down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line... The truth is, when you banish the gods from the world, they eventually come back—with a vengeance. In the near future, Justin March lives in exile from the Republic of United North America. After failing in his job as an investigator of religious groups and supernatural claims, Justin is surprised when he is sent back with a peculiar assignment—to solve a string of ritualistic murders steeped in seemingly unexplainable phenomena. Justin's return comes with an even bigger shock: His new partner and bodyguard, Mae Koskinen, is a praetorian, one of the Republic's technologically enhanced supersoldiers. Mae's inexplicable beauty and aristocratic upbringing attract Justin's curiosity and desire, but her true nature holds more danger than anyone realizes. As their investigation unfolds, Justin and Mae find themselves in the crosshairs of mysterious enemies. Powers greater than they can imagine have started to assemble in the shadows, preparing to reclaim a world that has renounced religion and where humans are merely gamepieces on their board.
