Sullivan's Sluggers - Mark Andrew Smith 2018-09-04

Eisner and Harvey Award-winning writer Mark Andrew Smith joins forces with Eisner-nominated Orc Stain creator James Stokoe for a graphic novel packed with shocks, gore, and screamingly outrageous humor, when America's Favorite Pastime becomes one baseball team's ultimate nightmare! Long past their former glory, the minor league Sluggers get an invitation to play a baseball game in a cursed small town. After the 7th inning stretch, the sun goes down, and the dysfunctional teammates find themselves fighting for their lives against a town of flesh-eating monsters! Now, it's up to coach Casey Sullivan to help his team escape from being the next dish in the town's terrifying feeding frenzy! Featuring a bonus section with concept art, pinups by multiple artists, and more.

The Alex Crow - Andrew Smith 2015-03-10

"Andrew Smith is the Kurt Vonnegut of YA . . . [Smith's novels] are the freshest, richest, and weirdest books to hit the YA world in years." —Entertainment Weekly Skillfully blending multiple story strands that transcend time and place, award-winning Grasshopper Jungle author Andrew Smith chronicles the story of Ariel, a refugee who is the sole survivor of an attack on his small village. Now living with an adoptive family in Sunday, West Virginia, Ariel's story is juxtaposed against those of a schizophrenic bomber and the diaries of a failed arctic expedition from the late nineteenth century . . . and a depressed, bionic reincarnated crow.

The Daily Show (The Book) - Chris Smith 2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

100 Sideways Miles - Andrew Smith 2014-09-02

Finn Easton, sixteen and epileptic, struggles to feel like more than just a character in his father's cult-classic novels with the help of his best friend, Cade Hernandez, and first love, Julia, until Julia moves away.

Glaciers - Alexis Smith 2012-01-17

Isabel is a single, twentysomething thrift-store shopper and collector of remnants, things cast off or left behind by others. Glaciers follows Isabel through a day in her life in which work with damaged books in the

basement of a library, unrequited love for the former soldier who fixes her computer, and dreams of the perfect vintage dress move over a backdrop of deteriorating urban architecture and the imminent loss of the glaciers she knew as a young girl in Alaska. Glaciers unfolds internally, the action shaped by Isabel's sense of history, memory, and place, recalling the work of writers such as Jean Rhys, Marguerite Duras, and Virginia Woolf. For Isabel, the fleeting moments of one day can reveal an entire life. While she contemplates loss and the intricate fissures it creates in our lives, she accumulates the stories—the remnants—of those around her and she begins to tell her own story.

Year of the Monkey - Patti Smith 2019-09-24

From the National Book Award-winning author of Just Kids and M Train, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland with no design, yet heeding signs—including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the Year of the Monkey." For Smith—inveterately curious, always exploring, tracking thoughts, writing—the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, Year of the Monkey is a moving and original work, a touchstone for our turbulent times.

Stick - Andrew Smith 2011-10-11

Fourteen-year-old Stark McClellan (nicknamed Stick because he's tall and thin) is bullied for being "deformed" - he was born with only one ear. His older brother Bosten is always there to defend Stick. But the boys can't defend one another from their abusive parents. When Stick realizes Bosten is gay, he knows that to survive his father's anger, Bosten must leave home. Stick has to find his brother, or he will never feel whole again. In his search, he will encounter good people, bad people, and people who are simply indifferent to kids from the wrong side of the tracks. But he never loses hope of finding love - and his brother.

In the Path of Falling Objects - Andrew Smith 2009-09-29

Two brothers leave home looking for their father, and find themselves hitching a ride with a violent killer - here is a road trip from hell. Jonah and his younger brother, Simon, are on their own. They set out to find what's left of their family, carrying between them ten dollars, a backpack full of dirty clothes, a notebook, and a stack of letters from their brother, who is serving a tour in Vietnam. And soon into their journey, they have a ride. With a man and a beautiful girl who may be in love with Jonah. Or Simon. Or both of them. The man is crazy. The girl is desperate. This violent ride is only just beginning. And it will leave the brothers taking cover from hard truths about loyalty, love, and survival that crash into their lives. One more thing:

The brothers have a gun. They're going to need it.

