The Epic of Sumanguru Kante - Stephen Bulman 2017-08-28

The Epic of Sumanguru Kante contains the Bamana text and English translation of griot Abdoulaye Sako's oral narrative about Sumanguru, recorded in Koulikoro (Mali), together with explanatory notes, a scholarly introduction, and sections on the Bamana language and musical accompaniment.

Son-Jara - Fa-Digi Sisòkò 2003

The epic of Son-Jara (also known as Sunjata or Sundiata) celebrates the exploits of the legendary founder of the Empire of Old Mali and is still widely recited among Mandekan-speaking peoples of West Africa today. As performed by griots, or professional bards, it embodies deeply rooted aspects of Mande cosmology and worldview. This edition of the epic presents the full, linear Mandekan text side by side with John William Johnson's important English translation. Fully annotated and explained, the text provides historical and contextual frameworks for understanding this African epic. A complete recitation of the epic by Jeli fa-Digi Sisòkò recorded in the town of Kita, Mali, is sold separately. This powerful text and inspiring performance show why the epic of Son-Jara has taken its place among the world's greatest epics.

Emperor Shaka the Great - Mazisi Kunene 1978

Sundiata - Lynne Mansure 2002-06

Sundiata is the story of a man who lived in West Africa almost 800 years ago. It is the myth of a hunter's prophecy that a king will marry an ugly foreign woman who will give birth to a son, who will come to rule the kingdom on Mali. It is a tale of conquest and heroism.

Sundiata - Djibril Tamsir Niane 1965

The Life and Struggles of Our Mother Walatta Petros - Galawdewos 2015-10-13

A "geadl" or hagiography, originally written by Gealawdewos thirty years after the subject's death, in 1672-1673. Translated from multiple manuscripts and versions.

Places Left Unfinished at the Time of Creation - John Phillip Santos 2000-08-01

Finalist for the National Book Award! In this beautifully wrought memoir, award-winning writer John Philip Santos weaves together dream fragments, family remembrances, and Chicano mythology, reaching back into time and place to blend the story of one Mexican family with the soul of an entire people. The story unfolds through a pageant of unforgettable family figures: from Madrina--touched with epilepsy and prophecy ever since, as a girl, she saw a dying soul leave its body--to Teofilo, who was kidnapped as an infant and raised by the Kikapu Indians of Northern Mexico. At the heart of the book is Santos' search for the meaning of his grandfather's suicide in San Antonio, Texas, in 1939. Part treasury of the elders, part elegy, part personal odyssey, this is an immigration tale and a haunting family story that offers a rich, magical view of Mexican-American culture.

Nervous Conditions - Tsitsi Dangarembga 2021-05-18

A modern classic from the Booker-shortlisted author of *This Mournable Body* The groundbreaking first novel in Tsitsi Dangarembga's award-winning trilogy, *Nervous Conditions*, won the Commonwealth Writers Prize and has been "hailed as one of the 20th century's most significant works of African literature" (*The New York Times*). Two decades before Zimbabwe would win independence and ended white minority rule, thirteen-year-old Tambudzai Sigauke embarks on her education. On her shoulders rest the economic hopes of her parents, siblings, and extended family, and within her burns the desire for independence. She yearns to be free of the constraints of her rural village and thinks she's found her way out when her wealthy uncle offers to sponsor her schooling. But she soon learns that the education she receives at his mission school comes with a price.

Sundiata - Djibril Tamsir Niane 1986

Retold by generations of griots--the guardians of African culture--this oral tradition has been handed down from thirteenth century and captures all the mystery and majesty of medieval African kingship. It is an epic tale--part history, part legend--which should rank alongside the works of Homer as one of the world's great adventure stories.

