Longlisted for the National Book Award for Young People's Literature! From the New York Times and USA Today bestselling author of the

Shatter Me series comes a powerful, heartrending contemporary novel about fear, first love, and the devastating impact of prejudice. It's 2002, a year after 9/11. It's an extremely turbulent time politically, but

especially so for someone like Shirin, a sixteen-year-old Muslim girl who's tired of being stereotyped. Shirin is never surprised by how horrible people can be. She's tired of the rude stares, the degrading comments—even the physical violence—she endures as a result of her race, her religion, and the hijab she wears every day. So she's built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother. But then she meets Ocean James. He's the first person in forever who really seems to want to get to know Shirin. It terrifies her—they seem to come from two irreconcilable worlds—and Shirin has had her guard up for so long that she's not sure she'll ever be able to let it down.

[Unravel Me](#) - Tahereh Mafi 2013-02-05

The thrilling second installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. It should have taken Juliette a single

touch to kill Warner. But his mysterious immunity to her deadly power has left her shaken, wondering why her ultimate defense mechanism failed against the person she most needs protection from. She and Adam were able to escape Warner's clutches and join up with a group of rebels, many of whom have powers of their own. Juliette will finally be able to actively fight against The Reestablishment and try to fix her broken world. And perhaps these new allies can help her shed light on the secret behind Adam's—and Warner's—immunity to her killer skin. Juliette's world is packed with high-stakes action and tantalizing romance, perfect for fans of the *Red Queen* series by Victoria Aveyard and the *Darkest Minds* trilogy by Alexandra Bracken. Ransom Riggs, #1 New York Times bestselling author of *Miss Peregrine's Home for Peculiar Children*, raved: "A thrilling, high-stakes saga of self-discovery and forbidden love, the *Shatter Me* series is a must-read for fans of dystopian young-adult literature—or any literature!" And

Fracture Me - Tahereh Mafi 2013-12-17

In this electrifying sixty-page companion novella to the New York Times bestselling Shatter Me series, discover the fate of the Omega Point rebels as they go up against The Reestablishment. Set during and soon after the final moments of Unravel Me, Fracture Me is told from Adam's perspective. As the Omega Point rebels prepare to fight the Sector 45 soldiers, Adam's more focused on the safety of Juliette, Kenji, and his brother. The Reestablishment will do anything to crush the resistance . . . including killing everyone Adam cares about. Fracture Me sets the stage for Ignite Me, the explosive third installment in Tahereh Mafi's epic dystopian series. It's a novella not to be missed by fans who crave action-packed stories with tantalizing romance like Divergent by Veronica Roth, The Hunger Games by Suzanne Collins, and Legend by Marie

Dessert Can Save the World - Christina Tosi 2022-03-08

The James Beard Award-winning founder of Milk Bar and host of Bake Squad shares her personal stories and wisdom for igniting passion, following your joy, and creating a satisfying life. Dessert connects us heart-to-heart like almost nothing else. It brings us together in good times and bad, celebration and solace. It marks big and small milestones and creates memories of comfort and joy. And Christina Tosi, the founder and CEO of Milk Bar, believes it can save the world. Does the combination of sugar, flour, and butter have some magical ability to fix all the craziness of our modern existence? Of course not. Tosi knows a cookie is just a cookie—but bringing the joy a cookie holds into every area of your life most definitely can. The spirit of dessert—the relentless, unflinching commitment to finding or creating joy even when joy feels

hard to come by—is what can save us. And then we, in turn, can each save the world. Tosi shares the wisdom she learned growing up surrounded by strong women who showed her baking’s ability to harness love and create connection, as well as personal stories about succeeding in the highly competitive food world by unapologetically being her true self. Studded with personal and unorthodox recipes, *Dessert Can Save the World* reveals the secret ingredients for transforming our outlooks, our relationships, our work, and our entire collective existence into something boldly optimistic and stubbornly joyful.