Mystical Rome - Jason Andrew 2016-03-15

Beware the Ides of March! warned the Soothsayers on the steps of the Senate. Caesar scoffed, but Antony took the warning to heart and later shielded his friend with his own flesh, altering forever the destiny of Rome. Twenty years later, Caesar reigns over the unified Roman Empire and the Soothsayers operate an academy where they instruct select sons of the patricians in their eldritch arts. All that stands now against Rome's domination of the entire world are the barbarous Caledonians and the power of the seemingly invincible Parthian Empire. Caught in this chaotic time, the children of murdered hero of the imperial legions, Titus Valerius, struggle to avenge their father and create their own branch family. To achieve this, they must regain their family's lost political influence, and obtain recognition from the Imperial Senate. Together they must face undead assassins, feuding patrician families, dangerous prophecies, eldritch magic, and a journey through the Underworld before they can reclaim what is theirs.

Exile from Eden - Andrew Smith 2019-09-24

From New York Times bestselling author Andrew Smith comes the stunning, long-awaited sequel to the groundbreaking Printz Honor Book *Grasshopper Jungle*. It's been sixteen years since an army of horny, hungry, six-foot-tall praying mantises forced Arek's family underground and into the hole where he was born; it's the only home he's ever known. But now, post-end-of-the-world, the army of horny, hungry praying mantises might finally be dying out, and Arek's ready to leave the hole for good. All he has are mysterious letters from Breakfast, a naked, wild boy traveling the countryside with his silent companion, Olive. Together, Arek and his best friend Mel, who stowed away in his van, navigate their way through the ravaged remains of the outside world. This long-awaited sequel to the irreverent, groundbreaking Printz Honor Book *Grasshopper Jungle* is stunning, compelling, and even more hilarious and beautifully bizarre than its predecessor.

Strategy Beyond the Hockey Stick - Chris Bradley 2018-01-10

Beat the odds with a bold strategy from McKinsey & Company "Every once in a while, a genuinely fresh approach to business strategy appears" - legendary business professor Richard Rumelt, UCLA McKinsey & Company's newest, most definitive, and most irreverent book on strategy—which thousands of executives are already using—is a must-read for all C-suite executives looking to create winning corporate strategies. *Strategy Beyond the Hockey Stick* is spearheading an empirical revolution in the field of strategy. Based on an extensive analysis of the key factors that drove the long-term performance of thousands of global companies, the book offers a ground-breaking formula that enables you to objectively assess your strategy's real odds of future success. "This book is fundamental. The principles laid out here, with compelling data, are a great way around the social pitfalls in strategy development." — Frans Van Houten, CEO, Royal Philips N.V. The authors have discovered that over a 10-year period, just 1 in 12 companies manage to jump from the middle tier of corporate performance—where 60% of companies reside, making very little economic profit—to the top quintile where 90% of global economic profit is made. This movement does not happen by magic—it depends on your company's current position, the trends it faces, and the big moves you make to give it the strongest chance of vaulting over the competition. This is not another strategy framework. Rather, *Strategy Beyond the Hockey Stick* shows, through empirical analysis and the experiences of dozens of companies that have successfully made multiple big moves, that to dramatically improve performance, you have to overcome incrementalism and corporate inertia. "A different kind of book—I couldn't put it down. Inspiring new insights on the facts of what it takes to move a company's performance, combined with practical advice on how to deal with real-life dynamics in management teams." —Jane Fraser, CEO, Citigroup Latin America

Moondust - Andrew Smith 2009-05-05

"Spellbinding...a provocative meditation on lunar travel and humanity's relation to space." — Business Week The Apollo lunar missions of the 1960s and 1970s have been called the last optimistic acts of the twentieth century. Twelve astronauts made this greatest of all journeys and were indelibly marked by it, for better or for worse. Journalist Andrew Smith tracks down the nine surviving members of this elite group to find their answers to the question "Where do you go after you've been to the Moon?" A thrilling blend of history, reportage, and memoir, *Moondust* rekindles the hopeful excitement of an incandescent hour in

America's past when anything seemed possible as it captures the bittersweet heroism of those who risked everything to hurl themselves out of the known world—and who were never again quite able to accept its familiar bounds.

