All the Secrets - Charlotte Byrd 2020-11-17

The only way he'll agree to the story about the great and reclusive writer, D. B. Carter is if I agree to spend the week with him. He thinks that the reason that I left is that I don't want him. Nothing could be from the truth. He thinks I was insulted. He's wrong. I have a fire in my body that burns just for him. Still, I leave. He

shouldn't have asked for something like that. All that it did was push me away. But I have to write this story to save my job. It won't be published for a while and I'll have time to convince him to go on the record. At least, that's what I think. But then the article comes out and he shows up at my house. He's angry. Project X - Audrey Andujar Wright 2015-08-03

This compilation of poems is rolled out as one long poem which spans the journey of the spiritual growth of an adulterous woman in a nation spinning, while facing unspeakable adversity with grace and love. It also deals with individual spiritual growth and transferring love from a man to God, and also with National

Politics in the USA and the threat of ISIS. It is not only poetry, but also draws influence from "Spoken Word" traditions. In the Afterword you will find a treasure of a Christian Testimony in the form of another Poem by Jamie Wyatt."Dearest friends, for a long time I was in a place where my exterior circumstances controlled me internally, and I was miserable, not only because it wasn't I who had control, but also because those external circumstances were being imposed against my will, and like everyone else, I blamed it on our President (reminds me of Pink's song, "Mr. President," which was for a different Administration). Eventually, I started opening my mind to the possibility that if the good Lord had permitted so and so to happen, despite intercessory prayer, there was a reason for it and it was His Will. I still didn't like it; so, He opened up the heavens and showed me a little piece of His masterpiece here on earth- He let me see the grid and aliens and bad stuff too: I see ISIS for who they are. Then I realized, I'm

just a little spec of sand on the map of time, in one universe, and if I could do some good to at least one other little spec of sand or two - that would probably be enough, and if there was some way the good Lord could use even my suffering and frustration, He would use it for at least my own benefit and someone else's. God is great and nothing is wasted! So no matter what you're going through, know that God will somehow turn it to good in due time. Relish the fight! But love will get you peace. Blessings, hugs and warm thoughts to you and yours! God bless us and God bless the USA!" -Audrey
