My Heart Sings - Jan Auggi Jones 2017-11-29

This author appreciates writing poetry, novels, childrens stories; the performing arts; and music of many genres. She was raised on gospel and country music played on an old Victrola phonograph with a black-and-white dog staring into a gramophone on the inside of the cover. Today, this author has become enamored with and is fangirling over country a cappella music, which is relatively new. Curious about the behind the scenes activities of a successful bands life, living on the edge of temptations in todays media-frenzied world, she created a believable group running through life on unbelievable favor, spearheaded by love between a wealthy, incredibly intelligent and beautiful African-American ballerina and a super talented tenor from the deep South and their unique way of overcoming racial issues with love. Murder, sex, and

drugs fuel the life and romance of these two extraordinary, opposite, characters living and excelling way above the normal expectations of life, hinting into the cosmic pluralism like no one has ever experienced before. This author spent thirty-five years in the busy, topsy-turvy support area of corporate America, starting with the FBI and ending in the legal field, before being forced to retire on disability. This is her first adult romance novel. She writes and has published poetry on poetry.com with two poems published in anthologies; she was the author and publisher of Newsletters for Boy Scout Troop and Pack 731, The Indian Creek District, and for newsletters, service bulletins, and memorial programs for two churches. The author is a widow who lives in Waldorf, Maryland, with her son, daughter-law, grandson, and grandpup, Toli.

In The Company Of My Sistahs - Angie Daniels
2006-02-01

From acclaimed author Angie Daniels comes an exciting new novel that asks: Exactly how much trouble can four sexy, sassy, and stubborn women get into when they spend a week in Jamaica together? The answer: Plenty. . . For years, Lisa Miller has been living the good life-- and watching her sister, Renee, and their childhood friends search for happiness of their own, usually in the form of a man. Tired of standing by while

they waste their time looking for love in all the wrong places, Lisa has planned a vacation in Jamaica with them. She has some bad news to break, but she hopes her own heartache will make a difference in the lives of the women she loves. . . Renee Moore is a twice-divorced romance writer and mother of two who plans to use her time in Jamaica sipping Rum Punch, sun-bathing, and finding that perfect fling. After all, the friends have agreed: what happens in Jamaica stays in Jamaica. Attorney Nadine Hill may have it together professionally, but personally, she's a mess. Maybe because she's been fighting her true desires for too long--desires that may include an attraction to women. The daughter of a Baptist minister, Kayla Sparks dreams of marrying a man of the church. When a handsome Reverend walks into her life, she thinks he is a gift from God. . . But his wife would probably disagree. Through laughter, tears--and a few squabbles--one by one these ladies will start to look at

themselves, their lives, and their futures, in a whole new way.

Songs in the Key of My Life -
Ferentz Lafargue 2010-02-10
“Music is a world within itself,
with a language we all
understand.” —Stevie Wonder,
“Sir Duke” In 2003, young
professor Ferentz LaFargue
traveled to Paris, where his
fiancée, Tricia, declared she
wasn’t happy with their
relationship, ending what he
thought was a wonderful
engagement. After days of
“crying”—“that sorrow-laden
blend of crying and praying
delivered in perfect pitch by
those in mourning”—Ferentz
happened upon Stevie
Wonder’s 1976 classic double
album *Songs in the Key of Life*.
Listening to it anew was a
healing, spiritual trip down
memory lane, helping him to
come to terms with his breakup
and reflect on how songs in
general have been linked to his
life. In this book, Ferentz
invites us to get cozy and listen
as he hits PLAY on meaningful
tracks from Wonder and
others, including Lauryn Hill,
Wyclef Jean, LL Cool J, Beenie
Man, Sheryl Crow, Roberta

Flack, Donny Hathaway, and
Black Sabbath. He recalls: How
the fusion of rock and rap in
the breakthrough Run-
D.M.C./Aerosmith video “Walk
This Way” helped to change an
adolescent Ferentz from
outcast to authority figure How
Michael Jackson’s *Thriller*
brought back a traumatic
childhood experience How
Kanye West’s “Jesus Walks”
speaks to the tension between
his Christian beliefs and his
need to rip it up in clubs as a
hip-hop head In the tradition of
Nick Hornby’s *Songbook*,
these words paint a portrait of
a life framed by sounds,
allowing all of us to think about
what songs have been key in
our own lives.

What would you do if you were told you had cancer ravaging throughout your body and may only have three months to live? This is the inspirational and informative story of how Mercedes A. LaPine acquired that news over thirty years ago, rejecting chemotherapy and radiation and found a program that would ultimately turn her fate around. It wasn't a miracle or a new promising product but a very simple concept that became profoundly revolutionary and flatly rejected by the American Medical Association and the American Cancer Society, over 60 years ago. Although there have been advances in chemotherapy and surgery in recent years, First Circle Medical, Inc. reported five years ago, that over 1,800,000 patients die every year in Europe, North America and Japan with lung, prostate, breast cancer and melanoma. Mercedes A. LaPine did not become a statistic, she experienced first hand how to regenerate her ailing body and

restored it back to health by flooding it with nutrients from organic raw juices plus raw and cooked organic vegetarian foods. Mercedes used the body's own healing mechanisms for eliminating the cancer that had invaded her body. This advanced dietary program has cured many chronic and degenerative diseases to include cancer. When Audrey Peterson walks into church feeling the need to purge past sins, she sees Pastor Raymond Dickerson and is immediately put off by his striking good looks. She unfairly assumes that he must be one of those hypocritical preachers, the kind that praises the Lord on Sunday and raises hell the rest of the week. As Audrey opens her heart and listens to Pastor Dickerson's sermon, she decides that her preconceived views may be wrong. There's more to the pastor than a handsome face. She feels something that she can't explain when she briefly shakes his hand upon leaving the church, and that "something"

is returned by the pastor. He senses something different about Audrey from first glance. He sweats at the altar and has to brace himself before he can carry on with his sermon. He feels a connection, just like her, and finds himself turning to God for answers. At first, Raymond is unsure of what role he's to play in Audrey's life. Once he receives confirmation from God that she is to be his "help meet," he sets out to teach her about loving God and herself. He ends up being the "Joshua Man" who leads her out of the wilderness into a land of promise.
