Anthony Bourdain's Hungry Ghosts - Anthony Bourdain 2018-10-02

Hungry Ghosts is cooked up by the best selling author and veteran chef, Anthony Bourdain (Kitchen Confidential, Emmy-Award winning TV star of Parts Unknown) and acclaimed novelist Joel Rose (Kill, Kill, Faster, Faster) back again from their New York Times #1 best seller, Get Jiro!. Featuring real recipes cooked up by Bourdain himself, this horror anthology is sure to please--and scare! On a dark, haunted night, a Russian Oligarch dares a circle of international chefs to play the samurai game of 100 Candles--where each storyteller tells a terrifying tale of ghosts, demons and unspeakable beings--and prays to survive the challenge. Inspired by the Japanese Edo period game of Hyakumonogatari Kaidankai, Hungry Ghosts reimagines the classic stories of yokai, yorei, and obake, all tainted with the common thread of food. Including stellar artists Sebastian Cabrol, Vanesa Del Rey, Francesco Francavilla, Irene Koh, Leo Manco, Alberto Ponticelli, Paul Pope, and Mateus Santolouco as well as amazing color by Jose Villarrubia, a drop-dead cover by Paul Pope.

#1 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY USA TODAY AND THE DAILY PLANET The highly anticipated new standalone full-color graphic novel from Bryan Lee O'Malley, author and artist of the hugely bestselling Scott Pilgrim graphic novel series Katie's got it pretty good. She's a talented young chef, she runs a successful restaurant, and she has big plans to open an even better one. Then, all at once,

progress on the new location bogs down, her charming ex-boyfriend pops up, her fling with another chef goes sour, and her best waitress gets badly hurt. And just like that, Katie's life goes from pretty good to not so much. What she needs is a second chance. Everybody deserves one, after all—but they don't come easy. Luckily for Katie, a mysterious girl appears in the middle of the night with simple instructions for a do-it-yourself do-over: 1. Write your mistake 2. Ingest one mushroom 3. Go to sleep 4. Wake anew And just like that, all the bad stuff never happened, and Katie is given another chance to get things right. She's also got a dresser drawer full of magical mushrooms—and an irresistible urge to make her life not just good, but perfect. Too bad it's against the rules. But Katie doesn't care about the rules—and she's about to discover the unintended consequences of the best intentions. From the mind and pen behind the acclaimed Scott Pilgrim series comes a madcap new tale of existential angst, everyday obstacles, young love, and ancient spirits that's sharp-witted and tenderhearted, whimsical and wise. Praise for *Seconds* "The cartoonist, best known for the Scott Pilgrim series, delivers one of the most enjoyable reads I've had all year with this magical graphic novel. I dare you to not read it all in one sitting."—Whitney Matheson, USA Today "Seconds arrives with high expectations, and it meets them all, delivering the style and humor of [Bryan Lee] O'Malley's past works with greater emphasis on mood, detail, and complex character relationships."—The A.V. Club "Richly imagined and vibrantly drawn, *Seconds* is a funny, surprising, and enchanting

read."—Publishers Weekly "In Seconds, Bryan Lee O'Malley plays the angst of youth against the fabric of a larger epic. In doing so, he enriches both. A great ride!"—Guillermo del Toro "Bryan Lee O'Malley's Seconds is adorable, haunting, funny, and beautiful. A perfect recipe for a great graphic novel."—Scott McCloud, author of Understanding Comics

Snotgirl #13 - Bryan Lee O'Malley 2019-03-27

The big day is finally here—Lottie and Esther are launching their fashion line! But why is everyone being so annoying? Today of all days! Don't they know how important this is to her?!

We Can Fix It! - Jess Fink 2013

"Jess Fink has the ability to let you into her life through these comics while hitting those nerves you know all too well yourself. This is her story; the joys, awkwardness, beauty, and undeniable humor. But in moments, we've been there too. It's funny, brave and moving, and overall, in a medium where many selfish, navel-gazing memoirs are to be found, We Can Fix It is the opposite. It's a gift." -- Kate Beaton At long last -- the wacky, charming, and deceptively deep time-travel memoir from the author of CHESTER 5000: Jess Fink's WE CAN FIX IT! What would you do if you had a time machine? Bet on sporting events? Assassinate all the evildoers of history? Or maybe try to fix all the mistakes and regrets that have haunted you all these years? Join Jess as she travels back in time to share her wisdom with her naive younger self, stand up to bullies who terrorized her child self, and teach her horny teenage self a thing or two. What begins as a raunchy adventure in teen wish fulfillment grows into a thoughtful story about memory, regret, and growing up. One time machine, one frustrated girl, one sexy futuristic jumpsuit...infinite possibilities.

