Modern Constitutional Law - Ronald D. Rotunda 1993

Business - Marianne Jennings 2003

Without a doubt, the connection between law and business ethics is made clear with *Business: Its Legal, Ethical and Global Environment*. Through an integration of examples and applications, users learn how to apply legal and ethical reasoning skills when making business decisions. No other book on the market better

prepares tomorrow's managers for the legal, ethical, and global environment in which they will work. Jennings balances coverage of traditional legal and ethical topics with emerging trends in the business world, such as cyberlaw, international law, and alternate dispute resolution.

Introduction to Business

Law - Jeffrey F. Beatty 2005-03

This latest addition to the Beatty/Samuelson series of texts is explicitly written from the ground up to address the specific needs of a 1-term business law course. It effectively provides both comprehensive breadth of topical coverage and a cost-effective, manageable format for courses lasting just a single semester or quarter.

INTRODUCTION TO BUSINESS LAW presents the full range of business law topics in a series of fast-paced, brief digestible chapters, making the book accessible to a wide range of students. To further support reader-friendliness, this author team's

unique hallmark writing style makes the law content unexpectedly sparkle. Through utilizing innovative, story-telling pedagogy, fascinating cases, and business applications that are sure to create student interest, the end result is a text that is authoritative and accurate yet a pleasure to read.

The Law of Corporations and Other Business Organizations - Angela Schneeman 2012-03-12
THE LAW OF CORPORATIONS AND OTHER BUSINESS ORGANIZATIONS, 6th Edition
deciphers the complex substantive and procedural laws surrounding U.S. business entities today. Focusing on corporations, sole proprietorships, partnerships, limited liability partnerships, and limited liability entities, the text explains the law and the theory behind the law while providing practical information that the paralegal can use on the job. Financial structures, securities regulations, mergers, and bankruptcy round out the legal discussions, along with special attention paid to

the Uniform Acts and Model Business Corporation Act as revised through 2007, which is the basis for most state business corporation acts in the United States. Special features include cites for state statutes, excerpted cases, sample documents, paralegal profiles, chapter summaries, end-of-chapter exercises, practical advice, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
Internet Law - James Grimmelmann 2017-07-12
¿ CLEAR & CONCISE: Tight case editing, focused questions, and topical problems direct students' attention to the most critical issues. The book covers the full sweep of the subject, but is still short enough that the core topics can be taught in a 3-credit survey course. ¿ UP-TO-DATE COVERAGE: The seventh edition features five new principal cases, along with numerous new and revised notes and questions. New

cases deal with international injunctions, free speech rights to use the Internet, compelled decryption, trademarks and search engines, and algorithmic accountability. Several sections have been tightened up and older material has been cut, resulting in a streamlined reading experience. ∩

TECHNICAL AND HISTORICAL NOTES: Mini-essays throughout the book provide the essential technical background needed to make sense of computer and Internet technologies. Where modern doctrine has important historical roots (e.g., network neutrality and telecommunications regulation), the book gives the necessary context.

Essentials of Business Law and the Legal Environment -

Richard A. Mann 2015-01-01
Packed with reader-friendly illustrations, **ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT**, 12e uses a nontechnical presentation to help your students understand the

dynamics of today's legal environment for business. Covering a broad variety of key subjects and emphasizing ethical decision making, the text presents all business law topics required for success on the CPA exam. Cases are carefully summarized and integrated in order to present both recent legal issues and landmark court decisions while minimizing legal jargon. Students learn to effectively apply legal reasoning to cases and legal issues using the Issue, Rule, Application and Conclusion (IRAC) method. In addition to new Going Global features that highlight the international aspects of legal issues, the 12th Edition also includes more than 30 recent cases, updated coverage of limited liability companies and suretyship, amendments to UCC Articles, SEC rules on social media, recent U.S. Supreme Court decisions, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Law and the Regulation of Business - Richard A. Mann 2016-01-01
Recognized for accurate, relevant, and straightforward coverage, BUSINESS LAW AND THE REGULATION OF BUSINESS, 12E illustrates how legal concepts apply to common business situations. The book's comprehensive, yet succinct, approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. The text includes both landmark and recent cases with the facts and decision summarized for clarity, while the opinion is carefully edited to preserve the language of the court. More than 220 figures, tables, diagrams, concept reviews, and chapter summaries clarify concepts. All key legal terms are clearly defined and explained. In addition, each chapter is carefully organized with numerous illustrative hypothetical and case examples that relate content to real-life experiences. Numerous critical-thinking features

further strengthen readers' analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Legal Aspects of Business - Daniel Albuquerque 2017-10-19

The second edition of Legal Aspects of Business: Texts, Jurisprudence, and Cases is a comprehensive textbook designed especially for postgraduate students of business management. It presents a complete, all inclusive jurisprudence and supplements the concepts with numerous cases, exercises, and profiles of legal luminaries. The book is divided into six parts. Part I introduces the reader to Business Jurisprudence. As the contract law is foundation to all business laws, Part II, Commercial Jurisprudence, on Mercantile Law discusses the Indian Contract Act, 1872 and its features at length. The Sale of Goods Act, 1930, the Negotiable Instrument Act, 1881, The Indian Partnership

Act, 1932, the Companies Act, 2013, and the Competition Act, 2002 are also covered in depth.

Part III, Financial

Jurisprudence, covers the laws related to finance and banking at length. Part IV, Labour and Industrial Jurisprudence, covers the laws related to wages, workers' social security, and industrial relations. Part V, Aspects of New Economy and Jurisprudence, throws light on laws related to information and communication, intellectual property rights, and environment protection. Part VI, Judicial and Social Jurisprudence, is devoted to business and criminal liability and basic rights and business. The book also offers valuable insights to practitioners to arrive at legally sound decisions in various business situations.

**Gellhorn And Byse's
Administrative Law, 2007 -**

Peter L. Strauss 2007-08

This is the 2007 Supplement to Gellhorn and Byse'

Administrative Law, Cases and Comments, Revised 10th Edition. Like the volume it supplements, these materials are built on the premise that the basic Administrative Law course is not a single set of canonical cases, topics, and readings that all teachers should cover, but will reflect the interests of its particular instructor, the needs of his or her students, and the rest of the school's curriculum. With the publication of this 2007 Supplement, Professor Gillian Metzger of Columbia Law School has joined Professors Peter Strauss, Todd Rakoff, and Cynthia Farina as an editor of the book that remains the defining casebook in Administrative Law. The supplement addresses many important recent decisions and administrative law developments.
