Reagan and Gorbachev - Jack Matlock 2005-11-08

"[Matlock's] account of Reagan's achievement as the nation's diplomat in chief is a public service."—The New York Times Book Review

"Engrossing . . . authoritative . . . a detailed and reliable narrative that future historians will be able to draw on to illuminate one of the most dramatic periods in modern history."—Los Angeles Times Book Review

In *Reagan and Gorbachev*, Jack F. Matlock, Jr., a former U.S. ambassador to the U.S.S.R. and principal adviser to Ronald Reagan on Soviet and European affairs, gives an eyewitness account of how the Cold War ended. Working from his own papers, recent interviews with major figures, and unparalleled access to the best and latest sources, Matlock offers an insider's perspective on a diplomatic campaign far more sophisticated than previously thought, waged by two leaders of surpassing vision. Matlock details how Reagan privately pursued improved U.S.-U.S.S.R. relations even while engaging in public saber rattling. When Gorbachev assumed leadership, however, Reagan and his advisers found a willing partner in peace. Matlock shows how both leaders took risks that yielded great rewards and offers unprecedented insight into the often cordial working relationship between Reagan and Gorbachev. Both epic and intimate, *Reagan and Gorbachev* will be the standard reference on the end of the Cold War, a work that is critical to our understanding of the present and the past.

**The Little Book of Humorous Quotes** - Malcolm Kushner 2011

Award Winner in the Humor category of The USA "Best Books 2011" Awards, sponsored by USA Book News. Funny, facetious, droll, amusing, jocular, whimsical, silly, witty, hilarious, hysterical, and thought-provoking, *The Little Book of Humorous Quotes* is the perfect mental supplement in today's stressed-out world. Is your mind on information overload? Give yourself a break-and a laugh. This humorous collection is organized to provide laughter every day, year in and year out, to yourself and anyone you speak to. Quote it. Note It. Promote it. Or devote it. The book shares 365 exceptionally entertaining quotes from more than 100 authors- everyone from classic humorists such as Oscar Wilde, Mark Twain and George Bernard Shaw to modern wits like Woody Allen, Erma Bombeck and Phyllis Diller. These quotes put the "fun" in funny. If you believe that laughter is the best medicine, just take one book and call me in the morning.

**Quotations of Henry Ford** - Henry Ford 2005-09-01

**The Wit and Wisdom of Ronald Reagan** - Carol Kelly-Gangi 2012

**The Wit & Wisdom of Ronald Reagan** - James C. Humes 2007-10-16

Ronald Reagan is more than a revered and popular president--he is a hero to millions, beloved as a persuasive leader who inspired America and shaped the future more than any other modern president. Reagan's everyman insight--stemming from his unique background as actor, sports broadcaster, and labor leader--make him America's most quotable president. In *The Wit & Wisdom of Ronald Reagan*, author James C. Humes brings together the best observations and opinions of the "Great Communicator." Spanning one-liners, anecdotes, zingers, and little-known stories, this collection also includes commentary about Reagan from friends and foes as well as analysis of his great speeches. *The Wit & Wisdom of Ronald Reagan* is an exceptional tribute to America's adored fortieth president. --

**The Uncommon Wisdom of Ronald Reagan** - Bill Adler 1996-07-01

A small gift anthology for fans of the former president culls his most memorable quotes, quips, and reminiscences, organized chronologically from his childhood to his presidency, including reflections on politics, himself, his family, and his country.

*A Shining City* - Ronald Reagan 1998

Passages from Ronald Reagan's post-presidential speeches are combined with tributes from other influential persons to assess his impact on modern times and politics

**In the Words of Ronald Reagan** - Ronald Reagan 2004

Gathers quotations by President Ronald Reagan covering such topics as age, communism, crime, acting, morality, peace, the Republican Party, the Soviet Union, and faith.

**Wit and Wisdom of the American Presidents** - Joslyn Pine 2012-02-29

Over 400 memorable quotes: Coolidge's "The chief business of America is business," Carter's "Whatever starts in California unfortunately has an inclination to spread," Bush's "Read my lips: no new taxes," many more.

