Her primary focus both as Nora and as *Indigo* has become a murderous criminal cult called the Children of Phonos. Children are being murdered in New York, and Nora is determined to make it stop, even if that means *Indigo* must eliminate every member. But in the aftermath of a bloody battle, a dying cultist makes claims that cause *Indigo* to question her own origin and memories. Nora's parents were killed when she was nineteen years old. She took the life insurance money and went off to explore the world, leading to her becoming a student of meditation and strange magic in a mountaintop monastery in Nepal...a history that many would realize sounds suspiciously like the origins of several comic book characters.