Passenger - Andrew Smith 2012-10-02

Best friends Jack and Conner can't stay away from Marbury. It's partly because of their obsession with this alternate world and the unresolved war that still wages there. But it's also because forces in Marbury—including the darkest of the dark, who were not revealed in *The Marbury Lens*—are beckoning the boys back in order to save their friends . . . and themselves. The boys try to destroy the lens that transports them to Marbury. But that dark world is not so easily reckoned with. Reality and fantasy, good and evil—Andrew Smith's masterpiece closes the loop that began with *The Marbury Lens*. But is it really closed? Can it ever be?

Bye-bye, Blue Creek - Andrew Smith 2020-10-13

Sam Abernathy prepares to leave home for the first time in this charming follow-up to award-winning author Andrew Smith's *The Size of Truth*. Vampires have just moved in to the haunted house next door. All twelve-year-old Sam Abernathy wanted to do was make the most of his last few weeks in Blue Creek before he has to say goodbye. Goodbye to the well he fell in eight years ago; goodbye to cooking at Lily Putt's snack bar; goodbye to his overdramatic best friend, Karim; goodbye to unsweetened iced tea at Colonel Jenkins's Diner every Saturday with Bahar (who he does not have a crush on); goodbye to his old life. But the arrival of the Monster People throws a wrench into his plans. Things only get worse when the new family hires Bahar to babysit their child, Boris, who is almost certainly a cannibal. And then—scariest of all—they employ Sam's catering services. He can't possibly say no. If he doesn't survive the summer, Sam might not have to say bye-bye to Blue Creek at all.

The Strange Fascinations of Noah Hypnotik - David Arnold 2018-05-22

"As he did in his fantastic debut *Mosquitoland*, David Arnold again shows a knack for getting into the mind of an eccentric teenager in clever, poignant fashion." —USA Today This is Noah Oakman → sixteen, Bowie believer, concise historian, disillusioned swimmer, son, brother, friend. Then Noah → gets hypnotized. Now Noah → sees changes: his mother has a scar on her face that wasn't there before; his old dog, who once walked with a limp, is suddenly lithe; his best friend, a lifelong DC Comics disciple, now rotates in the Marvel universe. Subtle behaviors, bits of history, plans for the future—everything in Noah's world has been rewritten. Everything except his *Strange Fascinations* . . . A stunning surrealist portrait, *The Strange Fascinations of Noah Hypnotik* is a story about all the ways we hurt our friends without knowing it, and all the ways they stick around to save us.

The Marbury Lens - Andrew Smith 2010-11-09

A 16-year-old boy who escapes a kidnapper thinks he can forget his trauma, but instead, he loses his grip on reality and believes he's part of an alternate world called Marbury. Sixteen-year-old Jack gets drunk and is in the wrong place at the wrong time. He is kidnapped. He escapes, narrowly. The only person he tells is his best friend, Conner. When they arrive in London as planned for summer break, a stranger hands Jack a pair of glasses. Through the lenses, he sees another world called Marbury. There is war in Marbury. It is a desolate and murderous place where Jack is responsible for the survival of two younger boys. Conner is there, too. But he's trying to kill them. Meanwhile, Jack is falling in love with an English girl, and afraid he's losing his mind. Andrew Smith has written his most beautiful and personal novel yet, as he explores the nightmarish outer limits of what trauma can do to our bodies and our minds. "An engrossing horror/fantasy hybrid...Nightmarish imagery is chillingly effective, and the pacing superbly builds suspense." -- Kirkus Reviews

Grasshopper Jungle - Andrew Smith 2019-10-03

In the small town of Ealing, Iowa, Austin and his best friend Robby have accidentally unleashed an unstoppable army. An army of horny, hungry, six-foot-tall praying mantises that only want to do two things. This is the truth. This is history. It's the end of the world. And nobody knows anything about it. You know what I mean.