Restore Me - Tahereh Mafi 2018-03-06

An instant New York Times bestseller! Juliette and Warner’s story continues in the electrifying fourth installment of Tahereh Mafi’s bestselling *Shatter Me* series. The girl with the power to kill with a single touch now has the world in the palm of her hand. Juliette Ferrars thought she’d won. She took over Sector 45, was named the

new Supreme Commander of North America, and now has Warner by her side. But when tragedy strikes, she must confront the darkness that dwells both around and inside her. Who will she become in the face of adversity? Will she be able to control the power she wields, and use it for good? “Will have fans groaning aloud for the next installment.”—Booklist And don’t miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

[Ignite Me](#) - Tahereh Mafi 2014-02-04

The heart-stopping third installment in the New York Times bestselling *Shatter Me* series, which Ransom Riggs, author of *Miss Peregrine's Home for Peculiar Children* and *Hollow City*, called "a thrilling, high-stakes saga of self-discovery and forbidden love." With Omega Point destroyed, Juliette doesn't know if the rebels, her friends, or even Adam are alive. But that won't keep her from trying to take down The Reestablishment once and for all. Now she must rely on Warner, the handsome commander of Sector 45. The one

person she never thought she could trust. The same person who saved her life. He promises to help Juliette master her powers and save their dying world . . . but that's not all he wants with her. The Shatter Me series is perfect for fans who crave action-packed young adult novels with tantalizing romance like *Divergent* by Veronica Roth, *The Hunger Games* by Suzanne Collins, and *Legend* by Marie Lu. Tahereh Mafi has created a captivating and original story that combines the best of dystopian and paranormal and was praised by Publishers Weekly as "a gripping read from an author who's not afraid to take risks." The Mormon Delusion. Volume 1.

Paperback Version - Jim Whitefield 2012-08-01

The first in a series of books comprising an exposé of the Mormon Church (The Church of Jesus Christ of Latter Day Saints). This volume concentrates on polygamy and little known polyandry which is hidden from rank and file Mormons. Historical evidence proves the Mormon Church has rewritten its own history through lies, suppression, omission and interpolation; such that the truth is so well hidden from members; unless they look outside the Church for information; they will never know of the continued conspiracy to deceive them. Contains over 120 pages of appendices, including complete lists and analysis of all the wives and families of Joseph Smith, Brigham Young and Heber C. Kimball, highlighting polyandrous relationships and children born into those unions; plus details of over a hundred

children born post 1890 to polygamous wives of General Authorities who violated their own canonised Manifesto after they had covenanted to stop the practice. Visit www.themormondelusion.com for further information.

[Animal Spirits](#) - George A. Akerlof 2010-02-01
The global financial crisis has made it painfully clear that powerful psychological forces are imperiling the wealth of nations today. From blind faith in ever-rising housing prices to plummeting confidence in capital markets,

"animal spirits" are driving financial events worldwide. In this book, acclaimed economists George Akerlof and Robert Shiller challenge the economic wisdom that got us into this mess, and put forward a bold new vision that will transform economics and restore prosperity. Akerlof and Shiller reassert the necessity of an active government role in economic policymaking by recovering the idea of animal spirits, a term John Maynard Keynes used to describe the gloom and despondence that led to the Great Depression and the changing psychology that accompanied recovery. Like Keynes, Akerlof and Shiller know that managing these animal spirits requires the steady hand of government--simply allowing markets to work won't do it. In rebuilding the case for a more robust, behaviorally informed Keynesianism, they detail the most pervasive effects of animal spirits in contemporary economic life--such as confidence, fear, bad faith, corruption, a concern for fairness, and the stories we tell ourselves about our economic

fortunes--and show how Reaganomics, Thatcherism, and the rational expectations revolution failed to account for them. *Animal Spirits* offers a road map for reversing the financial misfortunes besetting us today. Read it and learn how leaders can channel animal spirits--the powerful forces of human psychology that are afoot in the world economy today. In a new preface, they describe why our economic troubles may linger for some time--unless we are prepared to take further, decisive action.

Shatter Me - Tahereh Mafi 2018-01-09

The irresistible first book in the gripping *Shatter Me* series, now featuring gorgeous jacket art to match the rest of the series, and including the *Destroy Me* novella! One touch is all it takes.

One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But *The Reestablishment* sees it as a gift, sees her as an

opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. The jacket of this new hardcover edition matches the beautiful artwork of the paperback edition. It also includes the *Destroy Me* novella, which is told from Warner's point of view, and a brand-new author's note. Perfect for fans who have followed the series from the beginning and craved a matching set of books, and for readers looking to check out the series before the highly anticipated release of *Restore Me*!

