Training courses are taught by professionals from the oil and gas industry with current knowledge and years of field experience. The participants will get all the necessary competencies to work on the offshore drilling platforms and on the offshore production platforms. It is intended also for non-drilling and non-production personnel who work in drilling, exploration and production industry. This includes marine and logistics personnel, accounting, administrative and support staff, environmental professionals, etc. This course provides a non-technical overview of the phases, operations and terminology used on offshore oil and gas platforms. It is intended also for non-production personnel who work in the offshore drilling, exploration and production industry. This includes marine and logistics personnel, accounting, administrative and support staff, environmental professionals, etc. No prior experience or knowledge of drilling operations is required. This course will provide participants a better understanding of the issues faced in all aspects of production operations, with a particular focus on the unique aspects of offshore operations.

Acing the Sales Interview - Gregory Novarro 2018-03-07

The premiere step by step guide on how to land a six figure sales job in today's super competitive market. Written by a 20 year pharmaceutical and medical device sales leader, this guide gives you the practical guidance needed to be the top candidate for any sales job. The book was written primarily for people who have been laid off from a sales position but can be used by anyone to give them advantage. This book helps with writing a great resume, setting up an all-star LinkedIn profile, how to use a LinkedIn strategy, phone screen advice, and face to face interviews. Did you know that 85% of people hired at a company are from

internal referrals? This book helps you become an internal referral even if you do not know anyone at the company. Greg Novarro gives his expert advice that he gives all of his clients when he speaks to them one on one. Screen shots help you navigate hidden LinkedIn tricks that allow recruiters to find you over other qualified candidates. Greg is also an expert on hiring since he has led national sales teams and knows what he looks for in top sales candidates. Through this inside information Greg gives you a step by step guide on how to conquer the STAR format of behavioral questions. There is a template you can use to prepare for these questions which will give you the confidence to ace the interview. This book gives you more advanced questions to ask during interviews that will set you apart from all other candidates. Greg helps you to identify your WHY and HOW which most sales people DO NOT DO well during the interview process. Greg's advice has helped hundreds of people gain top paying sales positions and his expert advice is now available in an affordable downloadable guide. This guide is like having the answers to a final exam. You get the inside tips needed to be prepared for any sales interview situation. If you are in pharmaceutical, medical devices, capital equipment, durable goods, diagnostic, IT, or really any sales position and want to ace your next interview then you need this book. Your competition may already have it.

How to Answer Interview Questions - Peggy McKee 2017-05-12

Can you explain why you're the person they need to hire?Employers ask you a hundred different interview questions... but what they really want to know is, "Why should we hire you?" If you get interviews but you don't get the job, you have not explained that to them. This is the book that will show you how to use your answers to get the job.What This Book Will Do For You: * Tell you why interviewers ask certain questions * Show you what they are looking for in your answer * Give you strategies for answering the toughest questions * Warn you about answers that will kill your chances * Give you "How To" tips, phrases, and words for answering 101 job interview questionsWhat Kinds of Questions Are In the Book? - Tell me about yourself. - What's your greatest weakness? - What salary are you looking for? - Why do you want to join this company? - Why should we hire you? - Why do you have a gap in your employment history? - Tell me about a time when you failed. - Describe a time when your work was criticized and how you handled it. - What motivates you? - What questions do you have for us?Who Needs This Book?If you have ever felt that you: * Don't have the words you need to explain why you're the person they need to hire... * Can't quite "sell yourself" for the job... * Stumble over your answers because you don't know what they really want to hear.... * Just want to be more confident in the interview... Then this is the book for you!
