The New Rules of Work - Alexandra Cavoulacos
2017

"In this definitive guide to the ever-changing modern workplace, Kathryn Minshew and Alexandra Cavoulacos, the co-founders of popular career website TheMuse.com, show how to play the game by the New Rules. The Muse is known for sharp, relevant, and get-to-the-point advice on how to figure out exactly what your values and your skills are and how they best play out in the marketplace. Now Kathryn and Alex have gathered all of that advice and more in The New Rules of Work. Through quick exercises and structured tips, the authors will guide you as you sort through your countless options; communicate who you are and why you are valuable; and stand out from the crowd. The New Rules of Work shows how to choose a perfect career path, land the best job, and wake

up feeling excited to go to work every day-- whether you are starting out in your career, looking to move ahead, navigating a mid-career shift, or anywhere in between"--

Knock 'em Dead Cover Letters - Martin Yate
2016-11-04

Cover letters that get noticed, get read, and get the interview! In the newest edition of his classic cover letter guide, job search expert Martin Yate shows you how to dramatically increase your chance of landing an interview. The key, as Yate explains, is to use language drawn from the job posting itself, words that will send your application to the top of database searches. In this completely updated guide, you'll find numerous sample cover letters, along with Yate's tried and proven methods to: Determine relevant keywords to get attention--and use them effectively Clearly display your personal brand and the transferable skills you bring to the job Find the right contact information that gets your material in front of decision-making managers and recruiters Use social media sites such as LinkedIn to create an effective online profile and build professional and personal networks With Martin Yate's expert advice, you'll create unique and compelling cover letters that will grab employers' attention and get you in the door!

Writing for Accountants - Aletha S. Hendrickson
1993

Broadcasting & Cable - 2007

Ask a Manager - Alison Green 2018-05-01

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party
Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I

am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Beyond the Resume - Peter Gray 2006-07-05

Using the right phrases at the right moment can make all the difference! It can generate real interest in you, provoke more questions, and show an interviewer that you are the right person for the job. The same applies to written communications such as letters or emails and to voice mail messages. Like learning a foreign language, these phrases, when practiced carefully and used properly, become natural and powerful techniques by which to express oneself. The advice, materials and phrases in Beyond the Resume arm you with appropriate actions to take and phrases to use. It is not the intent of the book to "prop you up" to sound like someone you are not. Instead, it is to help you speak to your strengths, experiences, and job know-how. The book is a "soup to nuts" kind of book that takes you from the point of initial contact with the hiring authority, through interviewing, and on to closing the deal.

Billboard - 2005-06-04

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. The Ultimate Job Hunter's Guidebook - Susan Greene 2014-06-19

Offering concise coverage of essential job-hunting and career strategies, this flexible guidebook can supplement any business course or serve as the foundation for a career development class. The Seventh Edition focuses on real-world applications through experiential exercises and hands-on activities that provide a comprehensive how-to for anyone beginning a job search. It delivers practical advice in a straightforward style along with action-oriented examples that can easily be followed. Students are taught to look beyond traditional resources like classified ads to find potential employers.

For example, this edition includes a new, information-packed chapter on using social networks such as LinkedIn, Facebook and Twitter in the job search. As in previous editions, the text offers many samples of job hunting tools, such as resumes and cover letters from a wide variety of career fields. Students can use these samples as virtual templates, substituting their own information into the established format. Throughout each chapter is heavy

emphasis on employing the latest technologies and online tools at every phase of the job hunt. The techniques covered in The Ultimate Job Hunter's Guidebook will prove useful to students as they embark on their new career and in years to come as they progress in their chosen profession.
