Now a Major Motion Picture, Starring Simon Baker, Elizabeth Debicki, and Richard Roxburgh *Breath* is a story of risk, of learning one's limits by challenging death. On the wild, lonely coast of Western Australia, two thrill-seeking teenage boys fall under the spell of a veteran big-wave surfer named Sando. Their mentor urges them into a regiment of danger and challenge, and the boys test themselves and each other on storm swells and over shark-haunted reefs. The boys give no thought to what they could lose, or to the demons that drive their mentor on into ever-greater danger. Venturing beyond all caution—in sports, relationships, and sex—each character approaches a point from which none of them will return undamaged.