**My Turn** - Nancy Reagan 2011-09-14

The former First Lady discusses her life, the Reagan administration, her shaky relationship with her children and key White House personnel, her husband's involvement in the Iran-Contra affair, and her bout with cancer. "During our White House years I said almost nothing about how I really felt regarding the controversies that swirled around me. . . . But now those years are over, and it's my turn to describe what happened. . . ."

About Ronald Reagan: "Although Ronnie loves people, he often seems remote, and he doesn't let anybody get too close. There's a wall around him. He lets me come closer than anyone else, but there are times when even I feel that barrier." About being a mother: "What I wanted most in all the world was to be a good wife and mother. As things turned out, I guess I've been more successful at the first than at the second." About her influence: "I make no apologies for telling Ronnie what I thought. Just because you're married doesn't mean you have no right to express your opinions. For eight years I was sleeping with the president, and if that doesn't give you special access, I don't know what does." About astrology: "What it boils down to is that each person has his or her own ways of coping with trauma and grief, with the pain of life, and astrology was one of mine. Don't criticize me, I wanted to say, until you have stood in my place. This helped me. Nobody was hurt by it--except, possibly, me." About Don Regan: "His very first day on the job, Don said that he saw himself as the 'chief operating officer' of the country. But he was hired to be chief of staff. . . . Although I believed for a long time that Donald Regan was in the wrong job, my 'power' in getting him to leave has been greatly exaggerated. Believe me, if I really were the dragon lady that he described in his book, he would have been out the door many months earlier."

**Reagan** - H. W. Brands 2016-05-17

From the two-time Pulitzer Prize finalist, bestselling historian, and author of *Our First Civil War*--and "the rare academic historian who can write like a bestselling novelist" (USA Today)--comes an irresistible portrait of an underestimated politician whose pragmatic leadership and steadfast vision transformed the nation. In his magisterial new biography, H. W. Brands brilliantly establishes Ronald Reagan as one of the two great presidents of the twentieth century, a true peer to Franklin Roosevelt. Reagan conveys with sweep and vigor how the confident force of Reagan's personality and the unwavering nature of his beliefs enabled him to engineer a conservative revolution in American politics and play a crucial role in ending communism in the Soviet Union. Reagan shut down the age of liberalism, Brands shows, and ushered in the age of Reagan, whose defining principles are still powerfully felt today. Employing archival sources not available to previous biographers and drawing on dozens of interviews with surviving members of Reagan's administration, Brands has crafted a richly detailed and fascinating narrative of the presidential years. He offers new insights into Reagan's remote management style and fractious West Wing staff, his deft handling of public sentiment to transform the tax code, and his deeply misunderstood relationship with Soviet leader Mikhail Gorbachev, on which nothing less than the fate of the world turned.

**Understanding the Constitution** - Constantinos E. Scaros 2010-03-25

Although the constitution was created in 1787, its historical importance

and value continue to significantly impact lives every day. "Understanding the Constitution" brings readers to an understanding and appreciation of the United States constitution, its significance in the daily lives of individuals, and the hotly-debated topics that are relevant today. Assuming no previous knowledge about law, this is an ideal reader-friendly introduction to constitutional law.

PHOTOGRAPHS 350 photos with captions -- as suggested by The Ronald Reagan Presidential Library.

*The Reagan Diaries* - Ronald Reagan 2009-03-17

#1 New York Times Bestseller "Reading these diaries, Americans will find it easier to understand how Reagan did what he did for so long . . . They paint a portrait of a president who was engaged by his job and had a healthy perspective on power." —Jon Meacham, Newsweek During his two terms as the 40th president of the United States, Ronald Reagan kept a daily diary in which he recorded his innermost thoughts and observations on the extraordinary, the historic, and the routine occurrences of his presidency. To read these diaries—now compiled into one volume by noted historian Douglas Brinkley and filled with Reagan's trademark wit, sharp intelligence, and humor—is to gain a unique understanding of one of our nation's most fascinating leaders.

