Time Enough For Love - Robert A. Heinlein
2021-10-05

Journey through time and space with the longest-living man in the universe in this mind-bending novel from New York Times bestselling Grand Master of Science Fiction Robert A. Heinlein. Time Enough for Love follows Lazarus Long through a vast and magnificent timescape of centuries and worlds. Heinlein's longest and most ambitious work, it is the story of a man so in love with Life that he refused to stop living it, and so in love with Time that he became his own ancestor.

The Man Who Folded Himself - David Gerrold
2011-02-02

This classic work of science fiction is widely considered to be the ultimate time-travel novel. When Daniel Eakins inherits a time machine, he soon realizes that he has enormous power to shape the course of history. He can foil terrorists, prevent assassinations, or just make some fast money at the racetrack. And if he doesn't like the results of the change, he can simply go back in time and talk himself out of making it! But Dan soon finds that there are limits to his powers and forces beyond his control.

The Unpleasant Profession of Jonathan Hoag - Robert Anson Heinlein 1980-02-15
Robert A. Heinlein, the celebrated author of Stranger in a Strange Land, interrupts the lives of two ordinary people for a terrifying night-ride along the interface between reality and . . . our world. "One of the grand masters of science fiction".--Wall Street Journal.

Diary of a Minecraft Zombie #21 - Zack
Zombie (Fictitious character) 2019-09

Have you ever wondered what life is like for a Minecraft Zombie? Boogiemans Big Top circus is in town! Death-defying trapeze artists, loose-limbed contortionists, treacherous foot juggling and, worst of all, creepy clowns. Whats more, its open to the public! Zombie and his friends cant wait to get involved. But then Zombies mum, Mildred, disappears... and no one except him seems worried. Zombie has to juggle practising

his act, looking after his dad and little brother AND leading the investigation to find his mum. Can he hold it all together, find his mum and pull off the craziest act in the circus?

Hollow Kingdom - Kira Jane Buxton 2019-08-06

A finalist for the 2020 Thurber Prize for American Humor! "The Secret Life of Pets meets The Walking Dead" in this big-hearted, boundlessly beautiful romp through the Apocalypse, where a foul-mouthed crow is humanity's only chance to survive Seattle's zombie problem (Karen Joy Fowler, PEN/Faulkner Award-winning author). S.T., a domesticated crow, is a bird of simple pleasures: hanging out with his owner Big Jim, trading insults with Seattle's wild crows (i.e. "those idiots"), and enjoying the finest food humankind has to offer: Cheetos ®. But when Big Jim's eyeball falls out of his head, S.T. starts to think something's not quite right. His tried-and-true remedies—from beak-delivered beer to the slobbering affection of Big Jim's loyal but dim-witted dog, Dennis—fail to cure Big Jim's debilitating malady. S.T. is left with no choice but to abandon his old life and venture out into a wild and frightening new world with his trusty steed Dennis, where he suddenly discovers that the neighbors are devouring one another. Local wildlife is abuzz with rumors of Seattle's dangerous new predators. Humanity's extinction has seemingly arrived, and the only one determined to save it is a cowardly crow whose only knowledge of the world comes from TV. What could possibly go wrong? Includes a Reading Group Guide.

Super Zombie Juice Mega Bomb - MJ Ware 2011-09-18

When life gives you lemons, kill zombies — turns out lemon juice neutralizes the undead. After a failed attempt at running away, best friends Nathan and Misty return home expecting to face angry parents. Instead, they discover the military has destroyed the bridges out of their rural town and everyone's fled—except a small horde of the living dead. The stress of flesh-eating zombies may be more than their already strained relationship can handle. Even with the help of the town geek and lemonade-powered Super-Soakers, there's not enough time to squeeze their way out of this sticky mess. Unless the trio eradicates the zombie infestation, while

avoiding the deadly zombie snot, the military will blow the town, and them, to pulp. Their only shot is something with a lot more punch. Something like the Super Zombie Juice Mega Bomb. But even if their friendship survives, there's another problem: Someone has to lure the undead into the trap.

Uprising UK - George Hill 2010-11-16

Can You Survive the Zombie Apocalypse? -

Max Brallier 2011-02-08

Inside these pages lies unspeakable horror. Bloodsplattering, brain-impaling, flesh-devouring horror. You've probably read your fair share of zombie stories. But this time it's different. No longer can you sit idle as a bunch of fools make all the wrong moves. All hell is about to break loose—and YOU have a say in humanity's survival. You have choices to make. Moral dilemmas. Strategic decisions. Weapons. Vehicles. Will you be a hero? Or will you cover

your own ass at all costs? Can you withstand the coming hours, days, weeks, and months? Or will you die amidst the chaos and violence of a zombie uprising? Or, worst of all, will you become one of them?

