A First Course in Statistics - James T. McClave 1995

Intended for the one semester general statistics course, this text emphasizes statistical thinking. It introduces topics of data collection including observations, experiments, and surveys.

Professional Liability to Third Parties - Jay M. Feinman 2006

Introduction to Reconfigurable Computing - Christophe Bobda 2007-09-30

This work is a comprehensive study of the field. It provides an entry point to the novice willing to move in the research field reconfigurable computing, FPGA and system on programmable chip design. The book can also be used as teaching reference for a graduate course in computer engineering, or as reference to advance electrical and computer engineers. It provides a very strong theoretical and practical background to the field, from the early Estrin's machine to the very modern architecture such as embedded logic devices.

Introduction to Business Law - Jeffrey F. Beatty 2005-03

This latest addition to the Beatty/Samuelson series of texts is explicitly written from the ground up to address the specific needs of a 1-term business law course. It effectively provides both comprehensive breadth of topical coverage and a cost-effective, manageable format for courses lasting just a single semester or quarter. INTRODUCTION TO BUSINESS LAW presents

the full range of business law topics in a series of fast-paced, brief digestible chapters, making the book accessible to a wide range of students. To further support reader-friendliness, this author team's unique hallmark writing style makes the law content unexpectedly sparkle. Through utilizing innovative, story-telling pedagogy, fascinating cases, and business applications that are sure to create student interest, the end result is a text that is authoritative and accurate yet a pleasure to read.

Business Law Today - The Essentials - Roger LeRoy Miller 2005-01

Prepared by Roger LeRoy Miller, Institute for University Studies, Arlington, Texas, and William Eric Hollowell, Member of U.S. Supreme Court Bar, Minnesota State Bar, and Florida State Bar. Includes chapter objectives, key points covered in the text, chapter introduction, chapter outline, true-false questions, fill-in questions, multiple-choice questions, short essay problems, issue spotters, and answers to all but the essay questions. The answers to the essay questions are in the Instructor's Manual.

Business Law: Principles for Today's Commercial Environment - David P. Twomey 2016-01-01
Twomey, Jennings and Greene's BUSINESS LAW: PRINCIPLES FOR TODAY'S COMMERCIAL ENVIRONMENT, 5E uses excerpted cases in the language of the court to provide both comprehensive and clear coverage. Updates throughout this edition address the

latest developments and all of today's most important business law topics without overwhelming readers with unnecessary detail. Based on the authors' extensive teaching and legal experience, this trusted book offers a wealth of integrated examples and applications that feature current events and familiar situations to help readers thoroughly grasp legal concepts. Engaging feature boxes, numerous brief examples and applications marked For Example reinforce concepts as readers progress through each chapter's narrative. This edition's clear, thorough guidance also assists current and future professionals in preparing for the CPA exam. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Legal Environment - Jeffrey F. Beatty 2011

Legal English: Advanced Level. Visual Reference Materials - 2018-10-29

Пособие предназначается для студентов-юристов, обучающихся по программе дополнительной квалификации «Переводчик в сфере профессиональной коммуникации». Книга содержит дополнительные материалы в виде рисунков, схем и таблиц по всем тематическим блокам учебного пособия «Legal English: Advanced Level: Английский язык для юристов» (в 3-х частях, автор: Е.Б. Попов). Текст печатается в авторской редакции.

Dynamic Business Law: The Essentials - Lucien Dhooge 2012-01-05

Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their

future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

Cengage Advantage Books: Fundamentals of Business Law: Summarized Cases - Roger LeRoy Miller 2012-01-02