Unite Me - Tahereh Mafi 2014-02-04

Perfect for fans of Tahereh Mafi's New York Times bestselling Shatter Me trilogy, this book collects her two companion novellas, Fracture Me and Destroy Me, in print for the first time ever. It also features an exclusive look into Juliette's journal and a preview of Ignite Me, the hotly anticipated final novel of the series.

Destroy Me tells the events between Shatter Me and Unravel Me from Warner's point of view.

Even though Juliette shot him in order to escape, Warner can't stop thinking about her—and he'll do anything to get her back. But when the Supreme Commander of The Reestablishment arrives, he has much different plans for Juliette. Plans Warner cannot allow. Fracture Me is told from Adam's perspective and bridges the gap between Unravel Me and Ignite Me. As the Omega Point rebels prepare to fight the Sector 45 soldiers, Adam's more focused on the safety of Juliette, Kenji, and his brother. The Reestablishment will do anything to crush the

resistance . . . including killing everyone Adam cares about. The Shatter Me series is perfect for fans who crave action-packed young adult novels with tantalizing romance like Divergent and The Hunger Games. This captivating story, which combines the best of dystopian and paranormal, was praised as "a thrilling, high-stakes saga of self-discovery and forbidden love" by Ransom Riggs, bestselling author of Miss Peregrine's Home for Peculiar Children.

A Star Is Born - Ronald Haver 2002

(Applause Books). "There is no book about Hollywood as riveting as this documentary." - Allan Carr, *Vanity Fair* There is no question that the 1954 version of *A STAR IS BORN* holds a special place in the pantheon of classic movies. It was director George Cukor's first foray into musicals, his first color film, and it was, without a doubt, Judy Garland's greatest screen performance. With incredible detail and color, Ronald Haver gives us the fascinating story of the making, marketing and restoration of this groundbreaking classic. Here is how producer Sid Luft orchestrated the deal for his wife, how Cukor was selected to direct, how James Mason was cast to co-star and how Moss Hart's script was developed. Here are the myriad technical problems, the clashes of personalities and the shocking emotional ups and downs of the film's

star. Here, finally, is the author's own mission to restore the film to its original length and glory in the 1980s.

The Prodigal God - Timothy Keller 2008-10-30
The New York Times bestselling author of *The Prodigal Prophet* uncovers the essential message of Jesus, locked inside his most familiar parable. Newsweek called renowned minister Timothy Keller "a C.S. Lewis for the twenty-first century" in a feature on his first book, *The Reason for God*. In that book, he offered a rational explanation of why we should believe in God. Now, in *The Prodigal God*, Keller takes his trademark intellectual approach to understanding Christianity and uses the parable of the prodigal son to reveal an unexpected message of hope and salvation. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way.

The Serpent King - Jeff Zentner 2017-06-06

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library
"Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*." —BookRiot.com
Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is

brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending—one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking."

—PasteMagazine.com "A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it."

—Mashable.com "I adored all three of these characters and the way they talked to and loved one another."—New York Times

This Woven Kingdom - Tahereh Mafi 2022-02-01
New York Times, USA Today, and Publishers Weekly bestseller! Clashing empires, forbidden romance, and a long-forgotten queen destined to save her people—Tahereh Mafi's first in an epic,

romantic trilogy inspired by Persian mythology. To all the world, Alizeh is a disposable servant, not the long-lost heir to an ancient Jinn kingdom forced to hide in plain sight. The crown prince, Kamran, has heard the prophecies foretelling the death of his king. But he could never have imagined that the servant girl with the strange eyes, the girl he can't put out of his mind, would one day soon uproot his kingdom—and the world. Perfect for fans of Leigh Bardugo, Tomi Adeyemi, and Sabaa Tahir, this is the explosive first book in a new fantasy trilogy from the New York Times bestselling and National Book Award-nominated author Tahereh Mafi. "In a tale as exquisitely crafted as one of Alizeh's own garments, Mafi weaves a spell of destiny and danger, forbidden love and courtly intrigue, magic and revolution."—Cassandra Clare, #1 New York Times bestselling author of *The Last Hours* "This Woven Kingdom is an exquisite fantasy. Rich with clever prose, delicious twists, and breathtaking world building. Prepare to be

destroyed—this one will wrench at your heart and make it pound, and in the end it will leave you entirely speechless.”—Stephanie Garber, #1 New York Times bestselling author of the *Caraval* series

