Supernatural: John Winchester's Journal - Alex Irvine 2009-02-03

Sam and Dean Winchester know all the secrets their father recorded in his journal. Now you can, too. On November 2, 1983, Sam and

Dean Winchester lost their mother to a demonic supernatural force. In the wake of the tragedy, their father, John, set out to learn everything he could about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. In his personal journal, he not only compiled folklore, legend, and superstition about all manner of otherworldly enemies but he also recorded his experiences—hunting the creature that killed his wife even as he raised his two sons. Part prequel, part resource guide, John Winchester's Journal finally gives fans the ultimate companion book for Supernatural. It's all here: the exorcism Sam and Dean used in "Phantom Traveler," John's notes on everything from shape-shifters to Samuel Colt, Dean's first hunt, Sam's peewee soccer team . . . and John's single-minded pursuit of a growing and deadly evil.

Supernatural: Witch's

Canyon - Jeff Mariotte

2009-10-13

Twenty-two years ago, Sam and Dean Winchester lost their mother to a mysterious and demonic supernatural force. In the years after, their father, John, taught them about the paranormal evil that lives in the dark corners and on the back roads of America...and he taught them how to kill it. Sam and Dean have set out on a road trip to the Grand Canyon, but this is no vacation for the brothers. On a stretch of deserted ranchland just beyond the canyon's stunning vistas, mysterious murder sprees have occurred every forty years. The area's inhabitants have been few and far between in years past, but a nearby mega-mall is about to celebrate its grand opening—and attract thousands of fresh victims. The Winchester boys are determined to protect locals and shoppers alike, but they never anticipated they'd be fighting a group of killers this vicious, this vindictive, this . . . dead. A deadly horde of animal spirits and human ghosts has arisen to terrorize this tiny corner of the Arizona desert. If

Supernatural and Philosophy - Galen A. Foresman 2013-08-07

No doubt the years hunting monsters and saving the universe have had their toll on the Winchesters, but their toughest and most gruesome battles are contained in this book. Think Lucifer was diabolically clever? Think again. No son is more wayward than the one who squanders his intellect and academic career pursuing questions as poignant as "Half-awesome? That's full-on good,

right?" Gathered here for the first time since the formation of Purgatory, a collection of research so arcane and horrific that it would make even the late, great Bobby Singer blush. Supernatural and Philosophy tackles all the big ideas in the long-running hit show Supernatural, covering thorny issues in a fun and accessible way. Even those unfamiliar with the show will find fascinating insights into Heaven, Hell, Angels, Demons, God, and Lucifer. A unique collection of insights into the many philosophical, religious, and paranormal topics in the hit TV show, Supernatural Accessible treatment of thorny issues for a general audience. Written by philosophical fans of the show, for philosophical fans of the show. Those unfamiliar with the show will still find fascinating insights into Heaven, Hell, Angels, Demons, God, Lucifer, and Good and Evil. Supernatural: Rising Son

(2010-) #2 - Rebecca

Dessertine 2010-08-25

John Winchester is haunted by his past and fears his future. The death of his wife Mary left him broken, but the revelation that his son Sam might have a connection to the dark world of the supernatural might be too much to bear. Is he willing to sacrifice Dean to protect Sam from a lifetime of horrors?

The Supernatural Book of Monsters, Spirits, Demons, and Ghouls - Alex Irvine 2009-10-13

Twenty-three years ago, Sam and Dean Winchester lost their mother to a demonic supernatural force. Following

the tragedy, their father, John, set out to teach his boys everything about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. Fans of the blockbuster television phenomenon can rejoice! A one-of-a-kind compilation of all of Sam and Dean's demon-busting knowledge, The Supernatural Book of Monsters, Spirits, Demons, and Ghouls contains illustrations and detailed descriptions that catalogue the more than two dozen otherworldly enemies that most people believe exist only in folklore, superstition, and nightmares: vampires, ghosts, revenants, reapers, and even bloody clowns. You'll find within these pages Sam and Dean's notes, observations, and memories interwoven with sections of John Winchester's invaluable journal, making this book the perfect companion to every thrilling episode—and an essential weapon in the secret war against the hidden creatures of the darkness!

Fan Phenomena: Supernatural

- Lynn Zubernis 2014-01-01

Supernatural premiered on September 14, 2005, on what was then called the WB Network. Creator Eric Kripke was inspired by Jack Kerouac's *On The Road*, putting his heroes, brothers Sam and Dean Winchester, in a big black '67 Impala and sending them in search of the urban legends that fascinated him. The series attracted a passionate fan base from the start and was described as a 'cultural attractor' that tapped into the zeitgeist of the moment, reflecting global fears of terrorism with its themes of fighting unseen evil. The chemistry between the lead actors, Jared Padalecki and Jensen Ackles, contributed to the show's initial success, and Supernatural found its niche

when it combined demon-hunting adventures with a powerful relationship drama that explored the intense, complicated bond between the brothers. Supernatural is as much a story of familial ties, love and loyalty as it is of 'saving people, hunting things.'

