**Religious Narratives in Italian Literature after the Second Vatican Council** - Jenny Ponzio 2019-03-18

This book presents a semiotic study of the re-elaboration of Christian narratives and values in a corpus of Italian novels published after the Second Vatican Council (1960s). It tackles the complex set of ideas expressed by Italian writers about the biblical narration of human origins and traditional religious language and ritual, the perceived clash between the immanent and transcendent nature and role of the Church, and the problematic notion of sanctity emerging from contemporary narrative.

*Giambattista Gelli and the Florentine Academy* - Armand L. De Gaetano 1976

**Jesuit Kaddish** - James Bernauer, S.J. 2020-03-30

While much has been written about the Catholic Church and the Holocaust, little has been published about the hostile role of priests, in particular Jesuits, toward Jews and Judaism. *Jesuit Kaddish* is a long overdue study that examines Jesuit hostility toward Judaism before the Shoah and the development of a new understanding of the Catholic Church's relation to Judaism that culminated with Vatican II's landmark decree *Nostra aetate*. James Bernauer undertakes a self-examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation. *Jesuit Kaddish* demonstrates the way Jesuit hostility operated, examining Jesuit moral theology's dualistic approach to sexuality and, in the case of Nazi Germany, the

articulation of an unholy alliance between a sexualizing and a Judaizing of German culture. Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of Nostra aetate. This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as “Righteous Among the Nations” by Israel’s Yad Vashem Holocaust Center. Jesuit Kaddish offers a crucial contribution to the fields of Catholicism and Nazism, Catholic-Jewish relations, Jesuit history, and the history of anti-Semitism in Europe.

**The Canterville Ghost. Mit Materialien** - Oscar Wilde 2002-08

**Wings for Our Courage** - Stephanie H Jed 2011-06

On January 6, 1537, Lorenzino de’ Medici

murdered Alessandro de’ Medici, the duke of Florence. This episode is significant in literature and drama, in Florentine history, and in the history of republican thought, because Lorenzino, a classical scholar, fashioned himself after Brutus as a republican tyrant-slayer. *Wings for Our Courage* offers an epistemological critique of this republican politics, its invisible oppressions, and its power by reorganizing the meaning of Lorenzino’s assassination around issues of gender, the body, and political subjectivity. Stephanie H. Jed brings into brilliant conversation figures including the Venetian nun and political theorist Archangela Tarabotti, the French feminist writer Hortense Allart, and others in a study that closely examines the material bases—manuscripts, letters, books, archives, and bodies—of writing as generators of social relations that organize and conserve knowledge in particular political arrangements. In her highly original study Jed reorganizes republicanism in history, providing a

new theoretical framework for understanding the work of the scholar and the social structures of archives, libraries, and erudition in which she is inscribed.

**Three Men on the Bummel** - Jerome K. Jerome  
2021-03-09

A decade after their wild boat ride adventure on the Thames river, J, Harris, and George reunite for another vacation. Older, richer, and fatter, but not wiser, the three men stumble through mishaps and surprises as they journey to Germany. First saying their goodbyes, J and Harris seek the approval of their wives, worried about leaving their kids. Their wives are supportive, secretly considering their husbands' trip from home as a vacation for themselves as well. Still a bachelor, George tells his aunt about the trip before they depart. First arriving in a boat, the men journey through Germany, stopping in Hamburg, Hanover, and Berlin. When they are able, they stay in hotels and inns, and when they are desperate, they sleep in the barns of kind farmers. After a long journey, the

men finally arrive at their destination. Planning on completing a cycling tour through the German Black Forest, the men take a single rider and a tandem bicycle, making a solemn compromise to take turns being the solo rider. As they set out on their bike ride, the friends are amazed by the beauty and serenity of the forest, until they start to realize that everything looks familiar. Lost in the woods and going in circles, the three men must find a way home from their adventure before they get caught in the impending rain storm. Through sketches and detailed observations, Jerome K. Jerome's *Three Men on the Bummel* provides a fascinating perspective on the landscape and culture of 20th century Germany. With drunken adventures, sword fights, and misfortunate weather, *Three Men on the Bummel* is an exciting and charming travelogue, humorous and enjoyable even for modern audiences. This edition of *Three Men on the Bummel* by Jerome K. Jerome is presented in an easy-to-read font and features an eye-

catching new cover design. With these accommodations, this edition is accessible and appealing to contemporary audiences, restoring Jerome K Jerome's work to modern standards while preserving the original wit and charm of Three Men on the Bummel.