Sunjata: A New Prose Version - 2016-06-01

"After existing orally for hundreds of years, Sunjata was written down in the 20th century. David Conrad, who recorded a new version of the epic, has now crafted a prose translation that preserves the oral flavor of live performance. The result is a captivating work of literature that will finally give the story of Sunjata its well-deserved place among the great epics of world literature." —Martin Puchner, Byron and Anita Wien Professor of Drama and of English and Comparative Literature, Harvard University

Africa Since Independence - Paul Nugent 2004-09-18

This is a genuinely comparative study of the different trajectories and experiences of independent African states. It addresses the differential legacies of British, French, Portuguese, Belgian and Spanish colonialism as well as the unique qualities of imperial Ethiopia and Liberia. Paul Nugent analyses boundary problems, the reshaping of territorial structures and the contrasting ideological paths followed by civilian and military regimes. The book ends with a look at the interplay between structural adjustment, ethnicity, democratization and the impact of NGOs. A state-level perspective is balanced by a sensitivity to popular culture.

Desert Frontier - James L. A. Webb 1995

Documents the increasing aridity of the transitional zone between the full desert of the Sahara and the open grassland of western Africa, the border moving 200-300 kilometers south during a brief two and half centuries; and the political and economic changes as pastoral nomads of the desert edge followed the shift south, and the agricultural communities in their way had to abandon their villages or face subjugation.

Shaping Claims to Urban Land - Fons van Overbeek 2022-10-03

The concept of 'hybridity' is often still poorly theorized and problematically applied by peace and development scholars and researchers of resource governance. This book turns to a particular ethnographic reading of Michel Foucault's Governmentality and investigates its usefulness to study precisely those mechanisms, processes and practices that hybridity once promised to clarify. Claim-making to land and authority in a post-conflict environment is the empirical grist supporting this exploration of governmentality. Specifically in the periphery of Bukavu. This focus is relevant as urban land is increasingly becoming scarce in rapidly expanding cities of eastern Congo, primarily due to internal rural-to-urban migration as a result of regional insecurity. The governance of urban land is also important analytically as land governance and state authority in Africa are believed to be closely linked and co-evolve. An ethnographic reading of governmentality enables researchers to study hybridization without biasing analysis towards hierarchical dualities. Additionally, a better understanding of hybridization in the claim-making practices may contribute to improved government intervention and development assistance in Bukavu and elsewhere.

Sundiata - Djibril Tamsir Niane 2006

"The son of Sogolon, the hunchback princess, and Maghan, known as 'the handsome', Sundiata grew up to fulfil the prophecies of the soothsayers that he would unite the twelve kingdoms of Mali into one of the most powerful empires ever known in Africa, which at its peak stretched right across the savanna belt from the shores of the Atlantic to the dusty walls of Timbuktu." "Retold by generations of griots - the guardians of African culture - this oral tradition has been handed down from the thirteenth century and captures all the mystery and majesty of medieval African kingship. It is an epic tale - part history, part legend - which should rank alongside the Iliad and the Odyssey as one of the world's great adventure stories." "This Revised Edition contains additional material to help the reader better understand the context in which this popular story is set, including: background information, material on oral tradition, pronunciation and spelling, and a who's who of characters/glossary of places."--BOOK JACKET.

Sunjata - David C. Conrad 2004-01-01

A pillar of the West African oral tradition for centuries, this epic traces the adventures and achievements of the Mande hero, Sunjata, as he liberates his people from Sumaworo Kanté, the sorcerer king of Soso, and establishes the great medieval empire of Mali. David Conrad conveys the strong narrative thrust of the Sunjata epic in his presentation of substantial excerpts from his translation of a performance by Djanka Tasey Condé. Readers approaching the epic for the first time will appreciate the translation's highly readable, poetic English as well as Conrad's informative Introduction and notes. Scholars will find the familiar heroes and heroines taking on new dimensions, secondary characters gaining increased prominence, and previously unknown figures emerging from obscurity. "Thanks to his careful editing and translating of Condé's narrative, Conrad offers a highly readable version of the epic that is about a third of its original length. The translation communicates not only the poetic qualities and the essential events of the Sunjata legend but also the master bard's performance values. Thus, this rendering will fascinate those who already know the story and culture and those coming to the epic for the first time. Conrad provides an

excellent introduction to Mande oral tradition, the role of the griot, and the Manding belief system. Though he makes no claim for this as the complete scholarly edition, he does provide helpful scholarly notes, a glossary, and a good bibliography. . . . Summing up: Highly recommended." --L. W. Yoder, CHOICE Sunjata - Bamba Suso 1999-10-07

