Resources in Education - 1998-05

An Analytical Bibliography of Modern Language Teaching: 1937-1942. Organized for the Committee on Modern Languages, American Council on Education, by A. Coleman; compiled by C. B. King and C. Balluff; edited by R. H. Fife - Algernon Coleman 1949

SLA Research and Materials Development for Language Learning - Brian Tomlinson 2016-05-20
SLA Research and Materials Development for Language Learning is the only book available to focus on the interaction between second language acquisition theory and materials development for language learning. It consists of contributions written by experts in SLA, experts in materials development, researchers who have expertise in both fields, and introductions and conclusions by the editor. The book is organized into four major sections – position statements; materials driven by SLA theory; evaluations of materials in relation to SLA theory; and proposals for action – that offer a diverse range of perspectives while maintaining a cohesive and comprehensive overview on the subject. This book is ideal for post-graduate courses in applied linguistics and second language acquisition and for researchers interested in the relationship between SLA and materials development.

The Handbook of Language Teaching - Michael H. Long 2011-07-05
Bringing together an international and interdisciplinary team of contributors, this Handbook is a wide-ranging and invaluable reference guide to language teaching. A comprehensive reference work on language teaching, which combines the latest research findings, coverage of core topics, and examples of teaching experience from a variety of languages and settings Provides a unique breadth of coverage, including: the psycholinguistic underpinnings of language learning; social, political, and educational contexts; program design; materials writing and course design; teaching and testing; teacher education; and assessment and evaluation Offers a balanced evaluation of the major positions and approaches, including examining the increasingly important social and political context of language teaching Written by an international and interdisciplinary group of authors from a dozen different countries; English is only one of the many languages used as examples throughout the volume

Conducting Second-Language Reading Research - Elizabeth B. Bernhardt 2022-05-25
This is the first hands-on methods guide for second-language (L2) reading research. The authors expertly and critically situate L2 reading and literacy as a multivariate, interactive process and define terms, concepts, and research tools in connection with theory and a rich body of past empirical work, with lessons to learn and pitfalls to avoid. They concretely detail how to design empirical studies, collect data, and analyze findings in this important area. Authored by world experts on first-language (L1) and L2 reading, this book provides a comprehensive, critical, theory-driven review of methods in L2 reading research, offering a step-by-step guide from research design to study execution and data analysis. With useful pedagogical features and a unique database of L2 reading studies from around the world over three decades, this will be an invaluable resource to students and researchers of second-language acquisition, applied linguistics, education, and related areas.

HSPT Practice Questions - Mometrix Media 2014-03-31
HSPT Practice Questions are the simplest way to prepare for the HSPT. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice

tests helps ensure that you are not surprised or disappointed on your test day. Our HSPT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our HSPT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Teaching English Grammar to Speakers of Other Languages - Eli Hinkel 2016-01-29
This practical and research-based introduction to current and effective English grammar instruction gives pre-service and in-service teachers and teacher educators a strong foundation for teaching second language grammar and helps them develop their professional knowledge and skills. Written in a highly readable style for an international audience, it provides a thorough and rounded overview of the principles, strategies, techniques, and applications currently dominant in teaching L2 grammar in a range of instructional settings around the world. Chapter authors are world-class authorities in grammar and grammar teaching and learning. All chapters are based on theoretical frameworks and/or research foundations with a strong emphasis on practical applications and implications for classroom teaching, and highlight teaching methods, key concepts, and terminology associated with grammar instruction. Illuminating the options and choices in grammar teaching from a contemporary perspective, Teaching English Grammar to Speakers of Other Languages is ideal as key text for students in undergraduate and graduate MA-TESOL programs and as a resource for

practicing ESL/EFL teachers, teacher educators, and teaching faculty.

Reading, Writing, and the Rhetorics of Whiteness - Wendy Ryden 2013-03-01
In this volume, Ryden and Marshall bring together the field of composition and rhetoric with critical whiteness studies to show that in our "post race" era whiteness and racism not only survive but actually thrive in higher education. As they examine the effects of racism on contemporary literacy practices and the rhetoric by which white privilege maintains and reproduces itself, Ryden and Marshall consider topics ranging from the emotional investment in whiteness to the role of personal narrative in reconstituting racist identities to critiques of the foundational premises of writing programs steeped in repudiation of despised discourses. Marshall and Ryden alternate chapters to sustain a multi-layered dialogue that traces the rhetorical complexities and contradictions of teaching English and writing in a university setting. Their lived experiences as faculty and administrators serve to underscore the complex code of whiteness even as they push to decode it and demonstrate how their own pedagogical practices are raced and racialized in multiple ways. Collectively, the essays ask instructors and administrators to consider more carefully the pernicious nature of whiteness in their professional activities and how it informs our practices.

