Ethics in Advertising - Wally Snyder 2016-11-03

This book provides students and practitioners with a comprehensive overview of the rules and principles associated with ethical advertising practices. With extensive research, and a variety of case studies, and expert opinions, it discusses why advertising ethics is important both to the consumer and the professional. The author presents the rules of ethical conduct recommended by the Institute for Advertising Ethics and demonstrates how these are applied in practice, examining why ethics is important; what the ethical dilemmas the industry faces are; and how to motivate better practices among professionals. The book uses real life stories of "native advertising," marketing to children, and diversity in advertising to show how professionals can be inspired to "do the right thing" for consumers and their companies. Readers will learn how they can solve ethical dilemmas to their personal satisfaction in the competitive work environment. This balanced perspective to the ethical issues that arise in the advertising industry is sure to resonate with students of advertising and marketing.

Brand Mechanics - Michael Llewellyn-Williams 2013-01-31

A practical step-by-step guide to the art and science of building brands

without the fluffy nonsense and BS. As one of the author's clients put it, "Forget the touchy-feely stuff. This is the real deal." This book describes in detail the breakthrough BrandMechanics(r) proprietary FBE(tm) methodology based on a simple step-by-step process for creating a powerful brand strategy and includes many examples, across dozens of market categories, of how to get it right and avoid getting it wrong. For the first time in print, the author reveals the secrets behind the remarkable process that has generated hundreds of thousands of dollars in revenue from clients in the U.S., U.K., Europe, Asia and Canada, including Disney, Toyota/Scion, Visa, AOL, Boston Consulting Group, Miller Brewing, City of San Jose, McDonald's, Hewlett-Packard, Accenture, Tomb Raider/Lara Croft, Mandalay Bay Resort & Casino, Pentax Cameras and many others. Also revealed is the shocking truth about the many high-priced advertising and digital agencies, design studios and consulting firms who charge their clients small fortunes for brand strategy development while regularly outsourcing the work and paying a fraction of what they charge, and often delivering an "immersion" in the brand without actually defining its Essence. This book is a must-read for anyone involved in the marketing and branding

business - from Fortune 500 CEOs to students considering a career in the industry.

Advertising and Integrated Brand Promotion - Thomas C. O'Guinn 2006
ADVERTISING AND INTEGRATED BRAND PROMOTION, FOURTH EDITION is highly visual and provides an integrated learning experience for the student. The new edition continues the tradition of delivering a solid understanding of advertising strategy, through a clearly written text as well as through the most contemporary ads. The table of contents follows the same process as an advertising agency. Like other aspects of business, good advertising is the result of hard work and careful planning. The new edition of Advertising and Integrated Brand Promotion illustrates how to best accomplish this.

Advertising & IMC - Sandra Moriarty 2011-11-21

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. An accessible and well-written approach to advertising. Advertising tracks the changes in today's dynamic world of

media and marketing communication—as well as the implications of these changes to traditional practice—and presents them to readers through an accessible, well-written approach. The ninth edition highlights the increasing importance of consumers as the driving force in today's advertising strategies, social media, and the Internet evolution/revolution. It also includes an increased IMC and brand focus.

Principles of Advertising & IMC - Tom Duncan 2005

Principles of Advertising and IMC, 2/e by Tom Duncan explains the principles and practices of advertising and the other marketing communication functions within an integrated context complete with an integrated planning process. Duncan's text presents the new ways companies communicate with business-savvy customers. It also shows how and why top management demands accountability of how advertising and promotion dollars are spent. Principles of Advertising and IMC provides students with a basic understanding of all the major marketing communication functions, the major media alternatives, and the processes for integrating these activities in the most effective and efficient way in order to develop long-term, profitable customer relationships that build brands and create brand equity. Based on feedback from reviewers, author Tom Duncan has increased the 2nd Edition coverage of key advertising concepts (like channel marketing, customer service, direct response and personal selling) to ensure a well-rounded approach to the Principles of Advertising course.

Events Marketing Management - Ivna Reic 2016-09-19

This textbook provides students with an essential introduction to the theoretical underpinnings and practicalities of managing the marketing of events. In order to market events effectively, it is vital to consider marketing of events from the organiser's perspective and to link it to that of the consumers attending events. As such, this is the first book on the topic which reflects the unique characteristics of marketing in the Events industry by exploring both sides of the marketing coin - the supply and the demand - in the specific context of events. The book takes the reader from core marketing mix principles to exploring the event marketing landscape to consumer experience and involvement with event marketing and finally strategies and tactics employed to manage the marketing activities related to events. The use of technology, importance of sponsorship and PR are also considered. International case studies are integrated throughout to show practical realities of marketing and managing events and a range of useful learning aids are incorporated to aid navigation throughout the book, spur critical thinking and further students' knowledge. This accessible and comprehensive account of Events Marketing and Management is essential reading for all students and future managers.

