[A Simple Favor](#) - Darcey Bell 2017-03-21

Soon to be a major motion picture from Lionsgate starring Anna Kendrick, Blake Lively and Henry Golding, and directed by Paul Feig "Riveting and brilliantly structured, A Simple Favor is an edge-of-your seat domestic thriller about a missing wife and mother that relies on a rotating

cast of unreliable narrators to ingeniously examine the cost of competitive mom-friends, the toll of ordinary marital discontent and the fallacy of the picture-perfect, suburban family."—Kimberly McCreight, New York Times bestselling author *She's your best friend*. She knows all your secrets. That's why she's so dangerous. A single mother's life is turned upside down when her best friend vanishes in this chilling debut thriller in the vein of *Gone Girl* and *The Girl on the Train*. It starts with a simple favor—an ordinary kindness mothers do for one another. When her best friend, Emily, asks Stephanie to pick up her son Nicky after school, she happily says yes. Nicky and her son, Miles, are classmates and best friends, and the five-year-olds love being together—just like she and Emily. A widow and stay-at-home mommy blogger living in woodsy suburban Connecticut, Stephanie was lonely until she met Emily, a sophisticated PR executive whose job in Manhattan demands so much

of her time. But Emily doesn't come back. She doesn't answer calls or return texts. Stephanie knows something is terribly wrong—Emily would never leave Nicky, no matter what the police say. Terrified, she reaches out to her blog readers for help. She also reaches out to Emily's husband, the handsome, reticent Sean, offering emotional support. It's the least she can do for her best friend. Then, she and Sean receive shocking news. Emily is dead. The nightmare of her disappearance is over. Or is it? Because soon, Stephanie will begin to see that nothing—not friendship, love, or even an ordinary favor—is as simple as it seems. *A Simple Favor* is a remarkable tale of psychological suspense—a clever and twisting free-fall of a ride filled with betrayals and reversals, twists and turns, secrets and revelations, love and loyalty, murder and revenge. Darcey Bell masterfully ratchets up the tension in a taut, unsettling, and completely absorbing story that holds you in its grip until

the final page.

Go Ask Alice - Anonymous
1971-09-14

A fifteen-year-old drug user chronicles her daily struggle to escape the pull of the drug world.

One Hundred Years of Solitude
- Gabriel Garcia Marquez
2003-06-24

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the

endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Unwanted Advances - Laura Kipnis 2017-04-04

A Wall Street Journal Best Book of 2017 From a highly regarded feminist cultural critic and professor comes a polemic arguing that the stifling sense of sexual danger sweeping American campuses doesn't empower women, it impedes the fight for gender equality. Feminism is broken, argues Laura Kipnis, if anyone

thinks the sexual hysteria overtaking American campuses is a sign of gender progress. A committed feminist, Kipnis was surprised to find herself the object of a protest march by student activists at her university for writing an essay about sexual paranoia on campus. Next she was brought up on Title IX complaints for creating a "hostile environment." Defying confidentiality strictures, she wrote a whistleblowing essay about the ensuing seventy-two-day investigation, which propelled her to the center of national debates over free speech, "safe spaces," and the vast federal overreach of Title IX. In the process she uncovered an astonishing netherworld of accused professors and students, campus witch hunts, rigged investigations, and Title IX officers run amuck. Drawing on interviews and internal documents, *Unwanted Advances* demonstrates the chilling effect of this new sexual McCarthyism on intellectual freedom. Without

minimizing the seriousness of campus assault, Kipnis argues for more honesty about the sexual realities and ambivalences hidden behind the notion of "rape culture." Instead, regulation is replacing education, and women's hard-won right to be treated as consenting adults is being repealed by well-meaning bureaucrats. Unwanted Advances is a risk-taking, often darkly funny interrogation of feminist paternalism, the covert sexual conservatism of hook-up culture, and the institutionalized backlash of holding men alone responsible for mutually drunken sex. It's not just compulsively readable, it will change the national conversation.

Trauma-Proofing Your Kids -

Peter A. Levine, Ph.D.

2014-09-16

Now in 15 languages.