**Level 3: Othello** - William Shakespeare 2019

**The Merry Devil** - William Shakespeare 2003  
Your silence and attention, worthy friends, That  
your free spirits may with more pleasing sense  
Relish the life of this our active scene: To which  
intent, to calm this murmuring breath, We ring  
this round with our invoking spells; If that your  
listening ears be yet prepared To entertain the  
subject of our play, Lend us your patience. Tis  
Peter Fabell, a renowned Scholler, Whose fame  
hath still been hitherto forgot By all the writers  
of this latter age. In Middle-sex his birth and his  
abode, Not full seven mile from this great  
famous City, That, for his fame in sleights and  
magicke won, Was calde the merry Friend of

Emonton. If any here make doubt of such a  
name, In Edmonton yet fresh unto this day, Fixt  
in the wall of that old antient Church, His  
monument remayneth to be seen; His memory  
yet in the mouths of men, That whilst he lived he  
could deceive the Devill. Imagine now that whilst  
he is retirde From Cambridge back unto his  
native home, Suppose the silent, sable visage  
night Casts her black curtain over all the World;  
And whilst he sleeps within his silent bed, Toiled  
with the studies of the passed day, The very time  
and hour wherein that spirit That many years  
attended his command, And often times twixt  
Cambridge and that town Had in a minute borne  
him through the air, By composition twixt the  
fiend and him, Comes now to claim the Scholler  
for his due.

**History of Architectural Conservation** - Jukka  
Jokilehto 2007-06-07

A History of Architectural Conservation expands  
knowledge about the conservation of ancient  
monuments, works of art and historic buildings.

It includes the origins of the interest in conservation within the European context, and the development of the concepts from Antiquity and the Renaissance to the present day. Jokilehto illustrates how this development has influenced international collaboration in the protection and conservation of cultural heritage, and how it has formed the principal concepts and approach to conservation and restoration in today's multi-cultural society. This book is based on archival research of original documents and the study of key restoration examples in countries that have influenced the international conservation movement. Accessible and of great interest to students and the general public it includes conservation trends in Europe, the USA, India, Iran and Japan.

**Flush** - Virginia Woolf 2013-09-03

Published in 1933 by Hogarth, Flush is an

experiment in biography, using the medium of a pet dog, the eponymous character, to examine the imagined life of the poet Elizabeth Barrett Browning. While Woolf's approach is essentially fictional, she used existing correspondence between Browning and her husband, combined with poems about Flush the dog to create non-fictional threads. On these factual underpinnings, Woolf then layered themes that she wished to explore. Connections to *A Room of One's Own* come across in the way Woolf deals with Browning's life as a woman writer and intellectual, existing in a patriarchal city environment. In choosing such an approach, Woolf certainly betrays the autobiographical elements in the text, given her own status and also allows her to cover the pressures imposed by her private ailments.

**Robinson Crusoe** - Daniel Defoe 1895

North and South - Elizabeth Cleghorn Gaskell  
1855

When her father leaves the Church in a crisis of conscience, Margaret Hale is uprooted from her comfortable home in Hampshire to move with her family to the north of England. Initially repulsed by the ugliness of her new surroundings in the industrial town of Milton, Margaret becomes aware of the poverty and suffering of the local mill workers and develops a passionate sense of social justice. This is intensified by her tempestuous relationship with the mill-owner and self-made man, John Thornton, as their fierce opposition over his treatment of his employees masks a deeper attraction. In *North and South*, Elizabeth Gaskell skillfully fuses individual feeling with social concern, and in Margaret Hale creates one of the most original heroines of Victorian literature.

*Introduction to Radar Using Python and*

*MATLAB* - Lee Andrew (Andy) Harrison

2019-10-31

This comprehensive resource provides readers with the tools necessary to perform analysis of various waveforms for use in radar systems. It provides information about how to produce synthetic aperture (SAR) images by giving a tomographic formulation and implementation for SAR imaging. Tracking filter fundamentals, and each parameter associated with the filter and how each affects tracking performance are also presented. Various radar cross section measurement techniques are covered, along with waveform selection analysis through the study of the ambiguity function for each particular waveform from simple linear frequency modulation (LFM) waveforms to more complicated coded waveforms. The text includes the Python tool suite, which allows the reader to analyze and predict radar performance for various scenarios and applications. Also

provided are MATLAB® scripts corresponding to the Python tools. The software includes a user-friendly graphical user interface (GUI) that provides visualizations of the concepts being covered. Users have full access to both the Python and MATLAB source code to modify for their application. With examples using the tool suite are given at the end of each chapter, this text gives readers a clear understanding of how important target scattering is in areas of target detection, target tracking, pulse integration, and target discrimination.

Europe and Empire - Massimo Cacciari

2016-01-04

The European Union and the single currency have given Europe more stability than it has known in the past thousand years, yet Europe seems to be in perpetual crisis about its global role. The many European empires are now reduced to a multiplicity of ethnicities, traditions, and civilizations. Europe will never be

One, but to survive as a union it will have to become a federation of “islands” both distinct and connected. Though drawing on philosophers of Europe’s past, Cacciari calls not to resist Europe’s sunset but to embrace it. Europe will have to open up to the possibility that in few generations new exiles and an unpredictable cultural hybridism will again change all we know about the European legacy. Though scarcely alive in today’s politics, the political unity of Europe is still a necessity, however impossible it seems to achieve.