American Reboot - Will Hurd 2022-03-29
From former US Congressman and CIA Officer Will Hurd, a “how-to guide with a prescription for getting the nation on the right footing” (*Politico*) and “a clarion call for a major political pivot” (*San Antonio Report*) rooted in the timeless ideals of bipartisanship, inclusivity, and democratic values. “Hurd has the biography and the charisma and the God-given political chops to put the Republican Party—and the rest of the country—on notice.” —*THE ATLANTIC* It’s getting harder to get big things done in America. The gears of our democracy have been mucked up by political nonsense. To meet the era-defining challenges of the 21st century, our country needs a reboot. In *American Reboot*, Hurd, called “the future of the GOP” by *Politico*, provides a “detailed blueprint” (Robert M.

Gates, Secretary of Defense, 2006–2011) for America grounded by what Hurd calls pragmatic idealism—a concept forged from enduring American values to achieve what is actually achievable. Hurd takes on five seismic problems facing a country in crisis: the Republican Party’s failure to present a principled vision for the future; the lack of honest leadership in Washington, DC; income inequality that threatens the livelihood of millions of Americans; US economic and military dominance that is no longer guaranteed; and how technological change in the next thirty years will make the advancements of the last thirty years look trivial. Hurd has seen these challenges up close. A child of interracial parents in South Texas, Hurd survived the back alleys of dangerous places as a CIA officer. He carried that experience into three terms in Congress, where he was, for a time, the House’s only Black Republican, representing a seventy-one percent Latino swing district in Texas that runs along 820 miles of the

US-Mexico border. As a cyber security executive and innovation crusader, Hurd has worked with entrepreneurs on the cutting edge of technology to anticipate the shockwaves of the future. Hurd, who the Houston Chronicles calls “a refreshing contract to the panderers, petty demagogues, and political provocateurs who reign these days,” draws on his remarkable experience to present “a call to Americans to consider the most contentious issues of our times more holistically” (The Atlantic). He outlines how the Republican party can look like America by appealing to the middle, not the edges. He maps out how leaders should inspire rather than fearmonger. He forges a domestic policy based on the idea that prosperity should be a product of empowering people, not the government. He articulates a foreign policy where our enemies fear us and our friends love us. And lastly, he charts a forceful path forward for America’s technological future. We all know we can do better. It’s time to hit “ctrl alt del” and start the

American Reboot.

How to Avoid a Climate Disaster - Bill Gates

2021-02-16

#1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market,

he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

his little girl. The owner of the largest construction company in Gingham Lakes has been burned one too many times. His wife leaving him to raise their daughter was the last blow this single dad could take. The only woman he'll let into his heart is his little girl. When Rex meets his new neighbor, he knows he's in trouble. She's gorgeous and sweet and everything he can't trust. Until she becomes the one thing he can't resist. One kiss sends them tumbling toward ecstasy. But in a town this size, paths are bound to collide. Caught in a web of lies, betrayal, and disloyalty, Rex must make a choice. Will he hide behind his walls or will he take the chance ...

The London Restoration - Rachel McMillan
2020-08-18

The secrets that might save a nation could shatter a marriage. Madly in love, Diana Foyle and Brent Somerville married in London as the bombs of World War II dropped on their beloved city. Without time for a honeymoon, the couple

spent the next four years apart. Diana, an architectural historian, took a top-secret intelligence post at Bletchley Park. Brent, a professor of theology at King's College, believed his wife was working for the Foreign Office as a translator when he was injured in an attack on the European front. Now that the war is over, the Somervilles' long-anticipated reunion is strained by everything they cannot speak of. Diana's extensive knowledge of London's churches could help bring down a Russian agent named Eternity. She's eager to help MI6 thwart Communist efforts to start a new war, but because of the Official Secrets Act, Diana can't tell Brent the truth about her work. Determined to save their marriage and rebuild the city they call home, Diana and Brent's love is put to the ultimate test as they navigate the rubble of war and the ruins of broken trust.