Political Campaign Communication - Judith S. Trent 2008

Now in its sixth edition, Political Campaign Communication provides a realistic understanding of the strategic and tactical communication choices candidates and their staffs must make as they wage an election campaign. Trent and Friedenbergs classic text has been updated throughout to reflect recent election campaigns, including 2004 and 2006 as well as the early stages of 2008. A new chapter focuses on the use of the Internet. Political Campaign Communication continues to be a classroom favorite—a thoroughly researched, insightful, and reader-friendly text.

Advertising: Principles and Practice - Sandra Moriarty 2014-08-01

The 3rd edition of Advertising: Principles and Practice is the only practical, applied guide to the real world of advertising in Australasia using award-winning examples of how and why great advertising is achieved. It features new coverage of advertising's role within the integrated marketing communications (IMC). Moriarty explores the ever-changing media landscape and encourages readers to think about the ways in which advertising operates as part of a broader communication strategy. How do you define great advertising? How do you encourage creativity in advertising? How can interactive and digital media add value to advertising? These questions, and many more are comprehensively answered inside this Australian adaptation of the US text, Advertising & IMC: Principles and Practice by Moriarty, Mitchell and Wells.

İmaj ve Türleri İmaja Dair Her Şey - M. Nejat Özüpek 2020-02-12

Kısaca bir kişi, kurum ya da nesnenin, insanların zihninde oluşturduğu izlenimler olarak adlandırılabilir olan imaj, insan hayatında büyük bir öneme sahiptir. Çünkü insanların, kurumların, ürünlerin, şehir ve ülkelerin, başkalarının gözünde olumlu bir izlenime sahip olmadan kabul edilebilmeleri ve başarılı olmaları mümkün değildir. Bu bakış açısıyla imaj kavramının yüzlerce yıla dayalı bir geçmişe sahip olduğunu söylemek mümkünse de akademik anlamda konunun ele alınması ve

“imaj” olarak ifade edilmesi 20. Yüzyılın ikinci yarısından itibaren başlamıştır. Başlangıçta daha çok kişisel imaj anlamında ifade edilen kavramın sonraki yıllarda içeriği ve kapsamı genişlemiş, birçok alanda kullanılmaya başlanmıştır. Kişisel imajın yanı sıra ürün, marka, kurum, şehir ve ülke imajı gibi kavramlar da gündeme gelmeye ve ifade edilmeye başlamıştır. İmajın toplumsal hayatımızdaki yeri nedeniyle; gerek dünyada gerekse ülkemizde konuyla ilgili çalışma ve araştırmalar yapılmış olmakla birlikte, belli başlı imaj türlerinin hepsini detaylı bir şekilde ele alarak inceleyen bir çalışma mevcut değildir. İşte şu an elinizde tuttuğunuz kitap bu alandaki bir boşluğu doldurmak amacıyla ele alınmıştır.

IMC, The Next Generation - Don E. Schultz 2003-08-22

Strategies for binding customers to an organization--by determining the information they want and giving it to them In 1993, Don Schultz showed marketers how to coordinate their organizations' entire communications programs with the seminal *Integrated Marketing Communications*. In *IMC--The Next Generation*, Schultz offers a refined and updated approach to the IMC model, one that goes beyond the messages an organization chooses to send to encompass the information that the customer wishes to receive or have access to. *IMC--The Next Generation* shows marketers how to build sustainable competitive advantage and ROI by combining and coordinating all methods through which buyers and sellers come together. Numerous cases and real-world examples reveal how to use today's IMC model to: Integrate internal and external communications programs Influence customers at every contact point