Brief and affordable, FUNDAMENTALS OF BUSINESS LAW: SUMMARIZED CASES, 9th Edition focuses on the core business law topics students need to know, including contracts and sales, in an abbreviated, paperback book. The summarized cases integrated throughout the text illustrate key points of law without overwhelming students with unnecessary detail. Intended for the one-term course focused primarily on contracts and sales, FUNDAMENTALS OF BUSINESS LAW: SUMMARIZED CASES, 9th Edition condenses the latest legal topics--the Sarbanes-Oxley Act, cyberlaw, health-care and financial reform, the housing crisis, and more--for quick comprehension. Learning tools like boxed features, highlighted terms, learning objectives and summaries, self-testing, and review questions make FUNDAMENTALS OF BUSINESS LAW: SUMMARIZED CASES, 9th Edition the easy-to-understand alternative to traditional Business Law texts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Freedom Dreams - Robin D.G. Kelley 2003-06-15 Kelley unearths freedom dreams in this exciting history of renegade intellectuals and artists of the African diaspora in the twentieth century. Focusing on the visions of activists from C. L. R.

James to Aime Cesaire and Malcolm X, Kelley writes of the hope that Communism offered, the mindscapes of Surrealism, the transformative potential of radical feminism, and of the four-hundred-year-old dream of reparations for slavery and Jim Crow. From 'the preeminent historian of black popular culture' (Cornel West), an inspiring work on the power of imagination to transform society.

Criminal Procedure for the Criminal Justice Professional - John N. Ferdico 2008-03-01

Thoroughly updated, the Study Guide includes the following elements to help students get the most out of their classroom experience: learning objectives, a chapter outline and summary, key terms, and a self-test. The self-test consists of multiple-choice, fill-in-the-blank, true-false, and essay questions.

Entrepreneurship Education - Mathew J.

Manimala 2017-06-13

The book provides an overview of developments in the field of entrepreneurship education, with special reference to global perspectives on innovations and best practices, as well as research in the emerging economy context. It focuses on various experiments in curriculum design, review and reform in addition to the innovative processes adopted for developing new content for entrepreneurship courses, in many cases with an assessment of their impact on students' entrepreneurial performance. Further, it discusses the pedagogical methods introduced by teachers and trainers to enhance the effectiveness of students' learning and their development as future entrepreneurs. It explains the various initiatives generally undertaken to broaden the scope of entrepreneurship education by extending it beyond regular students and offering it to other groups such as professionals, technicians, artisans, war veterans, and the unemployed. The book is a valuable resource for researchers and academics working in the field of entrepreneurship education as well as for trainers, consultants, mentors and policy makers.

Business Law and the Legal Environment, Standard Edition - Jeffrey F. Beatty 2012-01-02

BUSINESS LAW AND THE LEGAL ENVIRONMENT, 6E uses vivid examples and memorable scenarios to lead students through the full breadth of business law. Focusing on

hands-on application and using a conversational writing style, this handy textbook equips students for business challenges from the first page. Plus, by showing students through practice how legal concepts apply to their future careers, BUSINESS LAW AND THE LEGAL ENVIRONMENT, 6E draws students into the material, helping them study more effectively and diligently. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

PMP Exam Practice Test and Study Guide - J. LeRoy Ward 2016-04-19

PMP Exam: Practice Test and Study Guide, Ninth Edition uses self-study to help readers increase their chances of passing the PMP certification exam the first time. This spiral-bound edition includes 40 multiple-choice practice questions in each of the ten knowledge areas and in the professional and social responsibilities domain. It prese

Irish Nationalists in America - David Brundage 2016-03-07

In this important work of deep learning and insight, David Brundage gives us the first full-scale history of Irish nationalists in the United States. Beginning with the brief exile of Theobald Wolfe Tone, founder of Irish republican nationalism, in Philadelphia on the eve of the bloody 1798 Irish rebellion, and concluding with the role of Bill Clinton's White House in the historic 1998 Good Friday Agreement in Northern Ireland, Brundage tells a story of more than two hundred years of Irish American (and American) activism in the cause of Ireland. The book, though, is far more than a narrative history of the movement. Brundage effectively weaves into his account a number of the analytical themes and perspectives that have transformed the study of nationalism over the last two decades. The most important of these perspectives is the "imagined" or "invented" character of nationalism. A second theme is the relationship of nationalism to the waves of global migration from the early nineteenth century to the present and, more precisely, the relationship of nationalist politics to the phenomenon of political exile. Finally, the work is concerned with Irish American nationalists' larger social and political vision, which sometimes expanded