Concrete Volume 1: Depths - Paul Chadwick 2005-08-09

Part man, part...rock? Over seven feet tall and weighing over a thousand pounds, he is known as Concrete but is in reality the mind of one Ronald Lithgow, trapped inside a shell of stone, a body that allows him to walk unaided on the ocean's floor or survive the crush of a thousand tons of rubble in a collapsed mineshaft...but

prevents him from feeling the touch of a human hand. These stories of Concrete are as rich and satisfying as any in comics: funny, heartbreaking, and singularly human. Depths, the first in a series of collections reprinting the classic early Concrete stories along with never-before-collected short stories, includes the Eisner-nominated "Orange Glow" and "Vagabond," Paul Chadwick's autobiographical account of a cross-country hitchhiking trip. • "Probably the best comic being published today by anyone, anywhere."—Harlan Ellison • Paul Chadwick's Concrete has won five Eisner Awards and three Harvey Awards. • One of GQ's "20 Graphic Novels You Should Read."

Lost at Sea - Bryan Lee O'Malley 2012-07-24
Raleigh doesn't have a soul. A cat stole it - at least that's what she tells people - at least that's what she would tell people if she told people anything. But that would mean talking to people,

and the mere thought of social interaction is terrifying. How did such a shy teenage girl end up in a car with three of her hooligan classmates on a cross-country road trip? Being forced to interact with kids her own age is a new and alarming proposition for Raleigh, but maybe it's just what she needs - or maybe it can help her find what she needs - or maybe it can help her to realize that what she needs has been with her all along.

Scott Pilgrim - Bryan Lee O'Malley 2010-06-14

Mis(h)adra - Iasmin Omar Ata 2017-10-03

An Arab-American college student struggles to live with epilepsy in this starkly colored and deeply-cutting graphic novel. Isaac wants nothing more than to be a functional college student—but managing his epilepsy is an exhausting battle to survive. He attempts to maintain a balancing act between his seizure triggers and his day-to-day schedule, but he finds that nothing—not even his medication—seems to work. The doctors won't listen, the schoolwork keeps piling up, his family is in denial about his condition, and his social life falls apart as he feels more and more isolated by his illness. Even with an unexpected new friend by his side, so much is up against him that Isaac is starting to think his epilepsy might be unbeatable. Based on the author's own experiences as an epileptic, Mis(h)adra is a boldly visual depiction of the daily struggles of living with a misunderstood condition in today's hectic and uninformed world.

A Clash of Kings: The Graphic Novel:

Volume Two - George R. R. Martin 2019-10-01

The second volume in a four-part graphic novel adaptation of the second book in George R. R. Martin's landmark A Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. As chaos grips Westeros, a flaming red comet continues to burn a crimson path across the sky. Some see this fiery herald as a sign of their impending victory. Others see it as a mark of the blood and terror that will soon engulf this divided kingdom. But one thing is certain: None of the six contenders who seek either the Iron Throne, or the lands their ancestors once held as kings, are willing to back down. And as factions scatter or come together, there are many witnesses to the unrest that is to come. Arya Stark finds herself in the heart of enemy territory at Harrenhal, while her mother is trapped between two brothers battling each other for their dead brother's throne. In the heart of King's Landing, Tyrion is busy ferreting out traitors as the Hand of the King, while Jon is beginning to comprehend the lawlessness of life

beyond the Wall. New friends arrive in Winterfell for Bran, a forgotten son finds life in the Iron Islands quite different than he remembered, and the Mother of Dragons at last arrives in the fabled city of Qarth. But even as these would-be kings draw their lines of battle, it is the people of Westeros who will most suffer for their ambitions. For when kings clash, it is the commoners who bear the greatest cost.

Munnu: A Boy From Kashmir - Malik Sajad 2015-06-18

A beautifully drawn graphic novel that illuminates the conflicted land of Kashmir, through a young boy's childhood.

The House that Groaned - Karrie Fransman 2020-07-16

The House That Groaned is a graphic novel that explores bodies and the spaces they inhabit. It is set in an old Victorian tenement housing six lonely individuals who could only have stepped out of the pages of a comic book. There is the retoucher who cannot touch, a grandmother who literally blends into the background and a twenty-something bloke who's sexually attracted to diseased women. Yet, as we learn the stories behind these extreme characters, it becomes apparent that we may share similar issues - as individuals and as a society.