Build long-term brand relationships

Marketing Intelligent Systems Using Soft Computing - Jorge Casillas
2010-09-30

Dr. Jay Liebowitz Orkand Endowed Chair in Management and Technology University of Maryland University College Graduate School of Management & Technology 3501 University Boulevard East Adelphi, Maryland 20783-8030 USA jliebowitz@umuc.edu When I first heard the general topic of this book, *Marketing Intelligent Systems* or what I'll refer to as *Marketing Intelligence*, it sounded quite intriguing. Certainly, the marketing field is laden with numeric and symbolic data, ripe for various types of mining—data, text, multimedia, and web mining. It's an open laboratory for applying numerous forms of intelligentsia—neural networks, data mining, expert systems, intelligent agents, genetic algorithms, support vector machines, hidden Markov models, fuzzy logic, hybrid intelligent systems, and other techniques. I always felt that the marketing and finance domains are wonderful application areas for intelligent systems, and this book demonstrates the synergy between marketing and intelligent systems, especially soft computing. Interactive advertising is a complementary field to marketing where intelligent systems can play a role. I had the pleasure of working on a summer faculty fellowship with R/GA in New York City—they have been ranked as the top interactive advertising agency worldwide. I quickly learned that interactive advertising also takes advantage of data visualization and intelligent systems technologies to help inform the Chief Marketing Officer of various companies. Having improved ways to present information for strategic decision making through use of these technologies is a great benefit.

Get Out of Your Way - Marilyn Singer 2010-10-06

Marilyn and Larry have identified the common thread present in all successes and failures: us. We are always there. Like most people, you are in the way of your own success, happiness, and eventual advancement. The time has come for you to get out of your own way! *Get Out of Your Way* is intended for all of you who have stopped short of achieving your goals and dreams and feel someone or something is always getting in your way. It's for those of you who are frustrated by your current position in life; and for those who have reached heights beyond your dreams and who, as most of us do, want still more. Read this book. Keep this book. Then read it again. Pay it forward by recommending this book to others whom you think would benefit from it. You and they will learn how to: Turn fears into excitement; Become the person you've always wanted to be; Change your attitude from a wannabe to I am; Get out of the way of your own success. Deep down we all know that the truth is we have been in our own way. But Marilyn and Larry Singer help us through it without too much guilt. *Get Out of Your Way* has pearls of wisdom on every page. I can't wait to get this into the hands of hundreds on the team and watch the positive changes. -- Gary DeRitter, Network Marketing Professional

Celebrity Health Narratives and the Public Health - Christina S. Beck, 2015-07-25

We follow celebrities on Twitter and Facebook, watch them on television, and read about them in supermarket checkout lines. Our relationship with celebrities has never been so immediate. Their personal trials are news headlines and water cooler talk. Offering the first extensive look at celebrity health sagas, this book examines the ways in which their stories become our stories, influencing public perception and framing dialog about wellness, disease and death. These private-yet-public narratives drive fund-raising, reduce stigma and influence policy. Celebrities such as Mary Tyler Moore, Robin Roberts, Michael J. Fox, and Christopher Reeve—as well as 200 others included in the study—have left a lasting legacy.

Manajemen Merek - Andriasan Sudarso 2020-12-16

Selama beberapa dekade, perusahaan telah menciptakan merek untuk digunakan sebagai pusat upaya komunikasi mereka dengan konsumen dan pelanggan. Dengan menggunakan berbagai teknik seperti pengembangan identitas dan citra, positioning dan diferensiasi, perusahaan telah menerapkan praktik manajemen merek untuk secara jelas menggambarkan dan “mendorong” manfaat dari penawaran mereka ke segmen pasar tertentu dan konsumen individu. Namun saat ini, konsumen yang terinformasi, terhubung, dan aktif menantang model manajemen merek yang berpusat pada perusahaan. Dengan

menggunakan teknologi baru yang dimediasi oleh komputer seperti internet, email, dan telepon seluler, konsumen dapat memperoleh informasi yang lebih rinci tentang merek, produk, dan layanan untuk membantu mereka membuat pilihan yang lebih cerdas dan lebih personal sesuai keinginan mereka. Mereka dapat memvalidasi pemasaran perusahaan dan dapat dengan lebih mudah menolak klaim atau pernyataan berdasarkan pengetahuan mereka sendiri. Secara lengkap buku ini membahas : Bab 1 Pengantar Manajemen Merek Bab 2 Sejarah dan Perkembangan Merek Bab 3 Pengelolaan Merek (Brand Management) dan Brand Equity Bab 4 Janji Merek (Brand promise) dan Brand Element Bab 5 Sistem Identitas Merek Bab 6 Membangun Brand Image dan Brand Personality Bab 7 Pengembangan Identitas Merek Bab 8 Strategi Pengembangan Merek Bab 9 Alternatif Strategi Pengembangan Merek Bab 10 Hukum Merek Sebagai Bagian dari HKI di Indonesia