Front Lines - Michael Grant 2016-01-26

An epic, genre-bending, and transformative new series that reimagines World War II with female soldiers

fighting on the front lines. World War II, 1942. A court decision makes women subject to the draft and eligible for service. The unproven American army is going up against the greatest fighting force ever assembled, the armed forces of Nazi Germany. Three girls sign up to fight. Rio Richlin, Frangie Marr, and Rainy Schulterman are average girls, girls with dreams and aspirations, at the start of their lives, at the start of their loves. Each has her own reasons for volunteering: Rio fights to honor her sister; Frangie needs money for her family; Rainy wants to kill Germans. For the first time they leave behind their homes and families—to go to war. These three daring young women will play their parts in the war to defeat evil and save the human race. As the fate of the world hangs in the balance, they will discover the roles that define them on the front lines. They will fight the greatest war the world has ever known. Perfect for fans of *Girl in the Blue Coat*, *Salt to the Sea*, *The Book Thief*, and *Code Name Verity*, from New York Times bestselling author Michael Grant.

Winger - Andrew Smith 2013-05-14

A teen at boarding school grapples with life, love, and rugby in this unforgettable novel that is “alternately hilarious and painful, awkward and enlightening” (Publishers Weekly, starred review). Ryan Dean West is a fourteen-year-old junior at a boarding school for rich kids. He’s living in Opportunity Hall, the dorm for troublemakers, and rooming with the biggest bully on the rugby team. And he’s madly in love with his best friend Annie, who thinks of him as a little boy. Ryan Dean manages to survive life’s complications with the help of his sense of humor, rugby buddies, and his penchant for doodling comics. But when the unthinkable happens, he has to figure out how to hold on to what’s important, even when it feels like everything has fallen apart. Filled with hand-drawn infographics and illustrations and told in a pitch-perfect voice, this realistic depiction of a teen’s experience strikes an exceptional balance of hilarious and heartbreaking.

Stand-Off - Andrew Smith 2015-09-08

Now a senior at Pine Mountain Academy, fifteen-year-old Ryan Dean West becomes captain of the rugby team, shares his dormitory room with a twelve-year-old prodigy, Sam Abernathy, and through the course of the year learns to appreciate things he has tried to resist, including change.

M Train - Patti Smith 2015-10-06

From the National Book Award-winning author of *Just Kids*: a “sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is” (Vanity Fair), told through the cafés and haunts she has worked in around the world. Patti Smith calls this bestselling work “a roadmap to my life.” *M Train* begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo’s Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York’s Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer’s craft and on artistic creation. Here, too, are singular memories of Smith’s life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, *M Train* is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith

The Harvard Psychedelic Club - Don Lattin 2011-01-04

This book is the story of how three brilliant scholars and one ambitious freshman crossed paths in the early sixties at a Harvard-sponsored psychedelic-drug research project, transforming their lives and American culture and launching the mind/body/spirit movement that inspired the explosion of yoga classes, organic produce, and alternative medicine. The four men came together in a time of upheaval and experimentation, and their exploration of an expanded consciousness set the stage for the social, spiritual, sexual, and psychological revolution of the 1960s. Timothy Leary would be the rebellious trickster, the premier proponent of the therapeutic and spiritual benefits of LSD, advising a generation to “turn on, tune in, and drop out.” Richard Alpert would be the seeker, traveling to India and returning to America as Ram Dass, reborn as a spiritual leader with his “Be Here Now” mantra, inspiring a restless army of spiritual pilgrims.

