Every Man is a Race - Mia Couto 1994

'A man's story is always badly told. That's because a person never stops being born. Nobody leads one sole life, we are all multiplied into different and ever-changeable men.' So it is with all the stories in this collection, which never make a definitive judgement on the individual life, but only suggest its possibilities. Set in Mozambique, the stories reflect the legacy of Portuguese colonialism and the tragedy of the subsequent civil war. Mia Couto's first collection, *Voices Made Night*, was described as 'lyrical', 'magical' and 'compassionate' by the reviewers, who were unanimous in identifying a

significant new talent from the continent. This volume confirms that judgement.

Alice's Adventures in Wonderland - Lewis Carroll 2010-01-01

In 1865, English author CHARLES LUTWIDGE DODGSON (1832-1898), aka Lewis Carroll, wrote a fantastical adventure story for the young daughters of a friend. The adventures of Alice—named for one of the little girls to whom the book was dedicated—who journeys down a rabbit hole and into a whimsical underworld realm, instantly struck a chord with the British public, and then with readers around the world.

Dodgson's playfulness—with language, with mathematical puzzles, with testy creatures such as the White Rabbit, the Mad Hatter and the Queen of Hearts—still confounds and teases lovers of fantasy fiction today. Alice acolytes continue to unravel the book's strange riddles, and constantly find new meaning in the unexpected underlying themes, from the trials of early adolescence to the value of nonsense. The conundrums and delights of Alice ensures its ongoing influence over modern pop culture. This unabridged replica edition features the original illustrations by English artist SIR JOHN TENNIEL (1820-1914), and is a treasured addition to any library.

It Ends with Us - Colleen Hoover 2020-07-28

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as

Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).
