*The Mindfulness Revolution* - Barry Boyce 2011-03-08

A growing body of scientific research indicates that mindfulness can reduce stress and improve mental and physical health. Countless people who have tried it say it's improved their quality of life. Simply put, mindfulness is the practice of paying steady and full attention, without judgment or criticism, to our moment-to-moment experience. Here is a collection of the best writing on what mindfulness is, why we should practice it, and how to apply it in daily life, from leading figures in the field. Selections include: · Leading thinker Jon Kabat-Zinn on the essence of mindfulness, stress reduction, and positive change · Zen teacher Thich Nhat Hanh on the transformative power of mindful breathing · Professor of psychiatry Daniel Siegel, MD, on how mindfulness benefits the brain · Physician and meditation teacher Jan Chozen Bays, MD, on how and why to practice mindful eating · Pioneering psychologist Ellen Langer on how mindfulness can change the understanding and treatment of disease · Leadership coach Michael Carroll on practicing mindfulness at work · Psychologist Daniel Goleman on a mindful approach to shopping and consuming · Pianist Madeline Bruser on how mindfulness can help us overcome performance anxiety · and much more The Mindfulness Revolution also includes an in-depth discussion by writer-editor Barry Boyce about how mindfulness is being applied in a variety of professional fields—from health care to education, from performing arts to business—to improve effectiveness and enhance well-being. **Seven Thousand Ways to Listen** - Mark Nepo 2013-10-10

In *Seven Thousand Ways to Listen*, Nepo offers ancient and contemporary practices to help us stay close to what is sacred. In this beautifully written spiritual memoir, Nepo explores the transformational journey with his characteristic insight and grace. He unfolds the many gifts and challenges of deep listening as we are asked to reflect on the life we are given. A moving exploration of self and our relationship to others and the world around us, *Seven Thousand Ways to Listen* unpacks the many ways we are called to redefine ourselves and to name what is meaningful, as we move through the changes that come from experience and ageing and the challenge of surviving loss. Filled with questions to reflect on and discuss with others, and meditations on how to return to what matters throughout the day, this enlightening book teaches us how to act wholeheartedly so we can inhabit the gifts we are born with and find the language of our own wisdom. *Seven Thousand Ways to Listen* weaves a tapestry of deep reflection, memoir and meditation to create a remarkable guide on how to listen to life and live more fully.

*A Mindful Nation* - Congressman Tim Ryan 2012-03-27

In one of the most optimistic books to come out of Washington during these trying times, Congressman Tim Ryan presents us with an inspiring and hopeful view of our country's future—and a roadmap for how to get there. Across America, people are feeling squeezed, exhausted, and running faster and faster while falling farther behind. The economy continues to struggle, wars rage on, and every week brings news of another environmental disaster. Everything seems broken and people feel helpless to make a difference. Despite this bleak outlook, there are strands of quiet hope and confidence. People are beginning to take action in a new way: they are slowing down, paying attention, and gaining an awareness of the inner resources at their disposal. This new way is based on the timeless and universal practice of mindfulness, the natural capabilities of our brains and minds, and the core American values of self-reliance, stick-to-it-iveness, and getting the job done. And it's manifesting in every sector of our society—it's helping sick people work with their pain, school children improve their learning, veterans heal from trauma, and CEOs become more inclusive and effective leaders. All these benefits—and more—are supported by scientific research on mindfulness that is regularly reported by the mainstream media, such as ABC World News with Diane Sawyer. In *A Mindful Nation*, Congressman Tim Ryan—an all-American guy from the heartland who is also a thoughtful, committed leader—takes this story about the benefits of mindfulness to the next level. He connects the dots between what's happening with mindfulness in the classrooms, hospitals, boardrooms, research labs, and army bases across the country by sharing his interactions with experts in education, defense, health care, criminal justice, and the environment. *A Mindful Nation* paints a picture of emerging solutions that both benefit the reader and address the societal difficulties we are facing. Ryan's folksy,

warm, and encouraging voice uplifts us and shows that there is something we can do right here and right now to help ourselves and our country. Both inspiring and pragmatic, *A Mindful Nation* shows how the benefits of mindfulness apply to the current challenges that affect each of us in our own lives and in our communities, and thus have implications for our society as a whole. With a hard-nosed understanding of politics, government budgets, and what it takes to get something done, Ryan connects a practical approach—lead with the science, show the savings and show how this can help us educate our children to be competitive in the world arena—with a hopeful vision for how mindfulness can reinvigorate our core American values and transform and revitalize our communities.

