Off Broadway Musicals, 1910-2007 - Dan Dietz
2010-03-10

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway

have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway

runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Dream Catcher - Margaret A. Salinger 2013-09-10
In her highly anticipated memoir, Margaret A. Salinger writes about life with her famously reclusive father, J.D. Salinger—offering a rare look into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life

that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be.

If Not This Dream is an 1134-page fast-paced novel presented in three books. The night before Zaki, his family, Safiyah Hadejia, and Thomas depart for Nigeria, Africa, to search for M̀dawwàri, Biggs shows him where his family has buried sixteen giant black-iron cauldrons full of gold coins, now worth billions. When the group arrives at Lagos, Nigeria, they board a Sikorsky S-92, a five-blade helicopter, and fly northeast. When they land at Hadejia, Ahmadu

Hadejia, Safiyah's father, and his men surround the machine, all pointing assault rifles at it. The group exits the helicopter, all inspected by Ahmadu. After taking the group into his modern home, Ahmadu gives permission for his daughter to accompany them to the village of the circle, charging Zaki's mother with her safety. Three weeks later, the group returns, this time Safiyah asking her father if she can return to America with the family. When he learns that his daughter has lost her virginity to Zaki, an infidel, he goes into a rage, threatening to behead his daughter and Zaki. Safiyah's mother pleads for mercy from her husband. He finally bans Safiyah from his home under curse, never to see her again. They escape in their chartered Sikorsky S-92, a five-blade helicopter. The young pureblooded American Hausa fulfills his ancestor's dream and embarks on his own dream, building a self-sustaining all-black private school and town outside Charleston, South Carolina.

Tragedy propels Zaki into national spotlight. Interviews on Larry King Live, the Oprah Winfrey Show, and an overnight stay in the Obama White House on the fourth of July facilitate the acceleration of phase two of his dream. Phase three of the dream is for all African American people to return to their roots to rebuild their culture in the original Dixie states of America. Phase three will shake America's foundation.

The Poets of Tin Pan Alley - Philip Furia 2022

"Mrs. Oscar Hammerstein, so the story goes, once overheard someone praise "Ol' Man River" as a "great Kern song." "I beg your pardon," she said, "But Jerome Kern did not write 'Ol' Man River.' Mr. Kern wrote dum dum dum da; my husband wrote ol' man river." It's easy to understand her frustration. While the years between World Wars I and II have long been hailed as the "golden age" of American popular song, it is the composers, not the lyricists, who always usually get top billing. "I love a

Gershwin tune" too often means just that-the tune-even though George Gershwin wrote many unlovable tunes before he began working with his brother Ira in 1924. Few people realize that their favorite "Arlen" songs each had a different lyricist-Ted Koehler for "Stormy Weather," Yip Harburg for "Over the Rainbow," Johnny Mercer for "That Old Black Magic." Only Broadway or Hollywood buffs know which "Kern" songs get their wry touch from Dorothy Fields, who would flippantly rhyme "fellow" with "Jello," and which of Kern's sonorous melodies got even lusher from Otto Harbach, who preferred solemn rhymes like "truth" and "forsooth." Jazz critics sometimes pride themselves on ignoring the lyrics to Waller and Ellington "instrumentals," blithely consigning Andy Razaf or Don George to oblivion"--

The Wrecking Crew - Kent

Hartman 2012-02-14

Winner of the Oregon Book Award for General Nonfiction and Los Angeles Times bestseller "It makes good music sound better."-Janet Maslin in The New York Times "A fascinating look into the West Coast recording studio scene of the '60s and the inside story of the music you heard on the radio. If you always assumed the musicians you listened to were the same people you saw onstage, you are in for a big surprise!"-Dusty Street, host of Classic Vinyl on Sirius XM Satellite Radio If you were a fan of popular music in the 1960s and early '70s, you were a fan of the Wrecking Crew-whether you knew it or not. On hit record after hit record by everyone from the Byrds, the Beach Boys, and the Monkees to the Grass Roots, the 5th Dimension, Sonny & Cher, and Simon & Garfunkel, this collection of West Coast studio musicians from diverse

backgrounds established themselves in Los Angeles, California as the driving sound of pop music-sometimes over the objection of actual band members forced to make way for Wrecking Crew members. Industry insider Kent Hartman tells the dramatic, definitive story of the musicians who forged a reputation throughout the business as the secret weapons behind the top recording stars. Mining invaluable interviews, the author follows the careers of such session masters as drummer Hal Blaine and keyboardist Larry Knechtel, as well as trailblazing bassist Carol Kaye-the only female in the bunch-who went on to play in thousands of recording sessions in this rock history. Readers will discover the Wrecking Crew members who would forge careers in their own right, including Glen Campbell and Leon Russell, and learn of the relationship between the Crew and such legends as Phil Spector and Jimmy Webb. Hartman also takes us inside the studio for

the legendary sessions that gave us Pet Sounds, Bridge Over Troubled Water, and the rock classic "Layla," which Wrecking Crew drummer Jim Gordon cowrote with Eric Clapton for Derek and the Dominos. And the author recounts priceless scenes such as Mike Nesmith of the Monkees facing off with studio head Don Kirshner, Grass Roots lead guitarist (and future star of The Office) Creed Bratton getting fired from the group, and Michel Rubini unseating Frank Sinatra's pianist for the session in which the iconic singer improvised the hit-making ending to "Strangers in the Night." The Wrecking Crew tells the collective, behind-the-scenes stories of the artists who dominated Top 40 radio during the most exciting time in American popular culture.

