Bala Takes the Plunge - Melvin Durai 2012-08-07
Bala dreams of making Tamil films and directing his favourite actor Rajnikanth ? a dream that leads him naturally to study engineering in college. This earns him his father's approval and the opportunity to export himself to America. As Director of Design at Flexit Inc., thinking up new ways to help Americans shed the excess weight around their middles and in their wallets, he is at least some kind of director. Bala loves America, and America it seems loves him even more. He has everything he needs to be happy: a green card, a satellite dish to watch cricket and a companion to share his home ? albeit one with a very limited vocabulary. But he is now less than a year away from the big 30,

and if he doesn't act fast he might have to settle for whichever bride his Amma chooses. So begins Bala's quest for romance as he meets both American and Indian women. Some who are too old, others too young, and yet others just too stuck up. Will he ever find someone just right for him? and good enough to inherit his mother's Corelle dishes?

You've Got to Be Kidding! - Pat Williams 2011-08-10

Kid-Tested (and Tested, and Tested...) Guidance for Parents in the Trenches. The Inside Track to Raising Kids. Most of us find raising one, two...or maybe three or four children to be challenging enough. The idea of parenting a half dozen seems almost crazy, and more children than that—impossible. But Pat and Ruth Williams have together raised (and are continuing to raise) nineteen kids. More importantly, they've not just survived the process—they've loved it! What do they know that the rest of us don't? What does it take to make a family of any size not only work, but thrive? After bringing up nineteen kids—as biological parents, adoptive parents, single parents, and step-parents—Pat and Ruth Williams have gained a volume of insights and experience that will enrich your home, strengthen your family, and help you be the parent you want to be. Inside you'll find counsel that really works—whether you're raising one child, one dozen (or more), or any number in between.

Kansas Quiz Bowl Crash Course - Carole Marsh 1994

The First Year Out - Tim Clydesdale 2008-09-15

Wild parties, late nights, and lots of sex, drugs, and alcohol. Many assume these are the things that define an American teenager's first year after high school. But the reality is really quite different. As Tim Clydesdale reports in *The First Year Out*, teenagers generally manage the increased responsibilities of everyday life immediately after graduation effectively. But, like many good things, this comes at a cost. Tracking the daily lives of fifty young people making the transition to life after high school, Clydesdale reveals how teens settle into manageable patterns of substance use and sexual activity; how they meet the requirements of postsecondary education; and how they cope with new financial expectations. Most of them, we learn, handle the changes well because they make a priority of everyday life. But Clydesdale finds that teens also stow away their identities—religious, racial, political, or otherwise—during this period in exchange for acceptance into mainstream culture. This results in the absence of a long-range purpose for their lives and imposes limits on their desire to understand national politics and global issues, sometimes even affecting the ability to reconstruct their lives when tragedies occur. *The First Year Out* is an invaluable resource for anyone caught up in the storm and stress of working with these young adults.

Investigation of Communist Infiltration of Government - United States. Congress. House. Committee on Un-American Activities 1956

The Rhinestone Sisterhood - David Valdes Greenwood 2010-04-27

Ride a bull. Chat up a Senator. And get your homework in on time. It's all in a day's work for a festival queen. If you assume all pageant queens are airheads who can't handle geography, or vain girls who like to parade around in bathing suits, then welcome to the alternative universe of America's festival queens. With titles like Catfish Queen and Swine Queen, and royal duties ranging from leading parades to kissing frogs to doing PR for local industries, these hardworking girls represent the best of what America has to offer: local cultures, unique traditions, and the kind of can-do community spirit that makes Main Street sparkle with promise. *The Rhinestone Sisterhood* takes us deep into the world of small-town festival queens to capture the true story of four "sisters of the sash"—the Frog, Fur, Cotton, and Cattle Queens of Louisiana—and their quest to win the ultimate crown, Queen of Queens. Traveling across the state, David Valdes Greenwood introduces us to local queens with lives full of public speaking, pig chases, and pageant politics. We ride with the girls during their one-year reign, where families and boyfriends can be as complicated as judge's panels, and a queen's dreams may be at the mercy of a Category 4 hurricane. High-spirited yet down-home, suspenseful and genuinely moving, *The Rhinestone Sisterhood* is, at heart, a story of female friendship and rivalry, of triumph and disappointment—not to mention a Frog Queen who just wouldn't quit. Anyone who has ever wanted to be a princess will feel right at home.

Beauty Queens on the Global Stage - Colleen Ballerion Cohen 2013-09-13

Modern beauty contests were invented by P.T. Barnum in the United States, but in the 20th century pageants and contests have spread across the entire world from Nepal to Tierra Del Fuego. Why are women (and sometimes men in drag) parading on stage such a universally appealing spectacle, attracting an audience in the billions? This book is the first global comparison of pageants from different parts of the world, at the ways each contest is both intensely local and unique, and simultaneously global and remarkable repetitive. The authors use the latest tools of feminist, ethnographic, and literary scholarship to unpack and interpret one of the greatest and most universal spectacles of modern times.

Drag Queens and Beauty Queens - Laurie Greene 2020-12-18

The Miss America pageant has been held in Atlantic City for the past hundred years, helping to promote the city as a tourist destination. But just a few streets away, the city hosts a smaller event that, in its own way, is equally vital to the local community: the Miss'd America drag pageant. *Drag Queens and Beauty Queens* presents a vivid ethnography of the Miss'd America pageant and the gay neighborhood from which it emerged in the early 1990s as a moment of campy celebration in the midst of the AIDS crisis. It examines how the pageant strengthened community bonds and activism, as well as how it has changed now that RuPaul's Drag Race has brought many of its practices into the cultural mainstream. Comparing the Miss'd America pageant with its glitzy

cisgender big sister, anthropologist Laurie Greene discovers how the two pageants have influenced each other in unexpected ways. Drag Queens and Beauty Queens deepens our understanding of how femininity is performed at pageants, exploring the various ways that both the Miss'd America and Miss America pageants have negotiated between embracing and critiquing traditional gender roles. Ultimately, it celebrates the rich tradition of drag performance and the community it engenders.

Being Miss America - Kate Shindle 2014-09-01