**Full Catastrophe Living (Revised Edition)** - Jon Kabat-Zinn 2013-09-24

The landmark work on mindfulness, meditation, and healing, now revised and updated after twenty-five years *Stress*. It can sap our energy, undermine our health if we let it, even shorten our lives. It makes us more vulnerable to anxiety and depression, disconnection and disease. Based on Jon Kabat-Zinn's renowned mindfulness-based stress reduction program, this classic, groundbreaking work—which gave rise to a whole new field in medicine and psychology—shows you how to use medically proven mind-body approaches derived from meditation and yoga to counteract stress, establish greater balance of body and mind, and stimulate well-being and healing. By engaging in these mindfulness practices and integrating them into your life from moment to moment and from day to day, you can learn to manage chronic pain, promote optimal healing, reduce anxiety and feelings of panic, and improve the overall quality of your life, relationships, and social networks. This second edition features results from recent studies on the science of mindfulness, a new Introduction, up-to-date statistics, and an extensive updated reading list. *Full Catastrophe Living* is a book for the young and the old, the well and the ill, and anyone trying to live a healthier and saner life in our fast-paced world. Praise for *Full Catastrophe Living* “To say that this wise, deep book is helpful to those who face the challenges of human crisis would be a vast understatement. It is essential, unique, and, above all, fundamentally healing.”—Donald M. Berwick, M.D., president emeritus and senior fellow, Institute for Healthcare Improvement “One of the great classics of mind/body medicine.”—Rachel Naomi Remen, M.D., author of *Kitchen Table Wisdom* “A book for everyone . . . Jon Kabat-Zinn has done more than any other person on the planet to spread the power of mindfulness to the lives of ordinary people and major societal institutions.”—Richard J. Davidson, founder and chair, Center for Investigating Healthy Minds, University of Wisconsin-Madison “This is the ultimate owner's manual for our lives. What a gift!”—Amy Gross, former editor in chief, *O: The Oprah Magazine* “I first read *Full Catastrophe Living* in my early twenties and it changed my life.”—Chade-Meng Tan, Jolly Good Fellow of Google and author of *Search Inside Yourself* “Jon Kabat-Zinn's classic work on the practice of mindfulness to alleviate stress and human suffering stands the test of time, a most useful resource and practical guide. I recommend this new edition enthusiastically to doctors, patients, and anyone interested in learning to use the power of focused awareness to meet life's challenges, whether great or small.”—Andrew Weil, M.D., author of *Spontaneous Happiness* and *8 Weeks to Optimum Health* “How wonderful to have a new and updated version of this classic book that invited so many of us down a path that transformed our minds and awakened us to the beauty of each moment, day-by-day, through our lives. This second edition, building on the first, is sure to become a treasured sourcebook and traveling companion for new generations who seek the wisdom to live full and fulfilling lives.”—Diana Chapman Walsh, Ph.D., president emerita of Wellesley College

**Falling Awake** - Jon Kabat-Zinn 2018-08-07

Think you have no time for mindfulness? Think again. "Thoughtful and provocative.... The relevance of this work is unquestionable, as it leaves us inspired and optimistic that true healing really is possible" (Sharon Salzberg). For four decades, Jon Kabat-Zinn has been teaching the tangible benefits of meditation in the mainstream. Today millions of people have taken up a formal mindfulness meditation practice as part of their everyday lives. But how do you actually go about meditating? What does a formal meditation practice look like? And how can we overcome some of the common obstacles to incorporating meditation into daily life in an age of perpetual self-distraction? *Falling Awake* directly answers these urgent and timely questions. Originally published in 2005 as part of a larger book titled *Coming to Our Senses*, it has been updated with a new foreword by the author and is even more relevant today. Science shows that the tangible benefits of a mindfulness meditation practice are impossible to ignore. Kabat-Zinn explains how to incorporate them into our hectic, modern lives. Read on for a master class from one of the pioneers of the worldwide mindfulness movement.