Seconds - Bryan Lee O'Malley 2014-07-15

Seconds es la nueva novela gráfica a color de Bryan Lee O'Malley, el autor de Scott Pilgrim. A Katie las cosas le van bastante bien. Es una joven chef en un restaurante de éxito y planea abrir otro aún mejor. Pero un día todos sus proyectos se tuercen, su actividad amorosa se dirige al borde del abismo y una camarera sufre un accidente muy desafortunado. De repente, su vida ha pasado de estar bastante bien a no demasiado. Katie necesita una segunda oportunidad... y quizá no imagina los riesgos que conlleva obtenerla. Reseñas: «Bryan Lee O'Malley logra dar textura de gran épica a las tribulaciones de la juventud.» Guillermo del Toro «Una obra adorable, evocadora, divertida y bella. Una receta perfecta para una gran novela gráfica.» Scott McCloud

Scott Pilgrim Vol 1-3 Bundle - Bryan Lee O'Malley 2010-01-05

Woman World - Aminder Dhaliwal 2020-10-14
THE HILARIOUS AND WILDLY POPULAR

INSTAGRAM COMIC ABOUT A WORLD WITH NO MEN With her startling humor, it's no surprise that Aminder Dhaliwal's web comic *Woman World* has a devoted audience of over 120,000 readers, updated biweekly with each installment earning an average of 25,000 likes. Now, readers everywhere will delight in the print edition as Dhaliwal seamlessly incorporates feminist philosophical concerns into a series of perfectly-paced strips that skewer perceived notions of femininity and contemporary cultural icons. D+Q's edition of *Woman World* will include new and previously unpublished material. When a birth defect wipes out the planet's entire population of men, *Woman World* rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. For the most part, *Woman World*'s residents are focused on their struggles with unrequited love and anxiety, not to mention that whole "survival of humanity" thing. *Woman World* is an uproarious and insightful graphic novel from a very talented and funny new voice.

Habibi - Craig Thompson 2011-09-20

From the internationally acclaimed author of *Blankets* ("A triumph for the genre."—*Library Journal*), a highly anticipated new graphic novel. Sprawling across an epic landscape of deserts, harems, and modern industrial clutter, *Habibi* tells the tale of Dodola and Zam, refugee child slaves bound to each other by chance, by circumstance, and by the love that grows between them. We follow them as their lives unfold together and apart; as they struggle to make a place for themselves in a world (not unlike our own) fueled by fear, lust, and greed; and as they discover the extraordinary depth—and frailty—of their connection. At once contemporary and timeless, *Habibi* gives us a love story of astounding resonance: a parable about our relationship to the natural world, the cultural divide between the first and third worlds, the common heritage of Christianity and Islam, and, most potently, the magic of storytelling.

Voices of a Generation - Michelle MacArthur 2021-10-26

This collection of three Canadian plays--*zahgidiwin/love* by Frances Koncan, *The Millennial Malcontent* by Erin Shields, and *Smoke* by Elena Eli Belyea--speaks to millennials' complex and varied experiences and the challenges and stereotypes they often face.

American Gods Volume 1: Shadows (Graphic Novel) - Neil Gaiman 2018-03-13

Neil Gaiman's acclaimed story now in comics! This supernatural American road trip fantasy tells the story of a war between the ancient and modern gods. The Hugo, Bram Stoker, Locus, World Fantasy, and Nebula award-winning novel and new Starz television series by Neil Gaiman is adapted as a graphic novel for the first time! The first in a three-volume adaptation of Neil Gaiman's modern classic! Shadow Moon gets out of jail only to discover his wife is dead. Defeated, broke, and uncertain where to go from here, he meets the mysterious Mr. Wednesday, who employs him to serve as his bodyguard--thrusting Shadow into a deadly world where ghosts of the past come back from the dead, and a god war is imminent. Collecting the first nine issues of the *American Gods* comic book series, along with art process features, high res scans of original art, layouts, character designs, and variant covers by BECKY CLOONAN, SKOTTIE YOUNG, FÁBIO MOON, DAVE MCKEAN, and MORE!

A Game of Thrones: The Graphic Novel -

George R. R. Martin 2014-03-11

#1 NEW YORK TIMES BESTSELLER When dealing with a masterpiece, only the best will do. That's why writer Daniel Abraham and illustrator Tommy Patterson were chosen to adapt George R. R. Martin's beloved fantasy classic *A Game of Thrones* as a graphic novel. And as anyone who has read the previous two collected volumes of the ongoing series can attest, the result has been a stunning tour de force faithful in every respect to its brilliant original. In King's Landing, Lord Eddard Stark of Winterfell—the Hand of King Robert Baratheon—is surrounded by enemies. Some are openly declared, such as Ser Jaime Lannister and his sister, Queen Cersei. Others are hidden in the shadows. Still others wear the smiling mask of friends. But all are deadly, as Eddard is