[The Original Bambi](#) - Felix Salten 2022-02-22
A new, beautifully illustrated translation of Felix Salten's celebrated novel Bambi-the original

source of the beloved story. Most of us think we know the story of Bambi-but do we? The Original Bambi is an all-new, illustrated translation of a literary classic that presents the story as it was meant to be told. Jack Zipes's introduction traces the history of the book's reception and explores the tensions that Salten experienced in his own life-as a hunter who also loved animals, and as an Austrian Jew who sought acceptance in Viennese society even as he faced persecution. With captivating drawings by award-winning artist Alenka Sottler, The Original Bambi captures the rich emotional meaning of a celebrated story.

Our Missing Hearts - Celeste Ng 2022-10-04
An instant New York Times bestseller • A New York Times Notable Book of 2022 • A TIME Magazine Best Book of 2022 • One of The Washington Post's Best Books of 2022 • A Reese's Book Club Pick From the #1 bestselling author of Little Fires Everywhere, comes the inspiring new novel about a mother's

unbreakable love in a world consumed by fear. "It's impossible not to be moved." —Stephen King, The New York Times Book Review "Riveting, tender, and timely." —People, Book of the Week "Thought-provoking, heart-wrenching...I was so invested in the future of this mother and son, and I can't wait to hear what you think of this deeply suspenseful story!" - Reese Witherspoon (Reese's Book Club October '22 Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving but broken father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left the family when he was nine years old without a trace. Bird knows to not ask too many questions, stand out too much, or stray too far. For a decade, his family's life has been governed by laws written to preserve "American culture" in the wake of years of economic instability and violence. To keep the peace and restore prosperity, the authorities are now allowed to relocate children

of dissidents, especially those of Asian origin, and libraries have been forced to remove books seen as unpatriotic. Bird has grown up disavowing his mother and her poems; he doesn't know her work or what happened to her, and he knows he shouldn't wonder. But when he receives a mysterious letter containing only a cryptic drawing, he is pulled into a quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of librarians, into the lives of the children who have been taken, and finally to New York City, where a new act of defiance may be the beginning of much-needed change. *Our Missing Hearts* is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It's a story about the power—and limitations—of art to create change, the lessons and legacies we pass on to our children, and how any of us can survive a broken world with our hearts intact.

A Month in the Country - J.L. Carr 2012-08-29
In J. L. Carr's deeply charged poetic novel, Tom Birkin, a veteran of the Great War and a broken marriage, arrives in the remote Yorkshire village of Oxcodby where he is to restore a recently discovered medieval mural in the local church. Living in the bell tower, surrounded by the resplendent countryside of high summer, and laboring each day to uncover an anonymous painter's depiction of the apocalypse, Birkin finds that he himself has been restored to a new, and hopeful, attachment to life. But summer ends, and with the work done, Birkin must leave. Now, long after, as he reflects on the passage of time and the power of art, he finds in his memories some consolation for all that has been lost.

Defy Me - Tahereh Mafi 2019-04-02

Juliette and Warner's story continues in the

thrilling fifth installment of Tahereh Mafi's New York Times bestselling Shatter Me series.

Juliette Ferrars isn't who she thinks she is.

Nothing in her world is what it seemed. She thought she'd finally defeated the

Reestablishment. She thought she'd finally taken control of her life, her power, and her pain. But Juliette has only just begun to unravel a lifetime of lies, and she finds herself faced with a familiar choice: Be a weapon. Or be a warrior. This time, she's not alone. Stronger, braver, and more resilient than ever, Juliette will fight for life and love with her friends by her side—but first, she has to survive the war being waged against her mind: She has to remember who she was.

Narrated by Juliette, Warner, and Kenji Kishimoto, this gripping novel perfectly sets the stage for the highly anticipated forthcoming conclusion to the Shatter Me series.

The powerful, poignant, bestselling National Book Award Finalist gives voice to a young girl

robbed of her childhood yet determined to find the strength to triumph Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at "Happiness House" full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt-then cheats Lakshmi of her meager earnings so that she can

never leave. Lakshmi's life becomes a nightmare from which she cannot escape. Still, she lives by her mother's words-Simply to endure is to triumph-and gradually, she forms friendships with the other girls that enable her to survive in this terrifying new world. Then the day comes when she must make a decision-will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes by the co-author of I Am Malala (Young Readers Edition), this powerful novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs.

Brain Wreck - Becky Dennis 2012-11

At 8,000 miles away from home, a business professional delivers a polished presentation to a group of executives. And within two hours, she forgets how to walk. Talking becomes too strenuous.