**Mindfulness for All** - Jon Kabat-Zinn 2019-02-05

More than twenty years ago, Jon Kabat-Zinn changed the way we thought about awareness in everyday life with his now-classic introduction to mindfulness, *Wherever You Go, There You Are*. He followed that up with 2005's *Coming to Our Senses*, the definitive book for our time on the connection between mindfulness and our well-being on every level, physical, cognitive, emotional, social, planetary, and spiritual. Now, *Coming to Our Senses* is being repackaged into 4 smaller books, each focusing on a different aspect of mindfulness, and each with a new foreword written by the author. In the fourth of these books, *Mindfulness for All* (which was originally published as Part VII and Part VIII of *Coming to Our Senses*), Kabat-Zinn focuses on how mindfulness really can be a tool to transform the world—explaining how democracy thrives in a mindful context, and why mindfulness is a vital tool for both personal and global understanding and action in these tumultuous times. By "coming to our senses"—both literally and metaphorically—we can become more compassionate, more embodied, more aware human beings, and in the process, contribute to the healing of the body politic as well as our own lives in ways both little and big.

**Mindfulness** - Mark Williams 2011-05-05

THE LIFE-CHANGING BESTSELLER - OVER 1.5 MILLION COPIES SOLD 'A deeply compassionate guide to self-care - simple and profound' Sir Kenneth Branagh 'If you want to free yourself from anxiety and stress, and feel truly at ease with yourself, then read this book' Ruby Wax Authoritative, beautifully written and

much-loved by its readers, *Mindfulness: A practical guide to finding peace in a frantic world* has become a word-of-mouth bestseller and global phenomenon. It reveals a set of simple yet powerful practices that you can incorporate into daily life to break the cycle of anxiety, stress, unhappiness and exhaustion. It promotes the kind of happiness that gets into your bones and allows you to meet the worst that life throws at you with new courage. Mindfulness is based on mindfulness-based cognitive therapy (MBCT). Co-developed by Professor Mark Williams of Oxford University, MBCT is recommended by the UK's National Institute for Health and Care Excellence and is as effective as drugs for preventing depression. But, equally, it works for the rest of us who aren't depressed but who are struggling to keep up with the relentless demands of the modern world. By investing just a few minutes each day, this classic guide to mindfulness will put you back in control of your life once again.

**Mindful Eating** - Jan Chozen Bays 2017-11-21

Turn food from foe to friend with this bestselling guide to developing healthy eating habits through mindfulness—from a Zen teacher Food. It should be one of life's great pleasures, yet many of us have such a conflicted relationship with it that we miss out on that most basic of satisfactions. But it is possible—and not really all that difficult—to reclaim the joy of eating, according to Dr. Jan Bays. Mindfulness is the key. Her approach involves bringing one's full attention to the process of eating—to all the tastes, smells, thoughts, and feelings that arise during a meal. She shows you how to: · Tune into your body's own wisdom about what, when, and how much to eat · Eat less while feeling fully satisfied · Identify your habits and patterns with food · Develop a more compassionate attitude toward your struggles with eating · Discover what you're really hungry for Whether you are overweight, suffer from an eating disorder, or just want to get more out of life, this book offers a simple tool that can transform your relationship with food into one of ease and delight. This new edition, updated throughout, contains a new chapter on how to provide children with a foundation in mindful eating that will serve them well all the rest of their lives. It also includes a link to a 75-minute on-line audio program of mindful eating exercises led by the author.

**Everyday Blessings** - Myla Kabat-Zinn 2009-07-01

The bestselling author of the million-copy bestseller *Wherever You Go, There You Are* and *Full Catastrophe Living* joins forces with his wife, Myla, in this revised edition of their groundbreaking book about mindfulness in parenting children of all ages. Updated with new material -- including an all new introduction and expanded practices in the epilogue -- *Everyday Blessings* remains one of the few books on parenting that embraces the emotional, intuitive, and deeply personal experience of being a parent, applying the groundbreaking "mind/body connection" expertise from global mindfulness leader, Jon Kabat-Zinn and his wife, Myla Kabat-Zinn. Mindfulness is a way of living and there is increasing scientific evidence of its value for optimal health and well-being. A new field in psychology is devoted to mindful parenting, and mindfulness is being increasingly integrated into K-12 education. There has never been a better time for cultivating greater mindfulness in parenting and in family life.

