The Wargaming Compendium - Henry Hyde
2013-08-19

This book gives a complete introduction to the hobby of wargaming with miniatures, especially suitable for the newcomer but also containing sufficient depth and breadth of information to attract the more experienced gamer. Packed with color photographs, maps and diagrams, the book is a visual treat, but one built on the solid foundations of a highly literate and engaging text that does not dumb down the hobby. Every aspect is explained clearly and in a way that both informs and entertains, with plenty of personality, gentle humor and a lightness of touch. The contents include a brief history of the development of wargaming, choice of periods from ancients to sci-fi, the question of scale (not only of miniatures, but the size of game from the smallest skirmishes to epic battles), terrain, buying and painting miniatures, creating scenarios for wargames, running a campaign, solo wargaming and so on. It also incorporates simple wargaming rules covering all periods of history as well as fantasy and science fiction

gaming. These rules will have optional mechanisms allowing them to be used for very small games with just a few figures, or much bigger games with several regiments or brigades on each side.

Stranger Things and Dungeons & Dragons (Graphic Novel) - Jody Houser 2021-07-06

Follow the crew from Hawkins, Indiana, as they discover the legendary monsters and epic adventures of the Dungeons & Dragons tabletop role-playing game together. Long before the dreaded Demogorgon took one of them to the Upside Down, watch Mike, Lucas, and Will bond with Dustin for the first time over the game that would define their childhood. See the party come together as a team through communal stories and perilous quests to learn important lessons about friendship and find the courage to stand up to the bullies that challenge their everyday.

Written by comics and RPG all-stars Jim Zub (Rick and Morty vs. D&D, Conan: Serpent War, Dungeons & Dragons: Infernal Tides) and Jody Houser (Critical Role: Vox Machina, Stranger Things, Star Wars), with vorpal-sharp line art from rising talent Diego Galindo (Power Rangers, Kino) and eye-popping colors from MsassyK (Isola) that strike as true as a Magic Missile. Dive into this love letter to a game that has defined role-playing through the lens of your current favorite icons of eighties nostalgia.

Player's Handbook 2 - Jeremy Crawford 2009
"Player's Handbook 2 is the most significant expansion to the 4th edition Dungeons & Dragons game. This companion to the 'Player's handbook' core rulebook introduces the primal power source, which draws on the spirits that preserve and sustain the world. This book includes four classes tied to the primal power source: the barbarian, the druid, the shaman, and the warden. It also presents four new arcane and divine classes: the avenger, the bard, the

invoker, and the sorcerer"--Back cover.

Live to Tell the Tale - Keith Ammann 2020-07-07

From the author of *The Monsters Know What They're Doing* comes an introduction to combat tactics for Dungeons & Dragons players. In his first book, *The Monsters Know What They're Doing* (based on his popular blog), Keith Ammann unleashed upon the D&D world a wave of clever, highly evolved monster tactics. Now it's only fair that he gives players the tools they need to fight back...and prevail! An introduction to combat tactics for fifth-edition Dungeons & Dragons players, *Live to Tell the Tale* evens the score. It examines the fundamentals of D&D battles: combat roles, party composition, attacking combos, advantage and disadvantage, Stealth and Perception, and more...including the ever-important consideration of how to run away! Don't worry about creating a mathematically perfect character from square one. Survival isn't about stats—it's about behavior! With four turn-by-turn, roll-by-roll,

blow-by-blow sample battles, *Live to Tell the Tale* breaks down how to make the best choices for your cherished characters so that they can survive their adventures, retire upon their accumulated riches, and tell stories about the old days that nobody will ever believe.

VAN RICHTEN'S GUIDE TO RAVENLOFT (ALTERNATE COVER) - 2021

The Evolution of Fantasy Role-Playing Games - Michael J. Tresca 2014-01-10

Tracing the evolution of fantasy gaming from its origins in tabletop war and collectible card games to contemporary web-based live action and massive multi-player games, this book examines the archetypes and concepts within the fantasy gaming genre alongside the roles and functions of the game players themselves. Other topics include: how *The Hobbit* and *The Lord of the Rings* helped shape fantasy gaming through Tolkien's obsessive attention to detail and virtual world building; the community-based

fellowship embraced by players of both play-by-post and persistent browser-based games, despite the fact that these games are fundamentally solo experiences; the origins of gamebooks and interactive fiction; and the evolution of online gaming in terms of technological capabilities, media richness, narrative structure, coding authority, and participant roles.

