The Steep and Thorny Way -
Cat Winters 2016-03-08
A thrilling reimagining of
Shakespeare's Hamlet, The
Steep and Thorny Way tells the
story of a murder most foul and
the mighty power of love and
acceptance in a state gone

terribly rotten. 1920s Oregon is
not a welcoming place for
Hanalee Denney, the daughter
of a white woman and an
African-American man. She has
almost no rights by law, and
the Ku Klux Klan breeds fear
and hatred in even Hanalee's

oldest friendships. Plus, her father, Hank Denney, died a year ago, hit by a drunk-driving teenager. Now her father's killer is out of jail and back in town, and he claims that Hanalee's father wasn't killed by the accident at all but, instead, was poisoned by the doctor who looked after him—who happens to be Hanalee's new stepfather. The only way for Hanalee to get the answers she needs is to ask Hank himself, a "haint" wandering the roads at night.

SUBINDO PELAS PAREDES - ALICE CLAYTON 2017-10-06
A jovem Caroline Reynolds tem

um fantástico novo apartamento em San Francisco, uma promissora carreira como designer de interiores, mas nenhum orgasmo. Ela tem uma deliciosa receita de pão de abobrinha, faz uma torta de maçã para se comer rezando, mas nenhum orgasmo. Ela tem Clive (o melhor gato de todos), ótimas amigas, uma chefe divertidíssima, mas nenhum orgasmo. Ela é atraente, segura de si e inteligente, mas... Para piorar, em sua primeira noite no nova casa, Caroline é acordada por um quadro que cai em sua cabeça. A parede que divide com seu vizinho parece tremer. Ela ouve batidas, gemidos, tapas e... miados? A performance parece mesmo arrasadora! E, para seu desespero, o show se repete todas as noites. Tentando administrar uma longa fase de abstinência sexual e a inevitável convivência com a barulheira do apartamento ao lado, Caroline mergulha em uma ?brincadeira? particular, e, quando está prestes a

reencontrar o orgasmo, seu vizinho entra em ação e tira sua concentração. Sexualmente frustrada, ela espanca a porta dele para pedir, pelo amor de Deus, um pouco de silêncio. Mas, quando ele abre a porta, Caroline perde a fala. Aquela cena não vai mais sair da sua cabeça: um corpo escultural envolto apenas pelo lençol, que deve ter sido enrolado às pressas só para cobrir o mínimo... ou nem isso. As paredes vão continuar frágeis, mas a tensão entre eles fica cada dia mais forte.

Homo Deus - Yuval Noah Harari 2017-02-21

Official U.S. edition with full color illustrations throughout. NEW YORK TIMES BESTSELLER Yuval Noah Harari, author of the critically-acclaimed New York Times bestseller and international phenomenon *Sapiens*, returns with an equally original, compelling, and provocative book, turning his focus toward humanity's future, and our quest to upgrade humans into gods. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains in his trademark style—thorough, yet riveting—famine, plague and war have been transformed from incomprehensible and uncontrollable forces of nature into manageable challenges. For the first time ever, more people die from eating too much than from eating too little; more people die from old

age than from infectious diseases; and more people commit suicide than are killed by soldiers, terrorists and criminals put together. The average American is a thousand times more likely to die from binging at McDonalds than from being blown up by Al Qaeda. What then will replace famine, plague, and war at the top of the human agenda? As the self-made gods of planet earth, what destinies will we set ourselves, and which quests will we undertake? Homo Deus explores the projects, dreams and nightmares that will shape the twenty-first century—from overcoming death to creating artificial life. It asks the fundamental questions: Where do we go from here? And how will we protect this fragile world from our own destructive powers? This is the next stage of evolution. This is Homo Deus. With the same insight and clarity that made Sapiens an international hit and a New York Times bestseller, Harari maps out our future.

So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The Taste for Civilization -

Janet A. Flammang 2009-10-06

This book explores the idea

that table activities--the mealtime rituals of food preparation, serving, and dining--lay the foundation for a proper education on the value of civility, the importance of the common good, and what it means to be a good citizen. The arts of conversation and diplomatic speech are learned and practiced at tables, and a political history of food practices recasts thoughtfulness and generosity as virtues that enhance civil society and democracy. In our industrialized and profit-centered culture, however, foodwork is devalued and civility is eroding. Looking at the field of American civility, Janet A. Flammang addresses the gendered responsibilities for foodwork's civilizing functions and argues that any formulation of "civil society" must consider food practices and the household. To allow space for practicing civility, generosity, and thoughtfulness through everyday foodwork, Americans must challenge the norms of unbridled consumerism, work-life

balance, and domesticity and caregiving. Connecting political theory with the quotidian activities of the dinner table, Flammang discusses practical ideas from the "delicious revolution" and Slow Food movement to illustrate how civic activities are linked to foodwork, and she points to farmers' markets and gardens in communities, schools, and jails as sites for strengthening civil society and degendering foodwork.

The Cocktail Collection -

Alice Clayton 2016-11-28

New York Times bestselling author Alice Clayton delights readers with the sexy, laugh-out-loud romances in the beloved Cocktail series! Don't miss three hot and hilarious tales in the Cocktail Collection! In *Wallbanger*, Caroline didn't hear things "go bump in the night"—she heard things go thump in the night. And it was always her neighbor's headboard. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and suddenly Caroline is finding she may have discovered a whole new definition of neighborly... In *Rusty Nailed*, Simon and Caroline find that playing house was never so much fun—or so confusing. With her

boss on an extended honeymoon, Caroline's working long hours to keep the interior design company running and her projects on deadline. And with Simon, her hotshot photographer boyfriend, gallivanting all over the world for his job, the couple is heavy-duty into "absence makes the heart grow fonder" mode. No complaints about the great reunion sex, though! But between Caroline's crazy work schedule, Simon's traveling, and house sitting for their friends, will they be able to make their relationship a priority? *Screwdrivered* brings us Viv Franklin, a tough-as-nails software engineer who designs programs and loves hospital corners, and also wants to be swept off her feet by her dream guy. So when a phone call with news of an inherited house brings her out to Mendocino, California, she suddenly finds her "knight in shining armor" selection growing. There's a cowboy, one that ignites her loins. Because Cowboy Hank is totally loin-ignition worthy. But there's

also a librarian, Clark Barrow. And he calls her Vivian. Can tweed jackets and elbow patches compete with chaps and spurs? You bet your sweet cow pie. It's like being forced to pick between Superman and Clark Kent! Really, how's a girl to choose?