**God and Ronald Reagan** - Paul Kengor 2009-03-17

Ronald Reagan is hailed today for a presidency that restored optimism to America, engendered years of economic prosperity, and helped bring about the fall of the Soviet Union. Yet until now little attention has been paid to the role Reagan's personal spirituality played in his political career, shaping his ideas, bolstering his resolve, and ultimately compelling him to confront the brutal -- and, not coincidentally, atheistic -- Soviet empire. In this groundbreaking book, political historian Paul Kengor draws upon Reagan's legacy of speeches and correspondence, and the memories of those who knew him well, to reveal a man whose Christian faith remained deep and consistent throughout his more than six decades in public life. Raised in the Disciples of Christ Church by a devout mother with a passionate missionary streak, Reagan embraced the church after reading a Christian novel at the age of eleven. A devoted Sunday-school teacher, he absorbed the church's model of "practical Christianity" and strived to achieve it in every stage of his life. But it was in his lifelong battle against communism -- first in Hollywood, then on the political stage -- that Reagan's Christian beliefs had their most profound effect. Appalled by the religious repression and state-mandated atheism of Bolshevik Marxism, Reagan felt called by a sense of personal mission

to confront the USSR. Inspired by influences as diverse as C.S. Lewis, Whittaker Chambers, and Aleksandr Solzhenitsyn, he waged an openly spiritual campaign against communism, insisting that religious freedom was the bedrock of personal liberty. "The source of our strength in the quest for human freedom is not material, but spiritual," he said in his Evil Empire address. "And because it knows no limitation, it must terrify and ultimately triumph over those who would enslave their fellow man." From a church classroom in 1920s Dixon, Illinois, to his triumphant mission to Moscow in 1988, Ronald Reagan was both political leader and spiritual crusader. God and Ronald Reagan deepens immeasurably our understanding of how these twin missions shaped his presidency -- and changed the world.

*Nancy Reagan* - Kitty Kelley 2011-10-18

A shocking portrait of the 1980s, America, and the woman whose position helped shape the values and policies of the Reagan administration. Through over 1,000 interviews collected during four years of exhaustive research and reporting, Kelley reveals Nancy Reagan as a superb public performer, a vain, materialistic social climber, a bitter foe and formidable strategist—an American phenomenon.

*Not a Good Word about Anybody* - Jane Goodsell 1988

A collection of humorous mishaps, blunders, and inexcusable behaviors of the rich and famous features quotes and anecdotes about Leonardo da Vinci, Cleopatra, Albert Einstein, Ronald Reagan, Pablo Picasso, Thomas Edison, and numerous others

**When Character Was King** - Peggy Noonan 2002-10-01

The author shares her unique insight into Ronald Reagan, arguing that his character and courage made him the object of reverence and respect in America.

**The Heart of a Great Nation** - Ronald Reagan 2020-10-06

With a foreword from Senator Marco Rubio, a stirring collection of Ronald Reagan's most inspiring speeches, offering his timeless wisdom and guidance for our day. In his 1989 farewell address, Ronald Reagan said, "I wasn't a great communicator, but I communicated great things, and they didn't spring full bloom from my brow, they came from the heart of a great nation--from our experience, our wisdom, and our belief in principles that have guided us for two centuries." The Heart of a Great Nation brings together Reagan's most powerful speeches, as relevant to our chaotic world as they were when he first gave them. In a period of our country's history consumed by economic stagnation, national instability, and the looming threat of communism, Reagan spoke directly to the hearts of everyday Americans. His wisdom on matters of family, freedom, and nationhood helped guide the country back to its founding principles and ushered in an era of prosperity and national pride. Today, as we find our country treading similar ground, Reagan's wisdom speaks to us once again, offering guidance to everyone looking to navigate the present and remember the legacy of this great nation--which can one day be reclaimed.

**Great Quotes from Great Leaders** - 2013-01-01

If you like history and great quotes, you'll love this book which combines a brief biography of 32 world famous leaders with photographs and powerful quotes. You and your family will learn from this collection of wisdom-echoing the integrity, strength of character, and passion of extraordinary men and women. Makes the perfect, unique gift. Some of the highlighted leaders include: Abraham Lincoln, Ben Franklin, Eleanor Roosevelt, Martin Luther King, Jr. and Winston Churchill.