Understand the different types of upsets and traumas your child may experience—and learn how to teach them how to be resilient, confident, and even joyful. The number of anxious, depressed,

hyperactive and withdrawn children is staggering—and still growing! Millions have experienced bullying, violence (real or in the media), abuse or sexual molestation. Many other kids have been traumatized from more "ordinary" ordeals such as terrifying medical procedures, accidents, loss and divorce. Trauma-Proofing Your Kids sends a lifeline to parents who wonder how they can help their worried and troubled children now. It offers simple but powerful tools to keep children safe from danger and to help them "bounce back" after feeling scared and overwhelmed. No longer will kids have to be passive prey to predators or the innocent victims of life's circumstances. In addition to arming parents with priceless protective strategies, best-selling authors Dr. Peter A. Levine and Maggie Kline offer an antidote to trauma and a recipe for creating resilient kids no matter what misfortune has besieged them. Trauma-Proofing Your Kids is a treasure trove of simple-to-

follow "stress-busting," boundary-setting, sensory/motor-awareness activities that counteract trauma's effect on a child's body, mind and spirit. Including a chapter on how to navigate the inevitable difficulties that arise during the various ages and stages of development, this groundbreaking book simplifies an often mystifying and complex subject, empowering parents to raise truly confident and joyful kids despite stressful and turbulent times.

The Purity Myth - Jessica Valenti 2010-02

The United States is obsessed with virginity - from the media to schools to government agencies. This panic is ensuring that young women's ability to be moral agents is absolutely dependent on their sexuality. Jessica Valenti, executive editor of Feministing.com and author of Full Frontal Feminism and Yes

Means Yes, addresses this poignant issue in her latest book, *The Purity Myth*. Valenti argues that the country's intense focus on chastity is extremely damaging to young women. Through in depth analysis of cultural stereotypes and media messages, Valenti reveals that powerful messages - ranging from abstinence curriculum to "Girls Gone Wild" commercials - place a young woman's worth entirely on her sexuality. Morals are therefore linked purely to sexual behavior, as opposed to values like honesty, kindness, and altruism. Valenti approaches the topic head-on, shedding light on chastity in a historical context, abstinence-only education, pornography, and public punishments for those who dare to have sex, among other critical issues. She also offers solutions that pave the way for a future without a damaging emphasis on virginity, including a call to rethink male sexuality and reframing the idea of "losing it." With Valenti's usual balance of intelligence and wit,

The Purity Myth presents a powerful and revolutionary argument that girls and women, even in this day and age, are overly valued for their sexuality, and that this needs to stop.

Father-Daughter Incest - Judith Lewis Herman 2012-11

Through an intensive clinical study of forty incest victims and numerous interviews with professionals in mental health, child protection, and law enforcement, Judith Herman develops a composite picture of the incestuous family. In a new afterword, Herman offers a lucid and thorough overview of the knowledge that has developed about incest and other forms of sexual abuse since this book was first published. Reviewing the extensive research literature that demonstrates the validity of incest survivors' sometimes repressed and recovered memories, she convincingly challenges the rhetoric and methods of the backlash movement against incest survivors, and the concerted attempt to deny the events they

find the courage to describe.

The Darkest Temptation -

Danielle Lori 2020-12-13

A fortune teller once told Mila she'd find a man who would take her breath away. She refrained from telling her it would be literally while Mila ran for her life. Having always done what is expected of her, Mila dresses the part, only dates college boys with exemplary backgrounds, and doesn't ask questions. Not about her papa's absences or his refusal to let her set foot in her birthplace-Russia. Suffocated by the rules and unanswered questions, Mila does what she's always wanted to. She boards a plane to Moscow. She never expected to fall for a man on the way. One with unexplained wealth, tattoos on his hands, and secrets in his eyes. But it doesn't take long for his caress to become a rough grasp muffling her screams. Revenge is a dish best served cold. Unfortunately, a Russian winter is the coldest of them all, and Mila soon learns the only way to escape intact is to

do the impossible and thaw her captor's heart.

Critical Theory Today - Lois Tyson 2012-09-10

Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that

theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

The Incest Diary -

Anonymous, 2017-07-18

An extraordinary, powerful and beautifully written memoir of a daughter's abuse by, and attachment to, her father. Throughout her childhood and adolescence, the anonymous author of *The Incest Diary* was raped by her father. Beneath a veneer of normal family life, she grew up in and around this all-encompassing secret. Her sexual relationship with her father lasted, off and on, into her twenties. It formed her world, and it formed her deepest fears and desires. Even after she broke away - even as

she grew into an independent and adventurous young woman - she continued to seek out new versions of the violence, submission and secrecy she had struggled to leave behind. In this graphic and harrowing memoir, the author revisits her early traumas and their aftermath - not from a clinical distance, but from deep within - to explore the ways in which her father's abuse shaped her, and still does. As a matter of psychic survival, she became both a sexual object and a detached observer, a dutiful daughter and the protector of a dirty secret. And then, years later, she made herself write it down. With lyric concision, in vignettes of almost unbearable intensity, this writer tells a story that is shocking but that will ring true to many other survivors of abuse. It has never been faced so directly on the page.

