Be Recorder - Carmen Giménez Smith 2019-08-06

Finalist for the National Book Award for Poetry • Finalist for the PEN Open Book Award • Finalist for the Los Angeles Times Book Prize Carmen Giménez Smith dares to demand renewal for a world made unrecognizable Be Recorder offers readers a blazing way forward into an as yet unmade world. The many times and tongues in these poems investigate the precariousness of personhood in lines that excoriate and sanctify. Carmen Giménez Smith turns the increasingly pressing urge to cry out into a dream of rebellion—against compromise, against inertia, against self-delusion, and

against the ways the media dream up our complacency in an America that depends on it. This reckoning with self and nation demonstrates that who and where we are is as conditional as the fact of our compliance: “Miss America from sea to shining sea / the huddled masses have a question / there is one of you and all of us.” Be Recorder is unrepentant and unstoppable, and affirms Giménez Smith as one of the most vital and vivacious poets of our time.

The Beginners Method for Soprano and Alto Recorder - Sonja Burakoff 1991-02

*Best Beginning Recorder Book for Kids* - Larry E Newman 2021-01-02

Finally, a recorder book with appeal to kids that focuses on fundamentals taught through songs that young people love to play. Author Larry E. Newman (The Recorder Fun Book) created this book to be used as a first year beginning method or as a second year review and continuing book for the progressing intermediate student. The book is crammed with tons of musical examples, scales, arpeggios, songs, solos, duets and trios plus dozens of fun, kid-centered illustrations. There are play-a-long mp3s available to help motivate students and make playing fun. This book makes a great follow-up to The Recorder Fun Book since the first part of the book provides lots of review and the remainder of the book introduces new notes and concepts. With more than one-hundred pages, this book has it all.

Fun and games with the alto recorder - Gudrun Heyens

2005

(Schott). A comprehensive recorder method ranging from the beginner's first notes and progressing in carefully managed small steps to advanced playing on the alto.

Particular value is placed on musical awareness; expressive playing is presented on an

equal basis with breathing, finger and tonguing

techniques. Singing and playing from memory are

essential to musical development and play a major

development and play a major

role throughout the series. Since the first volumes of "Fun and Games with the Recorder" for soprano recorder are intended for use with children from about six years of age, this method for alto recorder is therefore aimed at children of around 10 \* 12 years. As in the previous books in this series we address the child directly and provide carefully planned and precisely formulated exercises.