to embrace causes such as the abolition of slavery, women's rights, or freedom for British colonial subjects in India and Africa, and at other times narrowed, avoiding or rejecting such "extraneous" concerns and connections. All of these themes are placed within a thoroughly transnational framework that is one of the book's most important contributions. Irish nationalism in America emerges from these pages as a movement of great resonance and power. This is a work that will transform our understanding of the experience of one of America's largest immigrant groups and of the phenomenon of diasporic or "long-distance" nationalism more generally.

Business Law Today, Standard: Text & Summarized Cases - Roger LeRoy Miller
2016-01-01

Cengage Advantage Books: Essentials of the Legal Environment - Roger Miller 2007-01-02

Get your money's worth with ESSENTIALS OF THE LEGAL ENVIRONMENT! This affordable text offers complete one-semester coverage of business law and its environment in a non-technical, straightforward, and engaging style. Authors Miller, Cross, and Jentz explain legal issues and court decisions in a way that pares down legal jargon while still conveying what you need to know to succeed in your course and in

the legal environment. *ESSENTIALS OF THE LEGAL ENVIRONMENT* covers all required business law topics for the CPA exam and includes a 2008 Online Legal Research Guide that provides basic information about how to find almost anything related to law on the internet. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[Business Law Today](#) - Roger LeRoy Miller 2016

What Parish Are You From? - Eileen M. McMahon 2021-12-14

For Irish Americans as well as for Chicago's other ethnic groups, the local parish once formed the nucleus of daily life. Focusing on the parish of St. Sabina's in the southwest Chicago neighborhood of Auburn-Gresham, Eileen McMahon takes a penetrating look at the response of Catholic ethnics to life in twentieth-century America. She reveals the role the parish church played in achieving a cohesive and vital ethnic neighborhood and shows how ethno-religious distinctions gave way to racial differences as a central point of identity and conflict. For most of this century the parish served as an important mechanism for helping Irish Catholics cope with a dominant Protestant-American culture. Anti-Catholicism in the society at large contributed to dependency on parishes and to a desire for separateness from the American mainstream. As much as Catholics may have wanted to insulate themselves in their parish communities, however, Chicago demographics and the fluid nature of the larger society made this ultimately impossible. Despite efforts at integration attempted by St. Sabina's liberal clergy, white parishioners viewed black migration into their neighborhood as a threat to their way of life and resisted it even as they relocated to the suburbs. The transition from white to black neighborhoods and parishes is a major theme of twentieth-century urban history. The experience of St. Sabina's, which changed from a predominantly Irish parish to a vibrant African-American Catholic community, provides insights into this social trend and suggests how the interplay between faith and ethnicity contributes to a resistance to change.

Business Law Today: Comprehensive: Text

and Cases - Roger LeRoy Miller 2011-01-01
BUSINESS LAW TODAY: COMPREHENSIVE immerses students in the excitement of cutting-edge business law with a wide selection of intriguing new cases and thorough coverage of the latest developments in the field. The Ninth Edition of this successful textbook makes the study of business law appealing and relevant for today's students without sacrificing the legal credibility and comprehensive coverage that have made the text a trusted favorite among instructors. Each chapter's visually engaging, time-tested learning tools illustrate how law is applied to real-world business problems and how landmark cases, statutes, and other laws are having a significant impact on the way businesses operate both within the United States and across the globe. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[Problem Solving and Critical Thinking for Designers](#) - Christine M. Piotrowski 2011-04-12

