Cengage Advantage Books: Business Law Today: The Essentials - Roger LeRoy Miller 2010-01-01

This text is a briefer paperback version of the widely-adopted Miller/Jentz BUSINESS LAW TODAY: THE STANDARD EDITION. THE ESSENTIALS offers the very same traits that have made that book so successful edition after edition - it provides the legal credibility and authoritativeness of a traditional business law book while also offering strong visual appeal and student friendly features. The text's engaging, high-interest presentation is complemented by the essential detail and information necessary to completely explain law topics. The book truly offers you and your students the best of both worlds--a credible business law source, which students will be motivated to read. Its magic and the cornerstone of its widespread success is in this ability to appeal to both instructors and students without being mutually exclusive. BUSINESS LAW TODAY: THE ESSENTIALS also offers the most comprehensive teaching and learning support package on the market, with something to fit many different instructional or learning styles. This text explicitly meets the AACSB curriculum requirements. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Seven Essentials for Business Success - George J. Siedel 2021
Successful leaders are great teachers and successful teachers serve as

models of leadership. This book enables leaders and teachers to understand and use the best practices developed by award-winning professors, each of whom teaches one of the seven areas that are essential for business success. These professors candidly discuss their successes and failures in the classroom, the mentors who inspired them, how they developed their teaching methods, their rigorous preparation for class, and the role of research in their teaching. Through descriptions of the professors in action, readers will gain an insider's perspective on their teaching skills, and witness how they teach the seven essentials for success in a variety of settings--MBA, Executive MBA, and executive education courses. The chapters also describe the daily lives (professional and personal) of the professors, and the impact they have beyond the classroom in improving organizations and society. If you are a leader or teacher--or if you are interested in the content of a business school education--this book provides an insider's perspective on the best practices used by legendary professors when teaching the seven essentials that represent the core body of knowledge for business success.

Real Estate Law - George J. Siedel 1989

The Legal and Regulatory Environment of Business - Robert Neil Corley 1996

Upon its publication in 1963, Corley's Legal Environment of Business was the first and only business law textbook to emphasize public rather than private law, government regulation of business rather than contracts, and legal relationships rather than business transactions. A major innovation, it established a new course that the authors termed the legal environment of business. Over the years others have attempted to attain the success and stature of The Legal and Regulatory Environment of Business, but none has been able to match its timely, innovative coverage. Substantially updated, the 10th edition continues the text's reputation for ethics, authority and coverage of current areas of importance to business.