Miss Peregrine's Home for Peculiar Children - Ransom Riggs 2011-06-07

Read the #1 New York Times best-selling series before it continues in A Map of Days.

Bonus features • Q&A with author Ransom Riggs • Eight pages of color stills from the film • Sneak preview of Hollow City, the next novel in the series A mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in Miss Peregrine's Home for Peculiar Children, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of Miss Peregrine's Home for Peculiar Children. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they may still be alive. A spine-tingling fantasy

illustrated with haunting vintage photography, Miss Peregrine's Home for Peculiar Children will delight adults, teens, and anyone who relishes an adventure in the shadows. "A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story."—John Green, New York Times best-selling author of *The Fault in Our Stars* "With its X-Men: First Class-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder Miss Peregrine's Home for Peculiar Children has been snapped up by Twentieth Century Fox.

B+—*Entertainment Weekly* "Peculiar' doesn't even begin to cover it. Riggs' chilling, wondrous novel is already headed to the movies."—*People* "You'll love it if you want a good thriller for the summer. It's a mystery, and you'll race to solve it before Jacob figures it out for himself."—*Seventeen*

Life of Pi - Yann Martel
2022-01-27

"Life of Pi will make you believe in the power of theatre" (*Times*). After a cargo ship sinks in the middle of the vast Pacific Ocean, there are five survivors stranded on a lifeboat - a hyena, a zebra, an orangutan, a Royal Bengal tiger, and a sixteen year-old boy named Pi. Time is against them, nature is harsh, who will survive? Based on one of the most extraordinary and best-loved works of fiction - winner of the Man Booker Prize, selling over fifteen million copies worldwide - and featuring breath-taking puppetry and state-of-the-art visuals, *Life of Pi* is a universally acclaimed, smash hit adaptation of an epic journey of endurance and hope. Adapted by acclaimed playwright Lolita Chakrabarti, this edition was published to coincide with the West End premiere in November 2021.

Stepbrother Dearest - Penelope Ward 2014-09-28

Trauma Through a Child's Eyes - Peter A. Levine, Ph.D. 2010-05-18

An essential guide for recognizing, preventing, and healing childhood trauma, from infancy through adolescence—what parents, educators, and health professionals can do. Trauma can result not only from catastrophic events such as abuse, violence, or loss of loved ones, but from natural disasters and everyday incidents such as auto accidents, medical procedures, divorce, or even falling off a bicycle. At the core of this book is the understanding of how trauma is imprinted on the body, brain, and spirit, resulting in anxiety, nightmares, depression, physical illnesses, addictions, hyperactivity, and aggression.

Rich with case studies and hands-on activities, *Trauma Through a Child's Eyes* gives insight into children's innate ability to rebound with the appropriate support, and provides their caregivers with tools to overcome and prevent trauma.

Preventing Sexual Abuse - Carol A. Plummer 1997

Video Sourcebook - Thomson Gale 2007-10

From classroom aids to corporate training programs, technical resources to self-help guides, children's features to documentaries, theatrical releases to straight-to-video movies, *The Video Source Book* continues its comprehensive coverage of the wide universe of video offerings with more than 130,000 complete program listings, encompassing more than 160,000 videos. All listings are arranged alphabetically by title. Each entry provides a description of the program and information on obtaining the title. Six indexes -- alternate title, subject, credits, awards,

special formats and program distributors -- help speed research.

The Bluest Eye - Toni Morrison 2007-05-08

NATIONAL BESTSELLER • From the acclaimed Nobel Prize winner—a powerful examination of our obsession with beauty and conformity that asks questions about race, class, and gender with characteristic subtlety and grace. In Morrison’s acclaimed first novel, Pecola Breedlove—an 11-year-old Black girl in an America whose love for its blond, blue-eyed children can devastate all others—prays for her eyes to turn blue: so that she will be beautiful, so that people will look at her, so that her world will be different. This is the story of the nightmare at the heart of her yearning, and the tragedy of its fulfillment. Here, Morrison’s writing is “so precise, so faithful to speech and so charged with pain and wonder that the novel becomes poetry” (The New York Times).