Speeches explore a variety of political and social issues, including tax reform, the conservative movement, nuclear disarmament, and the growth of government

**Vision** - Applewood Books 2002-09-01

One of the twelve-book ""Quotes of Inspiration"" Series. This little collection of over 100 inspirational and motivational quotations from famous Americans is separated into two parts. The first is the Quote section in which there are the most poignant quotes on vision; the second is the Unquote section, in which the more humorous side of vision

is revealed. Beautifully produced in a hardcover, with two color printing, these little gems are destined to find an honored place in every shop and home.

**Don't Tread on Me** - R. Blake Wilson 2011-01-01

This book is a collection of quotes that I believe will inspire each reader, The American Patriot, to triumph over tyranny. May God Bless America! Don't Tread On Me - An American Patriot's Book of Quote is a reminder to all patriots that the struggle in America between liberty and tyranny has been an ongoing battle. The Founders of America were triumphant in their war against the tyranny of the English King, George III. Will the patriots of today be equally triumphant? Will liberty prevail? The tyranny of today brought on by massive government growth and spending both federal, state and even county and city has exploded into a heavy burden that founder Thomas Jefferson warned against, "Democracy will cease to exist when you take away from those who are willing to work to give to those who are not." I believe, as most others believe, that government has a vital role to play in civilized society. However, I also believe there is a Constitutional limit to the role government should participate in our lives. Ronald Reagan said it best, "Government is not the solution to our problems, government is the problem." This quote lies at the core of the fundamental battle being waged in America today. The Liberal or Progressive Democrat believes that governments role includes solving all of societies inequalities. While the Conservative Republican believes less government and private industry can best provide the foundation for our success. The Tea Party movement has established itself on the belief that both parties promote larger government and more spending. These American patriots believe, as I do, that less government is good government. I agree with what Dennis Prager has often said on his radio program, "The bigger the government, the smaller the citizen." How can government continue to grow and grow and spend and spend and not become more a part of our lives? How can the citizen that is dependent on government for "the pursuit of happiness" not be made smaller. Remember, "A government big enough to provide you everything is big enough to take everything."

**They Never Said It** - Paul F. Boller Jr. 1990-06-14

Abraham Lincoln never said, "You cannot fool all the people all the time." Thomas Jefferson never said, "That government is best which governs least." And Horace Greeley never said, "Go west, young man." In *They Never Said It*, Paul F. Boller, Jr. and John George examine hundreds of misquotations, incorrect attributions, and blatant fabrications, outlining the origins of the quotes and revealing why we should consign them to the historical trashcan. Many of the misquotes are quite harmless. Some are inadvertent misquotes that have become popular (Shakespeare actually said, "The best part of valor is discretion"), others, the inventions of reporters embellishing a story (Franklin Roosevelt never opened a speech to a DAR group with the salutation, "My fellow immigrants"). But some of the quotes, such as Charles Darwin's supposed deathbed recantation of evolution, falsify the historical record with their blatant dishonesty. And other chillingly vicious ones, filled with virulent racial and religious prejudices, completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible. These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln. An entertaining and thought-provoking book, *They Never Said It* covers a great deal of history and sets it right. Going beyond a mere catalog of popular misconceptions, Boller and George reveal how rightists and leftists, and atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends. The ultimate debunking reference, it perfectly complements handbooks of quotations.

**Quotations of Theodore Roosevelt** - Theodore Roosevelt 2004

President, environmentalist, big game hunter, war hero, trust buster, father of the modern American navy, builder of the Panama Canal, Nobel Peace Prize winner, Teddy Roosevelt remains a commanding and intriguing figure of American history. This handsome book includes approximately 100 of the most memorable quotes of this prolific writer and orator.