Huston Smith would be the teacher, practicing every world religion, introducing the Dalai Lama to the West, and educating generations of Americans to adopt a more tolerant, inclusive attitude toward other cultures’ beliefs. And young Andrew Weil would be the healer, becoming the undisputed leader of alternative medicine, devoting his life to the holistic reformation of the American health care system. It was meant to be a time of joy, of peace, and of love, but behind the scenes lurked backstabbing, jealousy, and outright betrayal. In spite of their personal conflicts, the members of the Harvard Psychedelic Club would forever change the way Americans view religion and practice medicine, and the very way we look at body and soul.

The Size of the Truth - Andrew Smith 2019-03-26

A boy who spent three days trapped in a well tries to overcome his PTSD and claustrophobia so he can fulfill his dream of becoming a famous chef in Andrew Smith’s first middle grade novel. When he was four years old, Sam Abernathy was trapped at the bottom of a well for three days, where he was teased by a smart-aleck armadillo named Bartleby. Since then, his parents plan every move he makes. But Sam doesn’t like their plans. He doesn’t want to go to MIT. And he doesn’t want to skip two grades, being stuck in the eighth grade as an eleven-year-old with James Jenkins, the boy he’s sure pushed him into the well in the first place. He wants to be a chef. And he’s going to start by entering the first annual Blue Creek Days Colonel Jenkins Macaroni and Cheese Cook-Off. That is, if he can survive eighth grade, and figure out the size of the truth that has slipped Sam’s memory for seven years.

Lead with a Story - Paul Smith 2012

Storytelling has come of age in the business world. Today, many of the most successful companies use storytelling as a leadership tool. At Nike, all senior executives are designated “corporate storytellers.” 3M banned bullet points years ago and replaced them with a process of writing “strategic narratives.” Procter Gamble hired Hollywood directors to teach its executives storytelling techniques. Some forward-thinking business schools have even added storytelling courses to their management curriculum. The reason for this is simple: Stories have the ability to engage an audience the way logic and bullet points alone never could. Whether you are trying to communicate a vision, sell an idea, or inspire commitment, storytelling is a powerful business tool that can mean the difference between mediocre results and phenomenal success. *Lead with a Story* contains both ready-to-use stories and how-to guidance for readers looking to craft their own. Designed for a wide variety of business challenges, the book shows how narrative can help: * Define culture and values * Engender creativity and innovation * Foster collaboration and build relationships * Provide coaching and feedback * Lead change * And more Whether in a speech or a memo, communicated to one person or a thousand, storytelling is an essential skill for success. Complete with examples from companies like Kellogg’s, Merrill-Lynch, Procter Gamble, National Car Rental, Wal-Mart, Pizza Hut, and more, this practical resource gives readers the guidance they need to deliver stories to stunning effect.

The Stolen Kingdom - Jillian Boehme 2021-03-02

“A bold girl, a kingdom under attack, magic everywhere—I devoured it in one sitting! This book is one wild ride!” —Tamora Pierce on *Stormrise* Nothing is quite as it seems in this thrilling YA fantasy adventure by Jillian Boehme, *The Stolen Kingdom*! For a hundred years, the once-prosperous kingdom of Perin Faye has suffered under the rule of the greedy and power-hungry Thungrave kings. Maralyth Graylaern, a vintner’s daughter, has no idea her hidden magical power is proof of a secret bloodline and claim to the throne. Alac Thungrave, the king’s second son, has always been uncomfortable with his position as the spare heir—and the dark, stolen magic that comes with ruling. When Maralyth becomes embroiled in a plot to murder the royal family and seize the throne, a cat-and-mouse chase ensues in an adventure of dark magic, court intrigue, and forbidden love. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Rabbit & Robot - Andrew Smith 2019-09-24