Sunjata Keita was the founder of one of the greatest empires of Western Africa. These two epic accounts of his life portray a greedy, slow-witted child - said to have crawled until the age of seven - who grew up as prophecy foretold to become a mighty warrior, renowned for his bravery and superhuman strength. They describe how, with the help of his sister, who seduced their arch-enemy Sumanguru into revealing his secret powers, Sunjata defeated the Susu overlords and created the Mali Empire which would last for two centuries. Based on events from the early thirteenth century, these tales of heroism and magic are still celebrated across West Africa as part of a living epic oral tradition.

Maps - Nuruddin Farah 1999

First in the author's Blood in the Sun trilogy, the thematic novel tackles the problem of violence and civil war in East Africa.

Heroism and the Supernatural in the African Epic - Mariam Konaté Deme 2010-09-13

There exists a strong tendency within Western literary criticism to either deny the existence of epics in Africa or to see African literatures as exotic copies of European originals. In both cases, Western criticism has largely failed to acknowledge the distinctiveness of African literary aesthetics. This book revises traditional literary canons in examining the social, cultural and emotional specificity of African epics. Mariam Konaté Deme highlights the distinguishing features that characterize the African epic, emphasizing the significance of the fantastic and its use as an essential element in the dramatic structure of African epics. As Deme notes, the fantastic can be fully appreciated only against the cosmological background of the societies that produce those heroic tales. This book not only contributes to the scholarship on African oral literature, but also adds reshapes our understanding of heroic literature in general.

Dancing Skeletons - Katherine A. Dettwyler 2013-09-26

One of the most widely used ethnographies published in the last twenty years, this Margaret Mead Award winner has been used as required reading at more than 600 colleges and universities. This personal account by a biocultural anthropologist illuminates not-soon-forgotten messages involving the sobering aspects of fieldwork among malnourished children in West Africa. With nutritional anthropology at its core, *Dancing Skeletons* presents informal, engaging, and oftentimes dramatic stories that relate the author's experiences conducting research on infant feeding and health in Mali. Through fascinating vignettes and honest, vivid descriptions, Dettwyler explores such diverse topics as ethnocentrism, culture shock, population control, breastfeeding, child care, the meaning of disability and child death in different cultures, female circumcision, women's roles in patrilineal societies, the dangers of fieldwork, and facing emotionally draining realities. Readers will laugh and cry as they meet the author's friends and informants, follow her through a series of encounters with both peri-urban and rural Bambara culture, and struggle with her as she attempts to reconcile her very different roles as objective ethnographer, subjective friend, and mother in the field. The 20th Anniversary Edition includes a 13-page "Q&A with the Author" in which Dettwyler responds to typical questions she has received individually from students who have been assigned *Dancing Skeletons* as well as audience questions at lectures on various campuses. The new 23-page "Update on Mali, 2013" chapter is a factual update about economic and health conditions in Mali as well as a brief summary of the recent political unrest.

Oral Epics from Africa - John William Johnson 1997

It seems incredible that heretofore there has not been an introductory anthology of African epics presented in English. Western literary culture has long emphasized the heritage of such well-known epics as the Iliad, the Odyssey, and Aeneid. But it is only recently that scholars have turned their attention toward capturing the rich oral tradition that is still alive in Africa. The twenty-five excerpts in this volume have been selected and introduced so as to offer English-speaking readers a broad sample of the extensive epic traditions in Africa. The general introduction and the background on each epic will enable readers to understand the context of each epic and will also provide leads for further inquiry.