Eat Your Heart Out - Kelly deVos 2021-06-29
Shaun of the Dead meets Dumplin' in this bitingly funny YA thriller about a kickass group of teens battling a ravenous group of zombies. In the next few hours, one of three things will happen. 1--We'll be rescued (unlikely) 2--We'll freeze to death (maybe) 3--We'll be eaten by thin and athletic zombies (odds: excellent) Vivian Ellenshaw is fat, but she knows she doesn't need to lose weight, so she's none too happy to find herself forced into a weight-loss camp's van with her ex-best friend, Allie, a meathead jock who can barely drive, and the camp owner's snobby son. And when they arrive at Camp Featherlite at the start of the worst blizzard in the history of Flagstaff, Arizona, it's clear that something isn't right. Vee barely has a chance to meet the other members of her pod, all who seem as unhappy to be at Featherlite as she does, when a camper goes missing down by the lake. Then she spots something horrifying outside in the snow. Something...that isn't human. Plus, the camp's supposed "miracle cure" for obesity just seems fishy, and Vee and her fellow campers know they don't need to be cured. Of anything. Even worse, it's not long before Camp Featherlite's luxurious bungalows are totally overrun with zombies. What starts out as a mission to unravel the camp's secrets turns into a desperate fight for survival--and not all of the Featherlite campers will make it out alive. A satirical blend of horror, body positivity, and humor, Kelly deVos's witty, biting novel proves that everyone deserves to feel validated, and taking down the evil enterprise determined to dehumanize you is a good place to start.

Minecraft: Zombies! - Nick Eliopoulos
2022-07-05

Meet the next big thing in the world of official Minecraft novels: zombies! Looking after a little sibling can be a real headache . . . especially when they're trying to eat your brains! Life is good for Bobbie in the sleepy village of

Plaintown. Sure, her villager parents only ever say "Hrm," but you pick up the local language quickly. And maybe her little brother, Johnny, is always getting into trouble, but the village's iron golem is there to look out for him. And, yeah, things are too busy for exploring when you're the only one in town who ever takes their hands out of their sleeves. But maybe that's for the best. After all, there are things out there beyond the torchlight that are better handled by adventurers. But one night, a stranger comes to Plaintown—and he's followed by a horde of ravenous zombies. Bobbie's village is overrun, and her world is turned upside down. Life is not so good for Ben, an adventurer with nothing left to his name but the armor on his back. When dawn's light shows him an abandoned village, he sees it as a chance to pick through the wreckage and get himself back on track. What he wasn't expecting to run into was a desperate girl with a baby zombie villager on a leash. Bobbie and Johnny are the only ones left . . . and her brother's a lot greener and a lot bitier than he was last night. There's still some of Johnny rattling around the little monster's mind; Bobbie just knows it. And Ben might know a way to bring him back. As the two journey across the Overworld, dragging Johnny along (literally), they brave dangerous depths, terrifying mobs, and an expanding mystery. Was the attack on Bobbie's village really just bad luck? Where did the rest of the zombie villagers go? And how exactly do you take care of a little brother who can't stop trying to eat you?

Traumatic Zombies - Mahoor Zahid 2021-05-18
A story with no names but pain, desperation and hurt, all going in circles. A family to whom pain was no foreigner. A journey of love but self-hate. A journey of how trauma shaped a zombie. A journey of a family where two were saved yet last one survived, till... This book deals with societal norms conquering self-love and portrays the survival of people who were drowning because of hate. It's an attempt to make people aware of how bullying and the idea of fitting in can be toxic. A story with no plot twists but emotions turned demons. Loss of identity and struggle to fit in, I offer you a story that makes you want to continue with life which might have many pauses but not an untimely end. A story with no period because haven't we all continued

with our lives at some point with the help of the last ray of hope when it was supposed to be a dead-end, a full stop.

Bearing an Hourglass - Piers Anthony

2012-02-14

Like *On a Pale Horse*, this second, complete-in-itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story. And again, Piers Anthony adds to his gripping plot a serious, though-provoking study of good and evil. When life seemed pointless to Norton, he accepted the position as the Incarnation of Time, even though it meant living backward from present to past. The other seemingly all-powerful Incarnates of Immortality—Death, Fate, War, and Nature—made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted, he had become enmeshed in a complex scheme of the Evil One to destroy all that was good. In the end, armed with only the Hourglass, Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell, he was resolved to fight on.

The Girl With All the Gifts - M. R. Carey

2014-06-10

In the ruins of civilization, a young girl's kindness and capacity for love will either save humanity -- or wipe it out in this USA Today bestselling thriller Joss Whedon calls "heartfelt, remorseless, and painfully human." Melanie is a very special girl. Dr Caldwell calls her "our little genius." Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant keeps his gun pointed at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite, but they don't laugh.