Fan Phenomena: Supernatural explores the ongoing fascination and passion for a show that developed a relationship with fans through eight seasons and continues to have an impact on fan culture to the present day. Essays here explore the rich dynamic that has developed between fans and producers, actors, writers, directors, the show creator and show-runners through online interactions on Twitter and Facebook, face-to-face exchanges at conventions and representations of fandom within the show's meta-episodes. Contributors also explore gender and sexuality in the show and in fan art; the visual dynamics, cinematography and symbolism in the episodes as well as the fan videos they inspire; and the

culture of influence, learning and teaching in the series. [Supernatural: Heart of the Dragon](#) - Keith R.A DeCandido 2010-11-17

In the Hunt - 2009-02-10

A relative newcomer to the paranormal-teen drama scene, the hit TV show *Supernatural* has already developed a rabid and deeply committed fan base since its debut in the fall of 2005. When their dad mysteriously disappears, brothers Dean and Sam Winchester join forces to bring him home and are pulled headlong into the world he knew best—one full of demons, spirits, monsters, and ghouls. Featuring essays from three lucky fans as well as leading writers and pop culture experts, this insightful anthology sheds light on a variety of issues, including why such a male-centric show has such a large female fan base,

"Wincest" and homoeroticism, how *Supernatural* can be interpreted as a modern-day Brothers Grimm, and the questionable nature of John Winchester's parenting habits. *A Natural History of Dragons* - Marie Brennan 2013-02-05 Marie Brennan begins a thrilling new fantasy series in *A Natural History of Dragons*, combining adventure with the inquisitive spirit of the Victorian Age. You, dear reader, continue at your own risk. It is not for the faint of heart—no more so than the study of dragons itself. But such study offers rewards beyond compare: to stand in a dragon's presence, even for the briefest of moments—even at the risk of one's life—is a delight that, once experienced, can never be forgotten. . . . All the world, from Scirland to the farthest reaches of Eriga, know Isabella, Lady Trent, to be the world's preeminent dragon naturalist. She is the remarkable woman who brought the study of dragons out of the misty shadows of myth and misunderstanding

into the clear light of modern science. But before she became the illustrious figure we know today, there was a bookish young woman whose passion for learning, natural history, and, yes, dragons defied the stifling conventions of her day. Here at last, in her own words, is the true story of a pioneering spirit who risked her reputation, her prospects, and her fragile flesh and bone to satisfy her scientific curiosity; of how she sought true love and happiness despite her lamentable eccentricities; and of her thrilling expedition to the perilous mountains of Vystrana, where she made the first of many historic discoveries that would change the world forever. Supernatural: Nevermore -
Keith R.A. DeCandido
2009-10-13

Twenty-two years ago, Sam and Dean Winchester lost their mother to a mysterious and demonic supernatural force. In the years after, their father, John, taught them about the paranormal evil that lives in the dark corners and on the

back roads of America...and he taught them how to kill it. Sam and Dean have hit New York City to check out a local rocker's haunted house. But before they can figure out why a lovesick banshee in an '80s heavy-metal T-shirt is wailing in the bedroom, a far more macabre crime catches their attention. Not far from the house, two university students were beaten to death by a strange assailant. A murder that's bizarre even by New York City standards, it's the latest in a line of killings that the brothers soon suspect are based on the creepy stories of legendary writer Edgar Allan Poe. Their investigation leads them to the center of one of Poe's horror classics, face-to-face with their most terrifying foe yet. And if Sam and Dean don't rewrite the ending of this chilling tale, a grisly serial killer will end their lives forevermore.

Supernatural: Bone Key - Keith R.A. DeCandido
2009-10-13
Twenty-two years ago, Sam and Dean Winchester lost their mother to a mysterious and

demonic supernatural force. In the years after, their father, John, taught them about the paranormal evil that lives in the dark corners and on the back roads of America . . . and he taught them how to kill it. Sam and Dean are headed for Key West, Florida, home to Hemingway, hurricanes, and a whole lot of demons. The tropical town has so many ghouls on the loose that one of its main moneymakers has long been a series of ghost tours. But the tours are no more, not since one of the guides was

found dead of an apparent heart attack . . . his face frozen in mid-scream. No one knows what horrors he saw, but the Winchester brothers are about to find out. Soon they'll be face-to-face with the ghosts of the island's most infamous residents, demons with a hidden agenda, and a mysterious ancient power looking for revenge. It's up to Sam and Dean to save the citizens of Key West . . . before the beautiful island is reduced to nothing more than a pile of bones.
