The Story of My Experiments with Truth: An Autobiography - Mohandas Karamchand Gandhi 2009-07-01

The Story Of My Experiments With Truth is a bestseller which describes the ups and downs of the author's life. This book is about the author's experiments in his life, and how he developed himself as a person. This book instead of explaining Gandhi as a perfectionist, instead describes his many flaws and how he defeats his problems with his enormous willpower. The Story Of My Experiments With Truth is the story of a simple, immoral man who eventually transforms into a great freedom fighter. This book contains various incidents in this author's life from his birth to 1920s. His time in South Africa as an anti-apartheid activist is also looked into. This autobiography begins when he was a common man and ends

right around the time he became an international figure. How he became Gandhi is quite fascinating to read. His philosophies of simplicity, nonviolence, and truth are comprehensively explored. This book is easy to read as it has good translation. The Story Of My Experiments With Truth was published by Om Books in 2010, and is available in the form of a paperback.

*Joothan* - Omprakash Valmiki  
2008-07-02

Omprakash Valmiki describes his life as an untouchable, or Dalit, in the newly independent India of the 1950s. "Joothan" refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, *Joothan* is a major contribution to the archives of Dalit history

and a manifesto for the revolutionary transformation of society and human consciousness.

**Being Love** - Sister Shivani

We can each radiate unconditional love. We don't even need to create it - we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging - It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for

people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love - but just by being love.

Desiring God - John Piper 1996  
Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Conversations with Nostradamus: Volume 1 - Dolores Cannon 1992  
The third and final book in their series contains 132 additional quatrains written and deciphered by Nostradamus himself, plus the exposure of bogus quatrains erroneously attributed to the great psychic Dolores Cannon has pierced the veil of the space/time continuum by her use of regressive hypnosis, to bring us warnings of events to come. This volume continues to work through various subjects

and completes the interpretation of all the known prophecies.

**Happiness Unlimited** - Sister Shivani 2019

In these enlightening and eye-opening conversations, the renowned spiritual mentor, Sister BK Shivani reveals how to create a life of joy, contentment and bliss, because we all have the choice and the power to do so. According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on 'anything' or 'anyone', or found 'anywhere'. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder why we are not happy now. Happiness is only possible when we are able to accept everyone as they are, at every moment, in every situation. This book is a medium for the awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift from asking to sharing; from holding

on to letting go; from expectations to acceptance; from the past and the future to being in the now. Happiness is a 'decision', not a 'consequence'.

*A Life Less Ordinary* - Baby Halder 2009-10-13

When she was very young, Baby Halder was abandoned by her mother and left with a cruel, abusive father. She was

married off at twelve to a man twice her age who beat her. At fourteen, she was a mother herself. Her early life was marked by overwhelming challenges and heartbreak until, exhausted and desperate, she fled with her three children to Delhi, to work as a maid in some of the city's wealthiest homes. Expected to serve her employers' every demand, she faced a staggering workload that often left her no time to care for her own children. But she never complained, for such is the lot of the poor in modern-day India. Written without a trace of self-pity, *A Life Less Ordinary* is a shocking look deep inside a world of poverty and subjugation that few outsiders know about—and an inspiring true story of one remarkable woman's strength, courage, and determination to soar above her circumstances. *A Historical Mela* - Osian's (Firm) 2002

Man Booker Prize: An “extraordinary” novel “lit by a moral intelligence at once fierce and tender” (The New York Times Book Review). In a crumbling, isolated house at the foot of Mount Kanchenjunga in the Himalayas, an embittered old judge wants only to retire in peace. But his life is upended when his sixteen-year-old orphaned granddaughter, Sai, arrives on his doorstep. The judge’s chatty cook watches over the girl, but his thoughts are mostly with his son, Biju, hopscotching from one miserable New York restaurant job to another, trying to stay a step ahead of the INS. When a Nepalese insurgency threatens Sai’s new-sprung romance with her tutor, the household descends into chaos. The cook witnesses India’s hierarchy being overturned and discarded. The judge revisits his past and his role in Sai and Biju’s intertwining lives. In a grasping world of colliding interests and conflicting desires, every moment holds out the possibility for hope or

betrayal. Published to extraordinary acclaim, *The Inheritance of Loss* heralds Kiran Desai as one of our most insightful novelists. She illuminates the pain of exile and the ambiguities of postcolonialism with a tapestry of colorful characters and “uncannily beautiful” prose (O: The Oprah Magazine). “A book about tradition and modernity, the past and the future—and about the surprising ways both amusing and sorrowful, in which they all connect.” —The Independent