The Angel's Lounge - Kane Lesser 2015-09-17
Billionaire mogul Breck Archangel 'Angel' Stewart built his magnificent music and fashion empires from the smoldering ashes of his impoverished and abusive Scottish upbringing, taking by storm the elite gentry of Chicago's Gold Coast and adoring global throngs. Decadent surroundings, priceless automobiles, and reckless lovers rarely filled the abysmal void left by the mysterious disappearance of his young family so long ago. But when his dearest friend Rufus appeared with the sultry and alluring blond on his arm at the gala opening of his palatial lounge, Breck was inexplicably drawn into the sea of long-past familial darkness. Could this beauty be his daughter, now miraculously returned to his fold? Her aura was nothing shy of haunting. And as the rapid succession of Breck's brutal beating and shooting came all too coincidentally in exactly one year's time, his horrifying family secrets began to unravel. Sacrificing himself to those determined to bring about his extinction, a play putting him and those closest to him in the ultimate mortal danger, no price was too great to pay for the truth that would bring his family back to his embrace.

For Those in Peril on the Sea - Colin M. Drysdale 2013-03

Primarily set in the northern Bahamas, this book weaves its story of post-apocalyptic survival into the local sub-tropical seascape and the sailing culture that can be found there. With its evocative use of real locations haunted by zombie-like infected and atmospheric depictions of the trials of life at sea drawn from the author's own experiences, *For Those In Peril On The Sea* provides a new and unusual take on the traditional post-apocalyptic genre. From the back of the book: After a six week voyage across the Atlantic, they couldn't wait to get to shore. When they got there, they found the land would never be safe again... There was nothing to suggest it would be anything more than a routine delivery. Four people thrown together by chance, sailing a newly-built catamaran from South Africa to Miami. But while they were away, something happened, something none of them could ever have imagined. When they get back to civilisation, they find it no longer exists. The land is no longer safe. Their only option is to stay on the boat and try to survive. Join Bill, Rob, Jon and CJ as they travel around their frightening new world. One where they must

struggle against the infected that now rule the land, the elements and each other.

I Will Fear No Evil - Robert A. Heinlein

1987-04-15

The brilliantly shocking story of the ultimate transplant from New York Times bestselling author Robert A. Heinlein. As startling and provocative as his famous *Stranger in a Strange Land*, here is Heinlein's awesome masterpiece about a man supremely talented, immensely old and obscenely wealthy who discovers that money can buy everything. Even a new life in the body of a beautiful young woman. Once again, master storyteller Robert A. Heinlein delivers a wild and intriguing classic of science fiction.

Zombies in Western Culture - John Vervaeke 2017-06-15

Why has the zombie become such a pervasive figure in twenty-first-century popular culture? John Vervaeke, Christopher Mastropietro and Filip Miscevic seek to answer this question by arguing that particular aspects of the zombie, common to a variety of media forms, reflect a crisis in modern Western culture. The authors examine the essential features of the zombie, including mindlessness, ugliness and homelessness, and argue that these reflect the outlook of the contemporary West and its attendant zeitgeists of anxiety, alienation, disconnection and disenfranchisement. They trace the relationship between zombies and the theme of secular apocalypse, demonstrating that the zombie draws its power from being a perversion of the Christian mythos of death and resurrection. Symbolic of a lost Christian worldview, the zombie represents a world that can no longer explain itself, nor provide us with instructions for how to live within it. The concept of 'domicide' or the destruction of home is developed to describe the modern crisis of meaning that the zombie both represents and

reflects. This is illustrated using case studies including the relocation of the Anishinaabe of the Grassy Narrows First Nation, and the upheaval of population displacement in the Hellenistic period. Finally, the authors invoke and reformulate symbols of the four horseman of the apocalypse as rhetorical analogues to frame those aspects of contemporary collapse that elucidate the horror of the zombie. *Zombies in Western Culture: A Twenty-First Century Crisis* is required reading for anyone interested in the phenomenon of zombies in contemporary culture. It will also be of interest to an interdisciplinary audience including students and scholars of culture studies, semiotics, philosophy, religious studies, eschatology, anthropology, Jungian studies, and sociology.

phenomena in cemeteries in Scotland, Germany,
Italy, and America. Only one individual knows
what's happening--and why! This person also
knows the one girl who can prevent an
unspeakable and imminent catastrophe from
taking place. But will she? When Caitlin
Fletcher's mom disappeared (or left?) four years
ago, Caitlin began suffering from breathless
bouts of anxiety. Her new move to London, with
her Dad and brainiac sister, threatens to lead to
more situations that will trigger panic. Now, he's
having anxiety over the possibility of having
anxiety! Caitlin's life takes a turn for the bizarre
when she's tricked into climbing down a "rabbit
hole", landing in a wondrous fairy tale universe--
except it's crawling with savage, starving blood-
eyed zombies. But what's scarier--a blood thirsty
zombie, a panic attack...or the painful truth?!