The essential guide to decision making and problem solving for the interior designer The interior design profession requires effective problem solving and critical thinking, as they impact all phases of the design project and most work activities of the interior designer. Whether you are a student or professional designer, much of what you do involves these skills. Although most of us do not even think about what we do in terms of these activities, they are a constant part of design. They are also skills that must be performed successfully outside a professional career. Improving these skills makes you a more sought-after employee and designer, effective business owner, and fulfilled individual. *Problem Solving and Critical Thinking for Designers* will put the reader on the correct path to a solutions-oriented practice. Using her trademark accessible and conversational approach, Christine Piotrowski guides readers through the process of how the working designer solves problems and makes decisions. Some of the topics she discusses are: Design process Communication Asking questions Problem definition and analysis Decision-making process Negotiation Working with others Ethical decision making This book also features real-life scenarios and design problems that guide the

reader toward making correct decisions in real-life situations.

Business Law and the Regulation of Business - Richard A. Mann 2016-01-01

Recognized for accurate, relevant, and straightforward coverage, *BUSINESS LAW AND THE REGULATION OF BUSINESS*, 12E illustrates how legal concepts apply to common business situations. The book's comprehensive, yet succinct, approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. The text includes both landmark and recent cases with the facts and decision summarized for clarity, while the opinion is carefully edited to preserve the language of the court. More than 220 figures, tables, diagrams, concept reviews, and chapter summaries clarify concepts. All key legal terms are clearly defined and explained. In addition, each chapter is carefully organized with numerous illustrative hypothetical and case examples that relate content to real-life experiences. Numerous critical-thinking features further strengthen readers' analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

West's Business Law - Kenneth W. Clarkson 2004

This text is used at more colleges and universities than any other business law text. With the perfect balance of tradition and innovation, this benchmark text brings to life the functions and inner-workings of business law in the real world. Rich with classic and modern cases, West's Business Law is the ideal text for students entering virtually any field of business. By combining this market leading text with a complete supplements and technology package, this is the one clear choice in business law courses.

Criminal Law and Procedure - Daniel E. Hall 2022-01-01

Examine the latest laws, updated regulations and current practices with Hall's *CRIMINAL LAW AND PROCEDURE*, 8E. This edition clearly presents every aspect of the law while also detailing the duties of a paralegal in criminal law. Comprehensive coverage and foundational concepts in both criminal law and criminal procedure blend with this edition's presentation

of cutting-edge developments and emerging trends. Updated statistics present data through 2019, while new material addresses topics such as today's surveillance and interrogation techniques, riots and vandalism in 2020 and 2021, current search and seizure practices as well as issues of race, policing and the qualified immunity standard. Updated edited cases present both current and landmark decisions. In addition, numerous learning features address engaging topics ranging from ethics to self-defense. Specially developed exercises and problems help you further sharpen analytical skills and knowledge of criminal law and procedures. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Human Puzzle - David G. Myers 1978

Money, Banking, and Financial Markets - Roger LeRoy Miller 2004

Focussing on money and banking, this text provides an integrated coverage of topics that are important to these fields in the 21st century. *Criminal Justice in Action* - Larry K. Gaines 2001 An engaging text/CD-ROM package with many features designed to spark student interest. Coverage progresses from measuring and explaining crime through policing, prisons, and the juvenile justice system. Boxed readings deal with criminal justice in action, criminal justice and technology, and popular culture, and offer first-person accounts of crimi

Cengage Advantage Books: Business Law Today: The Essentials - Roger LeRoy Miller 2010-01-01

This text is a briefer paperback version of the widely-adopted Miller/Jentz *BUSINESS LAW TODAY: THE STANDARD EDITION. THE ESSENTIALS* offers the very same traits that have made that book so successful edition after edition - it provides the legal credibility and authoritativeness of a traditional business law book while also offering strong visual appeal and student friendly features. The text's engaging, high-interest presentation is complemented by the essential detail and information necessary to completely explain law topics. The book truly offers you and your students the best of both worlds--a credible business law source, which

students will be motivated to read. Its magic and the cornerstone of its widespread success is in this ability to appeal to both instructors and students without being mutually exclusive. BUSINESS LAW TODAY: THE ESSENTIALS also offers the most comprehensive teaching and learning support package on the market, with something to fit many different instructional or learning styles. This text explicitly meets the AACSB curriculum requirements. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Legal Environment of Business - 2015

