The Reverse Coloring Book™ - Kendra Norton 2021-08-31

Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in *The Reverse Coloring Book* has the colors, and you draw

the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking a clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. *The Reverse Coloring Book* includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

Follow the lives of seven deadly sinners as they struggle to weave their way through the hardened streets of the 216! Michael "Red" Roberts and "Bulletproof" Bobby Walker form a deadly combination—making money and holding down their territory. But when Bobby meets a girl that captures his heart, it causes a rift between him and his cousin. It all comes to a head when Bobby has to make a choice between the woman he loves and staying true to the most sacred hood law of all. Tammy has worked tirelessly over the past year to save up enough money to attend college. She's been very careful not to get pregnant and screw up her chances of furthering her education. Everything seems to be going according to plan, until Tammy's mother, Janice, brings home a man who doesn't seem to be quite right. Add that to the fact that Tammy is desperately trying to keep her younger brother, Hakim, from hitting the block to make fast money. Ivory, whom Tammy often hangs out with, has discovered that selling drugs for a living is much easier than working. But when she breaks a long-standing rule, she has no choice but to go in hiding from the hoodlums that she screwed over. Nancy, Tammy's friend and co-worker, has an attraction for dark-skinned men. She also has a secret addiction and an alliance that will get her blackballed from any hood in America.

YOU ALWAYS WANTED TO BE A COLORING BOOK ARTIST AND NOW YOU CAN! Bored with the gazillion coloring books on the market? Tired of just adding color to someone else's art? Have your own artistic vision for mandalas, fairies, dragons, cats, dogs, wild and domestic animals, ocean creatures, flowers, landscapes, secret gardens, patterns, holidays, inky doodles, fantasy drawings and zentangles? * Great Gift for Budding Artists! * You Don't Have to Stay Inside the Lines Because There Are No Lines! * Create Your Own Hand Drawn Coloring Images! * 100 Blank Pages for Doodling, Drawing and Sketching. * 8 1/2" x 11" with Soft White Paper with Medium Tooth. Maybe you just want to doodle without being told where to doodle. You're a creative maverick, you don't want to be confined inside someone else's design. Here is a pre-formatted, pre-bound already set up, blank sketchbook set up as an open source coloring book just waiting for you to fill it with your own hand drawn art! All you need is some art supplies and imagination! Is this a joke? Well, yes and no. It started from a joke in a Facebook discussion about a coloring book that only had a triangle on each page - the same triangle on every page! I joked about making a DIY Coloring Book with nothing but blank pages, but then I got to thinking (always a dangerous thing for me) and realized some budding artists might actually appreciate a chance to make their own coloring book drawings in a pre-made sketchbook presented in a completed coloring book format. So this is where it ended up and there's even a place on the cover to put your name on the book! What are you waiting for? Buy this DIY Coloring Book and start drawing!
