Indian Captivity in Spanish America - Fernando Operé
2008

Even before the arrival of Europeans to the Americas, the practice of taking captives was widespread among Native Americans. Indians took captives for many reasons: to replace--by adoption--tribal members who had been lost in battle, to use as barter for needed material goods, to use as slaves, or to use for reproductive purposes. From

the legendary story of John Smith's captivity in the Virginia Colony to the wildly successful narratives of New England colonists taken captive by local Indians, the genre of the captivity narrative is well known among historians and students of early American literature. Not so for Hispanic America. Fernando Operé redresses this oversight, offering the first comprehensive historical and literary account of Indian

captivity in Spanish-controlled territory from the sixteenth to the twentieth century. Originally published in Spanish in 2001 as *Historias de la frontera: El cautiverio en la América hispánica*, this newly translated work reveals key insights into Native American culture in the New World's most remote regions. From the "happy captivity" of the Spanish military captain Francisco Nuñez de Pineda y Bascuñán, who in 1628 spent six congenial months with the Araucanian Indians on the Chilean frontier, to the harrowing nineteenth-century adventures of foreigners taken captive in the Argentine Pampas and Patagonia; from the declaraciones of the many captives rescued in the Rio de la Plata region of Argentina in the seventeenth and eighteenth centuries, to the riveting story of Helena Valero, who spent twenty-four years among the Yanomamö in Venezuela during the mid-twentieth century, Operé's vibrant history spans the entire gamut of Spain's far-flung frontiers. Eventually

focusing on the role of captivity in Latin American literature, Operé convincingly shows how the captivity genre evolved over time, first to promote territorial expansion and deny intercultural connections during the colonial era, and later to romanticize the frontier in the service of nationalism after independence. This important book is thus multidisciplinary in its concept, providing ethnographic, historical, and literary insights into the lives and customs of Native Americans and their captives in the New World.

Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

exploiting Hollywood cinema's visual style, narrative verve and madcap gags in their theatre. Drawing on archival work, the methodologies of theatre and film studies, and scholarly writings on Hollywood genres and stars, this book examines the humorists' experiments on stage as the most significant early case in Spain of the 'remediation' of cinema and of what Philip Auslander describes as the 'media epistemology' generated by Hollywood's immense popularity. It contextualises the humorists' opinions and representations of the US and domestic film industries with reference to contemporary attitudes, outlines and implements a framework for the systematic study of 'remediation' in the humorists' stage adaptations of films and original plays, and traces the influence of Charlie Chaplin and the Marx Brothers in their comic devices. The curtailing of such experimentation shortly into the Franco dictatorship exemplifies the conservatism of

this period of Spanish culture. *El Mayab: Crónicas de Lino e Iktán (Spanish Edition)* - Sergio Armando Hernández Vega
2019-02-27

El Mayab. Crónicas de Lino e Iktán es una novela que ocurre en dos tiempos diferentes en la península de Yucatán. La primera es la historia de Lino Chuk, situada en el México del siglo XIX, esta narración permite ver la odisea de Lino por la jungla de Mérida buscando a su madre que fue obligada a huir de su comunidad cuando los soldados quemaron su aldea. Un día, en su búsqueda, Lino encuentra unas misteriosas piedras que le permiten ver otro tiempo que existió antes que él. La segunda historia se sitúa en el mundo prehispánico del siglo IX en el territorio del Mayab, identificado actualmente en el estado de Yucatán. A través de las visiones de Lino Chuk podemos conocer parte de la vida de Iktán Tuz, un joven guerrero maya del pueblo de Bécál que tiene que luchar para defender a su comunidad de la invasión del ejército del

Señor Amarillo, temibles guerreros del sur que amenazan con esclavizar a los pueblos del Mayab. Ambas historias que se tejen y se complementan dejan echar un vistazo a un mundo en el que la influencia de los dioses rige las decisiones, las guerras, la política y las tradiciones de los mayas. Esta novela es sobre la amistad, el valor y los aprendizajes y sobre las tradiciones y cosmovisión de un pueblo. Es la historia no contada... ¡Gracias al universo por darnos vida!