**The Science of Mindfulness: A Research-Based Path to Well-Being** - 2014-07-14

*Mindfulness-Based Cognitive Therapy for Posttraumatic Stress Disorder* - Richard W. Sears 2016-03-02

MBCT for PTSD provides solid principles, practical tools, and numerous case examples for integrating mindfulness into PTSD treatment. Based on the authors' experience in the first randomized controlled clinical trial, this pioneering book expands the range of potential treatment options. MBCT has been growing in popularity, and has solid research support, but this is the first text to apply it to trauma survivors. This pioneering text is based on the authors' experience in using MBCT for PTSD in the first randomized controlled clinical trial. Containing numerous case examples, it expands the range of potential treatment options and lends new hope for trauma survivors to lead more fulfilling lives. The authors combined have a unique set of expert skills; Dr. Chard is a well-known expert on PTSD, and Dr. Sears is an expert on mindfulness and MBCT.

**Mindfulness Meditation for Everyday Life** - Jon Kabat-Zinn 1994

Mindfulness is considered the heart of Buddhist meditation. But its essence is universal and of deep practical benefit to everyone. In *Mindfulness Meditation for Everyday Life*, Jon Kabat-Zinn maps out a simple path for cultivating mindfulness in our lives, and awakening us to the unique beauty and possibilities

of each present moment. He shows us how this simple meditation technique can enable us to be truly in touch with where we already are, so that we can be fully aware at all times.

**Secrets to an Encounter with God** - Joshua Giles 2019-12-16

"Joshua Giles shares his amazing story that begins with a passion to become a Major League baseball player to his remarkable pursuit after God. By combining certain aspects of worship, meditation, fasting and prayer, Josh reveals levels of dimensions in the spirit realm that can be a part of every believer's walk with God."--Page [4] of cover.

**A Heart as Wide as the World** - Sharon Salzberg 1999-03-30

The Buddhist teachings have the power to transform our lives for the better, says Sharon Salzberg, and all we need to bring about this transformation can be found in the ordinary events of our everyday experiences. Salzberg distills more than twenty-five years of teaching and practicing meditation into a series of short essays, rich with anecdotes and personal revelations, that offer genuine aid and comfort for anyone on the spiritual path. Many chance moments, both small and profound, serve as the basis for Salzberg's teachings: hearing a market stall hawker calling "I have what you need!"; noting hotel guests' reactions to a midnight fire alarm; watching her teacher, Dipa Ma, bless a belligerent dog; seeing the Dalai Lama laughing uproariously at his own mistake. Each passing moment, Salzberg shows, can help us down the path toward "a seamlessness of connection and an unbounded heart."

**A Mindfulness-Based Stress Reduction Workbook** - Bob Stahl 2019-09-01

The ultimate practical guide to MBSR—with more than 115,000 copies sold—is now available in a fully revised and updated second edition. Stress and pain are nearly unavoidable in our daily lives; they are part of the human condition. This stress can often leave us feeling irritable, tense, overwhelmed, and burned-out. Actually, it's easier than it seems. In just weeks, you can learn mindfulness-based stress reduction (MBSR), a clinically proven program developed by Jon Kabat-Zinn, author of *Full Catastrophe Living*. MBSR is effective in alleviating stress, anxiety, panic, depression, chronic pain, and a wide range of medical conditions. Taught in classes and clinics worldwide, this powerful approach shows you how to focus on the present moment and permanently change the way you handle stress. As you work through *A Mindfulness-Based Stress Reduction Workbook*, you'll learn how to replace stress-promoting habits with mindful ones—a skill that will last a lifetime. This groundbreaking, proven-effective program will help you relieve the symptoms of stress and identify its causes. This fully revised and updated second edition includes new audio downloads, new meditations, and extensive chapter revisions to help you manage stress and start living a healthier, happier life.