Cengage Advantage Books: Law for Business - John D. Ashcroft 2016-01-01

LAW FOR BUSINESS, 19E from Cengage Advantage Books provides a practical approach to law that emphasizes the current, relevant topics current and future professionals need to succeed in business today. Compelling cases throughout this edition highlight recent business challenges, such as trademark infringement, capacity to contract, agency, and employment-at-will. In addition, timely coverage of business ethics and the law provides new insights into recent corporate scandals and indictments. Popular legal authors Ashcroft, Ashcroft, and Patterson combine short chapters and a full-color design with real-world examples, meaningful applications and Learning Objectives to make business law approachable and applicable for reader's future success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Security and Loss Prevention - Philip Purpura 2013-01-18

The sixth edition of Security and Loss Prevention continues the tradition of providing introductory and advanced coverage of the body of knowledge of the security profession. To bridge theory to practice is the book's backbone, and Philip Purpura continues this strong effort with new sidebars and text boxes presenting actual security challenges from real-life situations. Globally recognized and on the ASIS International Certified Protection Professional reading list, the sixth edition of Security and Loss Prevention enhances its position in the

market as a comprehensive, interdisciplinary, and up-to-date treatment of the area, connecting the public and private sector and the worlds of physical security and technological security. Purpura once again demonstrates why students and professionals alike rely on this best-selling text as a timely, reliable resource encompassing the breadth and depth of considerations involved when implementing general loss prevention concepts and security programs within an organization. New focus on recent technologies like social networks, digital evidence warrants, and advances in CCTV, and how those apply to security and loss prevention. Incorporates changes in laws, presents various strategies of asset protection, and covers the ever-evolving technology of security and loss prevention. Utilizes end-of-chapter case problems that take the chapters' content and relate it to real security situations and issues, offering various perspectives on contemporary security challenges. Includes student study questions and an accompanying Instructor's manual with lecture slides, lesson plans, and an instructor test bank for each chapter.

Cengage Advantage Books: Business Law Today: The Essentials - Roger Miller 2007-09-26

Interesting, clear, and applied, BUSINESS LAW TODAY: THE ESSENTIALS is your concise guide to the law and what it means in the business world--from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, BUSINESS LAW TODAY includes coverage of contemporary topics that impact not only the business world, but your life--from the USA Patriot Act's effect on constitutional rights to the national Do Not Call registry. Fascinating features and intriguing cases highlight the material's practicality. The text's companion website includes resources to help you study, such as sample answers to the end-of-chapter case problem features; videos clips for use with in-text video questions; Internet exercises; and interactive quizzes for every chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Psychology for Sustainability - Britain A.

Scott 2015-07-24

Psychology for Sustainability, 4th Edition -- known as Psychology of Environmental Problems: Psychology for Sustainability in its previous edition -- applies psychological theory and research to so-called "environmental" problems, which actually result from human behavior that degrades natural systems. This upbeat, user-friendly edition represents a dramatic reorganization and includes a substantial amount of new content that will be useful to students and faculty in a variety of disciplines—and to people outside of academia, as well. The literature reviewed throughout the text is up-to-date, and reflects the burgeoning efforts of many in the behavioral sciences who are working to create a more sustainable society. The 4th Edition is organized in four sections. The first section provides a foundation by familiarizing readers with the current ecological crisis and its historical origins, and by offering a vision for a sustainable future. The next five chapters present psychological research methods, theory, and findings pertinent to understanding, and changing, unsustainable behavior. The third section addresses the reciprocal relationship between planetary and human wellbeing and the final chapter encourages readers to take what they have learned and apply it to move behavior in a sustainable direction. The book concludes with a variety of theoretically and empirically grounded ideas for how to face this challenging task with positivity, wisdom, and enthusiasm. This textbook may be used as a primary or secondary textbook in a wide range of courses on Ecological Psychology, Environmental Science, Sustainability Sciences, Environmental Education, and Social Marketing. It also provides a valuable resource for professional audiences of policymakers, legislators, and those working on sustainable communities.