Validity Argument in Language Testing - Carol A. Chapelle 2021-01-21
Language tests play pivotal roles in education, research on learning, and gate-keeping decisions. The central concern for language testing professionals is how to investigate whether or not tests are appropriate for their intended purposes. This book introduces an argument-based validity framework to help with the design of research that investigates the validity of language test interpretation and use. The book presents the principal concepts and technical terms, then shows how they can be implemented successfully in practice through a variety of validation studies. It also demonstrates how argument-based validity intersects with technology in language testing

research and highlights the use of validity argument for identifying research questions and interpreting the results of validation research. Use of the framework helps researchers in language testing to communicate clearly and consistently about technical issues with each other and with researchers of other types of tests.

AP® English Language & Composition Crash Course, 2nd Edition - Dawn Hogue 2018-07-31 REA's AP English Language and Composition Crash Course is designed for the last-minute studier or any student who wants a quick refresher on the AP course. The Crash Course is based on the latest changes to the AP English Language and Composition course and exam and focuses only on the topics tested, so you can make the most of your study time.

Case Studies in Foreign Language Placement - Thom Hudson 2008 Although most language programs make placement decisions on the basis of placement tests, there is surprisingly little published about different contexts and systems of placement testing. The present volume contains case studies of placement programs in foreign language programs at the tertiary level across the United States. The different programs span the spectrum from large programs servicing hundreds of students annually to small language programs with very few students. The contributions to this volume address such issues as how the size of the program, presence or absence of heritage learners, and population changes affect language placement decisions. *Learn English Together* - Ni Hao Chinese 2021-09-30

Youth Knowledge Development Report - 1980

Key Concepts in Bilingualism - Fredric W. Field 2017-09-16 Arranged alphabetically, this accessible glossary provides a quick source of reference for a range of readers, from students of linguistics to educators who need help navigating the vocabulary of Bilingualism. Cross-referenced throughout, this guide considers a range of concepts that relate to the interdisciplinary nature of the field.

The ... Mental Measurements Yearbook - Oscar Krisen Buros 1985
Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order, please call 1-800-848-6224 (in the U.S.) or 919-966-7449 (outside the U.S.). The most widely acclaimed reference series in education and psychology, the Mental Measurements Yearbooks are designed to assist professionals in selecting and using standardized tests. The series, initiated in 1938, provides factual information, critical reviews, and comprehensive bibliographic references on the construction, use, and validity of all tests published in English. The objectives of the Mental Measurements Yearbooks have remained essentially the same since the publication of the series. These objectives include provision to test users of: factual information on all known tests published as separates in the English-speaking countries of the world candidly critical test reviews written for the MMY series by qualified professional people representing a variety of viewpoints unique publication of each volume in the MMY series with new volumes supplementing rather than supplanting previous series volumes. Each yearbook is a unique publication, supplementing rather than supplanting the previous volumes. The ninth edition of this widely acclaimed reference work is the most comprehensive yearbook to date. It includes 1,409 commercially published tests (19% more than in The Eighth Mental Measurements Yearbook), detailed descriptive information about each test, 1,266 original reviews (41% more than in The Eighth Mental Measurements Yearbook) prepared by 660 well-qualified professional reviewers, and extensive references on specific tests, including those selected by Buros Institute staff and those selected by reviewers. The tests are listed in alphabetical order for easy reference. The volume also features a state-of-the-art essay on "Mental Measurement: Some Emerging Trends" by Dr. Anne Anastasi, a leading figure in the field of measurement. Indexes to the volume are: an Index of Titles with cross references and identification of new and revised tests, an Index of Acronyms, a Classified Subject Index, a Publisher's Directory and Index which includes publisher names and addresses and test listings by publisher, and Index of Names, and an innovative Score Index which refers readers to tests featuring particular kinds of scores that are of interest to them. Widely regarded as the bible of testing, the Mental Measurements Yearbook

is an indispensible reference work. The Ninth Mental Measurements Yearbook continues and extends this proud tradition of excellence in providing service to test users.