**Healing and the Mind** - Bill Moyers 2012-05-09

At last, the paperback edition of the monumental best-seller (almost half a million copies in print!) that has changed the way Americans think about sickness and health -- the companion volume to the landmark PBS series of the same name. In a remarkably short period of time, Bill Moyers's *Healing And The Mind* has become a touchstone, shaping the debate over alternative medical treatments and the role of the mind in illness and recovery in a way that few books have in recent memory. With almost half a million copies in print, it is already a classic -- the most widely read and influential book of its kind. In a series of fascinating interviews with world-renowned experts and laypeople alike, Bill Moyers explores the new mind/body medicine. *Healing And The Mind* shows how it is being practiced in the treatment of stress, chronic disease, and neonatal problems in several American hospitals; examines the chemical basis of emotions, and their potential for making us sick (and making us well); explores the fusion of traditional Chinese medicine with modern Western practices in contemporary China; and takes an up-close, personal look at alternative healing therapies, including a Massachusetts center that combines Eastern meditation and Western group therapy, and a California retreat for cancer patients who help each other even when a cure is impossible. Combining the incisive yet personal interview approach that made *A World Of Ideas* a feast for the mind and the provocative interplay of text and art that made *The Power Of Myth* a feast for the imagination, *Healing And The Mind* is a landmark work.

*The Mindful Way through Depression* - J. Mark G. Williams 2012-02-08

If you've ever struggled with depression, take heart. Mindfulness, a simple yet powerful way of paying

attention to your most difficult emotions and life experiences, can help you break the cycle of chronic unhappiness once and for all. In *The Mindful Way through Depression*, four uniquely qualified experts explain why our usual attempts to “think” our way out of a bad mood or just “snap out of it” lead us deeper into the downward spiral. Through insightful lessons drawn from both Eastern meditative traditions and cognitive therapy, they demonstrate how to sidestep the mental habits that lead to despair, including rumination and self-blame, so you can face life’s challenges with greater resilience. This enhanced e-book includes an audio program of guided meditations narrated by Jon Kabat-Zinn. See also the authors' *Mindful Way Workbook*, which provides step-by-step guidance for building your mindfulness practice in 8 weeks. Plus, mental health professionals, see also the authors' bestselling therapy guide: *Mindfulness-Based Cognitive Therapy for Depression, Second Edition*. 2005 - 00000 00 00000000-00000000

**Purpose in Prayer** - Edward McKendree Bounds 1920

**Wherever You Go, There You Are** - Jon Kabat-Zinn 2009-07-01

No matter how busy you are, find quiet reflective moments in your life—and reduce your stress levels drastically—with this classic bestselling guide from a mindfulness expert. When *Wherever You Go, There You Are* was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book's 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience.

**Mindfulness** - Mark Williams 2012-11-13

The life-changing international bestseller reveals a set of simple yet powerful mindfulness practices that you can incorporate into daily life to help break the cycle of anxiety, stress, unhappiness, and exhaustion. Mindfulness promotes the kind of happiness and peace that gets into your bones. It seeps into everything you do and helps you meet the worst that life throws at you with new courage. Based on Mindfulness-Based Cognitive Therapy (MBCT), the book revolves around a straightforward form of mindfulness meditation which takes just a few minutes a day for the full benefits to be revealed. MBCT has been clinically proven to be at least as effective as drugs for depression and is widely recommended by US physicians and the UK's National Institute for Health and Clinical Excellence—in other words, it works. More importantly it also works for people who are not depressed but who are struggling to keep up with the constant demands of the modern world. MBCT was developed by the book's author, Oxford professor Mark Williams, and his colleagues at the Universities of Cambridge and Toronto. By investing just 10 to 20 minutes each day, you can learn the simple mindfulness meditations at the heart of MBCT and fully reap their benefits. The book includes links to audio meditations to help guide you through the process. You'll be surprised by how quickly these techniques will have you enjoying life again.

**Breath by Breath** - Larry Rosenberg 2004-11-09

Freedom from suffering is not only possible, but the means for achieving it are immediately within our grasp—literally as close to us as our own breath. This is the 2,500-year-old good news contained in the Anapanasati Sutra, the Buddha's teaching on cultivating both tranquility and deep insight through full awareness of breathing. In this book, Larry Rosenberg brings this timeless meditation method to life. Using the insights gained from his many years of practice and teaching, he makes insight meditation practice accessible to modern practitioners.

