom, Wayside is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff throughout. This is an unmissable, irrepressible story of mixed-up

mayhem from Louis Sachar, the bestselling

author of Holes.