about to discover. Nor is the enmity between Eddard and the Lannister siblings the sole source of friction between these powerful noble families. For Tyrion Lannister, the Imp—whose stunted, twisted body houses the mind of a genius—has but lately won his freedom from Lady Catelyn Stark, Eddard's wife, who had accused him of attempting to murder her youngest son, Brandon. Now he seeks out his father, his restless thoughts bent on revenge. Far to the north, the bastard Jon Snow, newly sworn to the Night's Watch, takes the first faltering steps toward a destiny stranger than he could ever dream—a destiny that will bring him face-to-face with unspeakable horrors from beyond the edge of the world. While across the Narrow Sea, Daenerys Targaryen, wed to the great Dothraki warlord Khal Drogo, and pregnant with his child—a son prophesied to conquer the world—will see her own destiny take an unforeseen turn.

Seconds - Bryan Lee O'Malley 2014-07

Scott Pilgrim Color, Vol. 2: Vs. The World - Bryan Lee O'Malley

A Clash of Kings: The Graphic Novel:

Volume One - George R. R. Martin 2018-10-02

The first volume of a four-part graphic novel adaptation of the second book in George R. R. Martin's landmark Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. The four-part graphic novel adaptation of A Game of Thrones proved that George R. R. Martin's A Song of Ice and Fire has the power to enchant in any medium. Now the story continues as New York Times bestselling author Landry Q. Walker and illustrator Mel Rubi introduce a thrilling new series based on the second book in the landmark saga. Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and King Robert Baratheon—who held sway over an age of enforced peace are dead, victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding walls of Winterfell, chaos reigns as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem over King's Landing. Robert Baratheon's two brothers each seek his own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard, hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory may be measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all the

land feels the tremors.

In Real Life - Cory Doctorow 2014-10-14

Anda loves Coarsegold Online, the massively-multiplayer role playing game that she spends most of her free time on. It's a place where she can be a leader, a fighter, a hero. It's a place where she can meet people from all over the world, and make friends. Gaming is, for Anda, entirely a good thing. But things become a lot more complicated when Anda befriends a gold farmer -- a poor Chinese kid whose avatar in the game illegally collects valuable objects and then sells them to players from developed countries with money to burn. This behavior is strictly against the rules in Coarsegold, but Anda soon comes to realize that questions of right and wrong are a lot less straightforward when a real person's real livelihood is at stake. From acclaimed teen author Cory Doctorow and rising star cartoonist Jen Wang, *In Real Life* is a sensitive, thoughtful look at adolescence, gaming, poverty, and culture-clash. This title has common Core connections. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Electric Woman - Tessa Fontaine
2018-05-01

A New York Times Editors' Choice; A Southern Living Best Book of 2018; An Amazon Editors' Best Book of 2018; A Refinery29 Best Book of 2018; A New York Post Most Unforgettable Book of 2018 "Fascinating." —Vogue "This is the story of a daughter and her mother. It's also a memoir, a love story, and a tale of high-flying stunts . . . An adventure toward and through fear." —Southern Living Tessa Fontaine's astonishing memoir of pushing past fear, *The Electric Woman*, follows the author on a life-affirming journey of loss and self-discovery—through her time on the road with the last traveling American sideshow and her relationship with an adventurous, spirited mother. Turns out, one lesson applies to living through illness, keeping the show on the road, letting go of the person you love most, and eating fire: The trick is there is no trick. You eat fire by eating fire. Two journeys—a daughter's and a mother's—bear witness to this lesson in *The Electric Woman*. For three years Tessa Fontaine lived in a constant state of emergency as her mother battled stroke after stroke. But hospitals, wheelchairs, and loss of language couldn't hold back such a woman; she and her husband would see Italy together, come what may. Thus Fontaine became free to follow her own piper, a literal giant inviting her to "come play" in the World of Wonders, America's last traveling sideshow. How could she resist? Transformed into an escape artist, a snake charmer, and a high-voltage Electra, Fontaine witnessed the marvels of carnival life: intense camaraderie and heartbreak, the guilty thrill of hard-earned cash exchanged for a peek into the impossible, and, most marvelous of all, the stories carnival folks tell about themselves. Through these, Fontaine trained her body to ignore fear and learned how to keep her heart open in the face of loss. A story for anyone who has ever imagined running away with the circus, wanted to be someone else, or wanted a loved one to live forever, *The Electric Woman* is ultimately about death-defying acts of all kinds, especially that ever constant: good old-fashioned unconditional love.