Lights of Bohemia - Ramón del Valle-Inclán 1993

Written in the early 1920s, Lights of Bohemia is set in the twilight phase of Madrid's bohemian artistic life against the turbulent social and political background of events between 1900 and 1920. The play's protagonist, the poet Max Estrella, confronts the dilemma between art and social commitment and the problem of salvaging some sort of authenticity and identity in a

The Supreme Gift - Paulo Coelho 2015-02-06

"I thought that I had already thought about everything you could think about Love when Henry Drummond's sermon fell into my hands. My life changed a lot from the moment I read the words in this book and tried to put his teaching into practice." "Paulo Coelho" "If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." At some point, all of us have heard this passage from St. Paul's Letter to the Corinthians. But do we really understand his message? At the end of the 19th century, the young missionary Henry Drummond was asked to replace a famous preacher. Though at the beginning he did not convince the audience, they

were soon captivated by his analysis of the words of the Apostle Paul. This sermon, *The Greatest Thing in the World*, has become a classic and is, without doubt, one of the most beautiful texts ever written on love. Drummond broke it down into the following nine elements: patience, kindness, generosity, humility, gentleness, dedication, tolerance, sincerity and innocence. Contrary to what we are used to hearing, the greatest treasure in the spiritual life is not faith, but love. No matter what your religious beliefs are, this feeling is, without doubt, the most rewarding way to live. In *The Supreme Gift*, Paulo Coelho adapts Henry Drummond's text, offering a real and powerful message that will help us incorporate love into our daily life and experience all its transformational power in our lives.

Spanish American Women Writers - Diane E. Marting

superb and indispensable. . . .

this guide should serve to introduce a rich lode to scholarly miners of the Latin American literary tradition. Highly recommended. Choice
Containing contributions by more than fifty scholars, this volume, the second of Diane Marting's edited works on the women of the literature of Spanish America, consists of analytical and biographical studies of fifty of the most important women writers of Latin America from the seventeenth century to the present. The writers covered in the individual essays represent most Spanish-speaking American nations and a variety of literary genres. Each essay provides biographical and career information, discusses the major themes in the body of work, and surveys criticism, ending with a detailed

bibliography of works by the writer, works available in translation if applicable, and works about the writer. The editor's tripartite introduction freely associates themes and images with/about/for the works of Spanish American women writers; explains the history and process of the collaborative effort that this volume represents; and traces some feminist concerns that recur in the essays, providing commentary, analysis, suggestions for further research, and hypotheses to be tested. Two general essays complete the volume. The first examines the oral testimony of contemporary Indian women outside of the literary tradition, women whose words have been recorded by others. The other surveys Latina writers in the United States, an area not otherwise encompassed in the scope of this volume. Appendixes classify the writers in the main body of the work by birth date, country, and genre. Also included is a bibliography of reference works and general criticism on the Latin American

woman writer, and title and subject indexes. This book addresses the needs of students, translators, and general readers, as well as scholars, by providing a general reference work in the area of Spanish American literature. As such, it belongs in the reference collections of all libraries serving scholars and students of Latin American and women's studies and literature.

In the 12th century the "Book

of the Soul" by the philosopher Avicenna was translated from Arabic into Latin. It had an immense success among scholastic writers and deeply influenced the structure and content of many psychological works of the Middle Ages. The reception of Avicenna's book is the story of cultural contact at an impressively high intellectual level. The present volume investigates this successful reception using two approaches. The first is chronological, tracing the stages by which Avicenna's work was accepted and adapted by Latin scholars. The second is doctrinal, analyzing the fortunes of key doctrines. The sense of the original Arabic text of Avicenna is kept in mind throughout and the degree to which his original Latin interpreters succeeded in conveying it is evaluated.
