SUBlime: Collected Shorts - Rachel Haimowitz 2011-11-14

Broadway darling Nicky Avery gives commanding performances on stage, but when he comes home at night, it's Devon Turner who commands him. Devon — that's "Sir" to Nicky, of course — owns Nicky heart and soul, and neither of them could possibly be happier with that. This collection of vignettes explores the gifts of submission and domination — Nicky and Devon's ultimate expression of love and trust. The ten short stories range from sweet and sensual to hot and hardcore, from cross-dressing to knife play, and so much more. Dom or sub, curious beginner or 24/7 lifestyler, the stories in Sublime will tease and tantalize, arouse and thrill. And don't mind Devon and Nicky...they like to be watched anyway.

My Name Is Rand - Wayne Courtois 2010

Mapped out on a playing field of ticklish male flesh, My Name Is Rand follows a young man on his search for the ultimate erotic adventure. Betrayed by his own skin into a helplessly eroticized state, he becomes a captive of a bizarre torture camp where men practice extreme tickling. After several near-death experiences he stumbles across a hiding place where several desperate men plot escape while taking physical solace in each other. Sweatily detailed in its depiction of men driven over the edge, this nightmarish novel is a bondage epic, a horror comic, and a totally original speculation on the nature of time and consciousness.

Jaywalking - Rachel Ember 2021-08-11

Second edition. Jaywalking was previously published as a novella of

approximately 30,000 words. The second edition has been revised to be roughly twice as long. Emile leads a quiet but contented life as a university professor, with a perfect dog, comfortable home, and loyal friends. Maybe there's something—or someone, missing. But dating is hard enough for vanilla people. Emile doesn't just have to find someone he wants to date—he has to find someone he wants to kneel for. Jay likes playing soccer, reading poetry, and handsome men in tweed vests. Men like Emile, who Jay can't forget after they connected on a rainy July night. Their encounter awoke a powerful urge in Jay to take, command, and control that has haunted him ever since. Jay had hoped that starting college would distract him, but that hope died when he showed up for the first day of his literature class and discovered Emile was his professor. When Emile tells Jay they can't be together, Jay is still determined to figure out a way for the two of them to explore what they share. And Emile craves Jay's gentle dominance too much to resist him. Jaywalking includes an age gap, a professor-student relationship, BDSM, a very polite dog, explicit sex, and a happy ending.

Weight of a Gun - Penny K. Moss 2011-12-08

Everyone knows that guns are dangerous; they have long been a subject surrounded by controversy. Combine them with sex and you have a subject that is virtually taboo, but smoking hot. This anthology explores the intersection of these two worlds, and the sensual possibilities they inspire. In "Bounty Hunter," William Hunt is hot on the trail of lover-turned-outlaw James Campbell. But when William finally catches up with James, bringing him to justice is the last thing on his mind. "Changing the Guard" introduces Tomi Vuorela, working security in a frozen off-world outpost. When Andile Harper intrudes on his seclusion, Tomi must determine if the interloper is a harmless workman or a dangerous terrorist. Avery Belfour is "The Machinist," kidnapped by a rival colony in need of his services. But the dark and deadly Harrow may have other plans for Avery first. In "My Rifle Is Human," the more a Gunslinger like Fil sexually satisfies his shapeshifting partners, the Ordinances, the more likely they'll survive as weapons on the battlefield. When late-bloomer Morris becomes Fil's latest partner, however, it will take all Fil's patience and skill to seduce and inspire Morris in time for the next wave of attacks. Tyler Maxwell from "In the Pines," a former New York cop now working a desk job in Alaska, buys a gun as a present and begins to dream about the mysterious and beautiful Flynn. But Flynn is more than a dream, and Tyler must find the truth before he loses his mind. Finally, in "Compromised Judgment," Rozsa Ignac is working to uncover a gunrunning operation supplying arms to his enemies. He's certain that Cistalan Konrad is involved, but his attraction to the other man puts himself and the entire investigation in danger."

Shards of Time - Lynn Flewelling 2014-04-01

The sole witnesses to the crime—guards who broke down the doors, hearing the screams from within—have gone mad with terror, babbling about ghosts . . . and things worse than ghosts. Dispatched to Korous by the queen, master spies Alec and Seregil find all the excitement and danger they could want—and more. For an ancient evil has been awakened there, a great power that will not rest until it has escaped its otherworldly prison and taken revenge on all that lives. And only those like Alec—who have died and returned to life—can step between the worlds and confront the killer . . . even if it means a second and all too permanent death. Carry on the B&B's tradition of terrible customer service and even worse food until the pampered city boy leaves voluntarily. What Derrick doesn't count on, though, is that the lousier he gets at hosting, the more he convinces bored, busybody Ginsberg to try to get the B&B back on track.