**Strangers to Ourselves** - Timothy D. Wilson 2004-05-15

"Know thyself," a precept as old as Socrates, is still good advice. But is introspection the best path to self-knowledge? Wilson makes the case for better ways of discovering our unconscious selves. If you want to know who you are or what you feel or what you're like, Wilson advises, pay attention to what you actually do and what other people think about you. Showing us an unconscious more powerful than Freud's, and even more pervasive in our daily life, *Strangers to Ourselves* marks a revolution in how we know ourselves.

**Mindfulness Meditation for Pain Relief** - Jon Kabat-Zinn 2023-04-04

Discover how mindfulness can transform your relationship to pain and suffering with a beautifully illustrated book from Jon Kabat-Zinn We know that practicing mindfulness in everyday life can help us reduce stress and cultivate deep, embodied well-being—but what about its effects on physical and emotional pain, especially when it seems overwhelming or unrelenting? Jon Kabat-Zinn developed Mindfulness-Based Stress Reduction (MBSR) to help medical patients with ongoing pain conditions who were not responding to conventional therapies. Since then, the practices of MBSR have become world-renowned for their effectiveness in pain management. With *Mindfulness Meditation for Pain Relief*, Kabat-Zinn provides a range of evidence-based mindfulness meditation practices that anyone can apply gently and effectively to even the most intense forms of pain and suffering. *Mindfulness Meditation for Pain Relief* is a soothing and beautifully illustrated book with accompanying guided meditations and teachings offered digitally. It opens with an overview of seven fundamental attitudes we can develop to cultivate mindfulness in relationship to chronic pain and its incessant challenges, and follows with concepts and practices including: mindful breathing, working with intense sensations, befriending thoughts and emotions, finding refuge in awareness, and bringing mindfulness into every life. For anyone tired of suffering from the challenges that chronic pain presents to living a full and appreciative life, this is a welcome guide.

**Arriving at Your Own Door** - Jon Kabat-Zinn 2013-02-05

Mindfulness opens us up to the possibility of being fully human as we are, and of expressing the humane in our way of being. Mindlessness de facto closes us up and denies us the fullness of our being alive. This book may on the surface appear to be merely another offering in the genre of daily readings. But deep within these 108 selections lie messages of profound wisdom in a contemporary and practical form that can lead to both healing and transformation. We so urgently need to rotate in consciousness in order to safeguard what precious sanity is available to us on this planet. How we carry ourselves will determine the direction the world takes because, in a very real way, we are the world we inhabit. Our world is continuously being shaped by our participation in everything around us and within us through mindfulness. This is the great work of awareness. Welcome to the threshold . . . to the fullness of arriving at your own door!

Welcome to a master class in mindfulness. Jon Kabat-Zinn is regarded as "one of the finest teachers of mindfulness you'll ever encounter" (Jack Kornfield). He has been teaching the tangible benefits of meditation in the mainstream for decades. Today, millions of people around the world have taken up a formal mindfulness meditation practice as part of their everyday lives. But what is meditation anyway? And

why might it be worth trying? Or nurturing further if you already have practice? *Meditation Is Not What You Think* answers those questions. Originally published in 2005 as part of a larger book entitled *Coming to Our Senses*, it has been updated with a new foreword by the author and is even more relevant today. If you're curious as to why meditation is not for the "faint-hearted," how taking some time each day to drop into awareness can actually be a radical act of love, and why paying attention is so supremely important, consider this book an invitation to learn more -- from one of the pioneers of the worldwide mindfulness movement.

Already Free - Bruce Tift 2015-06-01

Why are more and more psychotherapists embracing meditation practice, while so many Buddhists are exploring psychology? "Both psychology and Buddhism seek to provide freedom from suffering," explains Bruce Tift, "yet each offers a completely different approach for reaching this goal." In *Already Free*, Tift opens a fresh and provocative dialogue between these two profound perspectives on the human condition. Tift reveals how psychotherapy's "Developmental" approach of understanding the way our childhood wounds shape our adult selves both contradicts and supports the "Fruitional" approach of Buddhism, which tells us that the freedom we seek is always available. In this investigation, he uncovers insights for connecting with authentic experience, releasing behaviors that no longer serve us, enhancing our relationships, and more. "When we use the Western and Eastern approaches together," writes Bruce Tift, "they can help us open to all of life—its richness, its disturbances, and its inherent completeness."