“This provocative jaunt...dissects society, technology, othering, and what makes humanity human.” —Publishers Weekly (starred review) “An unpredictable, gross, and prescient rumination on modernity, media consumption, and machine-aided communication.” —Booklist (starred review) Told with Andrew Smith’s signature dark humor, *Rabbit & Robot* tells the story of Cager Messer, a boy who’s stranded on the Tennessee—his father’s lunar-cruise utopia—with insane robots. To help him shake his Woz addiction, Billy

and Rowan transport Cager Messer up to the Tennessee, a giant lunar-cruise ship orbiting the moon. Meanwhile, Earth, in the midst of thirty simultaneous wars, burns to ash beneath them. And as the robots on board become increasingly insane and cannibalistic, and the Earth becomes a toxic wasteland, the boys have to wonder if they'll be stranded alone in space forever. In *Rabbit & Robot*, Andrew Smith, Printz Honor author of *Grasshopper Jungle*, makes you laugh, cry, and consider what it really means to be human.

Thai Stick - Peter Maguire 2013-11-19

Thailand's capital, Krungtep, known as Bangkok to Westerners and "the City of Angels" to Thais, has been home to smugglers and adventurers since the late eighteenth century. During the 1970s, it became a modern Casablanca to a new generation of treasure seekers: from surfers looking to finance their endless summers to wide-eyed hippie true believers and lethal marauders leftover from the Vietnam War. Moving a shipment of Thai sticks from northeast Thailand farms to American consumers meant navigating one of the most complex smuggling channels in the history of the drug trade. Peter Maguire and Mike Ritter are the first historians to document this underground industry, the only record of its existence rooted in the fading memories of its elusive participants. Conducting hundreds of interviews with smugglers and law enforcement agents, the authors recount the buy, the delivery, the voyage home, and the product offload. They capture the eccentric personalities who transformed the Thai marijuana trade from a GI cottage industry into one of the world's most lucrative commodities, unraveling a rare history from the smugglers' perspective.

Work's a Bitch and Then You Make It Work - Andrea Kay 2012-01-09

Are you frustrated by the indignities of life in today's workplace? More work, longer hours, fewer benefits, incompetent bosses—career consultant and expert Andrea Kay has heard it all. In her new book, Kay connects with the 85 percent of the workforce who feel unsatisfied with their careers. Readers will immediately recognize themselves in the stories she tells, gleaned from the thousands of unhappy workers who have responded to Kay's nationally syndicated column and appearances. But Kay doesn't just explore what's wrong with the workplace today; she empowers workers to think about their careers in a new way, to get past disillusionment and feelings of powerlessness to see the possibilities and control they do have. She counsels readers on how to aim high and be fearless in presenting new ideas; how to cope with the unpredictable; how to determine whether a company is a good match for you; how to define the kind of work arrangement you want, and get up the nerve to ask for it. Throughout the text and the thought-provoking exercises that accompany it, she offers ways to take concrete and positive steps that will improve both your career and your life. Work may indeed be a bitch sometimes, but with Andrea Kay's help, readers will work it out.

The Golden House - Salman Rushdie 2017-09-05

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic

of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

Ghost Medicine - Andrew Smith 2008-09-02

The summer before Troy Stotts turns seventeen, his mother dies. Troy and his father barely speak, communicating instead by writing notes on a legal pad by the phone. Troy spends most of his time with his closest friends: Tom Buller, brash and fearless, the son of a drunk; Gabe Benavidez, smart enough to know he'll never take over the family ranch; and Gabe's sister, Luz, whose family overprotects her, and who Troy has loved since they were children. Troy and his friends don't want trouble. They want this to be the summer of what Troy calls "ghost medicine," when time seems to stop, so they won't have to face the past or the future. But before the summer is over, their paths will cross in dangerous and fateful ways with people who will change their lives: Rose, a damaged derelict who lives with a flock of wild horses and goats; and Chase Rutledge, the arrogant sheriff's son. Troy and his friends want to disappear. Instead, they will become what they least expect —brothers, lovers, heroes, and ghosts.