*Ronald Reagan: Quotes and Quips* - David Stanford Burr 2015-10-01

Appreciate famous stories and speeches from The Great Communicator, Ronald Reagan. "There is no limit to what a man can do or where he can go if he doesn't mind who gets the credit." Ronald Reagan. The Great Communicator. The Great Persuader. Actor, performer, leader, and President. Enjoy this wonderful collection of the best stories, jokes, and lines from the 40th President of the United States. Reagan's unique vision and wisdom combined with his humor and wit made for some of

the best public speaking and diplomacy in the history of the nation. In *Ronald Reagan Quotes and Quips*, a perfect gift for any fan of history, discover lesser-known jokes as well as classic and historical moments from his presidency. Through color photos and pages of information, discover fun trivia bites and anecdotes. "Information is the oxygen of the modern age. It seeps through the walls topped by barbed wire, it wafts across the electrified borders." "The nine most terrifying words in the English language are, 'I'm from the government and I'm here to help.'" *Lead Like Reagan* - Dan Quiggle 2014-06-16

A first-hand account of Ronald Reagan's leadership style, with personal insight and practical application. *Lead Like Reagan* is a guide to more effective leadership, inspired by the Great Communicator himself.

Drawing upon his time serving Ronald Reagan, author Dan Quiggle relates lessons learned first-hand from his front row seat to history. Using Reagan and other prominent business leaders as examples, Quiggle illustrates what leadership looks like at the highest levels, why such leadership is effective, and how it can be successfully emulated. Readers will learn strategies to motivate, communicate, and inspire, forming a unique leadership template with personal application. Sitting at the feet of greatness and personally observing what Ronald Reagan did and said, made an indelible mark on Dan's own personal leadership style, shaping his thoughts about the key traits and actions of great leaders. In *Lead Like Reagan*, readers gain insight into both the personal attributes and leadership traits which are required to lead with vision, excellence, and impact. Practical advice and inspiring vision provide a template to: Assemble the right people to form a successful team Earn loyalty and commitment from others Lead by example to model excellence Manage crises by finding the opportunity in the midst of challenge Leave a lasting legacy of optimism and inspiration Leadership is a process of continual growth and Ronald Reagan provides an inspiring example. *Lead Like Reagan* is a meaningful and memorable guide to leadership, forging a framework for inspiring greatness and achieving success.

*Ronald Reagan: Quotes and Quips* - David Stanford Burr 2015-10-09

Enjoy this collection of Reagan's greatest stories, quotes, and jokes from his presidency. Perfect for any fan of politics or great presidents.

*Rendezvous with Destiny* - Ronald Reagan 1981

**The Notes** - Ronald Reagan 2011-05-10

Ronald Reagan's *The Notes* is a fascinating window into the mind of our fortieth president and the writers and thinkers to whom he turned for advice, inspiration, humor, and hope. Collected by the Ronald Reagan Foundation, the book includes both Reagan's own writing and his favorite quotations, proverbs, and excerpts from speeches, poetry, and literature. The breadth of these notes sheds light on a man who was deeply engaged with the arts, culture, and politics, from his time as one of the nation's most popular actors to later years as one of its most beloved presidents. Known as the "Great Communicator," Reagan sought wisdom from a wide-ranging set of political figures, philosophers, novelists, and poets, including Abraham Lincoln, Daniel Webster, John F. Kennedy, and Thomas Jefferson, as well as Mohandas Gandhi, Aleksandr Solzhenitsyn, Mark Twain, and Thomas Wolfe. While the number one New York Times bestselling *Reagan Diaries* detailed daily life inside the Oval Office, *The Notes* encapsulates a lifetime of reflections on work, marriage, and family in classic one-liners such as "Flattery is what makes husbands out of bachelors" and "Money may not buy friends, but it will help you to stay in contact with your children." Reagan's own writing—his jokes, aphorisms, and insights into politics and life—is often surprising and reveals a view of the president that has rarely before been seen. Historic, illuminating, and deeply captivating, *The Notes* is a remarkable collection of the thoughts of one of our most beloved presidents.