[The Fundamentals of Business Law \(with Legal Forms\)](#) - Harry Hers Yanckwich 1915

Business Law Today, Standard Edition -

Roger LeRoy Miller 2010-01-01

BUSINESS LAW TODAY: STANDARD EDITION provides the legal credibility, authoritativeness, and comprehensiveness of a traditional business law book while also offering strong visual appeal

and student friendly features. The text's engaging, high-interest presentation is complemented by the essential detail and information necessary to completely explain law topics. The book truly offers you and your students the best of both worlds--a credible business law source, which students will be motivated to read. Its magic and the cornerstone of its widespread success is in this ability to appeal to both instructors and students without being mutually exclusive. BUSINESS LAW TODAY: STANDARD EDITION also offers the most comprehensive teaching and learning support package on the market, with something to fit many different instructional or learning styles. This text explicitly meets the AACSB curriculum requirements. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Towards Reforming the Legal Framework for Secured Transactions in Nigeria - Chima Williams Ihome 2016-08-16

This book offers a valuable guide to one of the most challenging areas of commercial law, now frequently referred to as secured transactions, with a focus on Nigerian, Canadian and United States perspectives. A debtor's ability to provide collateral influences not only the cost of the money borrowed, but also in many cases, whether secured lenders are willing to offer credit at all. The book proposes that increasing access to, and indeed, lowering the cost of credit could tremendously boost economic development, while at the same time arguing that this would best be achieved if the legal framework for secured transactions in Nigeria, and of course, any other country with similar experiences, were designed to allow the use of personal property and fixtures to secure credit. Similarly, the creation, priority, perfection, and enforcement of security interests in personal property should be simplified and supported by a framework that ensures that neither the interests of secured lenders nor debtors are hampered, so as to guarantee the continuous availability of affordable credit as well as debtors' willingness to borrow and do business. The book further argues that in addition to the obvious preference for real property over personal property by secured lenders due to the

unreformed secured-transactions legal framework in Nigeria, its compartmentalized nature has also resulted in unpredictability in commerce and the concomitant effects of poor access to credit. Through the comparative research conducted in this book utilizing the UCC Article 9 and Ontario PPSA as benchmarks, the author provides reformers with a repository of tested secured-transactions law solutions, which law reformers in the Commonwealth countries in Africa and beyond, as well as the business community will find valuable in dealing with issues that stem from secured transactions.

Anatomy of Greed - Brian Cruver 2003-09-02
Young, brash, sporting a shiny new MBA, and obscenely overpaid, Brian Cruver epitomized the Enron employee when he first entered the company's Houston office; and from day one he found himself a cog in the wheel of a venal greed machine. For the next nine months, he would

witness firsthand the now-infamous corporate tragedy that he relates in these ruthlessly honest, often hilarious, and frequently disturbing pages. Here are the accounting tricks, insider stock trades, grossly lucrative fraudulent partnerships, and death dance to bankruptcy. Equally revealing, though, are Cruver's descriptions of everyday life at Enron: the cocky wheeling and dealing, intraoffice relationships, casual conversations at the shredder, and the insidious group-think that committed Enronians to the propaganda of flawed executives like Ken Lay, Jeffrey Skilling, and Andy Fastow. Out of their wreckage, Cruver has fashioned an arresting and cautionary morality tale for our time. *Anatomy of Greed* was the basis for the CBS-TV movie *The Crooked E*: a behind-the-scenes chronicle of the last days in the strange life of one of the world's richest, riskiest, and most corrupt corporations. Eight pages of telling photographs are included.
