The Fowl Twins - Eoin Colfer 2019-11-05

One week after their eleventh

birthday, the Fowl twins-- scientist Myles, and Beckett, the force of nature--are left in the care of house security (NANNI) for a single night. In that time they befriend a troll who has clawed his way through the earth's crust to the surface. Unfortunately for the troll, he is being chased by a nefarious nobleman and an interrogating nun, who both need the magical creature for their own gain, as well as a fairy-in-training who has been assigned to protect him. The boys and their new troll best friend escape and go on the run. Along the way they get shot at, kidnapped, buried, arrested, threatened, killed (temporarily), and discover that the strongest bond in the world is not the one forged by covalent electrons in adjacent atoms, but the one that exists between a pair of twins.

Iron Man: The Gauntlet -
Eoin Colfer 2016-10-25

Tony Stark is known throughout the world as many things: billionaire, inventor, Avenger. But mainly for being the Invincible Iron Man. Just when Tony is about to add his pizzazz to an international eco-summit in Ireland, someone close to him forces him to question his role in making the world a more dangerous place with his high-tech weaponry. But Stark doesn't have much time to reflect before an old enemy presents him with an even greater challenge: the assassination of all the eco-ministers, and Iron Man himself. Just how invincible Iron Man is when he is stripped of everything remains to be seen in this breathless adventure by the best-selling author of *Artemis Fowl*.

Artemis - Andy Weir
2017-11-14

The bestselling author of *The Martian* returns with an irresistible new near-future

thriller—a heist story set on the moon. Jasmine Bashara never signed up to be a hero. She just wanted to get rich. Not crazy, eccentric-billionaire rich, like many of the visitors to her hometown of Artemis, humanity’s first and only lunar colony. Just rich enough to move out of her coffin-sized apartment and eat something better than flavored algae. Rich enough to pay off a debt she’s owed for a long time. So when a chance at a huge score finally comes her way, Jazz can’t say no. Sure, it requires her to graduate from small-time smuggler to full-on criminal mastermind. And it calls for a particular combination of cunning, technical skills, and large explosions—not to mention sheer brazen swagger. But Jazz has never run into a challenge her intellect can’t handle, and she figures she’s got the ‘swagger’ part down. The trouble is, engineering the perfect crime is just the start of Jazz’s problems. Because her little heist is about to land her in the middle of a conspiracy for control of Artemis itself.

Trapped between competing forces, pursued by a killer and the law alike, even Jazz has to admit she’s in way over her head. She’ll have to hatch a truly spectacular scheme to have a chance at staying alive and saving her city. Jazz is no hero, but she is a very good criminal. That’ll have to do. Propelled by its heroine’s wisecracking voice, set in a city that’s at once stunningly imagined and intimately familiar, and brimming over with clever problem-solving and heist-y fun, Artemis is another irresistible brew of science, suspense, and humor from #1 bestselling author Andy Weir.

And Another Thing... - Eoin Colfer
2009-10-12

And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the

Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

WARP Book 1: The Reluctant Assassin - Eoin Colfer 2013-05-07

Riley, a teen orphan boy living in Victorian London, has had the misfortune of being apprenticed to Albert Garrick, an illusionist who has fallen on difficult times and now uses his unique conjuring skills to gain access to victims' dwellings. On

one such escapade, Garrick brings his reluctant apprentice along and urges him to commit his first killing. Riley is saved from having to commit the grisly act when the intended victim turns out to be a scientist from the future, part of the FBI's Witness Anonymous Relocation Program (WARP) Riley is unwittingly transported via wormhole to modern day London, followed closely by Garrick. In modern London, Riley is helped by Chevron Savano, a nineteen-year-old FBI agent sent to London as punishment after a disastrous undercover, anti-terrorist operation in Los Angeles. Together Riley and Chevie must evade Garrick, who has been fundamentally altered by his trip through the wormhole. Garrick is now not only evil, but he also possesses all of the scientist's knowledge. He is determined to track Riley down and use the timekey in Chevie's possession to make his way back to Victorian London where he can literally change the world.

Lost Colony, The (Artemis Fowl, Book 5) - Eoin Colfer 2009-08-11

Ten thousand years ago, humans and fairies fought a great battle for the magical island of Ireland. When it became clear to the fairy families that they could never win, they decided to move their civilization underground and keep themselves hidden from the humans. All the fairy families agreed on this, except the 8th family, the demons. The demons planned to lift their small island out of time until they had regrouped and were ready to wage war on the humans once more. However

the time spell went wrong, and the island of Hybras was catapulted into Limbo, where it has remained for ten thousand years.

WARP, Book 3: The Forever Man - Eoin Colfer 2015-09-15
Riley, an orphan boy living in Victorian London, has achieved his dream of becoming a renowned magician, the Great Savano. He owes much of his success to Chevie, a seventeen-year-old FBI agent who traveled from the future in a time pod and helped him defeat his murderous master, Albert Garrick. But it is difficult for Riley to enjoy his new life, for he has always believed in his heart of hearts that Garrick

will someday, somehow, return to seek vengeance. Chevie has assured Riley on numerous occasions that Garrick was sucked into a temporal wormhole, never to emerge. The full nature of the wormhole has never been understood, however, and just as a human body will reject an unsuitable transplant, the wormhole eventually spat him out. By the time Garrick makes it back to Victorian London, he has been planning his revenge on Riley for half a century. But even the best-laid plans can go awry, and when the assassin decides to include Chevie in his retaliation, the three are tossed once more into the wormhole with no idea where—or when—they will end up.

Artemis - Jean Shinoda Bolen
2014-09-01

“Jean Shinoda Bolen provides ancient and modern ways to be our authentic, courageous, and passionate selves. Jean herself is an Artemis.”—Gloria Steinem
Worshiped in Ancient Greece as a protectress of young girls, Artemis was the goddess of hunting, nature, and chastity—the original “wild woman.” In *Artemis*, Jungian analyst and bestselling author, Jean Shinoda Bolen, revives the goddess Artemis to reclaim the female passion and persistence to survive and succeed. But an indomitable spirit isn't just reserved for the gods. In her book, Dr. Bolen revives the myth of Atalanta, an archetypal Artemis and mere mortal. To Atalanta, fate was no obstacle. Left to die because she was born a girl, she faces the

Calydon Boar and outruns any man attempting to claim her as his wife. In *Artemis*, women are encouraged to discover their inner heroine—the activist who never gives up, who cannot be subdued. Whether women's rights activists or Princess Merida from *Brave*, the Artemis personality is embodied in the modern women. Hailed by Isabel Allende, as a “beautiful, inspiring book,” *Artemis* is dedicated to all women and girls who discover her unconquerable spirit in themselves or others. Inside find: · Examples of Artemis in real-life and popular culture · Ancient and modern ways to be your authentic self · A source of strength, power, and integrity “Bolen connects Artemis to contemporary figures such as environmental activist Julia Butterfly Hill, author Cheryl Strayed, and journalist Lara Logan . . . Bolen also discusses other goddess archetypes, including the romance-oriented Aphrodite, contemplative Hestia, and Hecate, the wise crone. The

exploration of Artemis and Atalanta as feminist icons is compelling.”—Publishers Weekly