Good and Cheap - Leanne Brown 2015-07-14

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, *Good and Cheap* is poised to become a cookbook that every food lover with a conscience will embrace.

WBCN and the American Revolution - Bill Lichtenstein 2021-11-30

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary *WBCN and the American Revolution* is available as a DVD sold separately.

Grasshopper Jungle - Andrew Smith 2014-02-11

A 2015 Michael L. Printz Honor Book Winner of the 2014 Boston Globe-Horn Book Award for Fiction "Raunchy, bizarre, smart and compelling." --Rolling Stone "Grasshopper Jungle is simultaneously creepy and hilarious. Reminds me of Kurt Vonnegut's in "Slaughterhouse Five," in the best sense." --New York Times Book Review In the small town of Ealing, Iowa, Austin and his best friend, Robby, have accidentally unleashed an unstoppable army. An army of horny, hungry, six-foot-tall praying mantises that only want to do two things. This is the truth. This is history. It's the end of the world. And nobody knows anything about it. You know what I mean. Funny, intense, complex, and brave, *Grasshopper Jungle* brilliantly weaves together everything from testicle-dissolving genetically modified corn to the struggles of recession-era, small-town America in this groundbreaking coming-of-age stunner.

Parenting with a Story - Paul Smith 2014-11-12

"Play nice!" "Be kind!" "Don't do that!" Every day, it seems half our conversations with young people is made up of commands dealing with character and niceties--all issues that need to be addressed and not ignored. But how is it working? Do you find yourself back at square one the next day, with a child acting as though they had no idea they shouldn't be lying? In *Parenting with a Story*, author Paul Smith, one of the world's leading experts in organizational storytelling, shows that when stories are used to illustrate to children how choices and consequences play out in the real world, with real people, the impact will be far more profound than the relentless commands that are forgotten or ignored as soon as the parent turns away. This collection of 101 narratives from people around the world and from all walks of life includes lessons that illuminate the power of character, integrity, curiosity, creativity, grit, kindness, patience, gratitude, and other essential characteristics every parent should be trying to instill in their children.

Sometimes heart-wrenching, sometimes funny, always compelling, these stories impart wisdom and help steer choices about: • Resisting peer pressure • Remaining open-minded • Being humble • Making courageous decisions • Standing by their word • Bouncing back from failure • Showing compassion • Picking friends wisely • And more Throughout all of history, stories have been used to help shape who we are and who we aspire to come. But effective storytelling doesn't have to be reserved for teachers, writers, and preachers. As a parent, learn how to share stories, discuss them with your child, and watch your child grow into the adult every parent would be proud of.

Emma: A Modern Retelling - Alexander McCall Smith 2015-04-07

The best-selling author of the No. 1 Ladies' Detective Agency series deftly escorts Jane Austen's beloved, meddlesome heroine into the twenty-first century in this delightfully inventive retelling. The summer after university, Emma Woodhouse returns home to the village of Highbury to prepare for the launch of her interior design business. As she cultivates grand plans for the future, she re-enters the household of her hypochondriac father, who has been living alone on a steady diet of vegetables and vitamin supplements. Soon Emma befriends Harriet Smith, the naïve but charming young teacher's assistant at an English-language school run by the hippie-ish Mrs. Goddard. Harriet is Emma's inspiration to do the two things she does best: offer guidance to those less wise in the ways of the world and put her matchmaking skills to good use. Happily, this summer presents abundant opportunities for her to do just that, as many friends, both old and new, are drawn into the sphere of Emma's occasionally injudicious counsel: Frank Churchill, the attractive stepson of Emma's former governess; George Knightley, Emma's brother-in-law and dear friend; the charming yet self-important Philip Elton; and, of course, the perfect (and perfectly vexing) Jane Fairfax. Alexander McCall Smith's gentle satire and cozy, old-fashioned sensibility prove to be the perfect match for Jane Austen's wit and characters. Though carriages have been replaced by Mini Coopers and cups of tea with cappuccinos, Emma's story is wonderfully timeless.