*Governor Reagan* - Lou Cannon 2009-04-27

In *Governor Reagan*, Lou Cannon offers—through recent interviews and research drawn from his unique access to the cabinet minutes of Reagan's first years as governor of California—a fresh look at the development of a master politician. At first, Reagan suffered from political amateurism, an inexperienced staff, and ideological blind spots. But he quickly learned to take the measure of the Democrats who controlled the State Legislature and surprised friends and foes alike by agreeing to a huge tax increase, which made it possible for him to govern for eight years without additional tax hikes. He developed an environmental policy that preserved the state's scenic valleys and wild rivers, and he signed into law what was then the nation's most progressive declaration on abortion rights. His quixotic 1968 presidential

campaign revealed his higher ambitions to the world and taught him how much he had to learn about big-league politics. Written by the definitive biographer of Ronald Reagan, this new biography is a classic study of a fascinating individual's evolution from a conservative hero to a national figure whose call for renewal stirred Republicans, working-class Democrats, and independents alike.

[The Remarkable Ronald Reagan](#) - Susan Allen 2013-06-17

Ronald Reagan was a natural leader, well-remembered not just for his political leadership, but also for his warmth, kindness, dignity, and optimism. There's a lot kids can learn from Reagan, about our country and about being good leaders and good people. *The Remarkable Ronald Reagan: Cowboy and Commander in Chief* is a fun, colorful look at his life, from his humble beginnings as the son of a shoe salesman, to his years as a Hollywood actor, his service in WWII, his life as a rancher, and finally the culmination of his political career in the Oval Office. There's plenty that even adults can learn as they read along with their kids, including Reagan's efforts to stand up against racial discrimination, and his powerful faith in God. *The Remarkable Ronald Reagan* is a treat for the entire family.

**Could the Millennials Generation Be the Greatest Ever?** - Ramon Kleier 2020-11-09

Could The Millennials Generation Be The Greatest Ever? By: Raymond Kleier About the Author When Mr. Kleier was six years old, and his brother was four years old, the motto, or the culture was: "Kids should be seen and not heard." Every Tuesday evening, their Paw-Paw would bring two of his sons with him to play Pinochle with their dad. The siblings respected his wishes and beliefs. So, they sat with their backs up against the wall, their legs laying flat on the floor, under their chairs (very small area). They had a school tablet and #2 pencils and wrote notes to each other, making fun of their conversations. They had more fun, choking back laughter, than the card players. Evidently it was at that time, that Mr. Kleier got the itch to write stories. In 2007, he wrote a book about his three brothers growing up in Schnitzelburg, a town with

a very heavy population of German immigrants. Mr. Kleier befriended a historian professor at the University of Louisville. The professor helped him with the history of Schnitzelburg and told Mr. Kleier to let him see the finished copy of the book, *The Four Kleier Boys of Schnitzelburg*. That book, a hardback coffee table book, is now sitting on the shelf at the Special Records and Archives of the University of Louisville's Ecstrum Library. Mr. Kleier then contacted the powers at The Louisville Free Public Library. A copy of that same book is now sitting on a shelf at The Louisville Free Public Library. In 2018, Mr. Kleier wrote another book, *What has happened to MY world living in Schnitzelburg?*

**I Love You, Ronnie** - Nancy Reagan 2002-02-26

No matter what else was going on in his life or where he was—traveling to make movies, at the White House, or sometimes just across the room—Ronald Reagan wrote letters to Nancy Reagan, to express his love, thoughts, and feelings, and to stay in touch. Through these extraordinary letters and reflections, the private character and life of an American president and his first lady are revealed. Nancy Reagan reflects with love and insight on the letters, on her husband, and on the many phases of their life together. A love story spanning half a century and the private life of this classic American couple come vividly alive in this rare and inspiring book.

[Speaking My Mind](#) - Ronald Reagan 2004-08

The most important speeches of America's "Great Communicator": Here, in his own words, is the record of Ronald Reagan's remarkable political career and historic eight-year presidency.

**Quotations of Ronald Reagan** - Ronald Reagan 2012-06

Collects quotes from the former president and offers a brief overview of his life.

*The Reagan Wit* - Ronald Reagan 1981

Presents a collection of the wit and wisdom of Ronald Reagan, revealing his amusing quips, quotes, and anecdotes, with a section on the assassination attempt and how Reagan's sense of humor helped him cope