Wanting Enlightenment Is a Big Mistake - Seung Sahn 2006-08-08

A major figure in the transmission of Zen to the West, Zen Master Seung Sahn was known for his powerful teaching style, which was direct, surprising, and often humorous. He taught that Zen is not about achieving a goal, but about acting spontaneously from "don't-know mind." It is from this "before-thinking" nature, he taught, that true compassion and the desire to serve others naturally arises. This collection of teaching stories, talks, and spontaneous dialogues with students offers readers a fresh and immediate encounter with one of the great Zen masters of the twentieth century.

Hard Pivot - Apolo Ohno 2022-02-22

Apolo Ohno shares his most valuable lessons for overcoming challenges with resilience, creativity, and purpose. In speed skating, a hard pivot is an aggressive shift of direction that requires courage, practice, and split-second timing. For Apolo Ohno, the most frightening hard pivot of his life didn't happen on the ice—but rather, when he had to hang up his skates for good. "After my final Olympics, I felt confused, vulnerable, and adrift without purpose," he says. "Yet that's when I realized my experiences had given me something much more valuable than medals and memories. I had tools I could use to shift my life in a new

direction—and most importantly, these were tools anyone could benefit from." With *Hard Pivot*, Apolo combines practical guidance, personal stories, and deep insights from the psychology of success into a resource to help you through challenging times. Here he shares his most valuable lessons and tools, condensed into the Five Golden Principles: • Gratitude: A daily practice to help you maintain perspective, cultivate empathy, and alleviate stress • Giving: How to elevate your life's purpose by offering your time, attention, and resources to others • Grit: Exercises to build mental stamina, resilience, and toughness to persevere through hard times • Gearing Up: Ways to prepare yourself to meet the unknown with flexibility and grace • Go: Develop the courage to take risks, learn from success and failure, and come back stronger When life drastically changes—whether by choice or circumstance—the hardest part is often letting go of what was familiar and stable. Yet in *Hard Pivot*, Apolo provides the tools and inspiration to create a new life filled with greater purpose, wisdom, and joy. "You can trust yourself," he writes. "You can lean into the curve, pick up momentum, and speed down the track to success. In that pivotal moment, you might even find that you're having the most fun you've ever had. You're in flow. You're enjoying your precious life. And you're winning."

Stay Woke - Justin Michael Williams 2020-02-11

A no-nonsense guide to establishing a personal meditation practice, changing your life, and taking hold of your dreams. **CONFESSION:** This is not really a meditation book. Yes, you're going to learn everything you need to know about meditation, but if you came looking for a typical guide to mindfulness, you're in the wrong place. We are modern people in a high-tech world. We have first world problems and long to-do lists. And if you grew up in struggle—overcoming homophobia, sexism, trauma, shame, depression, poverty, toxic masculinity, racism, or social injustice—you need a different type of meditation ... one that doesn't pretend the struggle doesn't exist. Here you will discover: ● How to actually find stillness when your mind is going crazy ● Why most guided meditations get boring after a while ● What nobody tells you about "setting intentions" and the scientific process to manifesting ● Four hidden habits that sabotage your growth—and how to move past them ● Proven techniques to overcome anxiety, stress, and trouble sleeping ● Daily rituals that cement and enrich your practice ● How to use mindfulness to take action toward the causes you believe in and get sh!t done Whether you've tried meditation but it never sticks, or you've heard about it but never gave it a shot, Justin Michael Williams guides you step by step in creating a custom meditation ritual that fits in with your busy (and sometimes messy!) modern life. With free downloadable audio meditations every step of the way, *Stay Woke* gives people of all genders, identities, colors, religions, ages, and economic backgrounds the tools to stop wasting time, overcome self-doubt, and wake up to the lives we were really born to live.