Monster Manual 3 - Mike Mearls 2010

This core rulebook introduces an innovative monster stat block format, that makes running monsters easier for the Dungeon Master, and presents a horde of iconic monsters that fit into any campaign.

The Role-Playing Society - Andrew Byers

2016-03-01

Since the release of Dungeons & Dragons in 1974, role-playing games (RPGs) have spawned a vibrant industry and subculture whose characteristics and player experiences have been well explored. Yet little attention has been devoted to the ways RPGs have shaped society at large over the last four decades. Role-playing games influenced video game design, have been widely represented in film, television and other media, and have made their mark on education, social media, corporate training and the military. This collection of new essays illustrates the broad appeal and impact of RPGs. Topics range from a critical reexamination of the Satanic Panic of the 1980s, to the growing significance of RPGs in education, to the potential for “serious” RPGs to provoke awareness and social change. The contributors discuss the myriad subtle (and not-so-subtle) ways in which the values, concepts and mechanics of RPGs have

infiltrated popular culture.

The Digital Role-Playing Game and Technical Communication - Daniel Reardon
2021-04-22

With annual gross sales surpassing 100 billion U.S. dollars each of the last two years, the digital games industry may one day challenge theatrical-release movies as the highest-grossing entertainment media in the world. In their examination of the tremendous cultural influence of digital games, Daniel Reardon and David Wright analyze three companies that have shaped the industry: Bethesda, located in Rockville, Maryland; BioWare in Edmonton, Alberta, and CD Projekt Red in Warsaw, Poland. Each company has used social media and technical content in the games to promote players' belief that players control the companies' game narratives. The result has been at times explosive, as empowered players often attempted to co-op the creative processes of games through discussion board forum

demands, fund-raising campaigns to persuade companies to change or add game content, and modifications (modding) of the games through fan-created downloads. The result has changed the way we understand the interactive nature of digital games and the power of fan culture to shape those games.

Rick and Morty vs. Dungeons & Dragons -

Patrick Rothfuss 2019-03-13

You've got to—belch!—roll for initiative, Morty! Two pop culture juggernauts are teaming up and neither multiverse is prepared for what comes next! When Morty sees a cute girl at school playing Dungeons & Dragons, he asks Rick to show him the ropes, only to discover that his grandfather is a veteran gamer. Next thing he knows, the entire family has been pulled into a campaign that escalates from virtual D&D simulations to alternate universes governed by the rules of the game. And as it turns out, Rick isn't the only one who knows his way around a d20.

Dungeons and Dragons - Wizards of the Coast, Inc 2009

Ideal for use by both players and Dungeon Masters alike, the hundreds of new weapons, tools, and magic items in this collection help D&D fans create exciting characters and campaigns.

Religions in Play - Philippe Borne 2012-01-01

Often dismissed as "not serious", the notion of play has nevertheless been at the centre of classical theories of religion and ritual (Huizinga, Caillois, Turner, Staal, etc.). What can be retained of those theories for the contemporary study of religions? Can a study of "play" or "game" bring new perspectives for the study of religions? The book deals with the history of games and their relation to religions, the links between divination and games, the relations between sport and ritual, the pedagogical functions of games in religious education, and the interaction between games, media and religions. Richly illustrated, the book

contributes to the study of religions, to ritual, game and media studies, and addresses an academic as well as a general public. Philippe Bornet, Dr. Phil., born in 1977, is Lecturer in the Study of Religion at the Faculty of Lettres of the University of Lausanne, with focus on the history of interrelations between India and Europe.

Maya Burger is Professor of Indian Studies and History of Religions at the Faculty of Arts of the University of Lausanne, Department of South Asian Languages and Civilizations.

Dungeon Master's Guide - Monte Cook 2000
Shows the reader how to be a Dungeon Master.