Dismantling the American Dream - Michael Collins
2022-10-10

This book is not an academic treatise. It is a concise story that tells what America's multinationals did to the U.S. economy and how they did it. It is an applied and actionable book which includes many suggested solutions that function as steps the reader can take in their company. This book is based on a promise made by multinationals in 2018 when 181 CEOs signed a commitment letter to lead their companies not just for the benefit of their investors, but for the benefit of all stakeholders: customers, employees, suppliers, communities, and

shareholders. During the last 40 years, the American dream has been dismantled by the policies and decisions of the multinational corporations (MNCs). Instead of benefitting all stake holders, they chose to favor their shareholders over all stake holders and short-term profits over society and country. To begin this process of change to achieve these new commitments, they must first understand what corporations did wrong since 1980 that didn't benefit the other stakeholders. This book will provide managers a detailed summary of the problems and obstacles they will need to address and overcome if they are going to make good on their commitment to meet the needs of all stakeholders, including employees, suppliers, communities, and an economy that serves all Americans. It also offers many solutions that will help them improve their job performance. It is in the interest of America's multinationals to find ways to protect their technologies, reduce outsourcing, and shift

their focus to playing in a long-term economic game if they want to be competitive in the future.

Dream House - Catherine Armsden 2015-10-19

In this “vividly written” novel, an architect returns to her childhood home on the coast of Maine—where startling family secrets come out of the woodwork (Kirkus). Gina Gilbert has designed an ideal life for herself in San Francisco. But when a car accident takes her parents’ lives, she finds herself drawn back to the New England home where she was raised. Facing grief and painful memories of the past, Gina turn to her skills as an architect—dissecting her old home, and the generations of secrets it conceals. The Gilbert family’s story unfolds room by room: from the darkroom where Gina’s gentle but passive father ran his photography business to the

kitchen where her volatile mother toiled under the weight of dashed dreams. But when Gina and her sister Cassie discover that a trove of historically significant letters have gone missing, long-buried truths are revealed, and family myths begin to unravel. To find the healing she needs, Gina must search the recesses of her heart, and reawaken her understanding of what makes a house a home.

the first to blend gospel music and secular themes -- the early foundation of soul music. He was the opposite of Elvis: a black performer who appealed to white audiences, who wrote his own songs, who controlled his own business destiny. No biography has previously been written that fully captures Sam Cooke's accomplishments, the importance of his contribution to American music, the drama that accompanied his rise in the early days of the civil rights movement, and the mystery that surrounds his death. Bestselling author Peter Guralnick tells this moving and significant story, from Cooke's childhood as a choirboy to an adulthood when he was anything but. With appearances by Martin Luther King Jr., Malcolm X, James Brown, Harry Belafonte, Aretha Franklin, Fidel Castro, The Beatles, Sonny and Cher, Bob Dylan, and other central figures of this explosive era, Dream Boogie is a compelling depiction of one man striving to achieve his vision despite all obstacles -- and an epic portrait

of America during the turbulent and hopeful 1950s and 1960s. The triumph of the book is the vividness with which Peter Guralnick conveys the astonishing richness of the black America of this era -- the drama, force, and feeling of the story.

As the child of Nigerian immigrants in the UK, author and speaker Jo Saxton knows firsthand how quickly the world can cause us to doubt our dreams and question who we are. She understands how easily we can exchange our true child-of-God selves for an identity built on lies, guilt, and brokenness. In this powerful book, Jo examines Biblical figures and shares her personal story as she invites you to turn to the One who knows you intimately and loves you deeply. He sees all you've struggled to hide. He hears the voice inside you that others have silenced. He knows the potential and purpose that no one valued. He longs to redeem the story of your life and set you on the path to reclaim The Dream of You. Are you ready?

Bryan Phoenix Presents: *Saint's Vigil*, a novel of horror and suspense. Killed in a violent robbery, rescued and revived, a music teacher feels her loss is too much to bear.

Panicked and broken, Sandra hides in Saint Michael's cathedral while law enforcement pursues the murderers. As darkness overwhelms her, she can only pray to the distant lights of heaven. Has she been cast into hell? In their terrible conflict, will the warring angels save her or destroy her? Called to the scene, Deputy Sheriff Hugh Miller entangles his team in a tactical nightmare, and his friends are killed and injured there. He saves Sandra from certain death by positioning himself between her and the assailants, but his use of force earns him a suspension. Inexplicably, the criminals escape. With the threat of more murders, Hugh joins the investigation in secret, obsessed with stopping the killers. His efforts place him in a deadly game poised to lose all he values and loves. Tracking seemingly supernatural events spiraling out of control, Hugh must find a way to bring them into his hand.
