This book I would hope would open the minds of alot of people who refuse to accept the greatness of the afro- american, and all those who climb from the bottom, and want to be recognize for their glory and not their short comings.In the mist of this day i want people to know they can achieve anything they set out to achieve, and don't let no one tell you different. When putting these poems together my theme was for us to rise as people and stop killing one

another and start helping one another, for now is the time to rise, for tomorrow may overcome your true radiance!
