*Broken Horses* - Brandi Carlile 2021-04-06

**#1 NEW YORK TIMES BESTSELLER** • The critically acclaimed singer-songwriter, producer, and six-time Grammy winner opens up about faith, sexuality, parenthood, and a life shaped by music in “one of the great memoirs of our time” (Glennon Doyle, author of *Untamed*). **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE** • “The best-written, most engaging rock autobiography since her childhood hero, Elton John, published *Me*.”—*Variety* Brandi Carlile was born into a musically gifted, impoverished family on the outskirts of Seattle and grew up in a constant state of change, moving from house to house, trailer to trailer, fourteen times in as many years. Though imperfect in every way, her dysfunctional childhood was as beautiful as it was strange, and as nurturing as it was difficult. At the age of five, Brandi contracted bacterial meningitis, which almost took her life, leaving an indelible mark on her formative years and altering her journey into young adulthood. As an openly gay teenager, Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony. Shockingly, her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it: through twisted, joyful, weird, and wonderful music. In *Broken Horses*, Brandi Carlile takes readers through the events of her life that shaped her very raw art—from her start at a local singing competition where she performed Elton John’s “Honky Cat” in a bedazzled white polyester suit, to her first break opening for Dave Matthews Band, to many sleepless tours over fifteen years and six studio albums, all while raising two children with her wife, Catherine Shepherd. This hard-won success led her to collaborations with personal heroes like Elton John, Dolly Parton, Mavis Staples, Pearl Jam, Tanya Tucker, and Joni Mitchell, as well as her peers in the supergroup The Highwomen, and ultimately to the Grammy stage, where she converted millions of viewers into instant fans. Evocative and piercingly honest, *Broken Horses* is at once an examination of faith through the eyes of a person rejected by the church’s basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind, a brilliant artist, and a genuine empath on a mission to give back.

Mary Jane's new man, sure that riding a Harley will restore her confidence, ends up following the white lines with her through fifteen years of marriage. Traveling together, they learn to be partners, both on and off the road, until Dwayne is diagnosed with cancer. After losing her husband, Mary Jane once again must learn to live on her own—but she'll never be the same again.

**Lickety-Split III** - J. Gordon Schrempp 2008-10-23

*Lickety-Split III A Novel From Nebraska*. By J. Gordon Schrempp The Nebraska sky filled with low, ominous, fast-moving steel painted clouds that came sweeping from the north like an army bent on destruction. The clouds ripped through the sky, followed by commanding fierce winds that began howling about 3 a.m. Intermittent snow flurries pelted against buildings, swirling around them, forming little tornadoes and then disintegrating as they raced over the bleak fields and bare trees that stood defiant. When Dean Arnold delivers the body of his good friend Pete Leocker to Grandville for burial he had no idea of the mental storm clouds that were brewing and were about to change the entire course of his young life. In book III we can see that Dean Arnold, the main character of all three novels, is beginning to be more aware of a transformation-taking place within him and without any design on his

part. Gentle and sometimes violent thoughts swirl through his mind like little tornados making him realize that he was not satisfied with what he once thought would make him happy. In book III he achieved a certain degree fame, money, status, the love of several women, and the adoration of the crowds. However, he still has a yearning deep inside himself. When Dean tries to rescue Eva, a local artist from her controlling, alcoholic husband he gets entangled in a web of circumstances so dark it knocks him down for the count. When he wakes up at the local police station being questioned for murder, he has to search deep for the courage needed. In a most surprising way, this tragedy leads Dean Arnold to fill the hunger in his young soul. Lickey-Split III is a warm, finely written novel filled with wise ways to counter the ever demanding trials that work their way into ordinary lives. Dean Arnold follows the beat of his heart and in his journey to find out who he is he finds peace and contentment. This is accomplished once he understands that there is guidance for him and all he has to do is listen closely and he will hear the right word. Dean Arnold listens carefully.