The importance of fathers in the healthy development of children - Jeffrey Rosenberg

2006

The Journal of the Screen Producers Guild - 1963

The Diary of a Teenage Girl, Revised Edition - Phoebe Gloeckner 2015-07-21

First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander Skarsgård. “I don't remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was attracted by my youthfulness.” So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother's boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie

plunges into a defenseless, yet fearless adolescence. While set in the libertine atmosphere of 1970s San Francisco, Minnie's journey to understand herself and her world is universal: this is the story of a young woman troubled by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl's life, recounted in diary pages and illustrations, with full narrative sequences in comics form. *The Diary of a Teenage Girl* offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been updated by the author with an introduction reflecting on the book's critical reception and value as diary or novel, historical document or work of art. Also included in this revised edition are supplementary photographs and illustrations from the

author's childhood, including some of her own diary entries. "Phoebe Gloeckner... is creating some of the edgiest work about young women's lives in any medium."—*The New York Times* "One of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America."—*Salon* "It's the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks up a literary ball that's been only fitfully carried after Salinger."—*Nerve.com*
Loose Women, Lecherous Men
- Linda LeMoncheck 1997
The author discusses methods for mediating the tensions among apparently irreconcilable feminist perspectives on women's sexuality and shows how a feminist epistemology and ethic can advance the dialogue in women's sexuality across a broad political spectrum.

Injury Prevention - National Committee for Injury Prevention and Control (U.S.) 1989

Injury is one of the most overlooked major health problems facing the United States today, killing more than 142,000 annually and causing 62 million more to require medical attention. This unique work focuses attention on this vital problem and describes how existing resources can be

put to work to combat injury occurrence in the most effective way. The emphasis is on community involvement in designing, monitoring, and evaluating workable prevention programs. The book represents contributions from the 31-member National Committee for Injury Prevention and Control, which consists of public and private organizations on the local, state and national level involved in all aspects of care: practice, research, and teaching. The book reports on the major determinants of injuries and describes current levels of responses to severely injured people and how they can be improved. For all those involved in the problems of injury treatment, control, and prevention, this work is a major source of necessary information.

The Advocate - 2003-08-19

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United

States.

Cue - 1971

Credence - Penelope Douglas
2020-01-13

Tiernan grew up with wealth and privilege, but not love or guidance. After her parents' deaths, she goes to live with her father's stepbrother and his two sons. As the three of them take her under their wing, teach her to work and survive in the remote woods, she slowly finds her place among them. And she realizes that lines blur and rules become easy to break when no one is watching.

Rant - Chuck Palahniuk
2009-02-24

The provocative and mind-bending new novel from the bestselling author of *Fight Club* and *Haunted*. Rant takes the form of a (fictional) oral history of Buster "Rant" Casey, in which an assortment of friends, enemies, admirers, detractors, and relations have their say on this evil character, who may or may not be the most efficient serial killer of our time. Buster Casey was every small kid born

in a small town, searching for real thrills in a world of video games and action/adventure movies. The high school rebel who always wins - and a childhood murderer? - Rant Casey escapes from his hometown of Middleton into the big city and becomes the leader of an urban demolition derby called Party Crashing, where, on designated nights, the participants recognize each other by dressing their cars with tin-can tails, "Just Married" toothpaste graffiti, and other refuse, then look for special markings in order to stalk and crash into each other. It's in this violent, late-night hunting game that Casey makes three friends. And after his spectacular death, these friends gather the testimony needed to build an oral history of his short life. Their collected anecdotes explore the charges that his saliva infected hundreds and caused a silent, urban plague of rabies . . . Expect hilarity and horror, and blazing insight into the desperate and surreal contemporary human condition

as only Chuck Palahniuk can deliver it. He's the postmillennial Jonathan Swift, the man to watch to learn what's - uh-oh - coming next. Excerpt from RANT: Wallace Boyer (Car Salesman): Like most people, I didn't meet and talk to Rant Casey until after he was dead. That's how it works for most celebrities, after they croak their circle of

close friends just explodes. A dead celebrity can't walk down the street without meeting a million best buddies they never met in real life. Dying was the best career move Jeff Dahmer and John Wayne Gacy ever made. . . . The way Rant Casey used to say it: Folks build a reputation by attacking you while you're alive-or praising you after you ain't.
